Subj: PRECEPT CONVENING A SELECTION BOARD TO CONSIDER COAST GUARD CAPTAINS ON THE ACTIVE DUTY PROMOTION LIST FOR CONTINUATION ON ACTIVE DUTY

4. Prior to the date the Board submits its report, the Commander, Coast Guard Personnel Service Center, is authorized to delete the name of any officer whose name is removed from the Active Duty Promotion List for any reason. In the event any officer in the continuation zone established herein is removed prior to the date the Board submits its report, the Commander, Coast Guard Personnel Service Center will provide additional instructions. Any communications to the Board by any officer under consideration will be transmitted under separate cover.

5. The Board shall refer to the provisions of Sections 5.A and 14.A of reference (b) and the enclosed Commandant's Guidance to PY11 Officer Selection Boards and Panels in your development of criteria for determining the officers recommended for continuation. Additionally, section 14.A.3 of reference (b) provides four factors to consider in developing your criteria: performance, professionalism, leadership, and education.

6. You should emphasize to the members of the Board the importance of their obligation to confine themselves to facts of record and not predicate judgments on rumor or hearsay. At the end of your deliberations, all members must be able to say that the officers recommended for continuation are, in the opinion of at least two-thirds of the members of the Board, the best qualified to carry out the duties and responsibilities of the grade for which they are continued.

Except for the report of this Board, the proceedings of the Board shall not be disclosed to any person not a member of the Board. You will direct the members of the Board that their recommendations shall be kept confidential until the Secretary approves the report on behalf of the President, and the names of officers selected for continuation are released to the Service at large.
