

NORAD AND USNORTHCOM VISION, MISSIONS, AND PRIORITIES

“WE HAVE THE WATCH”

Vision: *With our trusted partners, we will defend North America by outpacing all threats, maintaining faith with our people and supporting them in their times of greatest need.*

The NORAD Mission: *The North American Aerospace Defense Command conducts aerospace warning, aerospace control, and maritime warning in the defense of North America.*

The USNORTHCOM Mission: *The United States Northern Command partners to conduct homeland defense, civil support, and security cooperation to defend and secure the United States and its interests.*

Commander’s Priorities

- *Expand and strengthen our trusted partnerships*
- *Advance and sustain the binational military command*
- *Gain and maintain all-domain situational awareness*
- *Advocate and develop capabilities in our mission areas to outpace threats*
- *Take care of our people; they are our foundation*
