IMPORTANT NOTICES TO COMMANDS & MEMBERS

** New Process for Aviation A-school requests. **

- Members intending to apply for an Aviation A-school should start the Flight Physical process early. A flight physical is usually a two part process completed over two separate visits. Members/commands shall inform the servicing clinic to notify unit POC via email that the flight physical has been released to PSC as qualified in the AERO database. Units shall include this verification email with AET, AMT, or AST A-school requests. Any request without this email will be returned to unit as incomplete. Candidates will not be added to the A-school list without a PSC approved flight physical.

- Any member notified by clinic that a medical waiver will be required to attend Aviation A-school shall draft a memo requesting the waiver and route through command for endorsement. Please work with servicing clinic/unit to complete the memo. The completed memo shall be sent to the following: ARL-PF-CGPSC-EPM-1-(Career-Retentions). The Aviation Waiver Template can be found on the portal page. https://cg.portal.uscg.mil/units/psc/psc-epm/SitePages/Non-Rate.aspx. Once the waiver has been received by EPM-1 they will make their decision and email the member, please include this email with your request.

The process to be added to the AST list :

1. Aviation Flight Physical completed and approved by PSC in AERO. Clinic notifies member and Command.
2. A school request is submitted via Command to "A" School assignments office
3. Request is processed which includes verification of PSC approved flight physical & other requirements.**
4. If all criteria is met, email to POC and to member. Notification that member was added to the list with a Miscellaneous hold until completion of the AST screening test.
The email will also have the attached document to review and fill out. It can be reviewed using the link below. Do not send screening form prior to this step.
5. Command submits the document to our office and hold is removed
6. Member is slated into the next available class

** NOTE-If member's flight physical is not in AERO or the A school request is marked as "pending flight physical" the request will be returned.

"A" School requirements

In addition to rating specific requirements, other requirements affecting eligibility are listed below.

- **PERFORMANCE** CO/ OINC's Recommendation for Advancement and Satisfactory Conduct. IAW COMDINST M1500.10C, If member enters a disciplinary status, the member's command must notify Commander, Coast Guard Personnel Service Center, PSC (epm-2) immediately to have the member removed from the Class "A" School list. The member must have a minimum of six months good conduct before re-applying.
- **EPME AQE-** ALCOAST 353/15-announced the suspension of the E4 EPME AQE to attend A - School. All class "A" school courses are slated in list order according to signature date. Applicants who have not passed the EPME Advancement Qualification Exam will not be passed over; however, E4 Enlisted Performance Requirements (AQE "sign-offs") completion is REQUIRED. Commands shall verify compliance prior to execution of orders. If a member is in receipt of orders but has not completed, Commands must notify EPM-2 school POC so that member's orders can be cancelled. Enlisted Performance Qualification's are also verified upon arrival to school
- **Four Month Wait**- IAW ALCOAST 107/15, the 4-month requirement for non-rated members to attend FS and OS A-Schools is waived. All other ratings require completion of four months at first unit. Members are not required to be an E3 to be added to an "A" school list, however, E2's rank below E3's on the list. Once advanced, member will be placed amongst the other E3's by the revised "signature date": date of advancement.
- **Signature Date** – Members are encouraged to request placement on A-school lists as soon as they become eligible via their chain of command. The signature date will be the date that the command approves and submits the request.
- **Obligated Service-** upon receipt of orders members are required to obligate service to attend "A" school IAW ALCOAST 340/15. The obligated service requirement for Class A-School is calculated from the course convening date and is the number of training days per the curriculum outline plus 24-months. Class A-School training durations can be found on the Training Quota Management Center's website: http://www2.tracenpetaluma.com/tqc/aschool.asp.
- **ASVAB Requirements-**Members who do not meet the ASVAB minimum scores may request a waiver from Commanding Officers or Officers In Charge who may grant up to 5 points of a combined score to meet the minimum requirement. For information on waiver requests that exceed that amount, please see the new ASVAB Waiver Guide which can be found: http://www.uscg.mil/psc/epm/docs/ASVAB%20Process%20Guide%2022FEB2016.pdf

Active Duty "A" School Request Format & Process

- Submission-Requests must come from the Command Cadre or someone that has By Direction authority. Below are the directions for submission:
    - The Adobe Form at the following link is now the only method for submitting "A" School Requests: http://www.uscg.mil/psc/epm/docs/adaschoolrequestform.pdf The submit button is now required to send this form to the "A" School Assignment Officers; it is the only way that they can track requests and they will be rejected if it is not done this way. Most of the Workstation II's in the Coast Guard have an older version of Adobe installed; you will need to enable JavaScript at the top of the form before submitting.
    - To enable JavaScript:
    - Open the form on desktop (not in web browser)
    - Click "Edit in menu bar-"Preferences"-"JavaScript" on left bar and check "enable".
    - Only the pertinent information for each rate needs to be completed. The "To" line is already filled, the "CC" line can be used as needed.The Subject line will auto complete as the form is completed.
- Processing-Upon receipt, the "A" School Assignment Officer will review the request and add member to the appropriate "A" School List. If the request is incomplete or we require amplifying information, we will reply to the unit identifying what information is needed. Note that since requests are submitted via email (instead of actual forms); the command may be requested to provide a copy of the original documentation for verification of request.
- Changing "A" School lists- Members may choose to be removed from an "A" School list and added to another, however , a newly endorsed "A" School Request Form is required. The signature date will be that of the new request and member's name will be added to the bottom of the new list.
- Communication with "A" School Assignment Coordinators: Members on an "A" School list are advised to forward questions through their chain of command. Commands may call or E-mail AO's at any time.

Security Clearance Packages for "A" School

- Security clearance packages must be submitted to SECCEN if applying to any of the following ratings: AET, AMT, AST, ET, GM, IS, IT, ME, OS, and PA.

- When completing your security clearance package, ensure your Personal Security Action form (CG-5588) states you are applying to an "A" school in the appropriate block e.g., "Application for GM "A" School".
- Lack of a security clearance package being submitted for the required ratings could delay your ability to attend the respective "A" school.

Aviation "A" School Applicants

The flight physical process is one of the most important requirements for Aviation "A" school applicants. ***A Flight Physcial completed and qualified by PSC flight surgeon is required to be added to an aviation A-school list.*** It is recommended you start this process early if you intend to pursue the Aviation career path. The PSC approved flight physical will remain valid for 24 months.

Members applying for any Aviation "A" School must be aware that the physical/medical requirements are usually stricter than other ratings. 1 example is; member's who are diagnosed as alcohol dependent or alcohol abusive is considered disqualified for aviation. If you have been notified by medical that you qualify for a waiver and meet the entire waiver requirement listed in the CG Aviation Medicine Manual COMDTINST M6410.3, you shall work with medical and draft a memo requesting a waiver. Once the waiver has been drafted you shall email to: ARL-PF-CGPSC-EPM-1-Career-Retentions, once reviewed you will receive memo with the decision on the request.

Diver "A" School Applicants

The Diver (DV) rating begins at rank E-5/DV2. Candidates must be the rank of E-5, or an E-4 with E-5 EPQs completed. Members graduating DV "A" school will be advanced to E-5/DV2 (if E-4). Applicants must mail in an application package, and pass a Diver Candidate Screening (DCS), (located in Cape May, NJ.) before completing a full Dive Physical in order to be placed on the Diver "A" school list. All applicants will be screened for the subsequent assignment year. Specific guidance for the application process is outlined on the special assignments page under CG Dive Program (http://www.uscg.mil/psc/epm/AO/SpecialAssignments.asp).

Candidates must meet the following criteria to apply;

a. The maximum age for DV applicants is 34 years of age.

IS "A" Instructions

Please take the following steps to add members to the IS "A" School waiting list:

1. Submit an email to TRACEN Yorktown Special Security Officer (SSO), Mr. Daniel Rathbun, daniel.l.rathbun@uscg.mil, SUBJ: request to be placed on the IS "A" school waiting list. This will start the process for the Pre-Nomination Interview (PNI) (Initial SCI interview). Interviews will generally be scheduled Monday - Friday from 0700-1330 EST.

2. If SCI interview results are favorable, submit a request for placement on the IS "A" School List. Ensure a copy of the IS "A" School SSO Worksheet is attached to the IS "A" School Request. This sheet is provided by the TRACEN Yorktown Special Security Officer. Members will NOT be added to the IS "A" School list without this sheet.

3. DO NOT START TOP SECRET PROCESS UNTIL AUTHORIZED (unless in a current position requiring one).

- **EPM-2 Authorizes Start of SSBI**-When the expected wait time for member to attend IS "A" school at 18 months, CG PSC-epm-2 will notify the command as well as SECCEN with authorization for the member to start their Single Scope Background Investigation (SSBI) for a Top Secret clearance. Please forward this email to the member as well as the Security Officer/Clerk for the command.

- Once authorized by CG PSC-epm-2, the member's SSBI for a TS clearance can be submitted to SECCEN. We receive monthly security clearance updates from SECCEN for all members on the IS "A" School waiting list.
- Once member has been granted TS Clearance the member will be eligible to be slated for "A" School.
- Once the member is slated/on a stand-by list for an IS "A" School Class, the HQ SSO office will be notified to complete the member's Special Compartmented Information (SCI). Once the SCI is granted to the Top Secret Clearance, the member will be fully eligible to attend IS "A" School.

4. Member must have a FINAL; favorably adjudicated SSBI with FINAL TS/SCI eligibility to attend IS "A" school. Clearances MUST be FINAL.

Weight and Bodyfat Compliance

- **WEIGH YOUR MEMBERS BEFORE THEY DEPART FOR TRAINING! IAW COAST GUARD WEIGHT AND BODY FAT STANDARDS PROGRAM MANUAL, COMDTINST M1020.8H 2.A.4.B, UNITS ARE REQUIRED TO VERIFY COMPLIANCE WITH WEIGHT / BODY FAT STANDARDS WITHIN 30 DAYS AND NO LESS THAN 15 DAYS FROM A CLASS CONVENING DATE AND UPDATE DIRECT ACCESS WITH THE MEMBER'S PHYSICAL CHARACTERISTICS. IF A MEMBER IS FOUND TO BE NON-COMPLIANT, REFER TO COMDTINST M1020.8A, CH.3.**
- IAW Coast Guard Weight and Body Fat Standards Program Manual, COMDTINST M1020.8H, Chapter 3.5, if a member shows up to "A" school overweight and over their body fat they may potentially be "fault" disenrolled which means they will not be eligible to be placed on any "A" school list for a minimum of 1 year. Commands are urged to contact 1 of the "A" School AO's as soon as possible if their member is on the verge of, or not within weight standards. Do not contact the "A" School.
- ENSURE THAT YOUR MEMBER'S CGBI REPORT REFLECTS THEIR MEDICAL READINESS STATUS AS GREEN IN PHA, DENTAL, AND IMMUNIZATIONS PRIOR TO THE EXECUTION OF THE MEMBER'S ORDERS.
- IAW COMDTINST M6000.1F 6.A and in efforts to assist with all members being medically ready for deployment; please ensure the prospective "A" School Student CGBI report reflects their medical readiness status as **GREEN** in PHA, dental, and immunizations prior to execution of orders. If the prospective "A" School Student is unable to report medically or dentally ready, please contact the respective Training Center "A" School staff representative for assistance.

COMMAND & MEMBER RESOURCES

ORDER TYPE

- **"A" School Orders:** Commands are to notify the appropriate "A" School Assignment Officer via email with "A" School order cancellations/changes, member status updates, and anything pertaining to the member's "A" School orders. In the email correspondence, include the member's name, EMPLID number, "A" School / CLCVN date, and the member's current status / reason for cancelling orders. Ensure that the Command Cadre is carbon copied on the email. For cancellations, the sooner the command notifies EPM-2, the better the chances of filling the seat with the next member on the "A" School List. Please refer to the Performance, Training and Education Manual COMDTINST M1500.10D Ch. 7.E.2.a. (4). "Members failing to report in accordance with Class "A" School orders are subject to disciplinary measures outlined in Discipline and Conduct, COMDTINST M1600.2 (series)."
    - **TEMDUINS (TDY), PCS/TEMDUINS, and PCS/DUINS orders:** These are the only 3 ways that a member should be ordered to "A" school. Let us explain the differences because there appears to be some confusion out there. **TEMDUINS (TDY)**: This order is used if a member has dependents and needs to return to their permanent duty station after the completion of "A" School. There will be no entitlements for dependents traveling to "A" School with the member just like any other TDY orders. If the member has no reason to return to the permanent unit after "A" School, then the Command can request PCS/Temduins orders. PCS/Temduins orders can cost married member money out of pocket so member needs to be counseled on entitlements for both types of orders. **TDY Orders are highly recommended for members with dependents.**
    - **PCS/TEMDUINS:** This order is used for members with no dependents. It is also used for members with dependents but have no reason to return to their permanent duty station after completion of "A" School, there will be no entitlements for dependents traveling to "A" School with the member (as stated in TDY explanation).
    - **PCS/DUINS**: This is used for personnel attending HS, ET or IT "A" School. Due to these "A" Schools being longer than 20 weeks, PCS orders are authorized. All personnel will be issued PCS orders no matter if you have dependents or not. If you have dependents, you are authorized allowances to have dependents relocate with you to "A" School. This is the only set of orders where dependents are entitled to allowances to travel with the member to "A" School. Members without dependents are NOT authorized to ship HHG to Training Center; HHG shall be placed in Non- Temporary Storage (NTS). Members without dependents will be living in the barracks.
    - **Designation of Coast Guard Aviation "A" School as Temporary Duty (TDY) Courses**. As of April 15, 2014 all members with dependents will be issued TDY orders to Elizabeth City, NC. For Aviation "A" School. Members with no reason to return to their Permanent Duty Station (PDS) after graduation will be issued PCS/TEMDUINS orders. Authorization memo can be found: http://www.uscg.mil/epm/docs/AviationTDYmemo.pdf
- If you are still confused, Commands may contact us so we can assist. We'd rather you reach out to us than get a set of orders wrong. For detailed information regarding order types, see the Pay and Personnel Procedures, PPCINST M1000.2, Chapter 2.
- **Notice to Members OUTCONUS:** If a member elects to ship his/her vehicle ICW PCS TEMDUINS orders to "A" School for less than 20 weeks, they must be properly counseled and have the following statement included on their orders issued by PSC-epm-2. "Member serving OCONUS may ship their POV in accordance with JTR 5370.D, to their Class "A" School; however they must be counseled on possible excess cost. You are authorized to ship 1 POV from (insert name of OCONUS unit) to your new PDS following completion of Class "A" training under 20 weeks at (insert training center) in accordance with JTR 5370.D. Your POV shipment entitlement is from the port/VPC serving your OCONUS unit to the port/VPC serving the PDS that will later be identified upon completion of "A" school. Since the next PDS is not identified at this time, you may be subject to excess cost. Should you receive orders back to your previous PDS, another OCONUS PDS, or to an area where the receiving VPC is different from the VPC where the POV was originally shipped, you will be required to pay excess charges." The following must be completed following the counseling of the member of this entitlement: (1)

Statement from the PCS AO or the designated representative that the member was advised before the PCS authorization/order was issued that the PCS authorization/order would be issued. (2) Written agreement signed by the member to remit the entire cost of transportation if a PCS authorization/order to authorize transportation is not issued later. (3) Written agreement signed by the applicant to pay any additional costs for transshipment of the POV to another port required because the new PDS named in the authorization/order is different than that named in the statement required in par. U5370. D.1

DISENROLLMENTS

- Disenrollment. Each Training Center is required to characterize and document each disenrollment on Administrative Remarks Form (CG-3307). Furthermore, the Training Center shall notify Commander, Coast Guard Personnel Service (PSC) (epm-2) via message with member's name, EMPLID, school, disenrollment date, reason and characterization of disenrollment (Fault or No Fault) and members' status for reassignment.

    - Fault Disenrollment. Students who are disenrolled from Class "A" school for misconduct, lack of effort or application to complete training, or disenrollment at member's request are considered to be Fault disenrollments. Such members are prohibited from applying for another Class "A" school for 12 months from date of disenrollment.

    - No Fault Disenrollment. Students who are disenrolled from Class "A" school for academic, humanitarian, or for the good of the service are considered to be No Fault disenrollment's and, upon arriving at their new duty station, may request to be placed on another Class "A" School list. Candidates who incur their second No Fault disenrollment will be assessed a Fault disenrollment and will also be prohibited from applying for another Class "A" school for 12 months from date of last disenrollment.

Type of Delay Hold

- **MIS:** A School AO will reply to original "A" school request with reason for "Miscellaneous" hold.

Time frame for Order Issuance

"A" School orders are issued by "A" School Assignment Officers (AO's) approximately 10 weeks prior to class convening via Direct Access Airport Terminal. If the command does not have access to DA, the unit should contact their SPO for the member's orders. If member's name is still on "A" school list, then orders were not issued. However, if member's name appears near the top of the waiting list, orders may be issued within one week of class convene date because of possible cancellations. Every attempt is made to fill all quotas up to one week prior to class convening.

Member's who are placed on lists with a projected wait time of less than 6 months are eligible to receive orders at any time.

Members who receive PCSTEMDUIN or PCS orders within less than 30 days of class convene date and are unable to execute orders may request cancellation of orders. Members who are unable to execute orders on short notice are placed back on the list and slated into the next available class. This is not considered a "disenrollment" and does not incur a one year wait penalty. (Commands should contact EPM-2 "A" School assignment officer directly.)

Listed below are the next three class convening's for which orders have not been issued. Included below each date is the estimated number of active duty seats allowed per class. Be aware that changes to the convening date and total quoatas can and do occur. The wait time and number of active duty members on the list is an estimate only. Needs of the service dictates all "A" School assignments and slating into a particular class is not guaranteed.

CLCVN - Class Convening **FY -** Fiscal Year (runs from 01OCT - 30SEP in which the class graduates)
TBD - Class dates or # of active duty seats to be determined **A/D -** Estimated # of active duty seats per class
