COMMANDANT INSTRUCTION M1650.25C

Subj: MEDALS AND AWARDS MANUAL

1. PURPOSE. This manual establishes Coast Guard policy and detailed instructions for the administration of the military decorations and awards program of the Coast Guard.
2. ACTION. This manual applies to all Coast Guard units and personnel assigned. Area and District Commanders, Commanders of Maintenance and Logistics Commands, Commanding Officers of Headquarters units, Assistant Commandants for Directorates, Chief Counsel, and special staff offices at Headquarters shall ensure widest dissemination of this manual. No paper distribution will be made of this manual. Further distribution via the Internet is authorized.
3. DIRECTIVES AFFECTED. Medals and Awards Manual, COMDTINST M1650.25B is cancelled.
4. SUMMARY. This manual updates standards, and incorporates policy changes that have been announced previously via ALCOAST to the field, in addition to unpublished clarifications, and edits. The manual also has been reorganized to eliminate all criteria for operations and awards prior to the Vietnam War, by placing the dates and names of the operations in the historical section. We have also removed the Auxiliary awards criteria due to the Auxiliary having a separate Awards Manual, thus eliminating repetition.
5. DISCUSSION. This manual is written in the permissive form; meaning, it describes medals and awards that are authorized, when they were authorized, and the manner of wear. No deviation from the guidance of this manual is authorized, except as otherwise noted.

Table 1 – Awards and Decorations (in order of precedence).

CHAPTER 1. GENERAL INFORMATION

A. Purpose. This Manual contains Coast Guard policy, regulations and information concerning awards available to individuals and units in or associated with the Coast Guard. It explains procedures for awarding personal and unit decorations, and service awards, nonmilitary decorations; and acceptance of foreign military decorations by members of the Armed Forces of the United States. It describes the various awards and the eligibility requirement for each. Some awards not usually associated with the Coast Guard are also mentioned for informational purposes. The Commandant via Chief, Policy and Standards Division (G-WPM-1) may issue directives and changes as required, to amplify, and modify the provisions of this Manual to meet special situations.

B. Policy Considerations

1. Authorization for Awards and Penalties for Their Unauthorized Disposition.

14 USC 502 authorizes Coast Guard military personnel to be awarded medals, bars, emblems, and insignia under provisions of Congressionally passed laws, Executive Orders issued by the President, directives issued by the Commandant, or amendments to this Manual during peacetime, and by the Secretary of the Navy when the Coast Guard is operating with or under the Navy. In addition, 18 USC 704 prohibits, and imposes a suitable penalty for the unauthorized wearing, manufacture, or sale of any decoration, medal, or ribbon which has or may be authorized by the Armed Forces of the United States, except when authorized under regulations pursuant to law.

2. Awards as Recognition. Military decorations are awarded in recognition of individual and/or sustained acts of heroism, meritorious achievement or meritorious service above and beyond that ordinarily expected, and which distinguish an individual or unit from among those performing similar acts or services. The judicious and timely use of personal decorations and unit awards provides an effective means of fostering high morale, incentive, and esprit de corps; therefore, recommendations for military decorations and awards must be initiated promptly after the act or period of service being recognized, in sufficient time to ensure presentation before the recipient detaches from the unit at which the award was earned. Receipt of a unit/team award does not prohibit a deserving individual from receiving a personal award for individual acts or services performed during the same period. Only one medal representing a given decoration will be issued to an individual. For subsequent awards of the same decoration, stars will be issued (see Table 1 at the end of this chapter).

3. Periods of Meritorious Service and/or Acts. Only one award of a personal decoration will be made for the same act, achievement, or period of meritorious service. However, if a member is cited for heroism or specific meritorious achievement within a longer period that is later recognized by an award for meritorious service, this circumstance is not considered a duplication of recognition and the member may be entitled to two awards. For example:
 - a. An aircrew member is awarded the Air Medal for heroism during a SAR case on 19 Jul 98. Later, the same individual receives the Coast Guard Commendation Medal for outstanding achievement as a shop supervisor from May '95 to June '99. To maintain the separation of the accomplishments being recognized, the award of the Air Medal cannot be mentioned in the citation of the Commendation Medal. Since the two actions are distinct, no duplication exists.
4. Benefits for Extraordinary Heroism. 14 USC 357(i) provides that any enlisted person who retires by reason of 20 years service, whether voluntarily or involuntarily, who has been cited for extraordinary heroism in the line of duty, as determined by the Secretary, is entitled to an increase of 10 percent in retired pay (see article 12-C-16 of the Personnel Manual, COMDTINST M1000.6 (series)). Only awards senior to the Coast Guard Commendation medal, including the Gold and Silver Lifesaving Medal, will receive consideration for this added distinction, which must be documented in accordance with paragraph 1.E.3.b. (Statement of Heroic Acts or Meritorious Achievement), where the awarding authority is convinced the act, compared with other acts of heroism, stands alone in comparison. Specifics that awards boards and awarding authorities shall also consider for "extraordinary heroism" include:
 - a. Was the heroic act performed necessary and worthwhile?
 - b. Did the individual performing the act know the potential danger and risks involved?
 - c. Was the act performed voluntarily (should not be penalized for carrying out orders beyond that ordinarily expected under a given set of circumstances)?
 - d. Did the individual choose not to seek cover or safety, or leave a place of comparative safety, to perform the act without direct orders, or without being forced into a more dangerous situation by uncontrolled circumstances?
 - e. If the act were not performed, would there be reason for censure or blame?

- f. Was the individual motivated by a desire for recognition or self-preservation?
5. Posthumous Awards. If an individual dies before receiving an award, the award nevertheless may be made posthumously and the decoration, certification and citation presented to the next of kin with appropriate ceremony (official order of precedence is: widow/widower, eldest son, eldest daughter, father, mother, eldest brother, eldest sister, or eldest grandchild). When a decoration is presented to the widow/widower or their children, duplicate elements of the decoration can be furnished without cost to the parent(s) of the deceased. If a subsequent award, a gold star is attached to the appropriate large medal and the decoration is forwarded for presentation by the presenting authority.
 6. Privacy Considerations. Award recommendations and supporting documentation are considered privileged information and should be made available only to those with a need to know. Originators and officials who review or approve personal award recommendations should not discuss them with nominees until the award has been approved.
 7. Revocation of Awards. Any Coast Guard decoration for a distinguished act, achievement, or service may be revoked if facts, later determined, would have prevented original approval of the decoration. When the awarding authority has determined that an award should be revoked (after consultation with approval authority, supervisors and legal staff), they will notify both the member and CGPC-adm-3.
 8. Cash, Gratuities, Gift Certificates. As a general rule, military members are not entitled to cash awards, gratuities, gift certificates or coupons for recognition of superior performance of duty (to include from other government agencies). There are limited exceptions, however, to include local/unit recognition programs or activities such as "Sailor of the Quarter" or "Coast Guard Person of the Year," that award savings bonds of nominal value, that are clearly intended to create esprit de corps, improve unit teamwork, and maintain or improve mission readiness.
- C. Personnel Eligible to Receive Military Medals and Decorations. 14 USC 497 provides that no individual, nor their representative, shall be awarded a Medal of Honor, Distinguished Service Medal, Distinguished Flying Cross, or any Coast Guard medal or emblem if the individual's entire service previous to the period has not been honorable.

1. Active Duty and Reservists. Anyone who meets the eligibility criteria for an award, active or reserve (while participating in authorized periods of training, or while in an active status) may be recommended by competent authority who is senior to the individual being recommended.
 2. Academy Cadets. For purposes of personal awards, U.S. Coast Guard Academy Cadets are considered to be on active duty and are eligible for all military decorations.
 3. Public Health Service and Chaplain Corps. U.S. Public Health Service Officers and members of the Chaplain Corps, while serving with the Coast Guard, are eligible and may be considered for all military decorations.
 4. PCS Assignment to Another Military Service. Coast Guard personnel serving with another United States military service (and vice versa) are authorized to accept and wear awards (at the Meritorious Service Medal (MSM) level and below), provided they are not given for the same act or service for which an award has been made or is planned by their Service. Approval authority above the MSM award remains at the Service Chief/Commandant level, and concurrence is required prior to approval.
 5. TAD Assignments. Members of other Uniformed Services temporarily assigned may be recommended for an award, which shall be forwarded through Commandant (G-WPM-1) to the parent service for approval.
 6. CG Auxiliarists. As stipulated in Coast Guard Auxiliary Manual, COMDTINST M16790.1 (series), Auxiliarists are eligible to receive Coast Guard Unit Awards, the Meritorious Team Commendation, and the Special Operations Service Ribbon, in addition to Auxiliary-specific awards. See Chapter 6 for additional information.
- D. Personal/Unit Awards and Decorations, Approval Authority, and Precedence. Table 1 at the end of this chapter lists personal and unit awards in order of precedence (and the prescribed authorized awarding authority for each). For awards authorized for approval at the Flag/SES level, approval authority shall not be delegated below the Flag/SES filling a Flag/SES billeted assignment, except when an O-6/Civilian equivalent or higher is serving in an acting capacity in a vacant Flag/SES billet. For awards authorized at the O-4 to O-6 level, only the assigned Commanding Officer has approval authority.
- E. Preparation of the Award Recommendation.
1. Initiation. A commanding officer, officer-in-charge, or any E-7 or above senior to the individual being recommended may initiate a recommendation for the award of a military decoration. The originator, if other than the commanding officer or officer-in-charge of the individual concerned, must forward the recommendation to that commanding officer for comment and/or recommendation prior to

forwarding via the chain of command. To be meaningful, award recommendations must be timely. For oversight purposes, however, recommendations for unit awards and personal decorations must be submitted within 3 years from the date of the act or service. The exceptions are the Purple Heart and the Gold and Silver Lifesaving Medals, for which no time limitations exist. If a recommendation is otherwise lost, certification by competent authority, accompanied by a copy (or reconstruction) of the recommendation, will be considered.

2. Preparation of Form CG-1650 and Summary of Action (SOA), When Required. Proper completion of form CG-1650 (available on Jetform Filler) and a proposed citation is essential to the timely and accurate processing of personal award recommendations (a one-page Summary of Action (SOA) is required for the Meritorious Service Medal (MSM); there is no page limit on the SOA for awards higher than the MSM or the Unit Commendation.
3. Citation Preparation. In addition to the summary of action (as required), a proposed citation will be prepared by the first level awarding authority for presentation, or for forwarding to the next level awarding authority, as appropriate. Units having the capacity and capability to produce acceptable citations are required to do so when initiating an award recommendation. Fundamentally, a citation is an account of heroic acts or an enumeration of meritorious services or achievements. Although a citation is laudatory and formalized, it should be concise, straightforward and avoid superfluous text. It should cover only the primary action(s) for which the award is extended and should be easily read aloud. It must be factual, contain no classified information, and be adaptable to publication by the media. A citation shall consist of one brief paragraph consisting of the following three parts (see specific examples in Chapters 2, 3 and 4):
 - a. The Opening Sentence.
 - (1) With a standard opening phrase (specific to the award);
 - (2) The duty assignment of the individual;
 - (3) The date/inclusive dates of service on which the recommendation is based; and
 - (4) (Optional) Description of operations of the unit to which attached.
 - b. Statement of Heroic Acts or Meritorious Achievement. The second part of the citation identifies the recipient by name (the grade and surname are used for officers; the surname preceded by Chief Petty Officer, Seaman, etc., for enlisted personnel). It describes the specific duty assignment(s), accomplishment(s), and outstanding personal attributes displayed by the individual. Value of results of achievements may also be included. If duty

was performed in actual combat, the citation should so state. In instances where heroism is indicated, not involving conflict with the enemy, additional information is required in the summary of action to justify this part of the proposed citation when submitting the award for consideration, to include (when pertinent):

- (1) Statement of at least two eyewitnesses (if possible), attesting to their accounts of the incident and containing their opinion as to whether or not the person for whom an award is sought imperiled his or her own life (required in lifesaving cases). A determination of extraordinary heroism should be made (see Benefits for Extraordinary Heroism in paragraph 1.B.4), and cited in the citation.
- (2) The precise locality of the rescue, attempted rescue, or heroic action. Provide a sketch, diagram, picture, video, chart, or map to indicate distances, location of assistance, heights of piers or vessels, etc.
- (3) The date, time of day, weather (sea conditions, wind, air and water temperature), and amount and source of light if at night.
- (4) The names of all those rendering assistance and the nature of the aid attempted/provided; in addition to an account of the cooperation (or lack) on the part of the person being rescued.
- (5) A statement as to the swimming qualifications of the rescuer (required for Lifesaving Medal recommendations).
- (6) For rescues from fires, a detailed description of the event, including the aid received by the rescuer, the extent of any burns, and a description of the outer clothing of the rescuer.

- c. Commendatory Remarks. The third part of the citation is a standard closing sentence, specific to the level of the award recommended (see Chapter 2).

- F. Forwarding Award Recommendations. Personal award recommendations will be addressed and forwarded via the chain of command to the “first level” delegated awarding authority with jurisdiction over the individual at the time the act or service was performed and who is authorized to approve the recommended award (see Table 1 at the end of this chapter). Award recommendations for actions of an operational nature will be forwarded via the operational chain of command that existed at the time of the incident (see Chapter 3 for submission of unit award recommendations). Recommendations for awards previously disapproved by an awarding authority may be reconsidered only upon presentation of new and relevant material evidence that was not available at the time of the original recommendation. Exceptions to forwarding/originating from the chain of command are as follows:

1. Recommended by Other Than Commanding Officer. Awards being originated by someone other than an individual's commanding officer must be forwarded to that commanding officer for comment and/or recommendation prior to forwarding via the chain of command.
2. Recommendation for the award of the Purple Heart Medal. Recommendations for the Purple Heart shall be forwarded directly to Commandant (G-WPM-1) via the Commanding Officer without further reference to the chain of command.

[**Sample CG-1650**]

G. Processing Award Recommendations.

1. Awards Delegated to Commanding Officers. Commanding Officers who are delegated approval authority (See Table 1 at the end of this chapter) for personal awards shall establish an appropriate internal screening mechanism and review process to consider awards for approval/disapproval, or for further forwarding via the chain of command to the delegated approval authority that is able to consider the level of award being recommended (mandatory for instances when extraordinary heroism is indicated).
2. Flag Level Approval Authority Responsibilities.
 - a. Establish an Awards Board. To more effectively, exercise responsibility to recognize heroic/meritorious performance, an Awards Board shall be established by each Flag Officer/SES with Approval Authority responsibilities (a single board may represent each Assistant Commandant and their Flag/SES-level Directorates). Membership on the board will be determined by the awarding authority, and will be chaired by the Chief of Staff/Assistant Superintendent/Deputy Director/Deputy Commander as appropriate. The board recommendations to the Awarding Authority shall be in writing and will be retained for 5 years before disposal. Responsibilities of the Board include (but are not limited to) the following:
 - (1) Review, evaluate and screen all recommendations referred and provide comments to the awarding authority so that he/she can more effectively consider recommendations for decorations and awards; to include instances where extraordinary heroism is indicated in accordance with paragraph 1.B.4.
 - (2) Ensure that recommendations for decorations and awards, and award elements for those awards, are properly prepared in accordance with this Manual.

- (3) Ensure that all information which may support the recommendation for an award, such as assistance reports and statements of witnesses (if applicable), is carefully considered and that recommendations resulting from such information are forwarded for consideration of the awarding authority.
- (4) The Board, after carefully considering each case on its own merits, may recommend:
 - (a) Approval of the award as recommended (and further forwarding if above the delegated authority of the awarding authority; Awards Board shall endorse their approval on CG-1650).
 - (b) Upgrading to a higher award (and further forwarding if above the delegated authority of the awarding authority; Awards Board shall endorse their approval on CG-1650).
 - (c) Downgrading to a lower award or returning to the initiator if within their ability to approve a lower award
 - (d) Return of the recommendation for clarification or justification
 - (e) No award
- b. Take Action On Awards Board Recommendations. The Awarding Authority may agree or disagree with the recommendations of the Awards Board, and their decision is final. In instances where “extraordinary heroism” is indicated, and in accordance with paragraph 1.B.4., the awards authority may approve that stipulation on behalf of the Secretary for those awards where delegated approval is authorized. Recommendations for all awards not within their delegated authority shall be favorably endorsed by the awarding authority on the CG-1650, then forwarded to Commandant (G-WPM-1) for presentation to the Coast Guard Board of Awards.
- 3. Coast Guard Board of Awards. Established at Coast Guard Headquarters and responsible for considering, reviewing, and making recommendations to the Commandant concerning the following matters:
 - a. Recommendations on Awards. Awarding military decorations and medals and unit awards to those persons and units in the service of the Coast Guard, other military personnel, and to civilians in the case of Lifesaving Medals, that have been recommended, but are not within the delegated authority of the forwarding approval authority (see Table 1 at the end of this chapter).

- b. Forwarding to the Secretary of Transportation. Reviewing military decorations that require referral to the Secretary of Transportation for endorsement or approval.
- c. Policy Recommendations. Making recommendations to the Commandant via the Director of Personnel Management on such matters regarding designs of medals and appurtenances, and policy related to the military medals and awards program, as may be referred or submitted for action by competent authority.
- d. Make Recommendations Regarding Extraordinary Heroism. As stated in paragraphs 1.B.4 and 1.E.3.b., make determinations on “extraordinary heroism,” for those award recommendations within the purview of the Commandant’s awarding authority. If approval is recommended, the Coast Guard Board of Awards will forward the case to the Commandant for approval.

H. Issuance, Procurement and Wearing of Decorations and Awards.

1. Initial and Duplicate Issuance. The Awarding Authority will provide initial sets of awards and decorations, to include initial issuance of ribbons for Unit Commendations, Meritorious Unit Commendations, Meritorious Team Commendations, and the personal award of the Commandant’s Letter of Commendation. Subsequent or duplicate disbursement of personal awards, service medals, campaign medals, unit ribbons, and their attachments is not authorized except in instances where they have been lost, destroyed, or rendered unfit for use through no fault or neglect of the person to whom the medals are awarded. When and if applicable, individuals shall make their request via their chain of command to the first echelon awarding authority that is authorized to award the medal and/or ribbon, requesting replacement and providing an explanation of the circumstances surrounding the loss of the award.
2. Awarding Authority Procurement. The Awarding Authorities listed on Table 1 at the end of this chapter are authorized to procure applicable award elements directly from ELC Baltimore and issue them in accordance with this Manual. A six-month supply of Coast Guard Good Conduct, Coast Guard Reserve Good Conduct, Expert Rifleman, and Expert Pistol Shot Medals shall be kept in stock for issue. All other service medals should be procured as needed, and should not be stockpiled. Presentation cases (stock number 8455-00-890-2166) and 5/16-inch gold stars for awards (stock number 8455-00-141-0888) shall be purchased directly from the Defense Supply Center, Philadelphia, PA.
 - a. Certificates and Special Citations. Stationary has been developed for all Coast Guard military awards that include a large medal as an award element. Special award folders have also been established as an award element, which will not be used for any other

purpose. Local modifications to prescribed format are not authorized. Procedures for processing medal awards using these elements are:

- (1) Certificates. A certificate will be prepared for each medal award. It will be signed by the awarding authority and include the individual's first name, middle initial, last name, date of action or inclusive dates (month and year only) for meritorious service and approval date for the award.
 - (2) Citations. The citation will be typed on a word processor or equivalent machine to ensure error-free citations, which will be prepared horizontally on the award stationery leaving space at the bottom, left side, for the Coast Guard Seal. A gold seal 2-5/16 inches in diameter shall be embossed with the awarding authority's official seal. The recommended format is a maximum of 18 lines of text, using either Times New Roman, or New Century Schoolbook, 12-pitch, bold font. If the "O" or "V" device is authorized, the citation will so indicate. If a subsequent award of the decoration, a star is issued, and shall be so specified in the citation.
 - (3) Padded Folders. The padded, short-side opening presentation folder will be used only for medal awards, with the certificate placed on the right and the citation on the left. The folder may be procured from ELC Baltimore (stock number 7510-01-094-1485).
 - (4) Commandant's Letter of Commendation. Prepared using Commandant's stationery and inserted for presentation in the book-type, stiff-back award folder. The folder may be procured from ELC Baltimore (stock number 7510-01-097-6004).
3. Wearing of Decorations and Awards. Recipients of decorations, service medals, and other awards are authorized to wear them in accordance with the provisions of this Manual and the applicable provisions concerning awards contained in the Uniform Regulations, COMDTINST M1020.6 (series).

I. Award Maintenance Responsibilities.

1. Awarding Authority. Immediately upon approval of an award, forward copies to the servicing PERSRU responsible for handling the member's Personnel Data Record (PDR), and to CGPC-adm-3 (with members SSN on the upper right hand corner of the citation).
2. Servicing PERSRU. Submit CGHRMS transactions to record all awards earned – for enlisted and officers, active duty and reserves. For enlisted members, credit points are allowed for certain decorations to a maximum of 10 points in arriving at a final multiple for purposes of advancement in rating (see article 5-C-1 of the Personnel Manual, COMDTINST M1000.6 (series)).

3. Member. Ultimately, the service member is responsible for ensuring the accuracy of CGHRMS award data, and are encouraged to retain copies to substantiate future possible contentions.

Table 1 – Awards and Decorations (in order of precedence).

CHAPTER 1. GENERAL INFORMATION

A. Purpose. This Manual contains Coast Guard policy, regulations and information concerning awards available to individuals and units in or associated with the Coast Guard. It explains procedures for awarding personal and unit decorations, and service awards, nonmilitary decorations; and acceptance of foreign military decorations by members of the Armed Forces of the United States. It describes the various awards and the eligibility requirement for each. Some awards not usually associated with the Coast Guard are also mentioned for informational purposes. The Commandant via Chief, Policy and Standards Division (G-WPM-1) may issue directives and changes as required, to amplify, and modify the provisions of this Manual to meet special situations.

B. Policy Considerations1. Authorization for Awards and Penalties for Their Unauthorized Disposition.

14 USC 502 authorizes Coast Guard military personnel to be awarded medals, bars, emblems, and insignia under provisions of Congressionally passed laws, Executive Orders issued by the President, directives issued by the Commandant, or amendments to this Manual during peacetime, and by the Secretary of the Navy when the Coast Guard is operating with or under the Navy. In addition, 18 USC 704 prohibits, and imposes a suitable penalty for the unauthorized wearing, manufacture, or sale of any decoration, medal, or ribbon which has or may be authorized by the Armed Forces of the United States, except when authorized under regulations pursuant to law.

2. Awards as Recognition. Military decorations are awarded in recognition of individual and/or sustained acts of heroism, meritorious achievement or meritorious service above and beyond that ordinarily expected, and which distinguish an individual or unit from among those performing similar acts or services. The judicious and timely use of personal decorations and unit awards provides an effective means of fostering high morale, incentive, and esprit de corps; therefore, recommendations for military decorations and awards must be initiated promptly after the act or period of service being recognized, in sufficient time to ensure presentation before the recipient detaches from the unit at which the award was earned. Receipt of a unit/team award does not prohibit a deserving individual from receiving a personal award for individual acts or services performed during the same period. Only one medal representing a given decoration will be issued to an individual. For subsequent awards of the same decoration, stars will be issued (see Table 1 at the end of this chapter).

3. Periods of Meritorious Service and/or Acts. Only one award of a personal decoration will be made for the same act, achievement, or period of meritorious service. However, if a member is cited for heroism or specific meritorious achievement within a longer period that is later recognized by an award for meritorious service, this circumstance is not considered a duplication of recognition and the member may be entitled to two awards. For example:
 - a. An aircrew member is awarded the Air Medal for heroism during a SAR case on 19 Jul 98. Later, the same individual receives the Coast Guard Commendation Medal for outstanding achievement as a shop supervisor from May '95 to June '99. To maintain the separation of the accomplishments being recognized, the award of the Air Medal cannot be mentioned in the citation of the Commendation Medal. Since the two actions are distinct, no duplication exists.

4. Benefits for Extraordinary Heroism. 14 USC 357(i) provides that any enlisted person who retires by reason of 20 years service, whether voluntarily or involuntarily, who has been cited for extraordinary heroism in the line of duty, as determined by the Secretary, is entitled to an increase of 10 percent in retired pay (see article 12-C-16 of the Personnel Manual, COMDTINST M1000.6 (series)). Only awards senior to the Coast Guard Commendation medal, including the Gold and Silver Lifesaving Medal, will receive consideration for this added distinction, which must be documented in accordance with paragraph 1.E.3.b. (Statement of Heroic Acts or Meritorious Achievement), where the awarding authority is convinced the act, compared with other acts of heroism, stands alone in comparison. Specifics that awards boards and awarding authorities shall also consider for "extraordinary heroism" include:
 - a. Was the heroic act performed necessary and worthwhile?
 - b. Did the individual performing the act know the potential danger and risks involved?
 - c. Was the act performed voluntarily (should not be penalized for carrying out orders beyond that ordinarily expected under a given set of circumstances)?
 - d. Did the individual choose not to seek cover or safety, or leave a place of comparative safety, to perform the act without direct orders, or without being forced into a more dangerous situation by uncontrolled circumstances?
 - e. If the act were not performed, would there be reason for censure or blame?

- f. Was the individual motivated by a desire for recognition or self-preservation?
5. Posthumous Awards. If an individual dies before receiving an award, the award nevertheless may be made posthumously and the decoration, certification and citation presented to the next of kin with appropriate ceremony (official order of precedence is: widow/widower, eldest son, eldest daughter, father, mother, eldest brother, eldest sister, or eldest grandchild). When a decoration is presented to the widow/widower or their children, duplicate elements of the decoration can be furnished without cost to the parent(s) of the deceased. If a subsequent award, a gold star is attached to the appropriate large medal and the decoration is forwarded for presentation by the presenting authority.
 6. Privacy Considerations. Award recommendations and supporting documentation are considered privileged information and should be made available only to those with a need to know. Originators and officials who review or approve personal award recommendations should not discuss them with nominees until the award has been approved.
 7. Revocation of Awards. Any Coast Guard decoration for a distinguished act, achievement, or service may be revoked if facts, later determined, would have prevented original approval of the decoration. When the awarding authority has determined that an award should be revoked (after consultation with approval authority, supervisors and legal staff), they will notify both the member and CGPC-adm-3.
 8. Cash, Gratuities, Gift Certificates. As a general rule, military members are not entitled to cash awards, gratuities, gift certificates or coupons for recognition of superior performance of duty (to include from other government agencies). There are limited exceptions, however, to include local/unit recognition programs or activities such as "Sailor of the Quarter" or "Coast Guard Person of the Year," that award savings bonds of nominal value, that are clearly intended to create esprit de corps, improve unit teamwork, and maintain or improve mission readiness.
- C. Personnel Eligible to Receive Military Medals and Decorations. 14 USC 497 provides that no individual, nor their representative, shall be awarded a Medal of Honor, Distinguished Service Medal, Distinguished Flying Cross, or any Coast Guard medal or emblem if the individual's entire service previous to the period has not been honorable.

1. Active Duty and Reservists. Anyone who meets the eligibility criteria for an award, active or reserve (while participating in authorized periods of training, or while in an active status) may be recommended by competent authority who is senior to the individual being recommended.
 2. Academy Cadets. For purposes of personal awards, U.S. Coast Guard Academy Cadets are considered to be on active duty and are eligible for all military decorations.
 3. Public Health Service and Chaplain Corps. U.S. Public Health Service Officers and members of the Chaplain Corps, while serving with the Coast Guard, are eligible and may be considered for all military decorations.
 4. PCS Assignment to Another Military Service. Coast Guard personnel serving with another United States military service (and vice versa) are authorized to accept and wear awards (at the Meritorious Service Medal (MSM) level and below), provided they are not given for the same act or service for which an award has been made or is planned by their Service. Approval authority above the MSM award remains at the Service Chief/Commandant level, and concurrence is required prior to approval.
 5. TAD Assignments. Members of other Uniformed Services temporarily assigned may be recommended for an award, which shall be forwarded through Commandant (G-WPM-1) to the parent service for approval.
 6. CG Auxiliaries. As stipulated in Coast Guard Auxiliary Manual, COMDTINST M16790.1 (series), Auxiliaries are eligible to receive Coast Guard Unit Awards, the Meritorious Team Commendation, and the Special Operations Service Ribbon, in addition to Auxiliary-specific awards. See Chapter 6 for additional information.
- D. Personal/Unit Awards and Decorations, Approval Authority, and Precedence. Table 1 at the end of this chapter lists personal and unit awards in order of precedence (and the prescribed authorized awarding authority for each). For awards authorized for approval at the Flag/SES level, approval authority shall not be delegated below the Flag/SES filling a Flag/SES billeted assignment, except when an O-6/Civilian equivalent or higher is serving in an acting capacity in a vacant Flag/SES billet. For awards authorized at the O-4 to O-6 level, only the assigned Commanding Officer has approval authority.
- E. Preparation of the Award Recommendation.
1. Initiation. A commanding officer, officer-in-charge, or any E-7 or above senior to the individual being recommended may initiate a recommendation for the award of a military decoration. The originator, if other than the commanding officer or officer-in-charge of the individual concerned, must forward the recommendation to that commanding officer for comment and/or recommendation prior to

forwarding via the chain of command. To be meaningful, award recommendations must be timely. For oversight purposes, however, recommendations for unit awards and personal decorations must be submitted within 3 years from the date of the act or service. The exceptions are the Purple Heart and the Gold and Silver Lifesaving Medals, for which no time limitations exist. If a recommendation is otherwise lost, certification by competent authority, accompanied by a copy (or reconstruction) of the recommendation, will be considered.

2. Preparation of Form CG-1650 and Summary of Action (SOA), When Required. Proper completion of form CG-1650 (available on Jetform Filler) and a proposed citation is essential to the timely and accurate processing of personal award recommendations (a one-page Summary of Action (SOA) is required for the Meritorious Service Medal (MSM); there is no page limit on the SOA for awards higher than the MSM or the Unit Commendation.
3. Citation Preparation. In addition to the summary of action (as required), a proposed citation will be prepared by the first level awarding authority for presentation, or for forwarding to the next level awarding authority, as appropriate. Units having the capacity and capability to produce acceptable citations are required to do so when initiating an award recommendation. Fundamentally, a citation is an account of heroic acts or an enumeration of meritorious services or achievements. Although a citation is laudatory and formalized, it should be concise, straightforward and avoid superfluous text. It should cover only the primary action(s) for which the award is extended and should be easily read aloud. It must be factual, contain no classified information, and be adaptable to publication by the media. A citation shall consist of one brief paragraph consisting of the following three parts (see specific examples in Chapters 2, 3 and 4):
 - a. The Opening Sentence.
 - (1) With a standard opening phrase (specific to the award);
 - (2) The duty assignment of the individual;
 - (3) The date/inclusive dates of service on which the recommendation is based; and
 - (4) (Optional) Description of operations of the unit to which attached.
 - b. Statement of Heroic Acts or Meritorious Achievement. The second part of the citation identifies the recipient by name (the grade and surname are used for officers; the surname preceded by Chief Petty Officer, Seaman, etc., for enlisted personnel). It describes the specific duty assignment(s), accomplishment(s), and outstanding personal attributes displayed by the individual. Value of results of achievements may also be included. If duty

was performed in actual combat, the citation should so state. In instances where heroism is indicated, not involving conflict with the enemy, additional information is required in the summary of action to justify this part of the proposed citation when submitting the award for consideration, to include (when pertinent):

- (1) Statement of at least two eyewitnesses (if possible), attesting to their accounts of the incident and containing their opinion as to whether or not the person for whom an award is sought imperiled his or her own life (required in lifesaving cases). A determination of extraordinary heroism should be made (see Benefits for Extraordinary Heroism in paragraph 1.B.4), and cited in the citation.
- (2) The precise locality of the rescue, attempted rescue, or heroic action. Provide a sketch, diagram, picture, video, chart, or map to indicate distances, location of assistance, heights of piers or vessels, etc.
- (3) The date, time of day, weather (sea conditions, wind, air and water temperature), and amount and source of light if at night.
- (4) The names of all those rendering assistance and the nature of the aid attempted/provided; in addition to an account of the cooperation (or lack) on the part of the person being rescued.
- (5) A statement as to the swimming qualifications of the rescuer (required for Lifesaving Medal recommendations).
- (6) For rescues from fires, a detailed description of the event, including the aid received by the rescuer, the extent of any burns, and a description of the outer clothing of the rescuer.

- c. Commendatory Remarks. The third part of the citation is a standard closing sentence, specific to the level of the award recommended (see Chapter 2).

- F. Forwarding Award Recommendations. Personal award recommendations will be addressed and forwarded via the chain of command to the “first level” delegated awarding authority with jurisdiction over the individual at the time the act or service was performed and who is authorized to approve the recommended award (see Table 1 at the end of this chapter). Award recommendations for actions of an operational nature will be forwarded via the operational chain of command that existed at the time of the incident (see Chapter 3 for submission of unit award recommendations). Recommendations for awards previously disapproved by an awarding authority may be reconsidered only upon presentation of new and relevant material evidence that was not available at the time of the original recommendation. Exceptions to forwarding/originating from the chain of command are as follows:

1. Recommended by Other Than Commanding Officer. Awards being originated by someone other than an individual's commanding officer must be forwarded to that commanding officer for comment and/or recommendation prior to forwarding via the chain of command.
2. Recommendation for the award of the Purple Heart Medal. Recommendations for the Purple Heart shall be forwarded directly to Commandant (G-WPM-1) via the Commanding Officer without further reference to the chain of command.

[**Sample CG-1650**]

G. Processing Award Recommendations.

1. Awards Delegated to Commanding Officers. Commanding Officers who are delegated approval authority (See Table 1 at the end of this chapter) for personal awards shall establish an appropriate internal screening mechanism and review process to consider awards for approval/disapproval, or for further forwarding via the chain of command to the delegated approval authority that is able to consider the level of award being recommended (mandatory for instances when extraordinary heroism is indicated).
2. Flag Level Approval Authority Responsibilities.
 - a. Establish an Awards Board. To more effectively, exercise responsibility to recognize heroic/meritorious performance, an Awards Board shall be established by each Flag Officer/SES with Approval Authority responsibilities (a single board may represent each Assistant Commandant and their Flag/SES-level Directorates). Membership on the board will be determined by the awarding authority, and will be chaired by the Chief of Staff/Assistant Superintendent/Deputy Director/Deputy Commander as appropriate. The board recommendations to the Awarding Authority shall be in writing and will be retained for 5 years before disposal. Responsibilities of the Board include (but are not limited to) the following:
 - (1) Review, evaluate and screen all recommendations referred and provide comments to the awarding authority so that he/she can more effectively consider recommendations for decorations and awards; to include instances where extraordinary heroism is indicated in accordance with paragraph 1.B.4.
 - (2) Ensure that recommendations for decorations and awards, and award elements for those awards, are properly prepared in accordance with this Manual.

- (3) Ensure that all information which may support the recommendation for an award, such as assistance reports and statements of witnesses (if applicable), is carefully considered and that recommendations resulting from such information are forwarded for consideration of the awarding authority.
- (4) The Board, after carefully considering each case on its own merits, may recommend:
 - (a) Approval of the award as recommended (and further forwarding if above the delegated authority of the awarding authority; Awards Board shall endorse their approval on CG-1650).
 - (b) Upgrading to a higher award (and further forwarding if above the delegated authority of the awarding authority; Awards Board shall endorse their approval on CG-1650).
 - (c) Downgrading to a lower award or returning to the initiator if within their ability to approve a lower award
 - (d) Return of the recommendation for clarification or justification
 - (e) No award
- b. Take Action On Awards Board Recommendations. The Awarding Authority may agree or disagree with the recommendations of the Awards Board, and their decision is final. In instances where “extraordinary heroism” is indicated, and in accordance with paragraph 1.B.4., the awards authority may approve that stipulation on behalf of the Secretary for those awards where delegated approval is authorized. Recommendations for all awards not within their delegated authority shall be favorably endorsed by the awarding authority on the CG-1650, then forwarded to Commandant (G-WPM-1) for presentation to the Coast Guard Board of Awards.
- 3. Coast Guard Board of Awards. Established at Coast Guard Headquarters and responsible for considering, reviewing, and making recommendations to the Commandant concerning the following matters:
 - a. Recommendations on Awards. Awarding military decorations and medals and unit awards to those persons and units in the service of the Coast Guard, other military personnel, and to civilians in the case of Lifesaving Medals, that have been recommended, but are not within the delegated authority of the forwarding approval authority (see Table 1 at the end of this chapter).

- b. Forwarding to the Secretary of Transportation. Reviewing military decorations that require referral to the Secretary of Transportation for endorsement or approval.
- c. Policy Recommendations. Making recommendations to the Commandant via the Director of Personnel Management on such matters regarding designs of medals and appurtenances, and policy related to the military medals and awards program, as may be referred or submitted for action by competent authority.
- d. Make Recommendations Regarding Extraordinary Heroism. As stated in paragraphs 1.B.4 and 1.E.3.b., make determinations on “extraordinary heroism,” for those award recommendations within the purview of the Commandant’s awarding authority. If approval is recommended, the Coast Guard Board of Awards will forward the case to the Commandant for approval.

H. Issuance, Procurement and Wearing of Decorations and Awards.

1. Initial and Duplicate Issuance. The Awarding Authority will provide initial sets of awards and decorations, to include initial issuance of ribbons for Unit Commendations, Meritorious Unit Commendations, Meritorious Team Commendations, and the personal award of the Commandant’s Letter of Commendation. Subsequent or duplicate disbursement of personal awards, service medals, campaign medals, unit ribbons, and their attachments is not authorized except in instances where they have been lost, destroyed, or rendered unfit for use through no fault or neglect of the person to whom the medals are awarded. When and if applicable, individuals shall make their request via their chain of command to the first echelon awarding authority that is authorized to award the medal and/or ribbon, requesting replacement and providing an explanation of the circumstances surrounding the loss of the award.
2. Awarding Authority Procurement. The Awarding Authorities listed on Table 1 at the end of this chapter are authorized to procure applicable award elements directly from ELC Baltimore and issue them in accordance with this Manual. A six-month supply of Coast Guard Good Conduct, Coast Guard Reserve Good Conduct, Expert Rifleman, and Expert Pistol Shot Medals shall be kept in stock for issue. All other service medals should be procured as needed, and should not be stockpiled. Presentation cases (stock number 8455-00-890-2166) and 5/16-inch gold stars for awards (stock number 8455-00-141-0888) shall be purchased directly from the Defense Supply Center, Philadelphia, PA.
 - a. Certificates and Special Citations. Stationary has been developed for all Coast Guard military awards that include a large medal as an award element. Special award folders have also been established as an award element, which will not be used for any other

purpose. Local modifications to prescribed format are not authorized. Procedures for processing medal awards using these elements are:

- (1) Certificates. A certificate will be prepared for each medal award. It will be signed by the awarding authority and include the individual's first name, middle initial, last name, date of action or inclusive dates (month and year only) for meritorious service and approval date for the award.
 - (2) Citations. The citation will be typed on a word processor or equivalent machine to ensure error-free citations, which will be prepared horizontally on the award stationery leaving space at the bottom, left side, for the Coast Guard Seal. A gold seal 2-5/16 inches in diameter shall be embossed with the awarding authority's official seal. The recommended format is a maximum of 18 lines of text, using either Times New Roman, or New Century Schoolbook, 12-pitch, bold font. If the "O" or "V" device is authorized, the citation will so indicate. If a subsequent award of the decoration, a star is issued, and shall be so specified in the citation.
 - (3) Padded Folders. The padded, short-side opening presentation folder will be used only for medal awards, with the certificate placed on the right and the citation on the left. The folder may be procured from ELC Baltimore (stock number 7510-01-094-1485).
 - (4) Commandant's Letter of Commendation. Prepared using Commandant's stationery and inserted for presentation in the book-type, stiff-back award folder. The folder may be procured from ELC Baltimore (stock number 7510-01-097-6004).
3. Wearing of Decorations and Awards. Recipients of decorations, service medals, and other awards are authorized to wear them in accordance with the provisions of this Manual and the applicable provisions concerning awards contained in the Uniform Regulations, COMDTINST M1020.6 (series).

I. Award Maintenance Responsibilities.

1. Awarding Authority. Immediately upon approval of an award, forward copies to the servicing PERSRU responsible for handling the member's Personnel Data Record (PDR), and to CGPC-adm-3 (with members SSN on the upper right hand corner of the citation).
2. Servicing PERSRU. Submit CGHRMS transactions to record all awards earned – for enlisted and officers, active duty and reserves. For enlisted members, credit points are allowed for certain decorations to a maximum of 10 points in arriving at a final multiple for purposes of advancement in rating (see article 5-C-1 of the Personnel Manual, COMDTINST M1000.6 (series)).

3. Member. Ultimately, the service member is responsible for ensuring the accuracy of CGHRMS award data, and are encouraged to retain copies to substantiate future possible contentions.

LEGEND

- Distinguishing Devices:

“O” Operational Distinguishing Device. For Personal and Unit Awards. Each case must be judged on its own merits, and the citation must specifically authorize the device. Personal awards earned while in a leave or liberty status for heroism are considered eligible for the “O” device. Eligibility criteria is based on a persons/units:

- direct participation in missions of an operational “hands on” nature (e.g., SAR, fire fighting, MLE, disaster relief, pollution response, AtoN maintenance and operations); and/or
- extended periods of service (vice a specific incident) only if the major cited achievement used to justify the award is operational vice administrative, and the individual/unit participated “hands on” in the operational achievements.

“V” For Valor, Combat Distinguishing Device. The bronze letter “V” may be authorized for wear if the award is for acts or services involving direct participation in combat operations. Eligibility of decorations and distinguishing devices awarded for combat shall be based upon acts or services by individuals who are exposed to direct hostile actions or imminence of such actions and not solely upon the geographical area in which the acts or services are performed. Each case must be judged on its own merits, and the citation must specifically authorize the device.

Reserve Only:

“M” Mobilization “M” Device authorized for wear on the Armed Forces Reserve Medal for members who qualify for the AFRM as specified in chapter 5.A.11.h.

“” Hourglass Device -- authorized for wear on the AFRM to denote each succeeding 10-year period, as specified in chapter 5.A.11.h.

- Subsequent Awards. The following stars (or cluster) are authorized to denote subsequent awards:

“a” Large stars. A 5/16-inch gold star denotes each subsequent award. A 5/16-inch silver star is worn in lieu of five gold stars (represents the sixth award).

“b” Small stars. A 3/16-inch bronze star is worn on unit (except Coast Guard unit awards), campaign and service awards to denote engagements, campaigns or subsequent awards. A 3/16-inch silver star is worn in lieu of five bronze stars (represents the sixth award, engagement or campaign).

“c” Oak Leaf Cluster. Authorized for wear on joint Unit awards, or awards earned in a joint capacity.

CHAPTER 2. MILITARY DECORATIONS AUTHORIZED AND THEIR CRITERIA

A. Medals and Awards authorized for issue by DOT/Coast Guard. The ensuing paragraphs detail the military decorations authorized for awarding, by precedence, by DOT/Coast Guard awarding authorities. Those military decorations which must be approved by the Navy for Coast Guard members when operating with or under the Navy are listed in Chapter 2.B. The precedence order for all decorations (military and non-military) authorized for wear, and the applicability of the “O” and “V” device are listed on the table in Chapter 1.D.

1. Transportation Distinguished Service Medal.

- a. Eligibility Requirements. Awarded to persons who have provided extraordinarily meritorious service in a duty of great responsibility while assigned in the Department of Transportation, either national or international, as may be assigned by the Secretary.
- b. Standard Opening Phrase for Citations: “Is cited for exceptionally meritorious service to the government of the United States as. . .”
- c. Standard Commendatory Remarks for Citations: “The distinctive accomplishments of (NAME) reflect great credit upon himself/herself, the United States Coast Guard, and the Department of Transportation.”
- d. A sample citation follows:

2. Coast Guard Distinguished Service Medal.

- a. Eligibility Requirements. Awarded to persons who, while serving any capacity with the Coast Guard, distinguish themselves by exceptionally meritorious service to the United States in a duty of great responsibility. To justify this decoration, exceptional performance of duty, clearly above that normally expected that has contributed materially to the success of a major command or project is required. In general the Coast Guard Distinguished Service Medal (DSM) will be awarded only to those officers in principal commands whose service is such as to justify the award. However, this shall not be interpreted to preclude the award of the DSM to any individual whose service meets the requirement. If there is any doubt as to the degree of service involved, the Legion of Merit is the more appropriate award.
- b. Standard Opening Phrase for Citations: “Is cited for exceptionally meritorious service to the Government of the United States in a position of great responsibility as. . .”

c. Standard Commendatory Remarks for Citations: “. . . leadership, dedication, and devotion to duty are most heartily commended and are in keeping with the highest traditions of the United States Coast Guard.”

d. A sample citation follows:

[**Sample citation**] [**Sample certificate**]

3. Legion of Merit.

a. Eligibility Requirements. Awarded to persons for service comparable to the Distinguished Service Medal but in a duty of lesser though considerable responsibility. In general, the Legion of Merit (LOM) will be awarded to officers in lesser commands at sea or principal commands on shore whom have performed such exceptionally meritorious service as to justify the award of the DSM, except as to degree of merit. However, this should not be interpreted to preclude the award of the LOM to any individual, regardless of grade or rate, whose acts or services meet the requirements. When the degree of achievement or service rendered, although meritorious, is not sufficient to warrant the award of the LOM, the Meritorious Service Medal should be considered.

b. Standard Opening Phrase for Citations. “Is cited for outstanding meritorious service as. . .”

c. Standard Commendatory Remarks for Citations. “. . . ability, diligence, and devotion to duty are most heartily commended and are in keeping with the highest traditions of the United States Coast Guard.”

d. A sample citation follows:

[**Sample citation**] [**Sample certificate**]

4. Distinguished Flying Cross.

a. Eligibility Requirements. Awarded to any persons who, while serving in any capacity with the U.S. Coast Guard, distinguish themselves by heroism or extraordinary achievement while participating in aerial flight. To justify this decoration for heroism, an act in the face of great danger, well above normal expectations, such as to distinguish the individual above those of comparable grade or rate performing similar service, is required. For achievement, the results accomplished must be so exceptional as to render the individual conspicuous among those of comparable grade or rate performing similar services. When heroic or extraordinary achievement is not sufficient to warrant the award of the Distinguished Flying Cross, the Air Medal should be considered.

- b. Standard Opening Phrase for Citations. “Is cited for (heroism) (extraordinary heroism) (extraordinary achievement) while participating in aerial flight on the...”
- c. Standard Commendatory Remarks for Citations. “. . . actions (aeronautical) skill and valor were instrumental in the rescue of ___ victims. His/Her courage, judgment, and devotion to duty are most heartily commended and are in keeping with the highest traditions of the United States Coast Guard.”
- d. A sample citation follows:

[**Sample citation**] [**Sample certificate**]

5. Coast Guard Medal.

- a. Eligibility Requirements. Awarded to any persons who, while serving in any capacity with the Coast Guard, distinguish themselves by heroism not involving actual conflict with any enemy. To justify this decoration, individuals must have performed a voluntary act of heroism in the face of great danger to themselves and such as to stand out distinctly above normal expectations. For acts of lifesaving or attempted lifesaving, the Coast Guard Medal requirements parallel those of the Gold Lifesaving Medal in that one displays extreme and heroic daring at the risk of one’s own life (see Chapter 4.) For members of the Coast Guard participating in an operation and performing outstanding heroic acts in saving or attempting to save a life, the Coast Guard Medal is clearly the more appropriate decoration, refer to chapter 4.
- b. Standard Opening Phrase for Citations. “Is cited for (extraordinary) heroism on. . .”
- c. Standard Commendatory Remarks for Citations. “. . . demonstrated remarkable initiative, exceptional fortitude, and daring in spite of imminent personal danger (in this rescue). His/Her courage and devotion to duty are in keeping with the highest traditions of the United States Coast Guard.”
- d. A sample citation follows:

[**Sample citation**] [**Sample certificate**]

- 6. Purple Heart Medal. Awarded by the Commandant in the name of the President to any member of the Coast Guard or to any member of an Armed Force under the jurisdiction of the Department of Transportation or to any civilian national of the United States, who whiles serving under competent authority in any capacity with the Coast Guard has been or may hereafter be wounded or killed.
 - a. In any action against an enemy of the United States; in any action with an opposing Armed Force of a foreign country in which the Armed Forces of the United States are or have been engaged; while serving with friendly foreign forces engaged in an armed

conflict against an opposing Armed Force in which the United States is not a belligerent party; as a result of an act of any hostile foreign force; as the indirect result of enemy action; for example, injuries resulting from parachuting from a plane brought down by enemy or hostile fire; or as the result of maltreatment inflicted by captors while a prisoner of war.

A “wound” is defined as an injury to any part of the body from an outside force or agent, sustained while in action as described in the criteria. A physical lesion is not required, provided the concussion or other form of injury received was a direct result of the action engaged in, and required treatment by a medical officer (except in the case of a prisoner of war). Only one award is authorized for more than one wound or injury received at the same instant from the same missile, force, explosion, or agent. Awards will be made by reason of frostbite, malnutrition, dysentery, and exhaustion.

7. Meritorious Service Medal.

- a. Eligibility Requirements. Awarded to persons who have distinguished themselves by outstanding noncombat meritorious achievement or service to the United States. To justify this decoration, the acts or service rendered must have been comparable to that required for the Legion of Merit but in a duty of lesser though considerable responsibility. This should not be interpreted to preclude the award to any individual regardless of grade or rate, whose outstanding meritorious achievement or service meet the requirements. The Meritorious Service Medal (MSM) is the noncombat counterpart of the Bronze Star Medal for the recognition of meritorious service and is parallel to the Air Medal. Therefore, acts of heroism of lesser degree than the Coast Guard Medal, and single acts of merit under operational conditions may justify this award. For Coast Guard personnel in a leave or liberty status, if deemed appropriate, the Silver Lifesaving Medal is the parallel award in the case of heroic acts involving the saving of life from perils of the water. When the degree of meritorious achievement or service rendered is not sufficient to warrant the award of the MSM, the Coast Guard Commendation Medal should be considered, when appropriate.
- b. Standard Opening Phrases for Citations: “Is cited for meritorious (heroic) service in the performance of duty as. . .”
- c. Standard Commendatory Remarks for Citations: “...dedication and devotion to duty are most heartily commended and are in keeping with the highest traditions of the Coast Guard.”
- d. Sample Citation(s) follow:

[Sample citation(s)] [Sample certificate]

8. Air Medal.

- a. Eligibility Requirements. Awarded to any persons who, while serving in any capacity with the Armed Forces of the United States distinguish themselves by heroic-meritorious achievement while participating in aerial flight. To justify this decoration, the achievement must have been accomplished with distinction. Consideration may be given to a series of flights during flood duty or in the rescue of survivors from disaster. In adjudging the appropriate award for the various members of a flight crew, it is normally considered that the aircraft commander (officer or enlisted), as commanding officer in responsible control and flying the aircraft, is generally eligible for a higher award than other members of the flight crew. The remainder of the flight crew engaged in operations for which the aircraft commander receives recognition will receive recognition if the acts and/or services clearly merit an award. This is not intended to imply a crewmember should not receive the same award as the aircraft commander if circumstances warrant. When the heroic or meritorious achievement is not sufficient to warrant the award of the Air Medal, the Coast Guard Commendation Medal should be considered, when appropriate.
- b. Standard Opening Phrases for Citations: “Is cited for (heroic) (meritorious) achievement in aerial flight on. . .”
- c. Standard Commendatory Remarks for Citations: “. . .actions and (aeronautical) skill were instrumental in the rescue of _____. His/Her courage, judgment, and devotion to duty are most heartily commended and are in keeping with the highest traditions of the United States Coast Guard.”
- d. Sample Citation(s) follow:

9. Coast Guard Commendation Medal. (Formerly known as Commendation Ribbon with Metal Pendant.

- a. Eligibility Requirements. Awarded to members of the Armed Forces of the United States serving in any capacity with the Coast Guard, for meritorious service resulting in unusual and outstanding achievement rendered while the Coast Guard is serving under Department of Transportation jurisdiction. Specifically, it may be awarded to persons who, while serving in any capacity with the Coast Guard including foreign military personnel, distinguish themselves by heroic or meritorious achievement or service. To merit this award, the acts or services must be accomplished or performed in a manner above that normally to be expected and sufficient to distinguish the individual above others of comparable grade or rating performing similar services, as set forth in the following:

- (1) For Acts of Heroism worthy of special recognition but not to the degree required for the Bronze Star Medal when combat is involved; or the Coast Guard Medal or Meritorious Service Medal when combat is not involved;
 - (2) For Meritorious Achievement that is outstanding and worthy of special recognition, but not to the degree required for the Bronze Star Medal or Air Medal when combat is involved; or the Legion of Merit, Meritorious Service Medal, Bronze Star Medal or Air Medal when combat is not involved. The achievement should be such as to constitute a definite contribution to the Service, such as an invention, or improvement in design, procedure, or organization;
 - (3) For Meritorious Service that is outstanding and worthy of special recognition but not to the degree required for the Bronze Star Medal or Air Medal when combat is involved; or the Meritorious Service Medal or Air Medal when combat is not involved. The award may cover an extended period of time during which a higher award may have been recommended or received for specific act(s). The criteria, however, should not be the period of service involved, but rather the circumstance and conditions under which the service was performed. The performance should be well above that usually expected commensurate with an individual's grade or rate. If the meritorious service is not sufficient to warrant the award of a Coast Guard Commendation Medal, the Coast Guard Achievement Medal should be considered.
- b. Standard Opening Phrases for Citations: "Is cited for (heroic) outstanding achievement while . . ."
 - c. Standard Commendatory Remarks for Citations: ". . .dedication, judgment, and devotion to duty are most heartily commended and are in keeping with the highest traditions of the United States Coast Guard."
 - d. Sample Citation(s) follow:

[**Sample citation(s)**] [**Sample certificate**]

10. Coast Guard Achievement Medal.

- a. Eligibility Requirements. The award is given for professional and/or leadership achievement in a combat or noncombat situation based on sustained performance or specific achievement of a superlative nature and shall be of such merit as to warrant more tangible recognition than is possible by the Commandant's Letter of Commendation Ribbon, but which does not warrant a Coast Guard Commendation Medal or higher award.
 - (1) Professional Achievement. To merit the award, professional achievement must clearly exceed that which is normally required or expected, considering the

individual grade or rate, training and experience, and must be an important contribution that is beneficial to the United States and the United States Coast Guard.

- (2) Leadership Achievement. To merit the award, leadership achievement must be noteworthy; be sustained so as to demonstrate a high state of development or, if for a specific achievement, be of such merit as to earn singular recognition for the act(s); and reflect most creditably on the efforts of the individual toward the accomplishments of the mission.
- b. Standard Opening Phrases for Citations: “Is cited for superior performance of duty while . . .”
- c. Standard Commendatory Remarks for Citations: “. . . diligence, perseverance, and devotion to duty are most heartily commended and are in keeping with the highest traditions of the United States Coast Guard.”
- d. Sample Citation(s) follow:

[Sample citation(s)] | [Sample certificate]

11. Commandant’s Letter of Commendation.

- a. Eligibility Requirements. Awarded to a military person serving in any capacity with the Coast Guard for an act or service resulting in unusual and/or outstanding achievement but lesser than that required for the Achievement Medal.
- b. Standard Opening Phrases for Citations: “I note with pride and am pleased to commend you for your performance of duty . . .”
- c. Standard Commendatory Remarks for Citations: “You are hereby authorized to wear the Commandant’s Letter of Commendation Ribbon Bar.”
- d. Sample Citation(s) follow: [Sample Citation]

B. Medals and Awards Authorized for Issue by Department of Defense (DOD).

(For Coast Guard members when operating with or under DOD). The ensuing paragraphs detail the military decorations authorized for awarding to Coast Guard members by DOD, by precedence, when operating with or under the Navy.

1. Medal of Honor. Awarded by the President in the name of Congress to persons, who while serving as members of the Coast Guard, distinguish themselves conspicuously by gallantry and intrepidity at the risk of their lives above and beyond the call of duty:

- a. While engaged in action against an enemy of the United States; while engaged in military operations involving conflict with an opposing foreign force; or while serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.
 - b. There must be no margin of doubt or possibility of error in awarding this honor. To justify the award, individuals must clearly render themselves conspicuous above their comrades by an act so outstanding that it clearly distinguishes gallantry beyond the call of duty from lesser forms of bravery; and it must be the type of deed which, if not done, would not subject them to any justified criticism. The deed must be without detriment to the mission of their command or to the command to which attached.
2. Navy Cross. Awarded to persons who, while serving in any capacity with the Navy or Marine Corps, distinguish themselves by extraordinary heroism, not justifying the award of the Medal of Honor.
- a. While engaged in an action against an enemy of the United States; while engaged in military operations involving conflict with an opposing force; or while serving with friendly foreign forces conflict against an opposing armed force in which the United States is not a belligerent party.
 - b. To warrant this decoration, the act or the execution of duty must be performed in the presence of great danger or at great personal risk. It also must be performed in such a manner as to render the individual highly conspicuous among others of equal grade, rate, experience, or position of responsibility. An accumulation of minor acts of heroism does not justify the award. When recommending the award, bear in mind the high standards demanded.
3. Silver Star. Awarded to any person who, while serving in any capacity with the Navy or Marine Corps, is cited for gallantry in action that does not warrant a Medal of Honor or Navy Cross.
- a. While engaged in an action against an enemy of the United States;
 - b. While engaged in military operations involving conflict with an opposing foreign force, or;
 - c. While serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.
4. Bronze Star Medal. Awarded to any persons who, while serving in any capacity with the Armed Forces of the United States, distinguish themselves after 7 December 1941 by heroic or meritorious achievement or service not involving participation in aerial flight.
- a. While engaged in an action against an enemy of the United States.

- b. While engaged in military operations involving conflict with an opposing foreign force;
 - c. While serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party. To justify this decoration, accomplishment or performance of duty above that normally expected, and sufficient to distinguish the individual among those performing comparable duties, is required, although less than the requirements for the Legion of Merit.
5. Navy and Marine Corps Commendation Medal. Awarded to persons who, while serving in any capacity with the Navy or Marine Corps (including foreign military personnel and members of U.S. Reserve Components on active or inactive duty), distinguish themselves by heroic or meritorious achievement or service. To merit this award, the acts or services must be accomplished or performed in a manner above that normally to be expected and sufficient to distinguish the individual above others of comparable grade or rate performing similar services, as set forth in the following:
- a. For Acts of Heroism. Worthy of special recognition but not to the degree required for the Bronze Star Medal when combat is involved, or the Navy and Marine Corps Medal when combat is not involved.
 - b. For Meritorious Achievement. Outstanding and worthy of special recognition but not to the degree required for the Bronze Star Medal or Air Medal when combat is involved, or the Meritorious Service Medal or Air Medal when combat is not involved. The achievement should be such as to constitute a definite contribution to the naval service, such as an invention, or improvement in design, procedure, or organization.
6. Navy and Marine Corps Achievement Medal. Awarded to enlisted and commissioned members of the Navy and Marine Corps, including members of Reserve components on active or inactive duty, of the grade of lieutenant commander/major and junior thereto, for service performed on or after 1 May 1961. It may also be awarded to members of other branches of the Armed Forces of comparable grade or rate, when attached to, or serving with, units of the Department of the Navy. The award is given for professional and/or leadership achievement in a combat or noncombat situation based on sustained performance or specific achievement of a superlative nature, and shall be of such merit as to warrant more tangible recognition than is possible by a fitness report or evaluation sheet, but which does not warrant a Navy Commendation Medal or higher.
- a. Professional achievement that merits the award must clearly exceed that which is normally required or expected, considering the individual's grade or rate, training and experience and be an important contribution that is beneficial to the United States and the Naval Service.

- b. Leadership achievement that merits the award must be noteworthy and sustained so as to demonstrate a high state of development or, if for specific achievement, be of such merit as to earn singular recognition for the act(s). The achievement must reflect most creditably on the efforts of the individual toward the accomplishment of the unit mission.
 - c. The Navy Achievement Medal will not be awarded for service involving participation in aerial flight prior to 1 January 1969. The Air Medal is the more appropriate recognition for heroic/meritorious achievement while participating in aerial flight. This does not preclude the award of the Navy Achievement Medal to those who meet the eligibility requirement during which participation in aerial flight was incidental.
7. Combat Action Ribbon. Awarded to members of the Navy, Marine Corps, and Coast Guard, when the Coast Guard or units thereof operate under the control of the Navy, in the grade of captain and junior, who have actively participated in ground or surface combat. Personnel who earned the Combat Infantry Badge (CIB) while a member of the U.S. Army may be authorized to wear the Combat Action Ribbon in lieu of the CIB upon submission of evidence of having earned the Combat Infantryman Badge. The principal eligibility criterion is that the individual must have participated in a ground or surface combat firefight or action during which the individual was under enemy fire, and performance while under fire must have been satisfactory. The Combat Action Ribbon is intended to be restrictive and awarded only in bona fide cases of combat and not as a campaign ribbon. The following amplifying remarks are furnished as guidance:
- a. Personnel in riverine and coastal operations, assaults, patrols, sweeps, ambushes, convoys, amphibious landings and similar activities who have participated in firefights are eligible.
 - b. Personnel assigned to areas subjected to sustained mortar and artillery attacks and who have actively participated in retaliatory or offensive actions are eligible.
 - c. Personnel in clandestine or special operations such as UDT, reconnaissance, and SEAL teams are eligible when the risk of enemy fire was great and it expected to be encountered.
 - d. Personnel aboard a ship are eligible when the safety of the ship and the crew were endangered by enemy attack, such as a ship hit by a mine or a ship engaged by shore, surface, air or subsurface elements.
 - e. Personnel eligible for the award of the Purple Heart Medal would not necessarily qualify for the Combat Action Ribbon.
 - f. The Combat Action Ribbon will not be awarded to personnel for aerial combat; however, a pilot or crewmember forced to escape or evade after being forced down would be eligible for the award.

- g. The Chief of Naval Operations and the Commandant of the Marine Corps may delegate authority to award the Combat Action Ribbon to commanders of flag or general officer ranks. Delegated authorities will forward copies of correspondence authorizing the award of the Combat Action Ribbon to the Chief of Naval Operations/Commandant of the Marine Corps for record purposes. The original of all correspondence authorizing the award to Coast Guard personnel will be transmitted to the Commandant, U.S. Coast Guard for final action. The Commandant, U. S. Coast Guard is delegated authority to award the Combat Action Ribbon to Coast Guard personnel serving under control of the Navy.

CHAPTER 3. UNIT AWARDS AUTHORIZED AND THEIR CRITERIA.

- A. General Discussion. The ensuing paragraphs detail the military unit commendations authorized for awarding, by precedence, by Department of Transportation (DOT)/Coast Guard awarding authorities. Those unit awards, that must be approved by Department of Defense (DOD)/Navy for Coast Guard members when operating with or under DOD/Navy are listed in paragraph 3.C. The precedence order for all decorations (military and non-military) authorized for wear and the applicability of the “O” and “V” devices are listed on Table 1 in Chapter 1.
1. Eligibility Requirements. The general eligibility requirements for unit awards are:
 - a. Personnel of all designated units are authorized to wear the award ribbon subject to the conditions below.
 - b. For Coast Guard unit awards approved on or after 31 January 1983, all Active Duty Coast Guard, Coast Guard Reserve, and Coast Guard Auxiliary, U.S. Military, civilians, and Foreign Military personnel, are eligible for the award if the person was assigned or attached to the cited unit and was present during at least 50 percent of the award period.
 - (1) Commanding Officers/Officers-in-Charge of cited units may recommend eligibility for other personnel who did not meet the time criteria, but who directly and positively contributed to the unit's outstanding performance. However, the awarding authority will make the final decision in these cases.
 - (2) If a person's behavior during the cited period was considered detrimental or obstructive to the unit's high performance, even though the member may have met the 50 percent criteria, then the unit award may be denied or revoked for that person. The Commanding Officer/Officer-in-Charge must provide documentation, such as from service record entries, NJP, or courts-martial. The awarding authority will make the final decision in these cases.
 2. Submission. Recommendations may be forwarded to the area or district commander, or Headquarters Directorate, as appropriate. The recommendations will be prepared as follows:
 - a. Recommendations for the CG Meritorious Unit Commendation shall be prepared on the CG-1650 form and will be accompanied by a proposed citation. The citation must capture the essence of the unit accomplishments.
 - b. Recommendations for the CG Unit Commendation shall be prepared on the CG-1650 form and should include the following:

- (1) A narrative justification containing sufficient data, in the light of the eligibility criteria, to enable the reviewing and approving authorities to adequately consider the recommendation. Supporting documents may be attached.
 - (2) A complete list of all units/teams/individuals recommended for participation, including staffs when appropriate, with dates of attachments to the recommended unit. Previous unit awards that have been approved or recommended for any units on the list should be noted. If there have been no previous unit awards for the cited period, a statement to this effect should be included.
 - (3) A proposed citation, drafted at the first level awarding authority or by the originator if at the district staff level.
 - (4) A complete listing of all eligible military personnel (including SSN and grade/rate), civilian personnel, and CG Auxiliary personnel (including member number and current office held), broken down into the following categories:
 - (a) Personnel meeting the 50 percent criteria or specifically recommended;
 - (b) Personnel not meeting the 50 percent criteria or specifically not recommended in accordance with paragraph 3.A.1.b.(2) above (attach justification). When computing the 50 percent time criteria, all leave, TAD, and "bad time" is deducted. Normal liberty is not deducted except if applicable for extremely short award periods.
3. Presentation. An original, signed citation is prepared and forwarded for presentation at an appropriate award ceremony. (Note: The Coast Guard "E" Ribbon is not accompanied by a citation.) Ribbon bars and accompanying facsimile citations to represent unit awards are issued to eligible personnel. Lapel pins in lieu of ribbon bars are issued to eligible civilian personnel. The commanding officer of the cited unit is responsible for ensuring eligible personnel receive a copy of the citation and ribbon bar or lapel pin. In the case of transferred personnel, the cited unit should promptly forward elements to the new duty station for appropriate presentation. The commanding officer of the cited unit will notify Commandant (G-WPM-1) when the award has been made to all eligible personnel (do not send copies of individual authorizations).

B. Unit Awards Authorized by the Department of Transportation/U.S. Coast Guard.

1. Department of Transportation Outstanding Unit Award. Awarded to any unit that has distinguished itself by exemplary service to the nation not involving combat but in support of Department of Transportation/Coast Guard operations which renders the unit outstanding compared to other units performing similar service. Since the operations that merit the Department of Transportation Outstanding Unit Award are unique and usually very broad in scope, there are no standard opening or commendatory remarks for the award citations.
2. Coast Guard Unit Commendation. Awarded to any unit that has distinguished itself by valorous or extremely meritorious service not involving combat but in support of Coast Guard operations which renders the unit outstanding compared to other units performing similar service.
 - a. Standard Opening Phrase for Citations. “For exceptionally meritorious service from (starting date) to (ending date) while . . .”
 - b. Standard Commendatory Remarks for Citations. “The professionalism, pride, and devotion to duty displayed by (unit name) are in keeping with the highest traditions of the United States Coast Guard.”
 - c. A sample citation follows:

[**Sample citation**]

3. Coast Guard Meritorious Unit Commendation. Awarded to any unit of the Coast Guard that has distinguished itself by either valorous or meritorious achievement or service in support of Coast Guard operations not involving combat which renders the unit outstanding compared to other units performing similar service but not sufficient to justify the award of the Coast Guard Unit Commendation. The Commandant may also confer the award upon a unit of other branches of the Armed Forces of the United States, provided such unit meets the standards established for Coast Guard units. To justify the award, the service performed as a unit must be of a character comparable to that which would at least merit the award of the Coast Guard Achievement medal to an individual. Normal performance of duty or participation in a large number of operational missions does not in itself justify the award. An award will not be made to a large unit for actions of one or more of its component parts unless such unit performed as a total team in a manner justifying the award.
 - a. Standard Opening Phrase for Citations. “For meritorious service from (starting date) to (ending date) while . . .”

b. Standard Commendatory Remarks for Citations. “The devotion to duty and outstanding performance demonstrated by (unit name) are in keeping with the highest traditions of the United States Coast Guard.”

c. A sample citation follows:

[**Sample citation**]

4. Coast Guard Meritorious Team Commendation. Awarded to groups or teams that do not constitute a Coast Guard unit; i.e., non-OPFAC small groups. To justify the award, the individual members of the groups must have performed service that made a significant contribution to the group's overall outstanding accomplishment of a study, process, mission, etc. The service performed as a group or team must be of a character comparable to that which would merit the award of the Commandant's Letter of Commendation or higher to an individual. The award of the Meritorious Team Commendation Ribbon does not preclude individuals whose service on a team or group is truly outstanding from being recognized with a personal award for the same action/period recognized.

a. Standard Opening Phrase for Citations. “For exceptionally meritorious service from (starting date) to (ending date) while serving on (name of team or group . . .”

b. Standard Commendatory Remarks for Citations. “The dedication, pride, and professionalism displayed by (team or group name) are in keeping with the highest traditions of the United States Coast Guard.”

c. A sample citation follows:

[**Sample citation**]

5. Coast Guard "E" Ribbon. Awarded by area commanders as visible recognition for personnel of Coast Guard cutters earning the overall operational readiness "E" award during Refresher Training, under the following conditions:

a. All personnel serving aboard their unit for more than 50 percent of the period during which it undergoes Refresher Training are eligible for the "E" Ribbon. Personnel serving less than 50 percent of the period, or personnel who are on leave or TAD during the evolution are not eligible, unless specifically recommended by the commanding officer.

b. Commanding officers/officers-in-charge may authorize the "E" Ribbon to any member of their command who previously served aboard the units listed in enclosure 10 to this Manual upon evidence of their assignment during the training period.

- c. With the exception of the units listed in the List of Eligible Cutters, enclosure 10 to this Manual, no permanent records of Refresher Training results exist. In order to recognize all ships' crews who have previously met the intent of this policy, individual Commands are encouraged to submit documentation to (G-WPM-1) which will facilitate the addition of those units to the list of eligible cutters.
 - d. Requests by individuals who served aboard units not listed in enclosure 10 to this Manual shall be forwarded to Commandant (G-WPM-1) for eligibility determination. Approval will be determined subject to supporting documentation accompanying the request. Examples of such supporting documentation include, but are not limited to, the following:
 - (1) Letters of appreciation;
 - (2) Personal award citations;
 - (3) Service record entries or any other documentation available from a member's service record; or
 - (4) Any other conclusive evidence that shows that a unit achieved an overall operational readiness "E" award during Refresher Training and the requesting individual was assigned to that unit during the designated Refresher Training period.
6. Coast Guard Bicentennial Unit Commendation. Awarded by the Commandant to all Coast Guard members, including selected Reservists, civilians, and Auxiliarists serving satisfactorily during any period from 4 June 1989 to 4 August 1990. The Bicentennial Unit Commendation may not be awarded to any individual whose entire service previous to 4 June 1989 is not honorable. Personnel of other Services who were assigned to and served with the Coast Guard during this period also are eligible for the award. (NOTE: The Operational Distinguishing Device is not authorized for this award.)
- C. Unit Awards Authorized by Department of Defense (DOD) (for Coast Guard members when operating with or under DOD.)
- 1. Presidential Unit Citation. Awarded in the name of the President of the United States to any unit of the Navy or Marine Corps for outstanding performance in action. Coast Guard personnel serving with a cited unit and meeting the eligibility criteria are eligible. The award may also be conferred upon units of armed forces of friendly foreign nations serving with the United States Armed Forces for outstanding performance in action, provided that such units meet the standards established for the United States Armed Forces.

2. Joint Meritorious Unit Award. Awarded by the Secretary of Defense to recognize a Joint Unit or Joint Activity for meritorious achievement or service superior to that which is normally expected, under one of the following conditions:
 - a. During action in combat with an armed enemy of the United States;
 - b. In a declared national emergency situation; or
 - c. Under extraordinary circumstances that involve the national interest. Coast Guard personnel serving with a cited unit and meeting eligibility criteria are eligible.
3. Navy Unit Commendation. Awarded by the Secretary of the Navy to any unit of the Navy, Marine Corps, or Coast Guard that has distinguished itself by outstanding heroism in action against the enemy, but not sufficient to justify the award of the Presidential Unit Citation; or to any such unit that has distinguished itself by extremely meritorious service not involving combat but in support of military operations, rendering the unit outstanding compared to other units performing similar service.
4. Navy Meritorious Unit Commendation. Awarded by the Secretary of the Navy to any unit of the Navy, Marine Corps or Coast Guard that has distinguished itself, under combat or noncombat conditions, by either valorous or meritorious achievement which renders the unit outstanding compared to other units performing similar service, but not sufficient to justify the award of the Navy Unit Commendation. Coast Guard personnel serving with a cited unit and meeting eligibility criteria are eligible.

CHAPTER 4. LIFESAVING MEDALS

A. Gold and Silver Lifesaving Medals and Certificates of Valor. United States decorations that are not classified as military decorations as cited in Chapter 1 of this Manual but are authorized for wear by Coast Guard personnel. If, in the opinion of the Commandant, neither the Gold nor Silver Lifesaving Medal is appropriate, then a Certificate of Valor or an appropriate Coast Guard Public Service Award will be considered.

1. Eligibility. The Commandant awards the Gold and Silver Lifesaving Medals under the general criteria listed below:
 - a. The Gold Lifesaving Medal or the Silver Lifesaving Medal is awarded by the Commandant, U.S. Coast Guard, to any person who rescues or endeavors to rescue any other person from drowning, shipwreck, or other perils of the water. If such rescue is made at the risk of one's own life, and evidences extreme and heroic daring, the medal is GOLD. If such rescue or attempted rescue is not sufficiently distinguished to deserve the medal of gold, but evidences such extraordinary effort as to merit recognition, the medal shall be SILVER. The rescue or attempted rescue must either take place in waters within the United States or subject to the jurisdiction thereof, or one or the other parties must be a citizen of the United States or from a vessel or aircraft owned or operated by citizens of the United States.
 - b. Military personnel serving on active duty normally should not be recommended for the Gold and Silver Lifesaving Medals. However, personnel may be recommended for a Lifesaving Medal if the act of heroism was performed while the member was in a leave or liberty status. Otherwise, a military award should be considered.
2. Recommendations. Recommendations for the awarding of Lifesaving Medals, or requests for information pertaining to these awards, should be addressed to Commander (a) of the Coast Guard District where the incident took place. [**Diagram of geographical boundaries**]. If the district is unknown, or if the incident took place outside any such district, recommendations should be addressed to Commandant (G-WPM-1), U. S. Coast Guard, 2100 2nd Street, SW, Washington, DC 20593-0001, who will forward the case to the appropriate district for verification. There is no time limitation on the awarding of Lifesaving Medals. Recommendations for the award of a Lifesaving Medal may be submitted by or on behalf of the person making or attempting a rescue. The submission package must include the following:
 - a. Satisfactory evidence of the lifesaving services performed, in the form of affidavits, made by eyewitnesses of good repute and standing testifying of their own knowledge. The opinion of witnesses that the person for whom an award is sought imperiled his or her own life or made extraordinary efforts is not sufficient. The affidavits must set forth in detail all facts and occurrences showing clearly in what manner and to what extent life was risked or extraordinary efforts made so the Commandant may judge

for himself as to the degree of merit involved. For military members, a determination of extraordinary heroism will be made in accordance with Chapter 1.B.4.

- b. A statement identifying the precise locality of the rescue or attempted rescue, whether from waters within the United States or subject to the jurisdiction thereof, or if the rescue or attempted rescue was outside such waters, whether one or the other of the parties involved was a citizen of the United States, or was from a vessel or aircraft owned or operated by citizens of the United States. The date, time of day, nature of the weather, condition of the water, the names of all persons present when practicable, the names of all persons rendering assistance, and all pertinent circumstances and data, showing the precise nature and degree of risk involved, should also be stated.
- c. The affidavits required by paragraph 2.a. above shall be made before an officer duly authorized to administer oaths. A commissioned officer of the Coast Guard may certify an individual's credibility. Credibility certification is not required if the affiant is an officer or employee of the Federal Government or a member of the Armed Forces of the United States.
- d. Upon receipt, the Commandant or cognizant district commander shall refer the recommendation to a Designated Investigating Officer for verification. The Investigating Officer shall conduct an inquiry and develop additional information and/or evidence necessary to either:
 - (1) Terminate the verification process as containing insufficient justification to continue further (provide feedback to originator, with copy to Commandant (G-WPM-1)); or
 - (2) Complete the proposed recommendation to the Commandant for final determination using Lifesaving Award Form, CG-5685. Include all relevant supporting material, and include a proposed citation.

- (2) Lapel pin
 - (3) Miniature medal
 - (4) Ribbon bar
 - (5) The large medal, citation, certificate and lapel pin are awarded to civilians earning the Gold or Silver Lifesaving Medal. Military personnel earning the Gold or Silver Lifesaving Medal are issued all elements listed above.
- b. Certificate of Valor. The certificate of Valor will be considered, if in the opinion of the Commandant, neither the Gold nor Silver Lifesaving Medal is appropriate. The Certificate of Valor consists of a certificate only, as shown below:

CHAPTER 5. CAMPAIGN, SERVICE, AND FOREIGN/INTERNATIONAL AWARDS

A. Campaign and Service Awards Requiring Authorization from the DOT/Coast Guard awarding authorities. Those campaign and service awards, which must be approved by Department of Defense (DoD for Coast Guard members when operating with DoD are listed in paragraph 5.B.). Paragraph 5.C. outlines the foreign/international awards authorized for Coast Guard personnel. Table 1 in Chapter 1 shows the precedence of all awards.

1. Coast Guard Good Conduct Medal.

a. Eligibility Requirements. Awarded for proficiency in rating, sobriety, obedience, industry, courage, and neatness throughout such period of service. Effective 1 July 1983, the required period of service is 3 years.

(1) Creditable Service. The required 3-year period of creditable service applicable toward a Coast Guard Good Conduct Medal and subsequent good conduct awards must have been enlisted.

(a) Creditable service must have been accrued while serving on active duty in the Regular Coast Guard or the Coast Guard Reserve. Membership in the Coast Guard Temporary Reserve or Coast Guard Auxiliary is not creditable. Active duty for training performed by reservists is not creditable. However, if otherwise creditable, periods of active duty of 3 months or more may be counted. Reserve time applied toward the Coast Guard Reserve Good Conduct Medal may not be applied toward a good conduct award while on active duty.

(b) Service must be continuous. Reenlistment within 3 months is considered continuous service. However, the time spent out of service during the period is not creditable. Inactive duty for a period of more than 3 months is considered a break in continuous service.

(c) Temporary retirement status due to physical disability or time served during an authorized temporary separation of 2 years or less does not constitute a break in a 3- or 4-year period of service for determining eligibility for good conduct awards. However, the time spent in that status is not creditable.

(d) Concurrent service as an enlisted member of the Coast Guard and as a cadet at the Coast Guard Academy is not creditable when the cadet: (1) has completed training; (2) has terminated enlistment, and (3) has been appointed to the grade of ensign. However, such enlisted service is creditable when: (1) a cadet's appointment is terminated at any time during the cadet's training; and (2) the cadet continues service as an enlisted person.

- (e) Temporary service as a warrant officer or commissioned officer is creditable only when the member has reverted to enlisted status and meets performance and conduct requirements. Temporary warrant officers and commissioned officers discharged from their enlisted status to accept permanent appointment as officers are considered as having reverted to their enlisted status for the purpose of computing service for a good conduct award.

(2) Conduct and Performance.

- (a) Conduct and performance will be computed in accordance with and satisfy the requirements of the period in which served. (Effective July 1, 1983, the requirement is an average in each marking period of not less than three in any factor and no conduct characteristic mark less than four.)
- (b) When a person is convicted by court-martial and sentenced to a period of confinement, a new period shall begin with the date of release from confinement even though such release may be on a probationary basis. If no confinement is included in approved sentence of a courts martial or as a result of non-judicial punishment, a new period shall commence the day following date of conviction (See article 10.B.2, Personnel Manual, COMDTINST M1000.6 (series).
- (c) When an infraction of discipline results in non-judicial punishment, a new period will commence the day following the date non-judicial punishment is awarded.
- (d) If convicted by civil authorities, a new period shall begin with date of return to Coast Guard jurisdiction. If confinement is not involved civil convictions do not necessarily bar a person from a good conduct award. (See article 10.B.2, Personnel Manual, COMDTINST M1000.6 (series). However, if that individual's marks were lowered below the minimum requirements for that period, a new period would commence the day following the date of the adverse marks.
- (e) Conduct and performance of an enlisted person, during tenure as a cadet or temporary service as a warrant officer or commissioned officer, to be creditable, must not include any of the following:
 - (1) Courts-martial, non-judicial punishment, letter of censure, admonition or reprimand;
 - (2) Suspension from duty or private reprimand whether noted on fitness report or otherwise reported officially to the Commandant; and
 - (3) Unsatisfactory fitness report, civil conviction not involving confinement or reversion to enlisted status for disciplinary reason.

- b. Posthumous Award to Deceased Members Serving in First Enlistment. The Coast Guard Good Conduct Medal shall be awarded posthumously in cases where the deceased member was serving in a first enlistment, and the member's conduct, verified by record and last commanding officer, was such that if continued through a complete enlistment would have resulted in the member being eligible for the Good Conduct Medal. It is the responsibility of the deceased member's last commanding officer to provide this information without delay to Commandant (CGPC-adm-3).
- c. Certificates and Attachments. Commanding officers shall complete a Good Conduct Award Certificate (CG-4178) at such time as an individual is issued a Coast Guard Good Conduct Medal or is authorized to wear a bronze star for a second or subsequent good conduct award. [Awarding of these certificates shall not be retroactive.] The commanding officer shall ensure Good Conduct Award Certificates are completed showing the name of the member who earned the award, rate, number of the award (i.e., first second, etc.), and the date on which the service for the award was completed. The certificate(s) shall be signed by the commanding officer and presented at an appropriate ceremony.

2. Coast Guard Reserve Good Conduct Medal.

- a. Eligibility Requirements. This medal, like the Coast Guard Good Conduct Medal, is issued to Reserve enlisted persons who have been recommended by their commanding officers for proficiency in rating, sobriety, obedience, industry, courage, and neatness throughout each qualifying period of service.
- (1) The Coast Guard Reserve Good Conduct Medal is issued to Reserve enlisted members who earn at least 70 retirement points during each of three consecutive anniversary years in the Coast Guard Reserve.
 - (2) The consecutive 3-year period is computed from the member's anniversary date.
 - (3) Conduct and performance requirements are identical to active duty policy.
 - (4) Reserve enlisted members serving on extended active duty (EAD) may be eligible for either the Coast Guard or Coast Guard Reserve Good Conduct Medal but not both during the same time period. Award eligibility will be determined by the status in which the reservist performed the majority of time. For example, a reservist who served 2 eligible years toward the Reserve Good Conduct Medal then enters into an EAD contract must complete 1 additional year of active duty to earn a Coast Guard Reserve Good Conduct Medal; a reservist who served one eligible year toward the Reserve Good Conduct Medal then enters into an EAD contract must complete 2 additional years of active duty to earn a Coast Guard Good Conduct Medal. Eligibility periods for the Coast Guard Reserve and Coast Guard Good Conduct Medals may not overlap.

- (5) Active duty personnel who immediately affiliate with the reserve program at the time they are released from active duty may apply active duty time not previously credited toward a Coast Guard Good Conduct Medal toward the Coast Guard Reserve Good Conduct Medal.
- b. Certificates and Attachments. Commanding officers shall complete a Reserve Good Conduct Award Certificate, CG-4178A, at such time as an individual is issued a Coast Guard Reserve Good Conduct Medal or is authorized to wear a bronze star for a second or subsequent award. The commanding officer shall ensure Reserve Good Conduct certificates are completed showing the name of the member who earned the award, rate, number of the award (i.e., first, second, etc.), and the date on which the service for the award was completed.

3. Coast Guard Enlisted Person of the Year (EPOY) Ribbon.
- a. Eligibility Requirements. Awarded to the most outstanding active duty and Reserve enlisted person. The award is open to all active duty and Reserve enlisted personnel in pay grades E-2 through E-6. Coast Guard Enlisted Person of the Year Program, COMDTINST 1650.36 (series), contains further criteria.
- b. Award Elements. The EPOY award consists of a ribbon bar only.
4. Antarctica Service Medal.
- a. Eligibility Requirements. Awarded to a person who, during the period subsequent to 1 January 1946 and a date to be ultimately established by the Secretary of Defense, meets the qualifications of any of the subparagraphs set forth below. For the purpose of this paragraph, Antarctica is defined as the area south of latitude 60 degrees south.
- (1) Any member of the Armed Forces of the United States or civilian citizen, national, or resident alien of the United States who as a member of a U.S. expedition, participates in or has participated in scientific, direct support, or exploratory operations in Antarctica.
- (2) Any member of the Armed Forces of the United States or civilian citizen, national, or resident alien of the United States who participated in a foreign Antarctic expedition in Antarctica in coordination with a U.S. Antarctic expedition, and who is or was under the sponsorship and approval of competent U.S. Government authority.
- (3) Any member of the U.S. Armed Forces who participates in or has participated in flights as a member of the crew of an aircraft flying to or from the Antarctic Continent in support of operations in Antarctica.

- (4) Any member of the Armed Forces of the United States or civilian citizen, national, or resident alien of the United States who serves or has served in a United States ship operating south of latitude 60 degrees south in support of United States programs in Antarctica.
 - (5) Any person, including citizens of foreign nations, not fulfilling the qualifications under subparagraphs (a) through (d) above, but who participates in, or has participated in a U.S. Antarctic expedition in Antarctica at the invitation of a participating U.S. agency. The Secretary of the Department under whose cognizance the expedition falls will give the award, provided the commander of the military support force as senior U.S. representative in Antarctica considers that such person has performed outstanding and exceptional service and shared the hardships and hazards of the expedition. Recommendations concerning civilians nominated for the award shall be forwarded to Commandant (G-WPM-1) for adjudication.
- b. Time Limitations. No minimum time limits of participation under the foregoing guidelines are required for eligibility for this medal prior to 1 June 1973. Subsequent to 1 June 1973, minimum time limits for the award are 30 days under competent orders to duty at sea or ashore, south of latitude 60 degrees south. Each day of duty under competent orders at an outlying station on the Antarctic Continent will count as 2 days when determining award eligibility. Flight crews of aircraft providing logistics support from outside the Antarctic Area will receive no more than 1 day's credit for flights in and out during any 24-hour period. Days do not have to be consecutive. The award may be made posthumously. No person is authorized to receive more than one award of the medal.
 - c. Eligible Coast Guard Vessels. Upon completion of a vessel deployment during which the eligibility requirements for this medal have been met, the commanding officer shall forward to Commandant (G-WPM-1) a listing of the inclusive dates for which this medal has been authorized. See enclosure (13) for the list of eligible vessels.
 - d. Devices.
 - (1) Clasps. Personnel who stay or have stayed on the Antarctic Continent during the winter months are eligible to wear a bronze clasp with the words "Winter Over" on the suspension ribbon of the medal. A gold clasp is authorized for the second wintering over period, and a silver clasp is worn to denote the third or subsequent wintering over period. Not more than one clasp shall be worn on the suspension ribbon of the medal. (The winter period is from mid-March to early October. The summer period is from early October to mid-March.)

- (2) Disks. The first wintering over eligibility will be denoted by a bronze disk of 5/16-inch diameter, inscribed with an outline of the Antarctic Continent, fastened on the ribbon bar representing the medal. (Disk is worn with peninsula pointing up.) A gold disk will represent the second wintering over period. A silver disk will represent the third or subsequent wintering over period. Not more than one disk shall be worn on the ribbon bar.
 - (3) Stars. For all deployments after 1 January 1989, a bronze service star is authorized (but not issued) to be worn on the suspension ribbon and ribbon bar of the Antarctica Service Medal to denote each subsequent period of eligibility. A silver star denotes a sixth award. Only one award may be earned during each deployment. Local commands, upon submission of supporting documentation, may authorize service stars to be worn by individuals who have earned subsequent awards for deployments occurring prior to 1 January 1989.
5. Coast Guard Arctic Service Medal.
- a. Eligibility Requirements. Awarded to any person who meets the qualifications of any of the subparagraphs set forth below:
 - (1) Any member of the Coast Guard who, during summer operations (1 May to 31 October), serves in any Coast Guard mission north of the Arctic Circle (66°33'N); or any member of the Coast Guard who, during winter operations (1 November to 30 April), serves or has served aboard a Coast Guard vessel operating in polar waters north of latitude 60 degrees North in the Bering Sea, Davis Strait, or Denmark Strait. Minimum time requirement is 21 non-consecutive days under competent orders.
 - (2) Any member of the Coast Guard who participates in or has participated in flights as a member of the crew of an aircraft flying to or from stations listed in subparagraph (3) above or any shore locations north of the Arctic Circle in support of Coast Guard missions. Minimum time requirements, 21 non-consecutive days under competent orders, receiving no more than 1 day's credit for flights in and out during any 24-hour period. Only one award per year is authorized.
 - (3) Upon completion of a ship deployment during which the eligibility requirements for this award have been met, the commanding officer shall forward to Commandant (G-WPM-1) a listing of the inclusive dates for which this medal has been authorized. See enclosure (14) for a list of eligible ships. Recommendations concerning civilians nominated for the award while serving with the Coast Guard on expeditions shall be forwarded to Commandant (G-WPM-1) for adjudication.

6. Humanitarian Service Medal.

- a. Eligibility Requirements. Awarded to military personnel under the general and specific criteria below:

- (1) General. The Humanitarian Service Medal (HSM) may be awarded to military members of the Armed Forces and their Reserve components (when performing in connection with their reserve status) who, subsequent to 1 April 1975, distinguished themselves as individuals or as members of U.S. military units or ships by meritorious, direct, non-routine participation in a significant military act or operations of a humanitarian nature. Direct participation is defined as being physically present at the designated location, having directly contributed to and influenced action. Designated location is the immediate site(s) of the humanitarian operations as defined by the presidential request for assistance in the U.S. or the Department of State for overseas areas. When appropriate, the local commander in his/her recommendation may propose specific clarification of designated boundaries based on the intent of the Presidential or Department of State request. Specifically excluded from eligibility are Service members or elements remaining at geographically separate locations or who were assigned to the location but did not make a direct contribution to nor influenced the action. No duration of qualifying service is specified for eligibility. Award of the HSM does not preclude or conflict with other medals or ribbons awarded on the basis of unit achievement, or of individual valor, achievement, or meritorious service. No person will be entitled to more than one award of the HSM for participation in the same military act or operation of a humanitarian nature.
- (2) Specific. The following types of military acts or operations may qualify for award of this medal:
- (a) Significant assistance in the event of national or international disasters, natural or man-made, such as, but not limited to earthquakes, floods, hurricanes, typhoons, or catastrophic fires.
 - (b) Relief to a starvation area.
 - (c) Evacuation of personnel from an area threatened by a hostile force.
 - (d) Support or resettlement of refugees or evacuees.
 - (e) Other significant military activities directly related to humanitarian service. These must be above and beyond routine actions. For example, normal search and rescue (SAR) operations conducted by specially trained SAR units would not be eligible for HSM consideration. Similarly, in accordance with the laws and traditions of the seas, the rescue of stricken vessels by Coast Guard units would not normally be eligible.

- (f) Acts or operations of a similar nature as determined by the Secretary of Defense; the Secretary of Transportation; or the Commandant, U.S. Coast Guard. (See enclosure 17 for Coast Guard approved operations.)
- (3) Guidelines. Service rendered in the act or operation being considered must meet the following criteria:
- (a) Must be above and beyond normal duties (voluntary aspects may be a consideration).
 - (b) Must have major significance.
 - (c) Must have provided immediate relief, relieve human suffering, and should save lives (property may be a factor).
 - (d) Must have affected the outcome of the situation (non-action could produce definite consequences).
 - (e) Must have specified dates and must be restricted to the period of “immediate relief.” Periods beyond immediate relief are considered established ongoing operations beyond the initial emergency conditions and these periods are no longer eligible for the Humanitarian Service Medal.
 - (f) Must have evidence that the emergency assistance provided was:
 - 1. Requested by the President of the United States (such as, Presidential Emergency Declaration or established contingency plans issued under Presidential authority); or
 - 2. Requested by the Department of State (for overseas areas).
- (4) Exclusions. The Humanitarian Service Medal shall not be awarded for participation in domestic disturbances involving law enforcement, equal rights to citizens, or protection of properties.
- b. Recommendations.

- (1) Award recommendations will be submitted to Commandant (G-WPM-1) via the appropriate chain of command. Acts or operations involving ships, units, and/or detachments shall be submitted in letter form with the following:
 - (a) A narrative justification; a written justification fully explaining and attesting to the humanitarian aspects of the services rendered by Service members in the operation being recommended. The Humanitarian Service Medal is an INDIVIDUAL award. As such, only those individuals who meet the specific requirements and guidelines in paragraph 5.12.a. shall be eligible for award of the Humanitarian Service Medal.

- (b) Specifically defined geographic area;
 - (c) A listing of ships and or units which directly participated in the military act or operation, specifying dates of involvement;
 - (d) A listing of individuals, detailing full name, rank/rate, social security number, branch of service, and permanent unit at the time of the act or operation;
 - (e) Forwarding endorsements shall make specific recommendation for approval/disapproval.
 - (f) Documentation of the Presidential or the Department of State request for assistance.
- (2) Recommendations must be entered administratively into command channels within 2 years of the military act or operation to be recognized. Those military acts or operations, which meet the eligibility criteria, will be forwarded to the Commandant via the Coast Guard Board of Awards for disposition.

7. Military Outstanding Volunteer Service Medal.

- a. Eligibility Requirements. Awarded to members of the Armed Forces of the United States and their Reserve Components who, subsequent to 31 December 1992, perform outstanding volunteer community service of a sustained, direct, and consequential nature. To be eligible, the individuals service must:
 - (1) Be to the civilian community, to include the military family community;
 - (2) Be significant in nature and produce tangible results;
 - (3) Reflect favorably on the military service and the Department of Transportation; and
 - (4) Be of a sustained and direct nature. While there is no specific time threshold to qualify for the MOVSM, approval authorities shall ensure the service to be honored merits the special recognition afforded by this medal. The MOVSM is intended to recognize ***exceptional community support over an extended period of time and not a single act or achievement.*** It is intended to honor direct support of community activities. While all members, as good citizens, should become involved in some level of community support, this award recognizes the truly outstanding volunteers.

Examples of qualifying volunteer service include *but are not limited to*:

Boy/Girl Scouts/Camp Fire/YMCA/4-H Volunteer
 Youth Sports Programs
 Hot Line Volunteer (abuse/rape/suicide)
 Hospital Volunteer
 Volunteer Teachers/Mentors
 March of Dimes, Easter Seal, etc. /Walkathons
 Volunteer Fire Dept./Rescue Squad/Medics
 Literacy Programs
 Salvation Army or Red Cross Volunteer
 Drug Abuse/Child Abuse Programs
 Big Brother/Big Sister

- b. Recommendations. Recommendations for this award, will be submitted by the members' immediate supervisors,(through the chain of command) to the awarding authority, using CG 1650 and a Summary of Action. At a minimum, the Summary of Action should contain the following: (1) community activity name, address, and point of contact; (2) period of service; (3) description of mission and population served; (4) description of service rendered, impact/results achieved; and (5) approximate number of hours contributed.
- c. Award Elements. The MOVSM is comprised of a large medal and ribbon bar. A one-page letter that specifically cites the individual's volunteer service accompanies the award. The letter is prepared on Commandant stationery and is signed by the awarding authority.

Sample Military Outstanding Volunteer Service Medal letter

8. Coast Guard Special Operations Service Ribbon.

- a. Eligibility Requirements. Awarded to any personnel of the Armed Forces of the United States serving in any capacity with the Coast Guard and certain other uniformed individuals who, after 1 July 1987, participate in significant numbers in a major Coast Guard operation of a special nature, not involving combat. The member must not have been recognized by another service award, such as the Humanitarian Service Medal, for the same operation during the same period of service. See enclosure (19) for a listing of approved operations.
- b. Specific. The Coast Guard Special Operations Service Ribbon (SOS) may be authorized for any of the following categories of multi-unit or multi-service operations (excluding training):
- (1) Coast Guard operations of a special nature involving multiple-agency involvement pertaining to national security/law enforcement.

- (2) Coast Guard operations or involvement with foreign governments in all areas of saving life and property at sea.
 - (3) Coast Guard operations of assistance for friendly and/or developing nations.
- c. Definitions and Guidelines. Service rendered in the act or operation being considered must meet the following criteria:
- (1) The area of operations shall consist of such water, land, and air space as defined by the operational commander.
 - (2) Personnel must be attached to a unit and be present for not less than 21 days (consecutive or non-consecutive) during the period the unit is engaged in the special operation or serve for the full period when an operation is less than 21 days duration.
 - (3) Personnel must solely engage in direct support of an operation for 21 consecutive days, or for the total operation if less than 21 days. Direct support is defined as the supply by personnel, vessels, or aircraft, of service and/or supplies and equipment, in sole support of special operations.
 - (4) Personnel must serve at shore-based units specifically recommended by the operational commander as having participated in and significantly contributed to the accomplishment of the operation; or
 - (5) Personnel must be specifically recommended by the operational commander of the appropriate area.
- d. Recommendations. Recommendations for this award will be submitted to the area commander or Commandant via the appropriate chain of command, within 2 years of the military act or operation to be recognized. Recommendations shall be in letter form and include the following:
- (1) A narrative justification;
 - (2) A specifically defined geographic area;
 - (3) A listing of ships and or units which directly participated in the military act or operation, specifying dates of involvement;
 - (4) A listing of individuals, detailing full name, rank/rate, social security number, branch of service, and permanent unit at the time of the act or operation;
 - (5) Forwarding endorsements making a specific recommendation for approval/disapproval.

- e. Procurement, Issuance, and Manner of Wearing. The awarding authority will distribute initial issue quantities; recipients may purchase replacement ribbon bars. There is no citation to accompany the SOS. Table 1 in Chapter 1 indicates the precedence of the award.

9. Coast Guard Sea Service Ribbon.

- a. Eligibility Requirements. Awarded to active duty members of the Coast Guard and Coast Guard Reserve, inactive duty members of the Coast Guard Reserve, or non-Coast Guard personnel who, under temporary or permanent assignment, satisfactorily complete a minimum of 12 months cumulative sea duty. For the purposes of the award, sea duty is defined as duty performed:
 - (1) Aboard any commissioned Coast Guard cutter 65 feet or more in length; or
 - (2) While assigned to a Fleet Training Group/Unit (FTG/FTU); or
 - (3) Aboard certain Coast Guard and non-Coast Guard vessels or units under official Coast Guard orders (e.g., Navy Exchange Program, Tactical Law Enforcement Team (TACLET), or Law Enforcement Detachment (LEDET)).
- b. Verification of Entitlement and Issuance. Commanding officers or officers in charge are authorized to verify service records and issue this award to eligible individuals based upon cumulative years of qualifying duty. For those personnel whose service records do not clearly show entitlement, an affidavit certified by the member, showing dates of service and the name of the unit, may be used. Personnel not meeting these eligibility requirements but who qualify under previous criteria are eligible for an initial award only. Subsequent awards must meet new eligibility requirements.

10. Coast Guard Restricted Duty Ribbon.

- a. Eligibility Requirements. Awarded to Coast Guard personnel who have completed a Permanent Change of Station (PCS) tour of duty at a shore unit listed in enclosure (18). Coast Guard personnel assigned TAD or ADT/SADT/ADSW to a restricted unit are not eligible for the award. Coast Guard personnel assigned to units where it is optional to have accompanying dependents are not eligible for this award.
- b. Verification of Entitlement and Issuance. Commanding officers or officers in charge may authorize and issue this award to unit personnel at the end of each PCS tour of restricted duty. They are authorized to verify service records and issue this award to eligible individuals based upon past PCS tours of restricted duty, ensuring appropriate service record entries.

11. Coast Guard Basic Training Honor Graduate Ribbon.

- a. Eligibility Requirements. Awarded to Coast Guard personnel under the following conditions:
 - (1) Effective 1 April 1984, Coast Guard personnel comprising the top 3 percent of each Coast Guard recruit training graduating class are eligible for the award.
 - (2) Prior service personnel who graduated from other than Coast Guard recruit training are not eligible for the award.
- b. Verification of Entitlement and Issuance. The Commanding Officer, U.S. Coast Guard Training Center, Cape May, New Jersey, may authorize and issue the award(s) at the end of each recruit training period, ensuring appropriate service record entries. Individuals who believe themselves eligible for this award and who have not received it may submit a request for verification and issuance to Commanding Officer, U.S. Coast Guard Training Center, Cape May, New Jersey. Individuals who graduated from Coast Guard recruit training prior to 1 April 1984 who believe themselves eligible for this award may submit a request, with supporting documentation, to Commandant (G-WPM-1) via the chain of command.

12. Coast Guard Recruiting Service Ribbon.

- a. Eligibility Requirements. Awarded to Coast Guard personnel as follows:
 - (1) Active duty personnel who successfully complete a PCS tour (at least two consecutive years of duty) in recruiting are eligible for the award. The award is retroactive to those personnel who have successfully completed at least two consecutive years of duty in recruiting on or after 1 January 1994.
 - (2) Inactive duty Reserve personnel who complete recruiter personnel qualification standards and drill at or augment a recruiting office for a minimum of two years. (Subsequent awards are not authorized. All service after 1 January 1980 may be credited.)
- b. Issuance. Commander, Coast Guard Recruiting Command, will issue this award to personnel at the end of each successful PCS tour in recruiting.

13. Armed Forces Reserve Medal.

- a. Eligibility Requirements. The Armed Forces Reserve Medal (AFRM) is awarded for honorable and satisfactory service as a member or former member of one or more of the Reserve components of the Armed Forces of the United States, including the Coast Guard Reserve, as follows:

- (1) For satisfactory service for a period of 10 years. Such years of service must have been performed within a period of 12 consecutive years. Service in a regular component of the Armed Forces, including the Coast Guard, is excluded, except active duty service performed by members of a reserve component will be included. Any period during which Reserve service is interrupted by one or more of the following will be excluded in computing, but will not be considered as a break in the period of 12 years:
 - (a) Service in a regular component of the Armed Forces.
 - (b) During tenure of office by a state official chosen by the voters of the entire state, territory, or possession.
 - (c) During tenure of office as a member of the legislative body of the United States or of any state, territory, or possession.
 - (d) While serving as Judge of a Court of Record of the United States or of any state, territory, possession, or the District of Columbia.
 - (2) On or after 1 August 1990, the member was called to active duty and served under sections 12301(A), 12302, 12304, 12406 of Title 10 U.S.C., or Chapter 15, or, in the case of the U.S. Coast Guard Reserve, Section 712 of title 14 U.S.C.
 - (3) On or after 1 August 1990, the member volunteered and served on active duty in support of specific U.S. Military Operations or contingencies designated by the Secretary of Defense, as defined in Section 101(A)(13) of Title 10 U.S.C.
- b. Devices and Method of Wearing. The following devices are authorized for wear on the AFRM:
- (1) Mobilization (“M”) Device. The “M” device is authorized for members who qualified for the AFRM under subparagraphs 5.11.a.(1) through (3), above. Coast Guard Reserve members who receive orders changing their current duty status (legal authority under which they perform duty), their duty location, or assignment to support a contingency operation are eligible for the award.
 - (2) Hourglass Device. The 10-year hourglass device is authorized for wear on the AFRM to denote each succeeding 10-year period as follows:
 - (a) A bronze hourglass shall be award upon completion of the first 10-year period award.
 - (b) A silver hourglass shall be awarded upon completion of the second 10-year period award.
 - (c) A gold hourglass shall be awarded upon completion of the third 10-year period award.

- (d) A gold hourglass, followed by a bronze hourglass, shall be awarded upon completion of the fourth 10-year period award.

If no “M” device is authorized, the appropriate hourglass shall be positioned in the center of the ribbon. If no hourglass is authorized, the “M” device shall be positioned in the center of the ribbon, followed by Arabic numerals indicating the number of times the device has been awarded, starting with the second award. (No number is worn for the first award.) If both, the hourglass or hourglasses shall be positioned in first position on the ribbon (at the wearer’s right), the “M” device in the middle position, and the number of times the “M” device has been awarded in the remaining position (at the wearer’s left).

- c. Issuance, Procurement, and Verification of Entitlement. Unit commanding officers are delegated the authority to award the AFRM to eligible personnel. Commands unable to verify qualifying service for individuals claiming entitlement to this medal who have not received it may submit requests for verification and issuance to Commandant (G-WPM).
- B. Campaign and Service Awards Requiring Approval by Department of Defense (DOD) for Coast Guard Members. Must be approved by DoD for Coast Guard members when operating with DoD are as follows:
1. National Defense Service Medal.
 - a. Eligibility Requirements. Awarded to personnel under the following conditions:
 - (1) Honorable active service as a member of the Armed Forces for any period after 26 June 1950 and before 28 July 1954; after 31 December 1960 and before 15 August 1974; on or after 2 August 1990 and before 30 November 1995; or on or after 11 September 2001 to a date to be determined by the Secretary of Defense.
 - (2) Any member of the Coast Guard Reserve who, after 31 December 1960, becomes eligible for the award Armed Forces Expeditionary Medal or the Vietnam Service Medal shall be considered to be performing active service for the purpose of eligibility for the NDSM.
 - (3) Members of the Selected Reserve in good standing who served for any period between 2 August 1990 and 30 November 1995 shall be eligible for the NDSM. Any member of the Coast Guard or Coast Guard Reserve who, between 2 August 1990 and 30 November 1995, became eligible for the Southwest Asia Service Medal, shall also be eligible for the award of the NDSM.
 - (4) Cadets attending the Coast Guard Academy during the above periods are eligible for this medal. Public Health Service members and the Chaplain Corps are also eligible.

- (5) For purposes of this award, the following individuals are NOT eligible:
- (a) Reserve personnel on short tours of active duty to fulfill training obligations under an inactive duty training program;
 - (b) Any person on temporary active duty to serve on boards, courts, commissions, and like organizations;
 - (c) Any person on active duty for the sole purpose of undergoing a physical examination; or
 - (d) Individuals on active duty for purposes other than for extended active duty.

2. Armed Forces Expeditionary Medal.

- a. Eligibility Requirements. The Armed Forces Expeditionary Medal (AFEM) may be awarded to personnel of the Armed Forces of the United States who:
- (1) Participate, or have participated, as members of United States military units in a United States military operation in which, in the opinion of the Joint Chiefs of Staff, personnel of any military department participate in significant numbers.
 - (2) Encounter, incident to such participation, foreign armed opposition, or are otherwise placed, or have been placed, in such position that, in the opinion of the Joint Chiefs of Staff, hostile action by foreign armed forces was imminent even though it did not materialize.
- b. Categories of Operations. The Armed Forces Expeditionary Medal may be authorized for three categories of operations:
- (1) United States military operations;
 - (2) United States operations in direct support of the United Nations; or
 - (3) United States operations of assistance for friendly foreign nations.
- c. Definitions.
- (1) The “Area of Operations” is defined as:
 - (a) The foreign territory upon which United States Armed Forces have actually landed or are present and specifically deployed for the direct support of the designated military operation.
 - (b) Adjacent water areas in which United States ships are operating, patrolling, or providing direct support of operations.

- (c) The air space above and adjacent to the area in which operations are being conducted.
 - (2) “Direct Support” is defined as the supply by ground units, ships and aircraft, of services and/or supplies and equipment to combat forces in the area of operations, provided such support involves actually entering the designated area, and furnishing fire, patrol, guard, reconnaissance, or other military support.
- d. Degree of Participation. Personnel must be bona fide members of a unit engaged in the operation, or meet one or more of the following criteria:
- (1) Serve not less than 30 consecutive days in the area of operations;
 - (2) Engage in direct support of the operation for 30 consecutive days or 60 non-consecutive days, provided such support involves entering the area of operations;
 - (3) Serve for the full period when an operation is of less than 30 days duration;
 - (4) Engage in actual combat or duty which is equally as hazardous as combat duty, during an operation against armed opposition, regardless of time in the area;
 - (5) Participate as a regularly assigned crew member of an aircraft flying into, out of, within, or over the area in support of the military operation; or
 - (6) Be recommended, or attached to a unit recommended, by the Chief of Naval Operations or the commander of a unified or specified command for award of the medal, although the criteria above may not have been fulfilled. (A recommendation may be made to the Joint Chiefs of Staff, via the Chief of Naval Operations, and the Commandant of the Coast Guard, for duty of such value to the operations as to warrant particular recognition.)
- e. Limitation of Medal. The medal shall be awarded only for which no other U.S. campaign medal is approved, and shall not be issued for service in Vietnam after 3 July 1965. For operations in which personnel of only one military department participate, the medal shall be awarded only if there is no other suitable award available to that department.
- f. Election of Armed Forces Expeditionary Medal/Vietnam Service Medal. Personnel who earned the Armed Forces Expeditionary Medal for service in Vietnam during the period 1 July 1958 to 3 July 1965, inclusive, may elect to receive the Vietnam Service Medal in lieu of the Armed Forces Expeditionary Medal. No individual may be issued both medals, however, for service in Vietnam.

- g. Election of Armed Forces Expeditionary Medal/Southwest Asia Service Medal. Service members who earned the SWASM and subsequently become eligible for the AFEM may elect to receive the AFEM in lieu of the SWASM. Only one award, either the AFEM or SWASM, may be issued for the period 2 August 1990 to a date to be determined for the termination of Operation Southern Watch.

3. Vietnam Service Medal.

- a. Eligibility Requirements. Awarded to members of the Armed Forces of the United States under the following conditions:
- (1) Awarded to all members serving at any time between 4 July 1965 and 28 March 1973 in the area defined under the Armed Forces Expeditionary Medal for Vietnam.
 - (2) Awarded to all members of the Armed Forces of the United States in Thailand, Laos, or Cambodia or the air space thereover, between 4 July 1965 and 28 March 1973 and serving in direct support of operations in Vietnam.
 - (3) Members qualified for the Armed Forces Expeditionary Medal by reason of service between 1 July 1958 and 3 July 1965 (inclusive) in an area for which the Vietnam Service Medal was subsequently authorized shall remain qualified for that medal. Upon application, any such member may be awarded the Vietnam Service Medal in lieu of the Armed Forces Expeditionary Medal for such service. However, no person shall be entitled to both awards for service in an area for which the Vietnam Service Medal has been authorized.
- b. Specific Personnel Eligible.
- (1) Attached to or regularly serving for 1 or more days with an organization participating in or directly supporting military operations; attached to or regularly serving for 1 or more days aboard a naval vessel directly supporting military operations; actual participation as a crewmember in one or more aerial flights directly supporting military operations; service for 30 consecutive or 60 non-consecutive days, except that time limit may be waived for personnel participation in actual combat operations. See enclosure (16) for a list of authorized campaigns and Coast Guard units having service creditable for the Vietnam Service Medal.
- c. Limitation of Medal. The medal shall be awarded only for operations for which no other U.S. campaign medal is approved. No person may be issued both Vietnam Service Medal and the Armed Forces Expeditionary Medal for service in Vietnam (see paragraph 5.B.3. concerning election), and no person shall be entitled to more than one award of the Vietnam Service Medal.

4. Southwest Asia Service Medal.

- a. Eligibility Requirements. Awarded to military personnel in designated areas of operation as follows:
- (1) General. The Southwest Asia Service Medal (SWASM) is to be authorized for wear by members of the Coast Guard who have served in one or more of the following areas on or after 2 August 1990 to 30 November 1995: the Persian Gulf, Red Sea, Gulf of Oman, Gulf of Aden, that portion of the Arabian Sea that lies north of 10 N latitude and west of 68 E longitude, as well as the total land areas of Iraq, Kuwait, Saudi Arabia, Oman, Bahrain, Qatar, and the United Arab Emirates. Individuals serving in Israel, Egypt, Turkey, Syria, and Jordan (including airspace and territorial waters) between 17 January 1991 and 30 November 1995 are also eligible for award of this medal.
 - (2) Specific.
 - (a) Eligible personnel must have been attached to or regularly served for one or more days with an organization participating in ground/shore (military) operations.
 - (b) Attached to or regularly served for one or more days, aboard a Coast Guard/Naval vessel directly supporting military operations.
 - (c) Actually participated as a crewmember in one or more aerial flights directly supporting military operations in the areas designated above.
 - (d) Served on temporary duty for 30 consecutive days or 60 non-consecutive days. The time limitation may be waived for people who participated in actual combat operations.
- b. Manner of Wearing. A bronze service star shall be worn on the suspension and service ribbon of the Southwest Asia Service Medal for participation in each campaign period. The first campaign period is designated as the Defense of Saudi Arabia with corresponding dates of 2 August 1990 through 16 January 1991. The second campaign is designated Liberation and Defense of Kuwait from 17 January 1991 to 11 April 1991, and the third campaign is designated as the Southwest Asia Cease-fire from 12 April 1991 to the date of a Presidential proclamation terminating the Persian Gulf conflict. Eligibility for the Southwest Asia Service Medal without campaign stars will continue after the Presidential proclamation until the last combat forces participating in a security role (as defined by Director, Joint Staff) leave the theater of operations.

5. Armed Forces Service Medal.

a. Eligibility Requirements. The medal is authorized for military personnel as follows:

(1) General. Awarded to members of the Armed Forces of the United States who, after 1 June 1992:

- (a) Participated as members of U.S. military units, in a U.S. military operation that is deemed to be a significant activity; and
- (b) Encounter no foreign armed opposition or imminent threat of hostile action.

(2) Specific. Service members must be bona fide members of a unit participating for 1 or more days in the operation within the designated area of eligibility (AOE), or meet one or more of the following criteria:

- (a) Be engaged in direct support for 30 consecutive days in the AOE (or for the full period when an operation is of less than 30 days duration) or for 60 nonconsecutive days provided this support involves entering the AOE.
- (b) Participate as a regularly assigned crewmember of an aircraft flying into, out of, within, or over the AOE in support of the operation.

b. Qualifying Operations. The Armed Forces Service Medal (AFSM) may be authorized for significant U. S. military activities for which no other U. S. campaign or service medal is appropriate, such as: peacekeeping operations or prolonged humanitarian operations. The AFSM may be awarded for U. S. Military operations in direct support of the UN or NATO and for operations of assistance to friendly foreign nations.

c. Eligible Operations. The AFSM is approved for the following operations relating to the former Republic of Yugoslavia from 1 June 1992 until a date to be determined: Operations Provide Promise; Joint Endeavor; Able Sentry; Deny Flight; Maritime Monitor; and Sharp Guard within the total land area and airspace of the former Republic of Yugoslavia; Aviano, Ancona, and Brindisi, Italy; and Hungary; and the waters and airspace above that portion of the Adriatic Sea that lies north of forty degrees north latitude. The Chairman of the Joint Chiefs of Staff shall designate U. S. military operations subsequent to 1 June 1992 that qualify for the AFSM and the qualifying areas of eligibility.

6. Kosovo Campaign Medal. The Kosovo Air Campaign began on 24 March 1999, and ended on 10 June 1999. The area of eligibility is the total land area and air space of Serbia (including Kosovo), Montenegro, Albania, Macedonia, Bosnia, Croatia, Hungary, Romania, Greece, Bulgaria, Italy, and Slovenia; and the waters and air space of the Adriatic and Ionian Sea north of 39 degrees north latitude. The Kosovo Defense Campaign began on 11 June 1999, and will end on a date to be determined. The area of eligibility is the total land area and air space of Serbia (including Kosovo), Montenegro, Albania, Macedonia, and the waters and air space of the Adriatic Sea within 12 nautical miles of the Montenegro, Albania, and Croatia coastlines south of 42 degrees and 52 minutes North latitude.
 - a. Eligibility Requirements. Awarded to military personnel under the criteria below:
 - (1) Must have participated in or served in direct support of one or more of the following Kosovo operations: Allied Force, Joint Guardian, Allied Harbor, Sustain Hope/Shining Hope, Noble Anvil, or Kosovo Task Force Hawk, Task Force Saber, or Task Force Hunter within the Kosovo Air Campaign or Kosovo Defense Campaign area of eligibility.
 - (2) Must be bona fide members of a unit participating in or directly supporting the operation for 30 consecutive days in the of area of eligibility (AOE) or for 60 non-consecutive days provided this support involves entering the operations AOE or meet one or more of the following specific criteria:
 - (a) Be engaged in actual combat, or duty that is equally as hazardous as combat duty, during the operation with armed opposition, regardless of time in the area of eligibility.
 - (b) While participating in the operation, regardless of time, is wounded or injured and requires medical evacuation from the area of eligibility.
 - (c) While participating as a regularly assigned aircrew member flying sorties into, out of, within, or over the area of eligibility in direct support of the military operation.
 - (d) The award is approved for the following Navy vessels as an exception to the 30 consecutive days within the Kosovo Air Campaign AOE criteria of para. (2)(a) above: USS NORFOLK; USS MIAMI; USS BOSE; USS ALBURQUERQUE; USS NICHOLSON; USS PHILIPPINE SEA; and USS GONZALEZ.

- b. Manner of Wearing. One bronze star shall be worn on the suspension and service ribbon of the KCM for qualifying participation in each campaign period. A servicemember who qualified as a participant in one campaign would wear the KCM with one bronze star. Meeting the criteria in each of the two campaigns would warrant the KCM and two bronze service stars. However, if an individual's 30 or 60 days began in one campaign and carried over into the second campaign, they would only qualify for the KCM and one service star.
- C. Foreign/International Awards Authorized for Coast Guard personnel.
(COMDTINST 5370.8A (series) contains policy guidance governing the acceptance and retention of decorations and gifts from foreign governments).
1. Foreign Personal Decorations.
 - a. Personal awards tendered to members of the Coast Guard by friendly foreign nations for a specific act or acts of gallantry of meritorious service and authorized for wear in accordance with this chapter take precedence immediately after all U. S. Service awards.
 - b. Such awards take precedence among themselves in the order earned, except that when two or more are received from the same country, they are worn in accordance with the precedence established by the country.
 2. Foreign Unit Awards. The only foreign unit award authorized is the Republic of Vietnam Meritorious Unit Citation, Civil Actions Medal First Class Color.
 3. Non-U.S. Service Awards.
 - a. United Nations Medal. Awarded to U. S. Service members who are or have been in the service of the U. N. in operations designated and approved by the Secretary of Defense (SECDEF).
 - (1) The medal is a bronze medallion suspended on a ribbon with a blue background and two white stripes. There is a coordinating service ribbon. A bronze service star is worn on the medal and service ribbon to denote subsequent awards for participation in more than one of the qualifying operations. See enclosure (20) for a list of qualifying operations.
 - (2) The U. N. awards the United Nations Medal to individuals who are actually assigned to U. N. operations. Their practice is to use the same medallion for all awards with a different suspension ribbon for each authorized operation.

- (3) If approved by SECDEF, U. S. service members who meet the criteria may accept and wear the first U. N. medal with unique suspension and service ribbon for which they are eligible. To recognize subsequent awards (if approved by SECDEF) for service in a different U. N. mission or action, the member will affix a bronze service star to the first U. N. suspension and service ribbon awarded.
 - (4) The U. N. medal will normally be awarded by the Chief of the U. N. Mission to qualifying U. S. service members prior to their departures from U. N. service. Questions regarding eligibility must be addressed to the U. N. Mission.
- b. Inter-American Defense Board Medal and Ribbon. Coast Guard personnel assigned to the Inter-American Defense Board may wear the badge in the same manner as the Recruiting Identification Badge. The ribbon only is authorized for post-assignment wear. (See COMDTINST. M1020.6E.3.e.4.)
4. Campaign Awards.
- a. Republic of Vietnam Campaign Medal. Awarded in recognition of service performed in Vietnam on or after 1 March 1962, in the cause of the Republic of Vietnam. (The provision of Public Law 89.257 permits acceptance of the medal). Service in connection with the Military Assistance Program does not preclude acceptance of this medal. After determination of eligibility, the commanding officer shall take the following action: For active duty personnel who claim eligibility for the award by reason of prior service on shore in Vietnam or within the Armed Forces Expeditionary Medal/Vietnam Service Medal eligibility area, on the basis of available records, make appropriate entries in enlisted service records and address official letters to officers, certifying eligibility for the award, authorizing the wearing of the ribbon bar with device and indicating the date of issuance. Copies of the letters to officers shall be forwarded to CGPC-adm-3 for filing in officers' records.
 - b. Kuwait Liberation Medal. Authorized by the Government of Saudi Arabia for members of the Coalition Forces who participated in Operations DESERT STORM and the liberation of Kuwait. The Deputy Secretary of Defense authorized the acceptance and wearing of this medal. Eligibility requirements for the award are as follows:
 - (1) In order to qualify, one of the following requirements must have been met:
 - (a) Served in support of Operation DESERT STORM between 17 January and 28 February 1991 in the following areas: Persian Gulf, Red Sea, Gulf of Oman, or Gulf of Aden; that portion of the Arabian Sea that lies north of 10 degrees north latitude and west of 68 degrees east longitude; or the total land areas of Iraq, Kuwait, Saudi Arabia, Omar, Bahrain, Qatar, and the United Arab Emirates.

- (b) Attached to or regularly served for one or more days with an organization that participated in ground and/or shore operations.
 - (c) Attached to or regularly served for one or more days aboard a naval vessel that directly supported military operations.
 - (d) Actually participated as a crewmember in one or more aerial flights that supported military operations in the areas designated above.
 - (e) Served on temporary duty for 30 consecutive days during this period. That time limitation may be waived for personnel who participated in actual combat operations.
- (2) The Deputy Chief of Staff, Personnel for each Service and the Director, Joint Staff, are authorized to grant exceptions to policy for award of this medal. Since the Government of Saudi Arabia specified the eligibility period and geographic boundaries, those criteria may not be waived.

CHAPTER 6. OTHER RECOGNITION PROGRAMS

A. Department of Transportation (DOT) Honorary Awards.

Coast Guard military personnel are eligible to receive the DOT Honorary Awards listed below. However, such awards earned while serving in a civilian capacity are not authorized for wear on the Coast Guard uniform. Eligibility criteria are contained in Coast Guard Civilian Awards Manual, COMDTINST M12451.1 (series).

1. Secretary's Award for Outstanding Achievement (DOT Gold Medal)
2. Secretary's Award for Meritorious Achievement (DOT Silver Medal)
3. Commandant's Award for Superior Achievement (DOT Bronze Medal)

B. Coast Guard Foundation, Inc. Awards of the Year.

The Coast Guard Foundation, Inc. sponsors an annual "Salute to the Coast Guard" awards dinner. The purpose of the dinner and award is to honor heroic deeds and increase public understanding of the missions of the Coast Guard.

1. Eligibility Requirements. All U. S. Coast Guard units/staff elements and personnel, Regular, Reserve, Auxiliary, and Civilian are eligible for nomination. The period to be considered will be 1 May - 30 April. Nominations for specific short-term operations after this period will be considered if submitted before 1 June. Nominations should be submitted for individual, crew, or unit performance of Coast Guard missions while in a duty status, and for individuals who have performed heroic or lifesaving acts while on or off duty.
2. Recommendation. Nominations should be submitted via the chain of command to the applicable district, MLC, area or HQ Directorate having administrative control over the recommended individual or unit. The submission format is a concise letter, two pages maximum, with nominees listed in rank order. Each District, MLC, area or HQ Directorate should consolidate recommendations and forward to Commandant (G-WPM-1) by 1 June each year. Prepare short paragraph summaries for each case by mission area and in rank order.
3. Presentation. The Awards Dinner is held each fall. The Coast Guard Foundation will notify the selected individual or the current CO/OinC of a selected unit. Commandant (G-WPM-1) will also announce the honoree by message and will provide travel funds to attend the award presentation dinner. The Commandant approves the honoree. Commandant (G-WPM-1) administers the selection process. A selection committee comprised of senior officers representing each of the Coast Guard's mission areas and a Foundation representative review the nominations and make recommendations to the Commandant.

C. Leadership and Service Awards.

1. Jarvis and Munro Awards. The Navy League annually presents the Jarvis and Munro awards recognizing outstanding Coast Guard officers and enlisted personnel. The awards are separate and distinct from the military decorations and awards program. The Captain David H. Jarvis Award for inspirational leadership is awarded to the Coast Guard officer who has made an outstanding contribution to the high standards of competence and leadership traditional in the Coast Guard. The Douglas A. Munro Award for inspirational leadership is awarded to the Coast Guard enlisted member who has demonstrated outstanding leadership and professional competence. E-6 and below Munro Award recipients will receive an automatic merit promotion per ALCOAST 57/99 and 124/99.
 - a. Eligibility Requirements. The guidelines are intentionally flexible: All regular and Reserve personnel who served on active duty during the calendar year are eligible. They must have made significant contributions to advancing the standards of leadership and professional competence to the extent required by their rank or rate.
 - b. Recommendations. Submit the award recommendation in letter format, via the chain of command, to Commandant (G-IPA-3) to arrive no later than 1 February of each year. Public Affairs Manual, COMDTINST M5728.2 (series), provides further guidance on information to include in the nomination letter. Nominating units shall provide the award recommendation, via the chain of command through the applicable District/MLC/Area/HQ office having administrative control over the recommended individual. Each District/MLC/Area/HQ office should consolidate recommendations and forward them to Commandant (G-IPA-3). List the nominees in descending priority order and include a short paragraph summary for each individual. The Chief, Office of Public Affairs, chairs the selection committee comprised of representatives from Commandant (G-WP), (G-CGPC), (G-IPA-3), (G-IPA-4), and (G-CMCPO); a petty officer first class from HSC; a retired flag officer; and a non-voting member from the Navy League.
 - c. Presentation. Certificates and inscribed watches are presented at the annual National Navy League Convention. Commandant (G-IPA) pays for the winners' transportation and the Navy League pays for accommodations and meals at the convention location.
2. Captain John G. Witherspoon Inspirational Leadership Award. This award is presented annually to a Coast Guard officer who exemplifies the core values of Honor, Respect, and Devotion to Duty.
 - a. Eligibility Requirements. Eligibility is extended to any officer, Active Duty or Reserve, who:

- (1) Displays a keen sense of ethical conduct and has a high degree of personal integrity.
 - (2) Is held in the highest esteem by seniors, peers, and juniors.
 - (3) Demonstrates sincere interest and concern for junior personnel by helping others to reach their fullest potential.
- b. Recommendation. Any Coast Guard service member or civilian employee may submit a nomination in the form of a letter, not to exceed two pages. The nomination should identify specific examples and supporting information on how the nominee exemplifies the criteria. Nominations should be forwarded via the chain of command to Commandant (G-WTL-2) prior to 1 February each year.
- c. Presentation. Commandant (G-WTL) will convene a board to select a recipient. The award will be presented in the spring. Commandant (G-WTL) will also fund the travel expenses of the award recipient.
3. Captain Edward R. Williams Coast Guard Reserve Award for Excellence. The National Naval Officers Association has established the CAPT Williams Award to be presented annually to the Coast Guard Reserve officer judged to have been most supportive of initiatives to achieve, value and manage diversity in the Coast Guard Reserve. CAPT Williams, a retired Reserve Program Administrator, was instrumental in the reestablishment of the minority Recruiting Branch, implementation of the Diversity Staff, which began operation in October 1991, and, most notably, creation of the Coast Guard Mentoring Program.
- a. Eligibility Requirements. Nominees must be officers on the IDPL, with three years commissioned service, and cannot have previously received the award. Candidates will be evaluated on the following areas over the previous three years:
- (1) Demonstrated high performance as an officer and role model,
 - (2) Activity as a quality mentor for minorities and women, such as, contributing to the successful careers of women and minorities (officer and/or enlisted), and/or proven accomplishments in the retention of women and minorities in Team Coast Guard (active component, reserve component, Auxiliary, civilian).
- b. Recommendations. Each Flag-level commander (Area, Maintenance and Logistics Command and District) and the Headquarters Chief of Staff may submit a nomination using the following process:

- (1) Nominations must be submitted to Commandant (G-WTR-2) to arrive not later than 1 June. Nominations shall be in letter format, a maximum of two pages plus endorsements, addressing the nominee's accomplishments based on the criteria described in paragraph a.
 - (2) Commandant (G-WT) will convene a panel to select the winner. The selection will be announced via ALCOAST within 30 days of the application deadline.
 - (3) The award winner must submit a portrait style photograph suitable for publication within 30 days to Commandant (G-WTR-2).
- c. Presentation. The award will be presented at the annual National Naval Officers Association Training Conference on the day that the Commandant of the Coast Guard or the designated representative addresses the Conference. NNOA will pay the winner's conference registration fees for the day of the awards presentation. Commandant (G-WTR) will fund ADSW-RC pay, allowances, travel and per diem for the winner and spouse. Spouse travel must be coordinated in accordance with the procedures outlined for Invitational Travel, COMDTINST 12570.3 (series).
4. Swivel Shot Award. The Commandant established this award to provide a means of recognizing those individuals who truly distinguish themselves in support of the men and women of the Coast Guard and their dependents. The award provides a formal way to recognize the often outstanding leadership and service of the many people who give long hours of dedicated volunteer service to the Coast Guard family, either individually or through organizations such as spouses clubs, Chief Petty Officer associations, youth activity councils, employee recreation associations, and similar groups.
- a. Eligibility Requirements. While it is envisioned that this award normally will be made to members of the Coast Guard family, there are no restrictions on eligibility. However, it will not be used in lieu of existing public service awards. Further, it is not part of the official awards program.
 - b. Recommendations. Award recommendations should be submitted for approval to the Chief of Staff of Headquarters, the appropriate district commander, or the commanding officer of a headquarters unit for endorsement and transmittal to Commandant (G-C). It should outline the specific accomplishments or contributions of a proposed recipient, and it should include documentation of extraordinary voluntary efforts or service in support of the Coast Guard family or community. A concise, straightforward citation should accompany the recommendation. The recipient's name and the proposed citation should be forwarded to Commandant (G-C) for approval and final award preparation.

- c. Presentation. A certificate signed by the Commandant, along with a final citation and lapel pin, will be forwarded to the requesting authority for presentation at an appropriate ceremony. The Office of the Commandant will retain a permanent record book of recipients.
-
5. Master Chief Angela M. McShan Inspirational Leadership Award. This award recognizes one Coast Guard Chief Petty Officer (E-7 only), active duty or reserve, who best exemplifies the Coast Guard's core values of Honor, Respect, and Devotion to Duty.
- a. Eligibility Requirements. Extends to all Chief Petty Officers (E-7 at the time of nomination), active duty or reserve, who:
- (1) Exemplifies the ideal of our core values: Honor, Respect, and Devotion to Duty.
 - (2) Displays a keen sense of ethical conduct, and has a high degree of personal integrity.
 - (3) Is held in the highest esteem by peers, seniors, and subordinates.
 - (4) Demonstrates sincere interest and concern for junior personnel.
 - (5) Motivates others to excel in mission performance.
 - (6) Is a positive role model and mentor.
 - (7) Promotes diversity within the Coast Guard.
- b. Recommendations. Can be submitted by any Coast Guard member or civilian employee in the form of a letter, not to exceed three pages. The nomination should identify specific examples and supporting information on how the nominee exemplifies the outlined criteria. Nominations must be forwarded via the chain of command to the Office of Leadership and Diversity (G-WTL). All recommendations must be received no later than the 15th of January after the eligibility period ends.
- c. Presentation. The award will be presented at an appropriate ceremony in conjunction with the Captain John C. Witherspoon Inspirational Leadership Award and the Commandant's State of the Coast Guard Address.

D. Operations Awards.

1. Association for Rescue at Sea Gold Medal. The Association for Rescue at Sea (AFRAS) is a civilian organization that recognizes Coast Guard active duty personnel for outstanding rescues at sea. The purpose of the award is for district commanders, commanding officers, and officers-in-charge to recognize a Coast Guard active duty enlisted person for saving a life at sea. Commandant (G-OCA) has administrative responsibility for the award program.
 - a. Eligibility Requirements. Candidates must be Coast Guard active duty enlisted personnel at the time of the event. The individual must have saved a life at sea in the line of duty during the previous calendar year to qualify for the award.
 - b. Recommendations. District commanders, commanding officers, and officers-in-charge should forward a summary of action and proposed citation to Commandant (G-OPR) prior to 1 February of each calendar year. The recommendation data usually submitted for the award is the citation from a previous award that recognized the same event.
 - c. Presentation. The annual presentation ceremony is held on Capitol Hill in Washington, DC. The recipient will receive a citation and AFRAS Gold Award. The recipient's family members are invited to attend the ceremony.

2. Outstanding Aircrew Member's Award (LT Robert A. Perchard Memorial Trophy). This award was established in 1963 by the parents and friends of the late Lieutenant Perchard, who gave his life in company with his fellow crewmembers while serving as co-pilot aboard an HU-16E on a rescue mission in Alaska. Through this award, each aviation unit is able to recognize an assigned enlisted aircrew member as having demonstrated exemplary performance and superior technical, aviation, professional, and leadership abilities. Commandant (G-OCA) has administrative responsibility for the award program.
 - a. Eligibility Requirements. Selection of personnel to be honored with the Outstanding Aircrew Member's award is made on a semiannual basis using criteria in keeping with the intent of the award. Each participating unit shall establish its own selection procedures.
 - b. Recommendations. Participation in this award program is on a voluntary basis for each aviation unit. Commands desiring to participate should advise Commandant (G-OCA). Local procedures for administration of the program should be promulgated that provide for presentation of the award on or about 1 January and 1 July of each year.
 - c. Presentation. The award is a large bronze wall plaque having a victory figure, a brief inscription, and nameplates for the award winners. Individual certificates

are presented to the winners. Commands may obtain the plaque and additional nameplates by using unit funds. Certificates are available from Commandant (G-OCA).

3. Captain Frank A. Erickson Aviation Crew Rescue Award. The Ancient Order of the Pterodactyls (AOP) sponsors an annual aviation rescue award as a means of providing recognition to a specific Coast Guard rotary-wing aircrew that has demonstrated exceptional aerial skill while engaged in search and rescue operations. Captain Frank Erickson (1907-1978) was selected as the honoree because of his actions as Coast Guard aviator Number 35.
 - a. Eligibility Requirements. Nominees may be any aviation rotary-wing aircrew involved in a particularly noteworthy search and rescue case. To merit this award, the acts or performance must be accomplished in a manner above that normally expected and sufficient to distinguish the entire aircrew above other aircrews performing similar missions. This aircrew award does not preclude a personal award for a crewmember for the same circumstances, if warranted.
 - b. Recommendations. District and area commanders and commanding officers of headquarters units may submit the names of nominees to Commandant (G-OCA) to arrive no later than 15 July. Supporting documentation and a detailed summary describing the action must accompany the nomination. Commandant (G-OCA) will notify the selectees and the selectees' commands in sufficient time to arrange for the recipients' presence at the AOP annual convention, held approximately mid-October of each year.
 - c. Presentation. The award is a large wooden plaque engraved with the names of each selected aircrew and the date the award is transferred. The plaque will be displayed in two prominent locations: The Aviator Hall of Fame at Aviation Training Center, Mobile, and a comparable location at Aviation Technical Training Center, Elizabeth City. Each crewmember will be presented a miniature plaque upon transfer of the award.
4. Commander Elmer F. Stone Aviation Crew Rescue Award. The Ancient Order of the Pterodactyls (AOP) sponsors an annual aviation rescue award as a means of providing recognition to specific Coast Guard fixed-wing aircrew that has demonstrated exceptional aerial skill while engaged in search and rescue operations. Commander Elmer F. Stone (1887-1936) was selected as the honoree because of his actions as Coast Guard Aviator Number 1.
 - a. Eligibility Requirements. Nominees may be any aviation fixed-wing aircrew involved in a particularly noteworthy search and rescue case. To merit this award, the acts or performance must be accomplished in a manner above that normally expected and sufficient to distinguish the entire crew above other aircrews performing similar missions. This aircrew award does not preclude a personal award for a crewmember for the same actions, if warranted.

- b. Recommendations. District and area commanders and commanding officers of headquarters units may submit the names of nominees to Commandant (G-OCA) to arrive no later than 15 July. Supporting documentation and a detailed summary describing the action must accompany the nomination. Commandant (G-OCA) will notify the selectees and the selectees' commands in sufficient time to arrange for the recipients' presence at the AOP annual convention, held approximately mid-October of each year.
 - c. Presentation. The award is a large wooden plaque engraved with the names of each selected aircrew and the date the award is transferred. The plaque will be displayed in two prominent locations: The Aviator Hall of Fame at Aviation Training Center, Mobile, and a comparable location at Aviation Technical Training Center, Elizabeth City. Each crewmember will be presented a miniature plaque upon transfer of the award.
- 5. Ancient Albatross Award. The Ancient Albatross Award was originally established in 1966 to honor the aviator who has held that designation for the longest period of time. In 1988, the award was augmented to include the Enlisted Ancient Albatross award, which was established for the enlisted member with the earliest graduation date from class "A" school with a Coast Guard aviation rating. The award recipient is the embodiment of the dedication and professionalism associated with long service to Coast Guard Aviation. Candidates must be able to hold the distinction for at least one year of receiving the award, until retirement, release from active duty, or upon display of unsatisfactory performance of duty or conduct.
 - a. Eligibility Requirements (Officer or Enlisted):
 - (1) Serving on continuous active duty (those with broken active service who maintained continuous selected reserve status are considered to have continuous active duty for the purpose of eligibility).
 - (2) Recipients determined by ascertaining the aviator/aviation rated enlisted member on active duty whose date of designation/ graduation from "A" school precedes that of their peers. If two or more candidates were designated/graduated as aviators/aviation rated enlisted members on the same day, the award is presented to the candidate who is senior in rank on the day the award is presented.
 - (3) Has not received a Derogatory Report as an officer for any OER reporting period; or, if prior or currently enlisted in a aviation rate, maintained a Good Conduct eligibility, without receiving a mark less than 3 in the performance dimensions of: Integrity, Loyalty, and Respecting Others on their aviation rated enlisted evaluations.
 - b. Recommendations. Once Commandant, (G-OCA) is notified by Coast Guard

Personnel Command (CGPC) that a new Ancient Albatross needs to be selected, due to retirement or release from active duty of the incumbent, they will request and establish a list of candidates who meet the qualifications. Commandant (G-OCA) will then promulgate an ALCOAST announcing the established date of designation as Aviator, or graduation date from class "A" school of the current prospective selectees, and solicit for any member having an earlier date to contact them. Commandant (G-OCA) will then convene a review panel and make a recommendation to Commandant (G-O) for final approval.

- c. Presentation. The awards are large bronze wall plaques, with a miniature version awarded on an individual basis. The name of the recipient and the date the title is conferred is engraved on both the large and miniature plaques. An appropriate ceremony will be hosted at a Coast Guard Air Station of the incumbent's selection to recognize the transfer of this title. The plaques will be awarded by, or on behalf of, the Commandant. The large plaque will be returned to Commandant (G-O) for display with the name of the new recipient affixed. In addition, suitable assembled items of period flyers clothing, including coveralls, jackets, boots, helmets, goggles, gloves, etc., will be passed on from the outgoing Ancient Albatross to the prospective recipient. It should be conducted on or immediately prior to the incumbent's official date of retirement or release from active duty. Commandant (G-OCA) will provide funding for travel and per diem for the principals to participate in the ceremonies and events. Funding for the spouse of the Ancient Albatross selectee will be funded in accordance with Invitational Travel, COMDTINST 12570.3 (series). Commandant (G-O) will serve as the Travel Approving Authority for the purposes of this award ceremony.
6. Ancient Mariner Award. These awards were established in 1978 to honor those who have chosen to accept the responsibilities of a cutterman and follow the path of life at sea. This award not only recognizes seagoing longevity, but also extols the officer and enlisted cutterman whose personal character and performance standards honor the most venerable practitioners of seamanship and reflection of our Core Values. Recipients are charged with keeping a close watch to ensure sea-service traditions are continued and that the time-honored reputation of the Coast Guard is maintained. In their capacity as Officer or Enlisted Ancient Mariner, recipients should be invited by area, district, group, and unit commanders to attend and/or take part in any official ceremony that involves our seagoing community. In addition to cutter commissioning, decommissioning, Dining-Ins/Outs, change of commands and "oldest cutter" ceremonies, recipients should also participate in public affairs and public events that portray our rich heritage. Recipients should notify Commandant (G-OCU) by message or letter, at least annually, listing the events attended in their capacity as Ancient Mariner.
 - a. Eligibility Requirements for Gold (Officer) and Silver (Enlisted) Ancient Mariner Award. To be eligible for this award, candidates must be:

- (1) Serving on continuous active duty and eligible to hold the distinction for at least one year. Members with broken active component service but who maintained continuous selected reserve status are considered to have continuous active duty for the purposes of eligibility; however, active duty Coast Guard service must represent at least 80 percent of cumulative military service. Candidates with periods of nonmilitary status for more than four years during their entire military service period are ineligible.
 - (2) Have completed a minimum of 10 years of cumulative sea duty while on active duty in the Coast Guard (of which five years must have been as a commissioned officer for the Gold Award).
 - (3) Be certified for permanent entitlement to the gold Cutterman Insignia (for officers) or the silver Cutterman Insignia (for enlisted members), in accordance with directives and guidelines in effect at the time of certification.
 - (4) For officers, have not received a Derogatory Report for any OER reporting period. For those with prior or are currently of an enlisted status, must have maintained Good Conduct eligibility, and not have received a mark less than 3 in the performance dimensions of: Integrity, Loyalty, and Respecting Others on their enlisted evaluations since achieving permanent eligibility as a cutterman.
- b. Selection of the Gold and Silver Ancient Mariner. Selection as the Gold or Silver Ancient Mariner select will be from among candidates with the earliest date of designation as a cutterman. For the Gold Award, prior enlisted members who satisfy the requirements of paragraph 6.a.(2) may use their enlisted permanent entitlement date. If two or more candidates have identical dates of designation, the candidate with the most sea duty while a member of the Coast Guard will be the respective Gold or Silver Ancient Mariner. The award may be held only once.
- c. Recommendations.
- (1) Once Commandant (G-OCU) is notified by CGPC that a new Ancient Mariner (Officer or Enlisted) needs to be selected, Commandant (G-OCU) will then request a list of members who meet the minimal sea duty criteria from HRSIC. They will then establish a list of candidates who meet the qualifications. Each selectee's date of cutterman eligibility will be calculated.
 - (2) Commandant (G-OCU) will then promulgate an ALCOAST with the earliest known date that an eligible member became a certified cutterman, and request any member with an earlier date of cutterman designation to contact Commandant (G-OCU).

- (3) Commander, Coast Guard Personnel Command (CGPC), in coordination with Commandant (G-OCU), will convene a panel to review the military records of the Ancient Mariner candidates to ensure that their performance of duty reflects the program criteria. The panel will include Commandant (G-OCU), the MCPO-CG, and other representatives as CGPC selects. The panel will forward their results, including a recommended award recipient, to Commandant (G-C) for final approval.
- d. Presentation. Commandant (G-OCU) will arrange for formal announcement of the award. The incumbent's command will host an appropriate ceremony to recognize the transfer of this title. It should be conducted on or immediately prior to the incumbent's official date of retirement or release from active duty. Commandant (G-OCU) will notify the commands responsible for arranging this ceremony and assist in the planning as necessary. Commandant (G-OCU) will provide funding for travel and per diem for the principals to participate in appropriate ceremonies and follow on events. Funding for the spouse of the Ancient Mariner select will be funded in accordance with Invitational Travel, COMDTINST 12570.3 (series). Commandant (G-O) will serve as the Travel Approving Official for purposes of the Ancient Mariner ceremony.
- (1) The awards are large bronze and wooden display plaques which depict the "Massachusetts," the first of the "ten boats" authorized by an act of Congress and signed by President George Washington on 4 August 1790. Separate display plaques have been established for both the officer and enlisted recipients of the award. The name of each recipient and the date the award is transferred will be engraved on the award. A miniature version of these plaques are presented to the new recipient upon transfer of the award.
 - (2) The prospective Officer Ancient Mariner will receive a fore and aft Revenue Cutter Service hat and gold epaulettes preceding the presentation of the small plaque during the awards ceremony. The prospective Enlisted Ancient Mariner will receive a replica of a traditional lighthouse keeper's hat preceding the presentation of the small plaque during the awards ceremony. Recipients are authorized to wear these items during subsequent retirement ceremonies, commissionings, decommissionings, and other appropriate gatherings in their capacity as Ancient Mariner. They shall not be worn as a replacement for authorized uniform parts during unit inspections, daily routine, or as civilian clothing.
 - (3) As an authorized item for the prescribed uniform of the day, recipients may wear a nonstandard 5/8 inch by 3-3/16 inch nametag with black lettering on a gold background (for the officer Ancient Mariner) and on a silver background (for the enlisted Ancient Mariner). The lettering size shall be 1/4 inch for the individual's last name and 3/16 inch for the legend

"USCG ANCIENT MARINER." Commandant (G-OCU) will fund and procure two nonstandard nametags per Ancient Mariner.

7. Oldest Commissioned Cutter Award. This recognition was established to distinguish the Coast Guard Cutter that has served the fleet for the longest period of time. The term "Commissioned Cutter" includes both commissioned and in service cutters as defined by Coast Guard Regulations.
 - a. Eligibility Requirements.
 - (1) All "active, in commission"/"active, in service" Coast Guard cutters 65 feet and longer are eligible; this includes those cutters "in commission, special"/"in service, special." CGC EAGLE is specifically not eligible for recognition due to her special "historical" status.
 - (2) The cutter with the earliest date of "active, in commission"/"active, in service" in the Coast Guard will be designated the "Oldest Commissioned Cutter".
 - (3) The unit designated as the "Oldest Commissioned Cutter" shall hold that distinction until placed in the status of "inactive, pending placement out of commission"/"inactive, pending placement out of service." Major shipyard renovation periods, where a cutter is in a "Special" status, will not be subtracted from its accrued service time.
 - b. Presentation. Commandant (G-OCU) will determine the designee, which cutter will be authorized to display gold hull numbers in accordance with the Coatings and Color Manual, COMDTINST M10360 (Series). The award is a large bronze and wooden plaque, presented to the new recipient upon transfer of the award. The name of each cutter recipient and the date the award is bestowed will be engraved on the plaque. Since this recognition is a symbol of long service to the Coast Guard and our Nation, it is fitting that an appropriate ceremony be conducted as near the official date of succession as practicable. A representative of the designated recipient shall be present at the ceremony, normally the decommissioning of the incumbent. Recognition of the "relief of the watch" should be part of the decommissioning ceremony; this can include the presentation of the award plaque. This information should be included in the Operating Facility Change Order (OFCO) of the incumbent, a copy of which shall be forwarded to the new recipient.
8. Admiral Frederick Chamberlayne Billard Intelligence Award. The National Military Intelligence Association (NMIA) sponsors an annual military intelligence award program as a means of providing a testimonial to professional excellence and exceptional dedication to duty. The awards are made in the name of individuals who have provided outstanding contributions and service to their respective intelligence organizations. Admiral Billard was selected as the honoree because of his actions as

Commandant during the Prohibition era.

- a. Eligibility Requirements. Nominees may be any civilian employee, GS-13 or below, or Coast Guard Member, O-4 or below (active or reserve), whose performance has resulted in exceptional improvements to the Coast Guard Intelligence Program; intelligence support to operational commanders; intelligence support to a specific operation; or support to national security initiatives.
 - b. Recommendations. Commandant (G-C2) will solicit nominations annually. To meet the NMIA timeline, nominations and documentation must be received at Coast Guard Headquarters no later than 15 March for review and selection.
 - (1) MLC, District and Area Commanders, and Headquarters Directorates may submit the names of nominees to Commandant (G-C2), to arrive no later than 15 March. Supporting documentation and a detailed action summary describing the individual's contribution must accompany the nomination. Action summaries may be classified up to the SECRET level. If supporting information at a higher classification level is essential to the nomination, separate handling must be arranged through Commandant (G-C2).
 - (2) Commandant (G-C2) will review nominations received and select a single Coast Guard nominee for Commandant (G-C2) approval and submission to NMIA.
 - c. Presentation. The nominee and the nominee's command will be notified of selection by Commandant (G-C2) in time to arrange for the individual's presence at the NMIA Awards Banquet, held approximately in mid-June of each year.
9. Director of Military Intelligence (DMI) Award. The Director of Military Intelligence (DMI) Awards Program was established by the Director of the Defense Intelligence Agency (DIA), in his capacity as DMI, to recognize significant service and achievement in Defense Intelligence.
- a. Eligibility Requirements. All personnel of Joint Commands J2s, Military Intelligence Services, the National Security Agency, the Defense Intelligence Agency, Coast Guard personnel assigned to intelligence duties, and units or activities of these organizations are eligible to receive these awards.
 - b. Recommendations.
 - (1) Nominations for Certificates of Distinction and Certificates of Merit should be submitted via the chain of command to arrive at Commandant (G-C2) not later than 15 April and 15 October each year. Commandant (G-C2) will review all submissions and then forward on the

nominations recommended for approval to the DMI Awards Review Board. Final award decisions will be announced in writing. DMI approved awards will be forwarded to the nominee's current command or supervisor for presentation.

- (2) Nominations for Certificates of Achievement may be submitted at any time to Commandant (G-C2) via the chain of command. Commandant (G-C2)'s final award decisions will be announced in writing. Approved awards will be forwarded to the nominee's current commander or supervisor for presentation.
 - (3) Nominations for all awards should include separate enclosures for description of the service or achievement (no more than two typewritten pages) and a proposed citation (no more than 200 words).
- c. Presentation. The following certificates are awarded. These certificates may be awarded to an individual, or to a unit or activity whose collective performance meets the above guidelines. The awards may be recommended in addition to department or agency awards covering the same service or achievement.
- (1) Certificate of Distinction. Awarded for superior meritorious service or achievement in a duty of significant responsibility. The service must be both a distinct benefit to the Department of Defense and a major contribution to Defense Intelligence. Performance should be no less than required for award of the Legion of Merit and comparable civilian awards.
 - (2) Certificate of Merit. Awarded for especially meritorious service or achievement. This award recognizes performance of especially difficult duty in a clearly exceptional manner. The service or achievement must directly contribute to Defense Intelligence. Accomplishment should be no less than that which is required for award of the military Meritorious Service Medal and comparable civilian awards.
 - (3) Certificate of Achievement. Awarded for sustained superior performance or for a significant achievement of special merit contributing to Defense Intelligence. Accomplishment should be no less than for a military Commendation Medal or comparable civilian award.

E. Coast Guard Reserve Forces Awards.

1. Admiral Russell M. Waesche Award. Presented annually by the Reserve Officers Association (ROA), this award recognizes Coast Guard District and supporting Integrated Supports Command(s) (ISC) judged to be the most supportive of a totally integrated Coast Guard military force, demonstrated by their effective use and

support of the Reserve Component.

- a. Eligibility Requirements. Commandant (G-WT) determines the winners based on the extent to which districts and their supporting ISC force optimization and training staffs maximized the Coast Guard workforce through utilization and support of reservists during the previous fiscal year. Specific areas for evaluation are:
 - (1) Leadership, as demonstrated in:
 - (a) Overall mission performance incorporating all available military resources, active and Reserve. Noteworthy examples would include a broad range of responsibilities assigned to reservists during ADT-AT, ADT-OTD, ADSW-AC, and/or mobilization, especially in chain-of-command positions;
 - (b) Professional development of all available military resources. Noteworthy examples may include ensuring the inclusion of reservists in training opportunities (formal and OJT) not traditionally available to reservists; and
 - (c) Promotion of other activities to all military members. Noteworthy examples may include promoting the inclusion of reservists in morale activities, and recognition (medals and awards) programs.
 - (2) Partnership, as demonstrated by the:
 - (a) Development of effective, two-way methods of communication between commands and all of their military members. Noteworthy examples may include leveraging of new technologies such as email and the Internet, as well as maximizing traditional communications; and
 - (b) Contributions of all military members, both active and Reserve, in the achievement of mission objectives. Noteworthy examples may include use of voluntary and involuntary recall authority.
 - (3) Financial management as evaluated by Commandant (G-WTR-3). Evaluation will be based on accuracy of budget requests, submissions, quarterly closeouts and prompt budget execution.
 - (4) Personnel management as measured by Reserve Personnel Allowance List (RPAL) fill rate.
 - (5) Value added as measured by the average IDT and ADT participation rates of assigned reservists. Commandant (G-WTR-1) will calculate and

provide participation statistics, including only those reservists who have been assigned for the entire fiscal year.

- b. Recommendations. Each district commander may submit a letter of application for the Waesche Award outlining the criteria above. The summary of accomplishments should address each of the criteria and may not exceed three pages. All applications should be forwarded to arrive at Commandant (G-WTR-2) not later than 1 December. Commandant (G-WT) will convene a panel to review the nominations and recommend an award winner. The selection will be announced via ALCOAST.
 - c. Presentation. The award will be presented to the winning district commander and ISC commanding officer(s) or their representatives during the Coast Guard Reception held during the ROA Mid-Winter Conference in Washington, DC. The ROA will pay conference registration fees. Commandant (G-WTR) will fund travel and per diem accounting data for the recipients.
2. Rear Admiral Bennett ("Bud") Sparks Award. The Sparks Award is presented annually by the Reserve Officers Association to the Coast Guard unit judged to be the most supportive of a totally integrated Coast Guard military force, demonstrated especially by its effective use of Coast Guard reservists during the previous fiscal year.
- a. Eligibility Requirements. Coast Guard units that have not received this award within the past 3 years may compete. Units staffed predominantly by reservists cannot compete. Specific areas of evaluation are:
 - (1) Leadership, as demonstrated by:
 - (a) Overall unit mission performance incorporating all available military resources (active and Reserve members). Noteworthy examples may include a broad range of responsibilities assigned to Reservists during ADT and IDT, especially in the chain-of-command;
 - (b) The professional development of all available military resources. Noteworthy examples may include the inclusion of reservists in the full scope of unit ceremonial/morale events, OPS, and training opportunities (formal and OJT), and
 - (c) Recognition programs including all available military resources. Noteworthy examples may include the role of reservists in unit awards, as well as the presentation of appropriate individual recognition.
 - (2) Partnership, as demonstrated in:
 - (a) Development of effective, two-way methods of communications

between the command and all of its military members. Noteworthy examples may include leveraging of new technology;

- (b) Contributions of all military members within the unit in the achievement of identical mission objectives;
 - (c) Inclusion of unit reservists in the command decision-making process. Noteworthy examples may include reserve participation on Natural Working Groups/Quality Action Teams and surveying reservists on appropriate issues; and
 - (d) Involvement of the unit's reservists in non-operational unit functions. Noteworthy examples may include reserve participation in recreational and community activities.
- (3) Administration, as demonstrated by:
- (a) Effective completion of administrative functions related to unit reservists. Noteworthy examples may include the frequency and timely resolution of reserve member entitlements concerns (e.g., clothing maintenance allowance, commuted rations, travel and per diem) as well as the percentage of reservists enrolled in appropriate programs (e.g., DEERS/RAPIDS & MGIB); and
 - (b) Effective logistical support for unit reservists. Noteworthy examples may include the provision of appropriate organizational and safety gear/clothing and berthing for reservists.
- b. Recommendations. Commanders of Headquarters, Area, District and Maintenance and Logistics commands are invited to submit one nominee each to Commandant (G-WT) not later than 1 April. The nomination package shall include a draft citation, in print and electronic media, for the Coast Guard Meritorious Unit Commendation, which will be presented to the winner. The nomination letter will be no longer than two pages in length plus cover letter, endorsements and award citation. Commandant (G-WT) will convene a panel to review the nominations and recommend an award winner. The award winner will be announced via ALCOAST.
- c. Presentation. The award will be presented at the Reserve Officers Association (ROA) Annual Convention usually held during late June/early July at a location determined by the ROA. The winning unit will be invited to send two representatives, one Active Component member and one Selected Reserve member, as guests of the ROA to receive the award. Commandant (G-WTR) will fund travel and per diem for the representatives and ROA will fund the appropriate convention fees.

3. Thomas E. Morris Award. The Thomas E. Morris Coast Guard Reserve Award trophy is presented annually by the Navy League to the unit with a minimum of 15 Coast Guard Reserve Personnel Allowance List billets that deploys as a unit and is judged to have the best mobilization readiness. The award is named for the 1971-73 National President of the Navy League of the United States.
 - a. Eligibility Requirements. The following criteria for the previous fiscal year will be used to determine the award winner from among the nominees:
 - (1) The Unit must be participating in the Status of Resources and Training System (SORTS).
 - (2) Units will be evaluated on:
 - SORTS Readiness Level
 - Readiness/Deployment Inspection
 - Exercise Play as reflected in post exercise critiques
 - Personnel PQS Completion
 - b. Recommendations. Each Area, Maintenance and Logistics Command, District and Headquarters unit commander may submit a nominee annually for the Morris Award. Nominating commands will provide Commandant (G-WTR-2) by 15 December a nomination package including a summary of the previous fiscal year's achievements as they relate to the evaluation criteria. Commandant (G-WT) will convene a panel to review the applications and select a winner. The winner will be announced via ALCOAST.
 - c. Presentation. The award will be presented during a suitable ceremony at the site of the winning command. That command will receive an official Navy League certificate. The Morris Award trophy will reside at the winning unit for the duration of the award period. A plate will be affixed to the trophy with the name of winning command inscribed.
4. Reserve Affairs Family Readiness Award. Established by the Office of the Secretary of Defense, Reserve Affairs (OASD-RA), the award recognizes the top unit in the Army, Navy, Marine Corps, Air Force and Coast Guard Reserve components that has developed a comprehensive program demonstrating the interdependence between the mission and the family.
 - a. Eligibility Requirements. The criteria for this award are a mix of measurable outcomes and narrative examples that demonstrate an outstanding family support/readiness program and the resulting effect on mission readiness.
 - b. Recommendations. Although reserve units were disestablished in the Coast Guard as part of the integration of active and reserve component forces, any Coast Guard unit with significant selected reserve participation is eligible for

consideration for this award. Area, District, and MLC Commanders, Commanding Officers of Integrated Support Commands and Headquarters directorates may nominate one unit each for this award. Nomination packages must be no more than three typed pages, 12-pitch font, with one-inch margins. The nomination must address the following questions:

- (1) What is the percentage of dependents of unit members possessing valid dependent ID cards?
 - (2) Identify any family support programs that positively affected unit retention. Describe innovative communications tools employed to support family readiness.
 - (3) How does your unit measure family readiness?
 - (4) How does your Family Support/Readiness Program support the unit readiness?
- c. Presentation. Commandant (G-WT) will establish an evaluation panel to select the winning Coast Guard unit. Commandant (G-WT) will announce winner by ALCOAST. The Commanding Officer and a representative from the unit's Family Support Program will be funded by Commandant (G-WTR) to attend an awards ceremony scheduled by OASD-RA.
5. Coast Guard Reserve Outstanding Junior Officer Award. The Reserve Officers Association of the United States annually presents the Outstanding Junior Officer Award to the Coast Guard Reserve junior officer judged to be most outstanding.
- a. Eligibility Requirements. To be eligible for this award, an individual must:
 - (1) Be a commissioned (O-3 or below) or warrant officer, currently participating satisfactorily in a drilling status, and not be a previous recipient of this award.
 - (2) Exemplify those characteristics that are expected from an outstanding junior officer. These characteristics include, but are not limited to: exemplary performance of Coast Guard duties; significant civic accomplishments; demonstrated leadership ability, and notable contributions to the Coast Guard.
 - b. Recommendations. Headquarters units (via their HQ program Manager), Area, District and Maintenance and Logistics Commands may submit one nominee with a letter of recommendation, not to exceed two pages, and Reserve Officer Resume (CG-5481) prior to 1 December to Commandant (G-WTR-2). The nomination package shall include a draft citation for the Coast Guard Commendation Medal, which will be presented to the winner. The draft citation

should be in hard copy and electronic media. Commandant (G-WT) will convene a panel to select a winner. The winner will be announced by ALCOAST within 30 days of the application deadline. The award winner must submit a portrait-style photograph suitable for publication within 30 days to Commandant (G-WTR-2). Commandant (G-WTR) will cover ADSW-RC pay, allowances, travel and per diem for the winner and spouse. Spouse travel must be coordinated in accordance with the procedures outlined for Invitational Travel, COMDTINST 12570.3 (series).

- c. Presentation. The award will be presented at the ROA Mid-Winter Conference in Washington, DC, normally held in late January. The winner and all nominees will be invited to attend that year's Department of Defense Junior Officers Professional Development Seminar held simultaneously with the ROA Midwinter Conference. The ROA will pay all Seminar fees for the winner.

F. Coast Guard Public Service Awards.

Public Service Awards recognize private citizens, groups or organizations for helping the Coast Guard carry out its missions. Awards can serve to both recognize those who have helped us and to encourage others in a position to contribute. Any Coast Guard member may nominate an individual or organization for a public service award through the chain of command. The extent of the contribution should determine the level of award, not necessarily the stature of the awardee. District Public Affairs Offices can provide advice on the appropriate level of recognition. Each award signed by the Commandant must be forwarded via the Office of Public Affairs (G-IPA) for processing. See Public Affairs Manual, COMDTINST M5728.2 (series) for further details on these awards. The program is administered overall by the Chief, Office of Public Affairs. Local awards boards should administer the program at lower levels. Chapter 7 of Public Affairs Manual, COMDTINST M5728.2 (series), provides nomination and reporting procedures.

- 1. Coast Guard Distinguished Public Service Award. This is the highest public recognition (other than the Gold and Silver Lifesaving Medals) that the Commandant of the Coast Guard may award.
 - a. Eligibility Requirements. The nominee must have accomplished one or more of the following:
 - (1) Extraordinary heroism in advancing the Coast Guard's mission;
 - (2) Exceptional coordination and/or cooperation in matters pertaining to the Coast Guard's responsibilities;
 - (3) Personal and direct contribution to the Coast Guard that had a direct bearing on the accomplishment of the Coast Guard's responsibilities to its citizens.

- b. Presentation. Award is a signed certificate, citation, and medal set.
2. Coast Guard Meritorious Public Service Award. This is the second-highest award of this series and should be used for substantial contributions that do not meet the criteria of a Distinguished Public Service Award.
- a. Eligibility Requirements. Nominee must have accomplished one or more of the following:
 - (1) Unusual courage in advancing a Coast Guard mission.
 - (2) Substantial contribution to the Coast Guard that produced tangible results that measurably improved, expedited, or clarified administrative procedures, scientific progress, work methods, manufacturing techniques, personnel problems, community relations activities or public information. The activity does not have to directly affect an overall Coast Guard mission.
 - (3) Specific individual accomplishments that provide unique benefits to the public.
 - b. Presentation. The award is a signed certificate, citation, and medal set.
3. Coast Guard Public Service Commendation. This award is intended primarily to recognize personal and beneficial contributions to the Coast Guard's responsibilities. The activity does not have to directly affect an overall Coast Guard mission.
- a. Eligibility Requirements. The nominee must have accomplished one or more of the following:
 - (1) Courage or initiative in advancing one or more Coast Guard missions.
 - (2) Beneficial contribution that may have affected the Coast Guard in only one mission area, or in a limited geographical area.
 - b. Presentation. The award is a signed certificate, optional citation or citation filler, lapel pin.
4. Coast Guard Certificate of Merit. This award recognizes significant endeavors by private individuals and groups.
- a. Eligibility Requirements. The nominee must have accomplished one of the following:

- (1) Displayed initiative in advancing one or more of the Coast Guard's missions.
 - (2) Made a significant effort that resulted in the completion of a project, program, contract or other effort that is so significantly beneficial to one or more of the Coast Guard's missions and/or statutory responsibilities as to require a tangible expression of appreciation. This effort may be limited geographically.
- b. Presentation. The award is a signed certificate, optional citation or citation filler, lapel pin.
5. Coast Guard Certificate of Appreciation.
- a. Eligibility requirements. The nominee must have exhibited public-spirited efforts that benefit Coast Guard personnel or missions.
 - b. Presentation. Award is a signed certificate, citation filler or optional citation, lapel pin.
6. USO Spirit of Hope Award. The Spirit of Hope Medallion is an award presented to an individual from each military service who truly embodies the values of men and women of the military: Duty, Honor, Courage, Loyalty, Commitment, and Integrity. The medallion is a very prestigious award given by the USO.
- a. Eligibility Requirements. The criteria, established by the USO, for the "Spirit of Hope" Award (Medallion) selection is as follows.
 - (1) The proposed recipient has contributed selflessly to the improvement of the quality of life of our service members over a long period of time, preferably with one transcendent achievement.
 - (2) The proposed recipient epitomizes the principles and spirit of the USO.
 - (3) The proposed recipient represents the values of the members of the Armed Forces- Duty, Honor, Courage, Loyalty, Commitment, and Integrity.
 - (4) The proposed recipient must have made a significant impact on the USO in the past currently, or in the future.
 - (5) The proposed recipient must be considered to bring honor to the "Spirit of Hope" Award and to the USO.
 - b. Recommendations. Annually, in March, the Coast Guard will announce participation in the "Spirit of Hope" Awards program and solicit nominations. Nominations must be received by the end of April. The nominations submitted

to G-IPA will be reviewed by a special, Headquarters Awards Board. The board will vote on all nominations, using the established criteria. Recommendation for the award recipient will be forwarded to Commandant for final approval.

- c. Presentation. It is recommended that the annual presentation be held at the Grand Haven, MI Coast Guard Festival that is held each year during latter July, or early August. The exact date floats with the calendar in conjunction with the 4 August Coast Guard birthday. Coast Guard Public Affairs will assist with the presentation ceremony.

G. Public Affairs Awards.

1. Chief Journalist Alex Haley Award. The Alex Haley Award is named in honor of the Coast Guard's first Chief Journalist and renowned author. It rewards individual authors and photographers who have had articles or photographs communicating the Coast Guard story published in internal newsletters and/or external publications.
 - a. Eligibility Requirements. The Alex Haley Awards program is open to individual active duty, reserve, civilian, auxiliary and family members of Team Coast Guard. Entries will be divided into two categories: public affairs members (officers and specialists); and all others.
 - (1) Public affairs officers are those officers formally trained as, and assigned as, headquarters, area or district public affairs officers during the competition year. Specialists are graduates of the Coast Guard's Public Affairs Specialist "A" School.
 - (2) Since conducting public affairs is not their primary responsibility, unit collateral duty public affairs officers and graduates of the five-day Coast Guard Public Affairs Course (COPAC) will be included in the "all others" category.
 - (3) Each category will be further separated into two sub-categories: Coast Guard author and Coast Guard photographer.
 - b. Recommendations. All works, defined as photographs or articles, must have been published during the calendar year.
 - (1) Articles. An article refers to any published material that tells the Coast Guard story in internal newsletters or external publications - newspapers, magazines, etc. Examples of articles include, but are not limited to, a story publicizing a Coast Guard operation (rescue case, drug bust, etc.), an informational piece (Deepwater, Year of the Ocean, etc.) or personality feature (Race Across America, rescue swimmer school, etc.).

- (2) Photographs. Photographs refer to any original still image depicting the Coast Guard in action and published in internal newsletters or external publications. Video will not be considered for the JOC Alex Haley Award.
 - (4) Refer to Criteria for the Alex Haley and CDR Jim Simpson Awards, COMDTNOTE 5780, for specific submission instructions and judging criteria.
- c. Presentation. A panel will select one “first place” entry and two “honorable mentions” for each of the four award categories. Finalists’ names will be announced in an ALCOAST.
2. Commander Jim Simpson Award. The CDR Jim Simpson Award is named in honor of the late public affairs officer who is best known for his efforts to raise the Coast Guard’s visibility through the news media. It recognizes a unit’s excellence in its entire public affairs program—media relations, internal information and community relations. Units may submit Coast Guard news used by television, radio or print media; internal newsletters and publications; and evidence of community relations programs.
- a. Eligibility Requirements. This competition is open to all Coast Guard units. Units with public affairs specialists on staff will be judged separately from those units without assigned public affairs specialists. Commandant (G-IPA-5) will further sub-divide submissions by unit size and/or unit type:
 - (1) Unit Size. The number of active-duty military personnel assigned to the unit will determine unit size. Although many units employ Reservists and Auxiliarists to assist in their public affairs efforts, these members are not available full-time and will not be included to determine unit size.
 - (2) Unit Type. Should the number of submissions make it possible, and to provide a more equitable competition, submissions may be sub-divided by unit type. For example, all WMECs and WHECs may fill one category, all air stations another, and patrol boats in yet another competition field.
 - b. Recommendations. Submissions should depict a unit’s overall public affairs program and provide support material in each of three sections – media relations, internal information and community relations. Refer to Criteria for Alex Haley and CDR Jim Simpson Awards, COMDTNOTE 5780, for deadline and specific submission and judging criteria. Chief, Office of Public Affairs, will appoint a judging panel at Coast Guard Headquarters to evaluate a unit’s consistent and aggressive efforts to tell the unit’s story and the Coast Guard story through the news media, to its internal audience and to the community.

- c. Presentation. The panel will select one “first place” entry and two “honorable mentions” for each category. Finalists’ will be announced in a future ALCOAST.
 3. Thomas Jefferson Award. The American Forces Information Service sponsors the annual Thomas Jefferson Award contest. The Thomas Jefferson Award recognizes military and civilian employee print and broadcast journalists for outstanding achievements in furthering the objectives of the military's internal information programs.
 - a. Eligibility Requirements.
 - (1) Entries must contribute to the internal information objectives of the Armed Forces. No single entry may be submitted in more than one category, with the exception of Department of Defense (DoD) Print or Broadcast Journalist of the Year and Command Information Campaign.
 - (2) Military personnel and civilian employees or units of Armed Forces newspapers, magazines, and radio and television stations are eligible to submit entries through their appropriate service.
 - (3) The Commandant (G-IPA-5) releases the Thomas Jefferson Award Standard Operating Procedure and publishes an in-service deadline prior to the American Forces Information Service deadline.
 - b. Recommendations. Services are permitted to submit only one entry per award category. Commandant (G-IPA-5) will appoint a judging panel at Coast Guard Headquarters to select and forward service entries to the American Forces Information Service.
 4. Military Photographer of the Year Award. The American Forces Information Service, through the Defense Information School, sponsors the annual Military Photographer of the Year (MILPHOG) Award program. The MILPHOG Award Program is designed to recognize and reward the best of military photographers and videographers.
 - a. Eligibility Requirements.
 - (1) Only active duty and reserve members holding a military designation as photographer, videographer, photojournalist, journalist or public affairs specialist in the five armed services are eligible.
 - (2) Entries from Reserve and National Guard personnel must not have been created as part of a professional or business enterprise and must conform to the rules of the competition.

- (3) Personnel assigned to the Coast Guard Auxiliary and the Civil Air Patrol are prohibited from competing, unless eligible under another category.
- b. Recommendations. Commandant (G-IPA-5) will announce deadline and release the MILPHOG Standard Operating Procedures (SOP) to all units with assigned public affairs specialists. All interested members must submit their entries directly to the American Forces Information Service as described in the MILPHOG SOP.

H. Financial Management Awards.

1. Chief Financial Officer Awards for Excellence, Certificates of Recognition. The Chief Financial Officer (CFO) Awards for Excellence and the Certificates of Recognition are presented annually to recognize outstanding performance or contribution in the financial resource management field. Significant accomplishment in at least one of the following areas should be considered for nomination of this award.
 - a. Eligibility Requirements. Any officer, enlisted or civilian employed by the Coast Guard may be nominated for the CFO Award for Excellence.
 - (1) A nominee must accomplish assigned duties in a manner distinguishable from others who have performed similar duties, such as:
 - (a) Demonstrate unusual initiative in the execution of their duties.
 - (b) Show innovative thinking and creative research in the development of improved methods or procedures.
 - (c) Demonstrate unusual leadership, resourcefulness, or imagination.
 - (2) More specifically, a nominee may have:
 - (a) Conducted a comprehensive financial management study resulting in the establishment of more efficient and effective operations at any level of Coast Guard activity.
 - (b) Initiated or developed a high technology solution to meet financial and statistical reporting needs.
 - (c) Conducted a complete functional analysis of operations, resulting in an approved activity account structure for use in budget formulation, presentation, and execution.
 - (d) Caused a major redirection of objectives resulting in approved changes to financial management policies and practices.

- (e) Accomplished measurable improvements in service or cost reduction (i.e., manpower, time, space, materials, or other items of expense).
 - (f) Demonstrated unusual finesse to meet an emergent or unique need.
- b. Recommendations. Any office or person employed by the Coast Guard may nominate an employee who has demonstrated outstanding performance. Each nomination must be prepared using CG form 5374. Proposed citation must be limited to 14 lines of text. Limit the justification to the space provided, and additional documentation is neither necessary nor desired. Completed forms should be sent to Commandant (G-CFM-1) not later than 15 January for the calendar year ending 31 December. There is no limit to the number of nominations a unit or command may submit. Nominations may be submitted via electronic mail, or electronic media with the file containing the proposed citation and justification, along with a hard copy. A panel will be convened by the Chief, Office of Financial Management, to evaluate nominations and make recommendations to the Director of Finance and Procurement, the selecting official. Commandant (G-CFM) will also screen nominations for the CFO Awards for Excellence for submission for the Secretary's Award or the ASMC Annual Individual Awards Program. Significant accomplishment in at least one of the following areas should be considered for nomination for the awards: accounting; analysis and evaluation; budgeting; internal control review; retail sales; procurement; contracting; material management; transportation; and, acquisition management.
- c. Presentation. One award will be presented annually by the Director of Finance and Procurement in the following categories. Nominees not selected for the CFO Award for Excellence will receive a Certificate of Recognition from the Director of Finance and Procurement.
- (1) Commissioned Officer O4 and above
 - (2) Commissioned Officer O1-O3
 - (3) Civilian Employee GS13 and above
 - (4) Civilian Employee GS-9 to GS-12
 - (5) Civilian Employee up to GS-8
 - (6) Warrant Officer
 - (7) Enlisted Member

- (8) Team Achievement Award recognizing groups consisting of 4 to 20 personnel
2. American Society of Military Comptrollers (ASMC) Award. The American Society of Military Comptrollers presents annual awards to personnel selected for outstanding accomplishments within one of the following functional categories of financial management: comptroller/deputy comptroller; accounting and finance; auditing; computer science; budgeting; analysis and evaluation; authorship; manpower management; education, training, and career development; resources management; and research.
- a. Eligibility Requirements. Any enlisted member, officer, or civilian currently employed by the Department of Defense or the Coast Guard may be nominated. A member or non-member of ASMC may be nominated.
 - b. Recommendations. Nominees for CFO Awards for Excellence are automatically screened by Commandant (G-CFM) and submitted to the ASMC for consideration in the National Awards program. Therefore, if an individual or team has been nominated for a CFO Award for Excellence, a separate nomination to the ASMC is not necessary. Otherwise, any office or person in the Department of Defense or the Coast Guard may nominate individuals who have demonstrated outstanding performance. ASMC chapters may also submit nominations. Each nomination should be prepared using the ASMC Individual Awards form. Limit the justification to the space provided and cite specific examples. Do not attach supporting documentation or additional justification, as it will not be considered. If an individual is nominated in two or more categories, prepare a separate form for each category. Send completed nominations to the ASMC at the address indicated on the nomination form. Nominations must be received prior to 1 March.
 - c. Presentation. Judging is based on outstanding performance as evidenced by documentation of specific accomplishments during the calendar year. A selection panel, chaired by a national officer of the ASMC and comprised of several service members, will review all nominations and make final recommendations to the ASMC Board of National Officers. The Board of National Officers must approve all final award winners. Awards will be presented at the ASMC Professional Development Institute (PDI) in June. Note: Annual announcement of this awards program is published in the January/February issue of the *Armed Forces Comptroller*.
3. Acquisition Incentive Award. The Deputy Secretary, Department of Transportation, initiated the Acquisition Incentive Awards Program to encourage and reward the acquisition workforce for efficient accomplishment of organizational goals and strategies. The critical element of the program is that it will be based on tangible results achieved, not just general excellence. The Acquisition Incentive Award may be granted to groups of employees for tangible/measurable improvements to the

acquisition process for an individual acquisition or the acquisition system as a whole. Recognized efforts must have measurable results, e.g., cost savings, reduced cycle time, measurable improved quality; must be accomplished by a team; and should reflect excellence and/or innovation.

- a. Eligibility Requirements. Any acquisition workforce team may be nominated for the award.
- b. Recommendations. Any office in the Coast Guard may nominate acquisition teams that have accomplished measurable achievements. Prepare each nomination for team award using Coast Guard Award Recommendation, CG-1650, following the instructions in paragraph 21. Send completed nominations to Commandant (G-CPM-2), U. S. Coast Guard Headquarters, Washington, DC 20593-0001. Nominations will be submitted during the calendar year as situations dictate and will be evaluated by Commandant (G-CPM). Completed award packages will be presented to the Head of Contracting Activity for approval. The three basic selection criteria for the award are:
 - (1) The effort must have measurable results; e.g., cost savings, reduced cycle time, measurable improved quality.
 - (2) A "team" must accomplish the effort. The team may consist of technical or program office, procurement, legal, financial, logistical, or other acquisition personnel; and
 - (3) The effort should reflect excellence and/or innovation.
- c. Presentation. A Letter of Commendation will be presented to those who meet the criteria. A panel consisting of members from the Office of Procurement Management will evaluate nominations and make recommendations to the Head of Contracting Activity (HCA). HCA is the final approval authority. The final recognition will be presented in an appropriate ceremony. Commandant (G-CPM-2) will notify the Office of the Secretary of Transportation of Acquisition Incentive Awards presented to Coast Guard recipients.

I. Health Services, Administration, Wellness, and Safety Awards.

1. Health Services Technician of the Year Award. The annual Health Services Technician of the Year Awards is intended to recognize sustained outstanding individual performance and contribution in direct patient care for the previous calendar year. Two Health Services Technician of the Year Awards (one afloat and one ashore) will be awarded. The following factors will be considered: Sick Call;

Medevacs (Urgent Care); Supply; Ancillary Services; Patient Education; Public Relations; Quality Assurance Programs; and Collateral Duties.

- a. Eligibility Requirements. To be eligible for this award, individuals must meet the following minimum criteria:
 - (1) Be a Health Services Technician in pay grade E-7 or below (or E-8 if assigned to independent duty afloat);
 - (2) Be involved in patient care for the majority of the period; and
 - (3) Be an exemplary Health Services Technician.
 - b. Recommendations. Commanding officers recommending individuals for this award may submit a nomination letter to Commandant (G-WK), via MLC(k), to arrive not later than the last day of February. The letter must include the following: A narrative account of the individual's achievements that deserve recognition above all other Health Services Technicians; a copy of the individual's performance evaluation(s) for the year.
 - c. Presentation. A board will review all recommendations and select the most deserving in each category. The Director of Health and Safety will coordinate the presentation of the award during the month of May for the previous calendar year (1 January to 31 December). The awardee will receive a plaque and congratulatory letter. All nominees will receive a letter from Commandant (G-WK) thanking them for their outstanding contribution to the Health Services Program.
2. Health Care Facility of the Year Award. The Health Care Facility of the Year Award is presented annually to recognize outstanding performance and contribution by a Coast Guard health care facility for the previous calendar year.
- a. Eligibility Requirements. The following factors will be considered:
 - (1) Patient Care. Providing the maximum amount and type of health care possible based upon the type of facility and the available resources. This includes, but is not limited to, inpatient care, pharmacy, physical examinations, sick call, physical therapy, CHAMPUS/TRICARE advice, immunizations, laboratory, and x-ray services.
 - (2) Urgent Care. Responding to requests for urgent health care, such as providing health services personnel for medevac flights, responding to calls or radio requests for medical advice, and providing ambulance services if capabilities exists.

- (3) Occupational Medical Surveillance and Evaluation (OMSEP). Providing health care support to the OMSEP, such as performing physicals, conducting training in various aspects of occupational disease hazards and their prevention, and conducting the hearing conservation program.
 - (4) Patient Education. Providing training and education to beneficiaries enabling them to become more informed health care consumers. This could be either group or individual training and could vary in scope from teaching a child how to cope with his or her diabetes to informing large groups of the hazards of smoking. This education could be accomplished by any appropriate training methodology.
 - (5) Unit/Community Affairs and Public Relations. Providing support to activities which benefit the unit/community such as health fairs, scout physicals, school physicals, providing articles dealing with services available at the facility, or health care related topics for unit/community paper. Being ever mindful of the clinic's role in maintaining the morale and welfare of all beneficiaries and not just the active duty population.
 - (6) Cost Containment. Seeking ways to control health care costs without reducing services. Designing inventory and supply procedures that will ensure that drugs and supplies are procured by the most frugal method and used prior to their expiration date. Being aware of the various sources of health care in the community and using only those that are reasonably priced and of acceptable quality. Ensuring that health care tests and x-rays are performed for purely clinical reasons.
 - (7) Quality Assurance. Supports and carries out quality assurance initiatives including annual Monitoring and Evaluation exercises.
- b. Recommendations. Commanding Officers recommending their health care facility may submit a letter to Commandant (G-WK), via MLC(K), to arrive not later than the last day of February. The letter must include the following:
- (1) An account of what the health care facility did that deserves recognition above all other health care facilities;
 - (2) Copies of unit/community newspaper articles or letters from beneficiaries that describe commendatory action by the facility (if appropriate).
- c. Presentation. A board will review all recommendations no later than 15 April and select the most deserving of this award. The Director of Health and Safety will coordinate the presentation of the award during the month of May for the previous year. The unit will receive a plaque and congratulatory letter evidencing the outstanding performance. All other nominated units will receive

a letter from Commandant (G-WK) thanking them for their outstanding contribution to the Health Services program.

3. Health Benefits Advisor (HBA) of the Year Award. The Health Benefits Advisor (HBA) of the Year Award is presented annually to recognize performance and contribution by each Service's most outstanding HBA for the previous calendar year.
 - a. Eligibility Requirements. To be eligible for this award, individuals must be either a member of the Coast Guard or a civilian employee of the Coast Guard; must be a full-time HBA; or whose HBA functions are 50 percent or more of assigned duties. The following factors are considered:
 - (1) Beneficiary Services. Providing CHAMPUS/TRICARE advice and claims forms assistance to eligible beneficiaries. Providing advice on other health care programs such as Medicare, Medicaid, and supplemental insurance.
 - (2) Educational Services. Participating in education seminars, conferences, HBA workshops, and internal command education on CHAMPUS/TRICARE.
 - (3) Provider Participation. Attempting to increase provider participation in CHAMPUS/TRICARE.
 - (4) Unique Contributions. Organizing or participating in unique events such as health fairs or other consumer awareness events. Providing written contributions to CHAMPUS/TRICARE, professional journals, etc. Exceeding standards set forth in job description.
 - (5) Professional Growth. Maintaining membership in local or national health care associations. Taking courses related to the HBA function.
 - (6) Cost Containment. Organizing or initiating specific activities that reduce health care or related costs to the individual, the unit, or the Federal government.
 - b. Recommendations. Commanding officers recommending individuals for this award may submit a letter to Commandant (G-WK), via MLC(k), to arrive not later than the last day of February. The letter must include a one-page narrative setting forth the specific accomplishments of the individual.
 - c. Presentation. A board will review all recommendations not later than 15 April and select the individual most deserving of the award. The Director of Health and Safety will coordinate the presentation of the award during the month of May for the period of service covering the previous calendar year (1 January through 31 December). The awardee will receive a plaque and congratulatory

letter evidencing the individual's outstanding performance. All nominees will receive a letter from Commandant (G-WK) thanking them for their outstanding contribution to the Health Services program.

4. Coast Guard Excellence in Food Service Awards. The Coast Guard Excellence in Food Service Awards are presented annually to recognize outstanding performance at a Coast Guard dining facility (CGDF) for the previous calendar year.
 - a. Eligibility Requirements. The following factors are considered:
 - (1) Extraordinary food service experiences or mission throughout the evaluation year;
 - (2) Menu planning and food preparation;
 - (3) Food presentation and serving techniques;
 - (4) Food acceptability;
 - (5) Food conservation, sanitation, and safety;
 - (6) Food service management and training;
 - (7) Supervision;
 - (8) Food receipt and storage;
 - (9) Paperwork administration; and
 - (10) Command attention and command relations in food service.
 - b. Recommendations. Any unit with a CGDF may submit a nomination. Awards will be presented in six categories; large, medium, small; afloat and ashore.
 - (1) Command Self-Evaluation. Commanding officers may submit a request to be considered for this award by completing a self-evaluation form, which is available from the force manager or Commandant (G-WK). An individual knowledgeable and familiar with food service operations must complete self-evaluations.
 - (2) Submission of Evaluation. Nominations may be submitted to Commandant (G-WK) via MLC(k), to arrive not later than 31 March.
 - (3) Evaluation Teams. Evaluation teams will be assembled and will evaluate the food service operation by rating each unit that has submitted a self-evaluation within each competitive category.

- (4) Dining Facility Evaluation Team (DFET). The DFET will select four finalists in each category and provide recommendations to the Finalist Evaluation Team (FET). The DFET will consist of the Food Service (FS) Rating Force Master Chief and a member from each Subsistence Advisory Team (SAT). The DFET will evaluate the semifinalists on the criteria listed in 6.I.4.a.
 - (5) Finalists Evaluation Team. The FET will select the winner and runner-up. The FET will consist of the FS Force Manager and a representative from the International Food Service Executives Association.
- c. Presentation. The award will be presented at the annual Joint Service Excellence in Food Service award banquet.
5. Coast Guard Food Service Specialist (FS) of the Year Award. The Coast Guard Food Service Specialist of the Year Award is presented annually to recognize sustained outstanding individual performance at a Coast Guard staffed dining facility for the previous calendar year. This award identifies the FS whose personal contributions to excellence in food service were most significant. Factors to be considered are: support of food service wellness initiatives; customer focus, public relations, and education; command and community relations; personal development; and collateral duties.
- a. Eligibility Requirements. To be eligible for this award, candidates must meet the following minimum criteria:
 - (1) Be an FS in pay grade E-7 or below recommended by the commanding officer.
 - (2) Be assigned to the current unit for the entire calendar year;
 - (3) Meet the Coast Guard weight standards during the entire evaluation period;
 - (4) Have no mark of less than 4 in any category of the Performance Evaluation(s) during the evaluation year and no disciplinary action that required a service record entry between the selection and award presentation.
 - b. Recommendations. Commanding officers may submit a letter of recommendation to Commandant (G-WK) via MLC(k), to arrive not later than 31 March. The letter must include a narrative account of the individual's achievements that deserve recognition above all other FS's and a copy of the individual's performance evaluations for the year.

- c. Presentation. A board will review all recommendations based on the stated criteria and will select the FS of the Year and the runner-up. A plaque and certificate will be presented to the FS of the Year during the month of May. All nominees will receive a letter from Commandant (G-WK) thanking them for their contribution to the food service program.

6. Defense Enrollment Eligibility Reports System (DEERS) Certificate of Excellence Award. The DEERS/RAPIDS Program Office (DPRO) created the DEERS Certificate of Excellence Award. Each of the seven uniformed services may nominate one person, annually, to be recognized for exceptional efforts and achievement in support of the DEERS program during the period 1 October through 30 September.
 - a. Eligibility Requirements. Each individual nominated should have demonstrated exceptional efforts and achievement during the period. Nominations should include a biography and narrative paragraph(s) that demonstrate the nominee's ability to meet and exceed each of the following:
 - (1) Customer oriented; enthusiastically assists all customers;
 - (2) Stays abreast of current policies and procedures relating to the DEERS program and knows how to get problems solved through proper channels;
 - (3) Continually keeps and safeguards access by updating log on ID and password. Prevents unauthorized use;
 - (4) Attends DEERS training during field representative visit;
 - (5) Maintains liaison with DEERS field representative;
 - (6) Stays abreast of the non-availability, DEERS Manual, DEERS/RAPIDS briefs, and DEERS Key Issues publications.
 - b. Recommendations. Commanding officers recommending individuals for this award may submit a letter of nomination to Commandant (G-WK) via MLC(k), to arrive not later than 30 September. The letter must include a narrative account of the individual's achievements that deserve recognition above all other nominees.
 - c. Presentation. Commandant (G-WK) will convene a board to review all recommendations and select the individual it feels is most deserving of the award. The name of the individual will be forwarded to DRPO for issue of award certificate.

7. Captain Marion "Gus" Shrode Aviation Safety Award. The Ancient Order of the Pterodactyls (AOP) sponsors an annual aviation safety award program as a means of

providing recognition to units, flight safety departments, or flight safety officers who demonstrate exceptional performance or provide outstanding contributions in the area of aviation safety. Captain Shrode was selected as the honoree because of his actions as Chief, Coast Guard Aviation Safety Branch from 1961 to 1964.

- a. Eligibility Requirements. Nominees may be any flight safety officer, flight safety department, or aviation unit, whose performance has resulted in exceptional improvements in the Coast Guard aviation safety program. Consideration should be given to: reduction of aircraft accident rates; quality of mishap reporting and investigation; or excellence in aviation safety education.
- b. Recommendations. Commandant (G-WKS) will solicit nominations annually. To meet the AOP timeline, nominations and documentation must be received at Coast Guard Headquarters no later than 15 July for review and selection. District and Area commanders and commanding officers of headquarters units may submit the names of nominees to Commandant (G-WKS). Supporting documentation and a detailed summary describing the action must accompany the nomination. Commandant (G-WKS) will review nominations received and select a single nominee for Commandant (G-W) approval and submission to AOP.
- c. Presentation. The award is a large, wooden plaque that will be placed in the Aviator Hall of Fame at Aviation Training Center, Mobile (Erickson Hall). The name of each recipient and the date the award is transferred will be engraved on the award. A miniature plaque will be presented to the new recipient upon transfer of the award. The nominees and the nominees' command will be notified of selection by Commandant (G-W) in time to arrange for the recipient's presence at the AOP annual gathering, held approximately in mid-October of each year. Funding for a single award recipient will be provided by Commandant (G-WKS) to attend the annual AOP gathering and receive subject award. Funding for permanent and individual plaques will be provided by the AOP.

J. Engineering Awards.

Coast Guard Engineers are eligible to receive numerous awards for outstanding professional achievements and exemplary work. They include:

1. Coast Guard Engineer of the Year Award. The purpose of this program is to provide recognition for the accomplishments of engineers in the Coast Guard. In view of the high demand for engineering talent in the public and private sectors and the growing competition for available engineers, it is particularly relevant that the contributions of engineers in the Coast Guard be acknowledged.
 - a. Eligibility Requirements. Any individual (military or civilian) presently engaged in the practice of Coast Guard Engineering as a manager or technical employee and who is an engineer by education or experience.
 - b. Recommendations. Nominations are submitted to Commandant (G-S) prior to mid-August of each year. A Headquarters panel of Coast Guard engineers will convene to select the "Coast Guard Engineer of the Year" from the nominations received. The name of the selectee will then be forwarded to the National Society of Professional Engineers (NSPE) for consideration for the Federal Engineer of the Year Award.
 - c. Presentation. An awards ceremony is held during Engineers Week in Washington, DC. The "Federal Engineer of the Year" will be chosen from among all the candidates submitted from the various Federal agencies. The winner will be awarded a gold medallion. In addition, each agency's candidate will receive a plaque designating them Engineer of the Year from their particular agency.
2. Federal Engineer of the Year Award. Sponsored by the National Society of Professional Engineers (NSPE), the purpose of the program is to provide recognition for the accomplishments of engineers who serve our Federal Government.
 - a. Eligibility Requirements. The name of the "Coast Guard Engineer of the Year" is submitted for consideration for this honor.
 - b. Recommendations. Deadline date for submission of entries is in early November to NSPE. The award is judged on the following criteria: educational and collegiate achievements, professional and technical society activities, civic and humanitarian activities, awards or honors received, registration as a professional engineer, continuing competence during the last 3 years, and engineering achievement. A select panel appointed by NSPE will perform judging.
 - c. Presentation. Same as Coast Guard Engineer of the Year.
3. Oren Medal. Sponsored by the Society of American Military Engineers (SAME), the Oren Medal is presented annually in recognition of the most outstanding contribution of military engineering through achievement in design, construction, administration, research or development. The achievement should have occurred

during the calendar year preceding the nomination. However, the nomination may be based on the completion, during that year, of a multiyear activity. The Oren Medal is named for Rear Admiral John B. Oren, past president of the Society of American Military Engineers and former Chief, Office of Engineering, U. S. Coast Guard. The award was made for the first time in 1968.

- a. Eligibility Requirements. Regular or Reserve Coast Guard Officer (active, inactive, or retired); a Coast Guard civilian employee, or retiree of equivalent grade.
 - b. Recommendations. In order to be considered for the Oren Medal, an individual must be nominated by the maintenance and logistics commander, district commander, or commanding officer. Individual nominations, if any, and supporting data should be forwarded along with the summary of accomplishments to Commandant (G-SEC) by 1 February of each year. Nominations should not exceed two letter-size pages.
4. Sargent Medal. Sponsored by the Society of American Military Engineers (SAME), the Sargent Medal is presented annually in recognition of the most outstanding contribution to Coast Guard Civil Engineering or Facilities Engineering. The achievement should have occurred during the calendar year preceding the nomination. However, the nomination may be based on the completion, during that year, of a multiyear activity. The Sargent Medal is named for Vice Admiral Thomas R. Sargent, III, former Chief of Civil Engineering and Vice Commandant of the Coast Guard (1970-1974).
- a. Eligibility Requirements. Active duty Warrant officers, Chief Petty Officers, Petty Officers, and Coast Guard civilian employee of equivalent grade.
 - b. Recommendations. In order to be considered for the Sargent Medal, an individual must be nominated by the maintenance and logistics commander, district commander, or commanding officer. Individual nominations and supporting data should be forwarded along with a summary of accomplishments to Commandant (G-SEC) by 1 February. Nominations should not exceed two letter-size pages.
5. Cowart Plaque (Civil Engineering Organization). Sponsored by the Society of American Military Engineers (SAME), the Cowart Plaque is presented as an award of excellence to a Coast Guard Civil Engineering Unit that has made an outstanding contribution to the Coast Guard civil engineering program. The achievement must have occurred during the calendar year preceding the award. However, the selection may be based on the completion, during that year, of a multiyear activity. The Cowart Award is a plaque named for Vice Admiral Kenneth K. Cowart, the former chief of the Office of Engineering, U. S. Coast Guard.
- a. Eligibility Requirements. Coast Guard Civil Engineering Organization.

- b. Recommendations. Eligible units are encouraged to submit directly to Commandant (G-SEC) information supporting their own nomination for the Cowart Plaque award. Deadline for submittal to Commandant (G-SEC) is 1 February of the following calendar year. Nominations should not exceed two letter-size pages.
6. Cowart Plaque (Facilities Engineering Organization). Sponsored by the Society of American Military Engineers (SAME), the plaque is presented as an award of excellence to a Coast Guard Facilities Engineering Organization that has made an outstanding contribution to the Coast Guard civil engineering program. The achievement must have occurred during the calendar year preceding the award. However, the selection may be based on the completion, during that year, of a multiyear activity.
 - a. Eligibility Requirements. Coast Guard Facilities Engineering Organization.
 - b. Recommendations. Eligible organizations are encouraged to submit directly to Commandant (G-SEC) information supporting their own nomination for the Cowart Plaque award. Deadline for submittal to Commandant (G-SEC) is 1 February of the following calendar year. Nominations should not exceed two letter-size pages.
7. George W. Goethals Medal. Sponsored by the Society of American Military Engineers (SAME), the George W. Goethals Medal was established to perpetuate the memory of the distinguished military engineer builder of the Panama Canal. The medal is offered annually to an engineer in civil or military practice for the most eminent and notable contribution in the fields of engineering, particularly in design, construction, and methods.
 - a. Eligibility Requirements. Engineers in civil or military practice (SAME membership not required.)
 - b. Recommendations. Submit nominations to: The Executive Director, Society of American Military Engineers, 607 Prince Street, P.O. Box 180, Alexandria, VA 22313.
8. American Society of Naval Engineers Gold Medal. The American Society of Naval Engineers (ASNE) annually considers candidates for the ASNE Gold Medal, which recognizes significant contributions to naval engineering. Each sponsor may submit only one nominee for the award, and a nominee need not be employed by the same organization as the sponsor. The person so nominated may not receive more than one award in the same year. This award is given annually to that United States citizen who, in the field of naval engineering, has made the most significant engineering contribution through personal effort, or through the direction of others, during or culminating in the 5-year period ending in the year of consideration.

- a. Eligibility Requirements. U. S. citizen.
 - b. Recommendations. Nominees from all sectors of the naval engineering community, including Government, industry, academic, and private practice are eligible. Nominations for the Gold Medal must be received by the Society not later than 1 February. Submit nominations to: The Executive Director, American Society of Naval Engineers, Inc., 1452 Duke Street, Alexandria, VA 22314.
 - c. Presentation. The award is formally presented at the ASNE Day Annual Banquet.
9. Solberg Award. The American Society of Naval Engineers (ASNE) annually considers candidates for the ASNE Solberg Award, which recognizes significant contributions to naval engineering. Each sponsor may submit only one nominee for the award, and a nominee need not be employed by the same organization as the sponsor. The person so nominated may not receive more than one award in the same year. The award is given annually to that United States citizen who has made the most significant contribution to naval engineering through personal research carried out during or culminating in the 3-year period ending in the year of consideration.
- a. Eligibility Requirements. U. S. citizen.
 - b. Recommendations. Same as for the ASNE Gold Medal
10. David W. Taylor Medal. Sponsored by the Society of Naval Architects and Marine Engineers, this medal is awarded in honor of Rear Admiral David W. Taylor, USN, was established by the Executive Committee in 1935 and was first awarded in 1936. The award is for "Notable Achievement in Naval Architecture and/or Marine Engineering."
- a. Eligibility Requirements. Not limited to membership in the Society.
 - b. Recommendations. A member of the Society in good standing may make the proposal for the award. Although the Awards Committee may hold such special meetings as it deems necessary, it shall hold its regular meeting to select nominees for the various awards and prizes no sooner than the first day of July, and no later than the last day in August. All proposals for this award must be submitted in writing to the Awards Committee by the first day of July. The proposer should emphasize the achievements of the candidate being considered for the award and include any background information that will assist the Committee in its evaluation. Any proposal received too late to be considered will be retained for consideration at the following regular meeting of the Awards Committee.

- c. Presentation. Announcement and presentation of the award will be made at the spring meeting or at such time as the President of the Society may arrange. The award consists of a gold-plated bronze medal approximately 2-1/2 inches in diameter and a \$100,000 cash award.
11. Annual Federal Environmental Engineer Award. Sponsored by the Conference of Environmental Engineers (CFEE), the award was established to recognize exemplary work and accomplishments by environmental engineers. The award is intended to recognize leadership and meritorious achievement rather than the candidates' positions within the Federal service. Therefore, factors relating to accomplishment and leadership will predominate.
- a. Eligibility Requirements. The candidate shall be an environmental engineer employed in a professional capacity in the Federal service. The candidate shall have accomplished a tangible, substantial, and significant record of achievement of sustained leadership of outstanding caliber. The nominee need not be a member of CFEE.
 - b. Recommendations.
 - (1) Nominations are solicited annually, usually in the summer, throughout Federal agencies. A summary of the accomplishments and considerations for the award shall be prepared in the form of a specific citation to be presented to the recipient. Achievement data should:
 - (a) Contribute to the task of the Federal Government in controlling and improving the environment for the protection and promotion of human health and well being; and,
 - (b) Furnish inspiration to and enhance the prestige of the recipient's professional colleagues.
 - (2) Some examples of the type of accomplishments considered suitable for the award are:
 - (a) The engineering of a system, process, or item of equipment characterized by initiative and imagination to an unusual degree and resulting in an advance of the art, a new application to environmental engineering, or a significant contribution to the solution of an important and difficult problem;
 - (b) The development of a major improvement in a management procedure that increases efficiency, reduces cost, saves time, or otherwise contributes in large measure to the accomplishment of an important task; and

- (c) The record of achievement or sustained exemplary leadership in the management of environmental engineering progress.
12. Lucas Plaque. Sponsored by the American Society of Naval Engineers (ASNE), the Lucas Plaque is presented as an award of excellence to a Coast Guard Naval Engineering organization, team, or subdivision within an organization that has made an outstanding contribution to the Coast Guard Naval Engineering program. The achievement should have occurred during the calendar year preceding the award; however, the selection may be based on the completion, during that year, or a multi-year activity. The award is named for Rear Admiral R. S. Lucas, former Chief, Office of Engineering, and Commander, Seventeenth Coast Guard District.
- a. Eligibility Requirements. Any Coast Guard Naval Engineering organization (G-SEC, MLCs, NESUs, CG Yard, groups, stations, cutters, NWG, QAT, etc.) or subdivision within a large Naval Engineering organization, such as a department, division, section, branch, or natural working group.
 - b. Recommendations. In order to be considered for the Lucas Plaque, a Naval Engineering organization, team, or subdivision within an organization must be nominated by its respective maintenance and logistics commander, district commander, commanding officer, or Commandant (G-SEN). Nominations and supporting data should be forwarded, along with a summary of significant accomplishments, to Commandant (G-SE) by 1 January of each year. In the event that a MLC, NESU, or the CG Yard does not have a nominee for the Lucas Plaque, a negative report is required. A board convened by Systems Directorate will select the recipient. The selectee also will be submitted for the “Coast Guard Engineer of the Year” award.
 - c. Presentation. The award is formally presented at Headquarters.
13. Perry Award. Sponsored by the American Society of Naval Engineers (ASNE), the Perry Award is presented annually in recognition of the outstanding contribution to the Coast Guard Naval Engineering Program. The achievement should have occurred during the calendar year preceding the nomination. However, the nomination may be based on the completion, during that year, of a multi-year activity or tour of duty. The Perry Award is named for Vice Admiral E. L. Perry, former Vice Commandant of the Coast Guard, past president of ASNE, and Saunders Award winner.
- a. Eligibility Requirements. Regular or Reserve Coast Guard officer (active, inactive, or retired); a Coast Guard civilian employee or retiree GS-9, WS-12, WG-12, or above.
 - b. Recommendations. In order to be considered for the Perry Award, an individual must be nominated by the Maintenance and Logistics commander, district commander, commanding officer, or Commandant (G-SEC). However,

nominations are not limited to the individual's immediate chain of command. Individual nominations and supporting data should be forwarded, along with a summary of accomplishments to Commandant (G-SE) by 1 January of each year. In the event that a MLC, NESU, or the CG Yard does not have a nominee for the Perry Award, a negative report is required. A board convened by the Systems Directorate will select the winner. The selectee will then be submitted for consideration for the "Coast Guard Engineer of the Year" award.

c. Presentation. The award is formally presented at Headquarters.

14. Stabile Award. Sponsored by the American Society of Naval Engineers (ASNE.), the Stabile Award is presented annually in recognition of outstanding contributions to the Coast Guard Naval Engineering program. The achievements should have occurred during the calendar year preceding the nomination. However, the nomination may be based on the completion, during that year, of a multi-year activity or tour of duty. The Stabile Award is named for Vice Admiral B. L. Stabile, former Chief, Office of Engineering, and Vice Commandant of the Coast Guard.

a. Eligibility Requirements. Active duty warrant officer, Chief petty officer, petty officer, or Coast Guard civilian employee, GS-8, WS-11, WL-11, WG-11, or below.

b. Recommendations. In order to be considered for the Stabile Award, an individual must be nominated by the Maintenance and Logistics commander, district commander, commanding officer, or Commandant (G-SEN). However, nominations are not limited to the individual's immediate chain of command. Individual nominations and supporting data should be forwarded, along with a summary of accomplishments, to Commandant (G-SE) by 1 January of each year. In the event that a MLC, NESU, or the CG Yard does not have a nominee for the Stabile Award, a negative report is required. A board convened by the Systems Directorate will select the recipient. The selectee will then be submitted for consideration for the "Coast Guard Engineer of the Year" award.

c. Presentation. The award is formally presented at Headquarters.

K. Coast Guard Auxiliary Member Recognition.

Members of the Auxiliary, being volunteers, receive no direct compensation for the many hours of time and effort they donate to the Coast Guard. The recognition of an Auxiliarist's service, through the presentation of timely and appropriate awards, is essential to the success of the Auxiliary program. In many respects, the recognition they receive through these awards can be considered to be their "paycheck." The service and actions of the Auxiliarists should receive the appropriate recognition and awards to the maximum extent possible. Medals and awards will be worn as prescribed in Auxiliary Manual, COMDTINST M16790.1 (series).

1. Eligibility for Coast Guard Military Awards. Auxiliarists may receive and wear the Department of Transportation (DOT) Outstanding Unit Award; Coast Guard Unit Commendation and Meritorious Unit Awards, the Coast Guard Bicentennial Unit Commendation the Coast Guard Meritorious Team Commendation, the Special Operations Service Ribbon, and awards for recruiting.
2. Eligibility for Non-Military Awards. Auxiliarists are eligible for the following non-military awards:

Lifesaving Medals
 Public Service Awards
 Coast Guard Foundation, Inc. Award of the Year
 Association for Rescue at Sea (AFRAS) Silver Medal Award

3. Eligibility for Auxiliary-specific awards. Auxiliarists are eligible for the following Auxiliary awards as further described in the Auxiliary Manual, COMDTINST M16790.1 (series).

Auxiliary Distinguished Service Award
 Plaque of Merit
 Auxiliary Meritorious Service Award
 Award of Operational Merit
 Auxiliary Commendation Award
 Auxiliary Achievement Award
 Auxiliary Commandant Letter of Commendation Award (ACLOC)
 Auxiliary Humanitarian Service Award
 Auxiliary Recruiting Service
 Vessel Examinations/Marine Dealer Visitations Service
 Public Education Service
 Operations Service
 Auxiliary Specialty Ribbon
 Auxiliary Operation (AUXOP)

²Article 10-B-2, COMDTINST M1000.6 (series)

Early release and/or Discharge.

1. Between 14 July 1965 and 31 December 1979, persons serving in their first enlistment who meet the requirements for a Good Conduct Medal, except for 3 months or less of completing a 4-year period of continuous active duty due to early discharge under the provisions of article 12.B.7, Personnel Manual, COMDTINST M1000.6 (series), shall not be deprived of a Coast Guard Good Conduct Medal because of such early separation, or

transfer to inactive duty in the Reserve to complete a period of obligated service. Prior service in any of the Armed Forces is considered a first enlistment, and any later enlistment in the Coast Guard is considered reenlistment and is not subject to the above benefit.

2. The period of service for a second award shall begin on the date of return to active duty in a subsequent enlistment.
3. The reason for issuing a good conduct award for less than 4 years of service as indicated above shall be entered on page 7 of the service record.

BATTLE STREAMERS

1. French Naval Battle (Quasi Battle with France): Streamer is Light blue with two groupings of red, white and blue stripes. During the period 1790-1799, Alexander Hamilton's fleet of 10 small Revenue Cutters assumed the task of protection of American trade in the absence of a regular Navy. During the 1790's this fleet engaged French privateers who preyed on American merchant vessels. Although out-gunned, outgunned, and outnumbered, the cutters distinguished themselves. The cutter EAGLE captured five French vessels and recaptured seven American vessels. Cutter PICKERING captured the L'EGYPTE CONQUISE, a vessel with twice the armament and three times the complement of the cutter.
2. Battle of 1812: Streamer is scarlet with two white stripes. Twelve Revenue Cutters were called upon to participate in "the second battle for independence." The battle was barely a week old when the cutter JEFFERSON captured the first prize to fall to the American fleet, the merchantman PATRIOT. In all, the cutters took 14 enemy ships.
3. Indian Battle: Streamer is scarlet with two black stripes. The 1835 massacre of an army detachment by the Seminole Nation resulted in the deployment of American forces to the Everglades. The maneuverability and shallow draft of the Revenue Cutters proved beneficial in the performance of a myriad of duties, including troop, armament, and supply transportation, and the landing of Revenue Cuttermen to fortify settlements and pursue Seminole raiding parties into the treacherous Everglades.
4. Mexican Battle: Streamer is green with one stripe. In June of 1846, nine cutters comprising the first official squadron of Revenue Cutters commenced operations against Mexico in the Gulf of Mexico. This small squadron performed scouting, convoy, towing, and blockade duties, as well as transporting troops and supplies and carrying mail and dispatches. During the first expedition to Tabasco, the cutter FORWARD provided single-handed artillery support, and combined with the cutter McLANE to blockade the port.
5. Civil War: The streamer is blue and gray, equally divided. The first maritime shot of the Civil War, fired by the Revenue Cutter HARRIET LANE across the bow of the confederate vessel NASHVILLE during the bombardment of Fort Sumpter, marked the beginning of Revenue Cutter Service participation in the War Between the States. Revenue Cutters aided in the crucial blockading of more than 3,000 miles of Confederate coastline, cutting vital southern supply lines.
6. Spanish Campaign: The streamer is yellow with two blue stripes. The sinking of the U. S. battleship MAINE in Havana Harbor in 1898 crystallized American sympathy for those seeking Cuban independence from Spanish rule. The Revenue Cutters were called upon, and eight cutters took part in the blockade of Havana. One cutter operated with Dewey at Manila Bay, four cutters patrolled the West Coast against raiders, and seven others worked with the Army guarding principle ports for Boston to the Mississippi passes. Heroic action by the tug

HUDSON at Cardenas Bay, Cuba, resulted in the award of a special Medal of Honor at the direction of President McKinley.

7. World War I Victory: The streamer is double rainbow. Protection of the Allies' supply convoys was vital to victory in World War I. In mid-1917, six cutters formed Squadron Two of Division Six of the Atlantic fleet patrol forces. These vessels escorted many convoys between Gibraltar and Great Britain, and engaged German submarines in the Mediterranean. One cutter, the TAMPA, was lost with all hands in 1918 after safely escorting 18 convoys.
8. China Service: The streamer is yellow with two red stripes. Awarded for operations in China from 7 July 1937 to 7 September 1939, and from 1945 to 1957. On 18 January 1953 a Coast Guard aircraft was dispatched to assist survivors of a Navy plane crash in China waters. After making an open sea landing and recovering all survivors, the Coast Guard aircraft was unable to take off and crashed with the loss of five crewmembers.
9. Yangtze Service: (1926-27): The streamer is dark blue with two groupings of yellow and red stripes. U. S. Navy protected U.S. citizens against bandit and warlord forces in turbulent China. (1930-32) - Severe floods along the Yangtze River valley brought the U.S. Asiatic Fleet into action to aid millions of Chinese left homeless and hungry.
10. American Defense Service: Streamer is yellow with two groupings of red, white and blue stripes. With the beginning of World Battle II in Europe, President Roosevelt required patrols off the entrances of U. S. ports as part of his neutrality proclamation. Coast Guard small craft patrolled every U. S. port, guarding against sabotage and other covert activities by the Axis powers.
11. American Campaign: The streamer is blue with two groupings of white, black, red and white stripes; with red, white and blue stripes in center. During the early months of U. S. participation in World Battle II, most U-boat victims were west of the longitude where control of convoys was passed to the British. Using all available means to limit losses, Admiral King, CNO, formed Hunter-Killer groups which included numerous Coast Guard small craft and cutters.
12. European-African-Middle Eastern Campaign: The streamer is green and brown with three stripe groupings: one of green, white and red, a second of white, black, and white stripes; and a center grouping of red, white, and blue stripes Awarded for Coast Guard action in the European, African and Middle Eastern theaters, including landings at Salerno, Southern France, Anzio, Normandy, and North Africa.
13. Croix de Guerre, French, World War II: The streamer is red with four green stripes. Twelve separate individual awards of the Croix de Guerre were made to Coast Guard service members for their involvement in the liberation of France.
14. Asiatic-Pacific Campaign: The streamer is gold with two white, red and white stripe groupings; with blue, white and red stripes in center. Awarded for Coast Guard operations

in the Asiatic-Pacific Theater, including Pearl Harbor, and landings at Guadalcanal, Tarawa, Makin, Luzon, and the Philippines.

15. Philippine Defense: The streamer is red with two white stripes. Awarded for Coast Guard participation in the Defense of the Philippines between 7 December 1941 and 5 May 1942.
16. Philippine Liberation: The streamer is red with one blue and one white stripe. Awarded for Coast Guard participation in the liberation of the Philippines between 7 December 1941 and 5 May 1942.
17. Presidential Unit Citation: The streamer is blue, gold, and red. Awarded to Coast Guard vessels during World Battle II and to 7 high endurance cutters and 27 eighty-two-foot for participation in Operation SEA LORDS and Operation SWIFT RAIDER during Vietnam.
18. Philippine Independence: The streamer is blue with yellow border stripes and red, white, red center grouping. Awarded to Coast Guard individuals and units who participated in both the defense and liberation of the Philippines.
19. Philippine Presidential Unit Citation: The streamer is red, white and blue. Awarded by the President of the Philippine Republic to Coast Guards service members serving on units engaged in either the defense of the Philippines or the liberation of the Philippines.
20. World War II Victory: The streamer is red with rainbow border groupings and two white stripes. A major task of the Coast Guard in WWII was antisubmarine warfare. Coast Guard cutters and Coast Guard manned naval vessels helped win the battle of the Atlantic, and rescued more than 4,000 survivors of torpedoings. These ships, among them ICARUS, SPENCER and DUANE, destroyed five U-boats. Another major Coast Guard task was operation of the landing craft that hit the beaches at Guadalcanal, Attu, North Africa, Salerno, Anzio, Tarawa, Makin, Kwajalein, Eniwetok, Normandy, Southern France, Guam, Luzon, Saipan, Iwo Jima, and the rescue of survivors of sunken landing barges.
21. Navy Occupation Service: Streamer is white borders with a black and red stripe. Awarded to several Coast Guard vessels, including BUTTONWOOD, BIBB, and CHINCOTEAGUE for occupation of the territories of the enemies of the United States during and subsequent to World Battle II.
22. Korean Service: Streamer is light blue bordered on each side with white; white center stripes. Although the Coast Guard did not operate under the Department of the Navy in the Korean Battle, the Coast Guard instituted a port security program in response to executive order and manned a total of five Pacific weather stations in support of Korean operations. A number of LORAN stations were constructed to improve navigation in Korean waters, including a station at Pusan, Korea.
23. Navy Unit Commendation: Streamer is green with two groupings of blue, yellow and red

- stripes. Awarded to Coast Guard units during World Battle II and to 74 Coast Guard units comprising Squadron 1, Squadron 3, Division 11, Division 12, and Division 13 for actions in Vietnam.
24. National Defense Service: Streamer is red with yellow center and two groupings of white, blue, white stripes. Awarded for service between 26 June 1950 and 28 July 1954, and for service between 31 December 1960 and 15 August 1974.
 25. Armed Forces Expeditionary: Streamer is light blue with border groupings of green, yellow, brown and black; red, white and blue center grouping. Awarded for post-Korean war services in which foreign armed opposition was encountered or hostile action was imminent. Three Coast Guard vessels and one shore unit conducted operations in support of the crisis in the Dominican Republic and 15 Coast Guard vessels, five shore units, and one special flight participated in the Cuban Crisis. In addition, Coast Guard service members manned 17 82-foot craft engaged in operation Market Time in Vietnam as early as 1965.
 26. Vietnam Service: Streamer is yellow, with green borders, three red stripes. Coast Guard duties in Vietnam, beginning in April 1965, were numerous. In successful but dangerous efforts to limit supplies to the Viet Cong, Coast Guard service members boarded all suspicious craft and searched for munitions and other contraband. Coast Guard cutters also took part in hundreds of gunfire support missions, and conducted extensive aids to navigation operations, port safety operations, and merchant marine safety operations.
 27. Army Meritorious Unit Commendation: Streamer is scarlet. Awarded by the Secretary of the Army to the Coast Guard Port Security and Waterways Detail Vietnam for its operations in securing port areas and supervising the handling of ammunition and explosives in Vietnam between 15 October 1966 and 15 April 1967.
 28. Navy Meritorious Unit Commendation: The streamer green with two groupings of yellow, blue and yellow; red center. Awarded by the Secretary of the Navy to any unit distinguishing itself under combat or non-combat conditions. The Navy Meritorious Unit Commendation has been awarded to 59 Coast Guard afloat units for services in Vietnam and elsewhere.
 29. Vietnam Meritorious Unit Citation, Gallantry Cross with Palm: Streamer is red with gold center and eight double red stripes with palm. Awarded to various Coast Guard afloat and shore units in recognition of meritorious service in Vietnam.
 30. Vietnam Armed Forces Meritorious Unit Citation, Civil Actions Medal First Class Color with Palm: Streamer is dark green with two broad red stripes; two narrow red stripes in center and palm. Awarded to various Coast Guard afloat and shore units in recognition of meritorious civil action service in Vietnam.
 31. Southwest Asia Service: Streamer is black center with stripes of myrtle green, chamois, old glory red, white, old glory red, blue, chamois, and black. Awarded for to various units for service in support of Operations DESERT SHIELD or DESERT STORM between the dates

of 2 August 1990 and 30 November 1995.

32. African Slave Trade Patrol: Streamer is cobalt blue center with stripes of white, cobalt blue, white, apple red, white, and cobalt blue. In the middle years of the nineteenth century, Americans spoke out against the slave traffic flowing from Africa to the Western Hemisphere. The U.S. Navy joined England's Royal Navy to establish the African Slave Trade patrol, which for 20 years hunted and ran down the slavers who plied the Atlantic with their cargoes of human misery.
33. Operations Against West Indian Pirates: Streamer is cobalt blue center with stripes of black, white, black, and old gold. By the early 1820's buccaneers sailing from the Caribbean had attacked nearly 3,000 merchant ships. The U.S. Navy formed the West India Squadron to hunt down the pirates. During the decade of the 1820's U.S. Navy ships sought out the corsair gangs in their won territory and routed them in hand-to-hand combat. By 1830, this menace to free shipping had been dealt a crippling blow.
34. Maritime Protection of the New Republic: Streamer is alternating horizontal stripes of eight red (scarlet) and eight white. For heroic actions of the Revenue Cutter Service--the forerunner of the U. S. Coast Guard--which served as the sole maritime defense force protecting our young Nation. Most notably, the Revenue Cutter Service fought against French privateers who were seizing British and Spanish ships in American waters. The Revenue Cutter Service undertook actions of great value to the United States, including the Service's efforts to prevent maritime smuggling, thus securing a reputation for excellence that continues to embody the U. S. Coast Guard today.

TO
JOHN SMITH
CHIEF AVIATION ELECTRONICS TECHNICIAN
UNITED STATES COAST GUARD**

Chief Petty Officer SMITH is cited for meritorious achievement in aerial flight on 29 January 2000 while serving as flight mechanic aboard Coast Guard helicopter, CGNR 6007. The helicopter crew was to assist the fishing vessel HIGH RIDER, which was foundering in 20-foot seas and 40-knot winds, 120 miles east of Cape Cod, Massachusetts. The vessel had encountered a severe storm and was rapidly taking on water, forcing its crew of six to abandon ship into their life raft. As the helicopter battled heavy turbulence, snow squalls, and low visibility, Chief Petty Officer SMITH worked diligently to ready the aircraft cabin for rescue operations. Once on scene, he deployed a Data Marker Buoy to indicate the life raft's position and inserted a smoke float to aid in illuminating the pitch-black rescue scene. In the arduous hoists that followed, Chief Petty Officer SMITH was continuously challenged to his limits. He utilized all his physical strength, instinct, and experience to keep control of the wildly moving hoist cable, while swirling winds coming through the cabin door brought the wind chill factor down to minus 20 degrees Fahrenheit. Chief Petty Officer SMITH provided critical altitude correction calls to the pilot as the seas periodically surged to within 5 feet of the hovering helicopter. Under these extremely difficult conditions, Chief Petty Officer SMITH successfully completed nine demanding hoists, during which he skillfully conned the pilot into position for each victim and rescue swimmer recovery. Chief Petty Officer SMITH's actions and skills were instrumental in the rescue of six lives. His courage, judgment, and devotion to duty are most heartily commended and are in keeping with the highest traditions of the United States Coast Guard.

Petty Officer SMITH is cited for superior performance of duty while serving on board USCGC DORADO (WPB 87302) from June 1999 to July 2002. Exhibiting exceptional professionalism and technical competence, Petty Officer SMITH expertly maintained and repaired the sophisticated electronics and communication systems aboard CGC DORADO ensuring the ship remained operationally capable for all assigned missions. Using remarkable project management skills, Petty Officer SMITH coordinated the installation of the Electronic Chart Precise Integrated Navigation System New Generation, the dual Star-link Global Positioning System receivers, the Machinery Plant Control and Monitoring System software upgrades, the Nautronics Dynamic Positioning System software improvements, and the Standard Workstation III vastly improving CGC DORADO's operational capabilities. Displaying the highest degree of professional expertise and noteworthy endurance, Petty Officer SMITH established and maintained secure communications between Coast Guard, Navy, National Oceanographic and Atmospheric Administration, and civilian assets during the EgyptAir Flight 990 disaster. Displaying superior flexibility and a dedication to teamwork, Petty Officer SMITH quickly became an indispensable crewmember by qualifying as an Inport Officer of the Deck, Underway Engineer Officer of the Watch, Damage Control On-Scene Leader, Minor Aids Technician, Small Boat Engineer, and Departmental Training Petty Officer. After a proficient and comprehensive review of the Electronics Casualty Control Manual and Electronics Doctrine, Petty Officer SMITH updated and improved the document ensuring CGC DORADO was in compliance with Commandant standards. As a result, CGC DORADO received an exceptional electronics evaluation during its Tailored Annual Cutter Training. Petty Officer SMITH's diligence, perseverance, and devotion to duty are most heartily commended and are in keeping with the highest traditions of the United States Coast Guard.

**CITATION TO ACCOMPANY THE AWARD OF THE
COAST GUARD DISTINGUISHED SERVICE MEDAL**

TO

REAR ADMIRAL JOHN A. SMITH

UNITED STATES COAST GUARD

Rear Admiral SMITH is cited for exceptionally meritorious service to the Government of the United States in a position of great responsibility as Commander, First Coast Guard District from June 2000 to April 2003. Displaying exceptional leadership and remarkable vision, Rear Admiral SMITH achieved numerous outstanding accomplishments having profound national and international impact. In July 2001, America experienced its second worst air tragedy ever when a jumbo jet exploded and crashed south of Long Island, New York. Rear Admiral SMITH's extraordinarily deft guidance of both Coast Guard and interagency responses during this epic disaster has been recognized as a model of leadership and management. Meeting a Presidential mandate to reinvent government, Rear Admiral SMITH implemented several major streamlining initiatives, achieving significant savings, yet maintaining and improving essential services. Under Rear Admiral SMITH's tutelage, the Coast Guard response to each case was universally admired as a model of professionalism and efficiency. His distinguished performance as First District Commander is characteristic of exemplary service rendered throughout his 40-year career. Rear Admiral SMITH's leadership, dedication, and devotion to duty are most heartily commended and are in keeping with the highest traditions of the United States Coast Guard.

TO

LIEUTENANT JOHN A. SMITH

UNITED STATES COAST GUARD

Lieutenant SMITH is cited for outstanding achievement while serving as the Deputy Group Commander, Coast Guard Group Ohio Valley from July 2000 to July 2003. Demonstrating exceptional initiative and superior professional competence, Lieutenant SMITH skillfully lead two hundred active and reserve personnel at the Group, six River Tenders, five Shoreside Support Detachments and a Vessel Traffic Center throughout a ten state area that includes 2800 miles of river. During this period Lieutenant SMITH directly contributed to Group Ohio Valley's success in response to the worst flooding in 30 years along the Ohio River Valley in 2001 and to severe low water on the lower Ohio and Mississippi Rivers in 2000 and 2001. As lead planning officer, Lieutenant SMITH coordinated the planning, design, inspection, construction, and occupancy of a new state-of-the-art office space with no disruption of service to the maritime community. As Patrol Commander during several multi-agency recreational boating safety operations, Lieutenant SMITH directed operations that resulted in more than 4000 boating contacts, distribution of more than 4300 educational safety packages, boarding of 265 vessels, and response to 127 search and rescue cases. Most importantly, he ensured each active duty, reserve and auxiliary member throughout the Group's vast AOR received personal, hands-on leadership when dealing with the myriad of operational and work-life challenges they routinely faced. His attentive, professional service to the fleet was the driving force behind Group Ohio Valley's success during this period. Lieutenant SMITH's dedication, judgment, and devotion to duty are most heartily commended and are in keeping with the highest traditions of the United States Coast Guard.

The Operational Distinguishing Device is authorized.

AVIATION MACHINIST'S MATE FIRST CLASS

UNITED STATES COAST GUARD

Petty Officer SMITH is cited for heroism on the evening of 3 July 2003 while serving as flight mechanic aboard Coast Guard HH-65A helicopter, CGNR 6459. The aircrew was engaged in the perilous rescue of five survivors from the Canadian-registered sailing vessel RUNNER which was disabled 45 miles west of Cape Jones, California. Two helicopters and the Coast Guard cutter EDISTO responded from Group/Air Station Humboldt Bay to a distress call from the sailboat. A rudder casualty made the vessel difficult to control in turbulent conditions which included 20-foot seas and winds of more than 45 knots. With weather deteriorating and seas building to 25 feet and higher, the RUNNER was knocked down four or five times. After the sailboat was hit broadside by a wave, knocking out cabin windows and causing injury to the crew, the master and crew of four abandoned their vessel and entered their life raft. Helicopter 6459 arrived on scene with EDISTO and made preparations to approach the raft. During the helicopter's instrument-guided approach to a hover, sight and communications were lost. After immediate efforts to contact and locate the aircraft and its crew yielded no response, EDISTO maneuvered alongside the raft and was able to recover the crew of RUNNER. As the flight mechanic aboard the helicopter, Petty Officer SMITH willingly encountered extreme ocean storm conditions and to save the lives of five persons from the disabled sailing vessel. Petty Officer SMITH demonstrated remarkable initiative, exceptional fortitude, and daring in spite of imminent personal danger in this rescue. His courage and devotion to duty are in keeping with the highest traditions of the United States Coast Guard.

The Commandant of the Coast Guard takes pleasure in presenting the **COAST GUARD MERITORIOUS UNIT COMMENDATION** to:

**COAST GUARD INTEGRATED SUPPORT COMMAND
ALAMEDA, CALIFORNIA**

For service as set forth in the following

CITATION:

"For meritorious service during the period 1 July 1998 to 1 July 2001. Integrated Support Command Alameda has been the benchmark for housing management in the Coast Guard by rehabilitating over 200 housing units, increasing the housing capacity to 835 units, and producing an annual cost avoidance of over \$2 million. Constantly at the forefront of workload reduction initiatives, the unit implemented an on-line data submission program, greatly improving cycle time and accuracy. They created an informational compact disc for incoming personnel, providing them with area information, a virtual tour of housing, and links to helpful, on-line community services. Integrated Support Command Alameda often led the Coast Guard with initiatives that significantly improved workplace habitability and safety. They upgraded over 91,000 square feet of facilities for 50 percent of the cost of work estimated by a commercial contractor and replaced an aging, unsafe paint float by fabricating a platform which is serving as a model for implementation Coast Guard-wide. The unit was extremely proactive across all areas of personnel support through development of a reserve accession training program that was exported to Coast Guard recruiters nationwide, creation of Morale, Wellness, and Recreation operated temporary quarters, completion of medical preparation of 160 cutter personnel for an out-of-hemisphere deployment, and establishment of a transition assistance program considered by attendees to be the best offered in the Coast Guard. The superb performance and devotion to duty demonstrated by the officers and crew of Integrated Support Command Alameda are in keeping with the highest traditions of the United States Coast Guard."

TO

LIEUTENANT JOHN A. SMITH

UNITED STATES COAST GUARD

Lieutenant SMITH is cited for extraordinary achievement while participating in aerial flight on the Coast Guard HH-60 helicopter 6024 on the night of 21 March 1999. The crew was engaged in the dramatic rescue of a survivor from the 48-foot Fishing Vessel RUNNER that sank in an Alaskan gale 40 miles south of Sitka, Alaska. The lone survivor was stranded in a life raft being blown towards the treacherous rocky coastline and the pounding surf. As the helicopter approached the raft it became clear that the severity of the turbulence would make maintaining a stable hover impossible. The 20-foot waves rebounded off the nearby rocks causing a doubly confused sea state, which violently tossed the life raft. As Lieutenant SMITH struggled to deliver the rescue basket to the survivor, brutal downdrafts from the nearby cliffs repeatedly drove the helicopter down to within 40-feet of the raging sea. After struggling in a constant hover for nearly an hour, and with the survivor now only yards from the rocks, Lieutenant SMITH miraculously delivered the rescue basket to the raft's entrance, allowing the survivor to leap into the rescue basket where he was hoisted to safety. His courage, judgement, and devotion to duty are most heartily commended and are in keeping with the highest traditions of the United States Coast Guard.

The Commandant of the Coast Guard takes pleasure in presenting the COAST GUARD
UNIT COMMENDATION to:

**U.S. COAST GUARD AVIATION TRAINING CENTER
MOBILE, ALABAMA**

for service as set forth in the following

CITATION:

"For exceptionally meritorious service from 1 July 1997 to 30 June 2000 while engaged in fulfilling a broad spectrum of training, operational and support missions. Personnel of Aviation Training Center (ATC) consistently displayed an extraordinary level of achievement in the accomplishment of all assigned missions, resulting in a well-earned reputation for excellence that has become the unit's hallmark. On the "cutting edge" of aviation initiatives, ATC led development of aviation programs and fleet operational training, which resulted in a significant enhancement to Coast Guard operational readiness, expanded mission capability and improved flight safety. ATC has responded to aviation's biggest challenges including: Level II Night Vision Goggle (NVG) upgrade for all helicopter air-stations; implementation of the new HH-65A Cockpit Display Unit and Full Authority Digital Engine Computer (FADEC); stand-up of the first Aviation Detachment on USCGC HEALY; and, design and implementation of the Commandant's Armed Use of Force Helicopter doctrine, despite rigid time constraints and procedures for the employment of Fast-Roping and Entanglement Devices. Concurrent with providing "world-class" aviation training, ATC earned the highest accolades for exemplary operational responsiveness. District Eight lauded the professional prosecution of 745 Law Enforcement/Maritime Environmental sorties, 890 Search and Rescue missions and successful interaction with the Group/Marine Safety Office Mobile Integrated Command System response during Hurricanes Earl and Georges. Skillfully balancing training requirements with support tasking, ATC provided 53 special operation missions for Atlantic Area, including Operation FRONTIER/BORDER SHIELD deployments, Aids to Navigation missions, Hurricanes Floyd and Bret flood relief operations, and numerous critical logistical transport sorties. Virtually every visitor, inspector and customer raved about the high quality of ATC's programs, facilities, and services, from 100 percent accuracy of \$16 million inventory lauded by DOT-IG, to 21 percent reduction in HAZMAT inventory praised by Civil Engineering Unit Miami, to flawless management of Coast Guard's largest capitalized property account noted by Headquarters, Office of Financial Management. Fully engaged in community outreach, ATC directly participated in civic-minded programs as Leadership Mobile, Partnership in Education, Mobile Chamber of Commerce interaction and local Department of Defense ROTC programs. The dedication, pride and professionalism displayed by Aviation Training Center Mobile personnel, reflect credit upon themselves, their unit and the United States Coast Guard."

On behalf of the Secretary of Transportation, the Commandant takes great pleasure in presenting the GOLD LIFESAVING MEDAL posthumously to

JOHN F. WILLIAMS

for acts as set forth in the following

CITATION:

“For extreme and heroic daring on 7 June 2001 when three individuals were caught in pounding surf and a tremendously powerful undertow at Panama City Beach, Florida. Mr. WILLIAMS, on only his fourth day as a lifeguard, quickly entered the water to render assistance. With complete disregard for his own safety, and the obviously lethal surf conditions, he forged through the pounding surf and began pulling the victims to safety. Despite the severe difficulty and the resulting physical exhaustion, Mr. WILLIAMS succeeded in pulling all three of the stricken victims to shore. A fourth victim, who had originally entered the water in an attempt to assist Mr. WILLIAMS, found himself caught in the undertow. Despite Mr. WILLIAMS’ exhausted state and severe discomfort, he again entered the water to save the fourth victim. At numerous times throughout this most difficult rescue attempt, Mr. WILLIAMS was completely submerged for long periods of time. When Mr. WILLIAMS was finally able to get the fourth victim back to shore, he immediately collapsed from sheer exhaustion. Although local emergency medical services personnel attempted to revive and stabilize Mr. WILLIAMS, his courageous rescue efforts had taken their toll and he succumbed. If not for Mr. WILLIAMS’ selfless actions, at least three lives would have been lost. Mr. WILLIAMS sacrificed his own life so that others may live. His unselfish actions and valiant service reflect the highest credit upon himself and were in keeping with the highest traditions of humanitarian service.”

CITATION TO ACCOMPANY THE AWARD OF

TO

CAPTAIN JOHN A. SMITH

UNITED STATES COAST GUARD

Captain SMITH is cited for outstanding meritorious service as the Deputy Assistant Commandant for Civil Rights from August 1999 to May 2001. Demonstrating exceptional leadership and project management skills, Captain SMITH planned and directed all Coast Guard activities in support of the 91st Annual National Association for the Advancement of Colored People Convention and 25th Anniversary of the Armed Services and Veterans Affairs Program in Baltimore, Maryland, with the Coast Guard as the featured Military Service. In support of the Defense Equal Opportunity Council, Captain SMITH laid the groundwork for the Coast Guard-Department of Defense Memorandum of Agreement to survey 75,000 military members, including 10,500 Coast Guard members, which will provide our military leadership with a status report on gender issues in the Armed Forces. To increase diversity and create a workforce that mirrors society, Captain SMITH aggressively pursued expanded partnerships with the National Association for the Advancement of Colored People, National Urban League, and Hispanic Association of Colleges and Universities that will attract students to public service careers as commissioned officers in the Coast Guard. Through these visionary and enlightened initiatives, the Coast Guard will shape a workforce to perform its missions and meet the challenges of the new century. Captain SMITH's ability, diligence, and devotion to duty are most heartily commended and are in keeping with the highest traditions of the United States Coast Guard.

Subj: LETTER OF COMMENDATION

1. I note with pride and am pleased to commend you for your performance of duty while serving on board USCGC JARVIS (WMEC 725) on 10 June 2001. On this date around 0930 you observed SA Jane Smith while eating lunch at her desk struggling to breathe after eating some of her lunch. You were standing by the microwave when you noticed and asked her if she was ok and she could barely speak because of the food lodged in her throat. She motioned to you that she was choking and because of your quick thinking and previous training you immediately knew what to do to help out a shipmate. You positioned yourself behind SA Smith and performed the Heimlich maneuver (abdominal thrust), which dislodged a portion of the food from her throat. Since this only dislodged part of the food you had to perform the maneuver again to completely free the remaining food from her throat so that she could breathe. She was then able to breathe freely and take a drink of water. Your quick response and aid to a fellow shipmate averted a potentially harmful and serious situation.

2. You are commended for your outstanding performance of duty. By your meritorious service you have upheld the highest traditions of the United States Coast Guard.

3. You are hereby authorized to wear the Commandant's Letter of Commendation Ribbon Bar (gold star in lieu of a second).

TO

CAPTAIN JOHN SMITH

UNITED STATES COAST GUARD

Captain SMITH is cited for meritorious service in the performance of duty as Chief, Logistics Staff, Maintenance & Logistics Command Pacific from August 2002 to May 2004. His exceptional managerial ability and superb leadership enabled Maintenance & Logistics Command Pacific to provide truly outstanding support for myriad operations. He led the development and refinement of deployment planning concepts that assured superb logistics support for overseas cutter deployments, and for cutter home port changes. He established procedures and relationships for the successful stand up and deployments of the vital Port Security Units that will assure the success of their future missions. As Flag Total Quality Management Coordinator and member of the Strategic Leadership Team, Captain SMITH was instrumental in integrating Quality into the command's strategic initiatives and business practices. He assured the Strategic Leadership Team received timely training as they developed a Balanced Scorecard. He expertly managed the Integrated Support Command program, which encompassed a \$1.5 billion shore plant, over 1000 people and an annual budget of \$50 million. Of special significance: Kodiak awarded a five year, \$50 million, Base Operating Support Service contract; Alameda acquired over 900 units of family housing; and Ketchikan executed major AC&I work in remote reaches of Alaska, which saved millions of dollars--all under his leadership. He spearheaded the establishment of a world class Internet web site, which will greatly benefit all our customers. Captain SMITH's dedication and devotion to duty are most heartily commended and are in keeping with the highest traditions of the United States Coast Guard.

UNITED STATES COAST GUARD
HOMELAND SECURITY STRATEGIC TASK FORCE

for services set forth in the following

CITATION:

“For exceptionally meritorious service from 20 September to 16 October 2001 while serving on the Coast Guard Homeland Security Strategic Task Force (Task Force). In response to the horrific terrorist attacks on the World Trade Center and the Pentagon on 11 September 2001, the Commandant chartered the Task Force to develop recommendations on the Coast Guard’s *Way Forward* in the new threat environment. The Task Force was presented with the daunting mission of accomplishing four deliverables and fifteen tasks simultaneously with ongoing events in the wake of the attacks. Keenly aware of the grave importance of contributing to current operations and planning, the Task Force provided focused interim products to assist the Commandant in meetings with the Secretary of Transportation, the newly appointed Director of Homeland Security, and senior leaders within the Coast Guard. These interim products helped point the *Way Forward*, both on the national stage and internally. The Task Force gathered input from the Pentagon, Joint Forces Command, and Coast Guard field commands, and participated in war-gaming exercises at the Navy Warfare Development Center. The Task Force’s final report will serve as a valuable tool for helping the Coast Guard develop its maritime homeland security strategy. The report provides a clear picture of the new maritime homeland security paradigm, goals, national and Coast Guard mission statements, and a concept of operations. The dedication, pride, and professionalism displayed by the Coast Guard Homeland Security Task Force are in keeping with the highest traditions of the United States Coast Guard.”

for services as set forth in the following

CITATION:

“For heroic action on the afternoon of 4 June 2001, when he assisted in the rescue of three swimmers in distress caught in a swift rip current off the beach of Assateague Island National Seashore, Virginia. Petty Officer WILLIAMS just completed a day of surfing with two other off-duty Coast Guardsmen when a park visitor sought help for a man drowning 200 yards off the beach. Without hesitation, Petty Officer WILLIAMS and the two other rescuers donned their wet suits, grabbed their surfboards, and entered the heavy surf, to assist the drowning victim. Petty Officer WILLIAMS and another rescuer reached the victim and managed to pull him onto his surfboard to reduce the hypothermic effects of the 57-degree water. Just after the other rescuer departed to assist a second victim further out to sea, Petty Officer WILLIAMS maneuvered toward a third frantic victim who was unable to stay afloat any longer. Petty Officer WILLIAMS recovered this man and placed him on his surfboard with the first victim. After 30 minutes, Petty Officer WILLIAMS, struggling to keep the two victims out of the water and unable to fight the current, joined with the two other rescuers and one victim. Without any indication that help was on the way and unable to bring the victims in, Petty Officer WILLIAMS continued to brave the elements and stayed with the victims while another rescuer swam to shore to get help. After more than 50 minutes in the water, Petty Officer WILLIAMS succeeded in breaking free of the current, and he and another rescuer pulled the victims to shore where the National Park Service Officials rendered first aid. Petty Officer WILLIAMS’ determined efforts, outstanding initiative and fortitude, during this rescue resulted in the saving of two lives. His unselfish actions and valiant service, despite imminent personal danger reflect great credit upon himself and are in keeping with the highest traditions of humanitarian service.”
