This card represents documentation of your national registration as an EMT, according to the indicated classification. The maintenance of your status with the National Registry enhances your position as an EMS professional, attests to the public that you have met the national standards, and provides an opportunity for vertical and horizontal mobility. **In order to practice EMS, you will need to obtain your state license. Please contact your State EMS office for instructions on how to obtain your license.**

You are advised to review all of the enclosed materials accompanying this card **paying particular attention to the re-registration requirements.** These requirements must be completed prior to the expiration date listed on this card. If you have any questions concerning your status with the NREMT please contact us. We also advise you to check our website at **www.nremt.org** Maintaining a current address with the NREMT is a requirement for registration. Please use your NREMT number during all correspondence with the NREMT.

Please note that this card is the property of the NREMT. As such we may request that you return it to us during any investigation or for disciplinary reasons.
