Capt. Don Grosse
Commanding Officer
USCGC Boutwell (WHEC 719)

Dear Don,

Just a short line to thank you for your hospitality last Saturday for the first race of America Cup.

My wife, myself and the other members of my Council enjoyed the day very much. You have great people in your crew; they were most helpful and friendly and did a great job in taking care of our hunger pains.

I wish you smooth sailing in the future.

Sincerely,

Larry Matson
President
