Cruise Vessel Safety and Security Act of 2010 Notice Published

Today the U.S. Coast Guard announced the publication of a notice in the Federal Register to solicit public comment for 60 days on the availability of technology to meet certain provisions of the Cruise Vessel Security and Safety Act of 2010 (CVSSA). The notice specifically requests comments related to requirements for video surveillance and overboard detection equipment. Public comment is necessary for the Coast Guard to develop guidance and regulations implementing the CVSSA.

The notice and related materials may be reviewed at <http://www.regulations.gov> docket number: USCG-2011-0357.

For more information, please contact LCDR Latasha Pennant at (202) 372-1358 or via e-mail at Latasha.E.Pennant@uscg.mil.
