Jess-
As promised (better late than never!) I think [redacted] got the most diving out of anyone, but she had the least experience, so I think it worked out. See you next week!

Subject: Dive Log

Jessica,
Here is the info for DC2's dives on Wed. The wx wasn't the greatest, but we had awesome visibility, DC2 was an awesome asset to our team and we appreciated him coming out to dive. Please keep my divers (MST3 [redacted] and ET3 [redacted]) in mind in Jan. if you plan anything, as I will be in the ice.

Dive	BT	Depth	T/S	SI	RG
1	:25	33'	35'/:25	1:00	C--+:39
2	:10	18'	20'/:50	:09	B--+:39
3	:10	19'	20'/:50	---	

Thanks again,
