## **CWO Appointment Board General**

### **PURPOSE.**

The purpose of this guide is to provide procedures and guidance to applicants, units, and Servicing Personnel Offices (SPO) for the Chief Warrant Officer (CWO) Appointment Board.

### **GENERAL GUIDANCE FOR ALL APPLICANTS.**

The CWO Appointment Board process is governed by regulation and policy. This guide is used in concert with the policies found in the Officer Accessions, Evaluations, and Promotions (OAEP), COMDTINST M1000.3(series), which outlines the methods used to select enlisted personnel of the Coast Guard for appointment to chief warrant officer. This application-based process starts with the member. An appointment to chief warrant officer is dependent on applicants and commands understanding and fulfilling their responsibilities within the process.

### **CWO APPOINTMENT BOARD GENERAL INFORMATION.**

The CWO Appointment Board process has changed considerably over the years and will continue to change to meet the needs of the Service. COs have an important responsibility to identify and encourage qualified enlisted members who have demonstrated qualities of character and leadership required of officers to pursue appointment. However, each candidate is responsible for initiating and completing all eligibility requirements prior to the established deadlines to include obtaining a CO's recommendation. Only those individuals who have clearly demonstrated sustained superior performance, outstanding leadership abilities, and the potential to serve as a commissioned officer should be recommended for the CWO Appointment Board. If a CO feels an individual is not qualified for appointment to CWO, that applicant should not be recommended and should be counseled on what is required to improve their performance to ultimately receive a favorable endorsement.

- a. *Eligibility Requirements.* The eligibility requirements are outlined in Art 1.D of the OAEP, COMDTINST M1000.3(series). Every applicant should closely review the OAEP, COMDTINST M1000.3(series) and all official message traffic involving the CWO Appointment Board process. In addition, approximately two months prior to the 1 January eligibility requirement deadline, CG PSC will release an ALCGPSC message announcing the upcoming CWO Appointment Board. This message will provide any new eligibility requirements and a timeline of events.
- b. *Application.* Applicants should follow their CO's policy for requesting his/her recommendation (e.g., scheduling an interview with the CO, providing documentation attesting to the completion of the minimum eligibility requirements, addressing suitability issues, etc.). After receiving the CO's positive recommendation, the member must submit an E-Resume in Direct Access through his or her CO. An enlisted member (OinC, supervisor, etc.) may not complete the E-Interview portion of the applicant's E-Resume for the CWO Appointment Board or provide final command endorsement.
- c. *Pre-board.* Pre-board consists of two phases: the Warrant Personal Data Extract (PDE) and the Warrant Profile Letter. Both the PDE and the Profile Letter are viewed in Direct Access. The applicant is responsible for ensuring the accuracy of both documents and printing out and

keeping a copy for their records. Publication of the PDE and Profile Letter will be announced by CG PSC in an ALCGPSC message.

- d. Pre-board Eligibility List. The Pre-board Eligibility List consists of those applicants whose Pre-board Score qualify them as a primary or alternate candidate. It also gives updated information for submission of the OER and Resume. This is announced by CG PSC in an ALCGPSC message.
- e. OER and Resume. Each candidate whose score qualifies them as a primary or alternate candidate must prepare a resume and the unit shall prepare an OER. These items are sent to CG PSC by the date established on the Pre-board Eligibility List message.
- f. CWO Appointment Board. The CWO Appointment Board normally meets in April for two weeks. Each specialty is looked at separately. From among those names provided for consideration in each specialty, the board determines if all candidates are fully qualified for appointment. The Board ranks the candidates in order in which the board considers them best qualified.
- g. Post Board. The board results are prepared and routed for approval from CG PSC to the Commandant, then sent to the Secretary of Homeland Security for final approval. Upon approval, CG PSC will announce the results in an ALCGPSC message.

### 2. SEQUENCE OF EVENTS.

Many procedures must be followed to make the CWO Appointment Board process successful. Below is a general overview of the sequence of events that must occur. For details and specific dates of these events, refer to the ALCGPSC messages announcing the CWO Appointment Board.

<b>Step</b>	<b>Action</b>
1	In November each year CG PSC-OPM-1 releases ALCGPSC message announcing the upcoming board. Unit passes message info (EERs, waivers, timeline, and other important message data) to potential applicants.
2	Applicant meets CWO Appointment eligibility requirements by 1 January as outlined in Art 1.D of the OAEP, COMDTINST M1000.3(series).
3	CO decides on applicants' recommendation by 1 January as outlined in 1.D.3 of the OAEP, COMDTINST M1000.3(series)

4	Applicant submits E-Resume by 1 January in accordance with directions in ALCGPSC.
5	CO endorses applicants E-Resume by submitting an E-Interview in Direct Access by the deadline established in the ALCGPSC.
6	CG PSC-OPM-1 makes PDE available to applicant in Direct Access. Corrections to PDE are initiated by the applicant and completed by the unit and their Servicing Personnel Office (SPO).
7	Applicant follows up to ensure that PDE corrections are reflected in Direct Access prior to PDE Correction Deadline Date.
8	Unit notifies CG PSC-OPM-1 of any changes of eligibility status of applicants prior to PDE Correction Deadline Date.
9	CG PSC-OPM-1 makes the Profile Letter available to the applicant in Direct Access. Applicant verifies their Pre-board score.
10	CG PSC-OPM-1 releases the Pre-board Eligibility List via ALCGPSC announcing primary and alternate candidates.
11	Recommendation packages (OER and Resume) due at CG PSC-OPM-1 by date established on Pre-board Eligibility List message.
12	CWO Appointment Board convenes.

### 3. RESPONSIBILITIES.

The CWO Appointment Board cycle is a multi-level process requiring all responsible parties to do their part to ensure success. Failure by a supervisor or supporting command to fulfill their responsibilities is not justification for a waiver and may result in the applicant not being eligible to compete. Special attention should be given to the deadline dates in the CWO Appointment Board announcement message published for each cycle. The below chart summarizes the responsibility requirements as outlined in the OAEP, COMDTINST M1000.3(series). However all message traffic should be closely monitored for additional information or possible changes. (See table on next page)

Upon receiving the CO’s recommendation the applicant shall submit an E-Resume using the following guidance:

- a. Log into Direct Access.
- b. Then select from the Home Menu bar > Self-Service > Employee > Tasks > and Create E-Resume. **\*\* Note, do not use the “PCS eResumes” \*\***
- c. In the View Job Posting Screen select the Position Source drop-down menu and select “Warrant Appointment.”
- d. Ensure all blocks below the Position Source block are empty with the exception of “Job Family” Enter the warrant specialty you are applying for (i.e. – BOSN, PERS, ELC).
- e. Once the desired specialty is entered in the “Job Family” box, click the magnifying glass next to the “Job Code” box, then click the yellow “lookup” button. Once the list appears, choose the CWO2 job description. This is extremely important as only the CWO2 job is tied to the appointment board process. If any other choice is made, your name will not populate for the board. **(Please see table below for the list of “Job Codes”)**
- f. After the correct 5 digit job code is entered, click the yellow “search” button.
- g. Select the job title that applies to the related chief warrant officer specialty by checking the “Job Basket” box. Ensure you are applying for the active duty job title. Applying for the reserve job will not allow your name to populate for the board. Candidates can only apply for one specialty at this time.
- h. Then click on the “Add Selected to Job Basket” button.
- i. Click “View Job Basket.”
- j. Then click on “Apply for Jobs in Basket.”

- m. Do not enter any comments in Section 11 of the E-resume. The Board does not have access to Direct Access and will not see the E-Resume. CG PSC-OPM-1 verifies that all members whose names appear before the board have their CO's recommendation.
- n. Proceed to Section 12 where you will need to enter the endorser's EMPLID. The final endorser on the E-Resume is the commanding officer.
- o. Below the endorser block is the Job Basket Positions. Click the yellow "add" button for the warrant specialty you have selected only.
- p. Then click on "next" and proceed to Section 13 and click the "Submit" button.

## 5. E-INTERVIEW SUBMISSION.

The CO's endorsement, the E-Interview, shall only comment that the applicant is eligible and recommended. The board does not have access to Direct Access and will not see the E-Resume/E-Interview. Only endorsements from the CO are authorized. Applicants serving at a unit with an Officer in Charge shall forward their E-Resume to the parent command (e.g. Sector, etc.) for completion of the E-Interview element. In this instance, the commissioned officer with delegated authority for enlisted personnel is authorized to complete the E-Interview. To correctly endorse an applicant's E-Resume use the following guidance:

- a. Log into Direct Access.
- b. Click on "Worklist" shortcut/hyperlink at the top right of the screen.
- c. Click on the applicant's name in your worklist to access the "Job Endorsement" page.
- d. Once in the "Job Endorsement" page, click on the drop down arrows to make a "Recommendation" of "Make Offer or Reject", and a "Rating" of "Average, Excellent, or Not Qual" of the applicant's qualification for CWO Appointment.
- e. Click on the "Comments" link corresponding to CWO Appointment and enter comments "eligible and recommended" only. After entering comments click on "Return".

- f. This will return you to the “Job Endorsement” screen. If you are the final endorser click on the “Mark All Final” button and then click “Submit”.
- g. If you are not the final endorser only click the “Submit” button. This brings you back to your worklist where you can “Reassign” the E-Resume. Enter the next endorser’s “Operator ID” and select “OK”. Note: Operator ID is the User ID used by a member to log on Direct Access (which may be a member’s EMPLID, initials/name or combination).
- h. If you are the final endorser, click the “Marked Worked” button to remove the E-Resume from your worklist.

**6. APPLICANT’S VIEW OF COMPLETED E-RESUME/E-INTERVIEW.**

Applicant and command comments are only viewable by the applicant and CG PSC-OPM-1. The applicant can use the “View Member Information” (Home>Self-Service>Employee>View>Member Info) procedure to view their E-Resume and completed endorsement. The applicant’s E-Resume and endorsement are located on the MBR and Command Comments tab. The endorsement is not complete if there is not a check mark in the “Final” box.

**7. PDE DESCRIPTION.**

It contains the personnel data currently in Direct Access used to determine the applicant’s eligibility for competing in the CWO Appointment Board Process. PDEs must be verified and/or corrected prior to the deadline date published in the ALCGPSC message announcing the upcoming CWO Appointment Board. Each candidate should print out a copy of their PDE from Direct Access and keep it for his/her files. The PDE will not be available once the Pre-board Eligibility List has posted.

Creditable Awards	Not applicable for CWO Appointment Board. Lists all awards used for SWE computation.

The Profile Letter is a form created by the Direct Access database, which provides each candidate his or her Evaluation Score, Evaluation Pre-board Score, Experience Pre-board Factor (Time in grade E-6 – E-9) and Total Pre-board Score. Below is a list of fields from the Profile Letter and descriptions of each.

Field Name	Description
Name, Perm Unit, and OPFAC	Self - explanatory
Warrant Specialty	Specialty the candidate applied for.
Evaluation Score	Credit based on a calculation of candidate's EERs. This score is based on EERs during the four-year period immediately prior to the 1 January deadline. This score accounts for 60% of the Pre-board score.

Field Name	Description
Evaluation Pre-board Score	<p>This score is based on:</p> <ul style="list-style-type: none"> <li>▪ Summary Performance Evaluation Data</li> <li>▪ Standard Deviation Marks Factor</li> <li>▪ Number of candidates for each specialty</li> <li>▪ If your Evaluation Pre-board Score is a negative number it means that your evaluations are <u>lower</u> than the "average" marks factor for all applicants that applied to that specialty. The candidate would receive a very low or negative number in their Evaluation Pre-board Score.</li> <li>▪ If your Evaluation Pre-board Score is a low number it probably means that your evaluations are around the "average" marks factor for all applicants that applied to that specialty. The candidate would not receive very many points in the Evaluation Pre-board Score.</li> <li>▪ If your Evaluation Pre-board Score is high it probably means that your evaluations are above the "average" marks factor for all applicants that applied to that specialty. The candidate received more points because of his/her high evaluations.</li> </ul>

## 10. PROFILE LETTER VERIFICATION.

Each eligible candidate will receive a Profile Letter from Direct Access. If incorrect data is found due to a system error, which was beyond the member’s, unit’s or SPO’s control to fix, the unit may send a message to CG PSC-OPM-1 requesting a determination and/or correction. The unit may be asked to provide supporting documentation. Requests for corrections to errors shall be sent via message or email to CG PSC-OPM-1.

## 11. REVIEW OF CG PSC PDR.

All candidates are encouraged to review their official record maintained by the Coast Guard Personnel Service Center (CG PSC-BOPS-MR) and provide copies of any authorized documents that are lacking. This can be done by:

- a. You will need to submit a [signed memo](#) for a copy of your PSC IPDR to: [ARL-PF-CGPSCENLRecords@uscg.mil](mailto:ARL-PF-CGPSCENLRecords@uscg.mil). (Global ARL-PF-CGPSC ENL Records). Please don't wait until the last minute before a board to obtain a copy of your record. We recommend sending for your record NLT three months prior to the convening of the board. This gives all concerned plenty of time to fix problems and obtain and scan anything that may be missing.

## 12. PRE-BOARD ELIGIBILITY LIST.

A list of Primary and Alternate candidates will be released via message on a date established by CG PSC-OPM-1. Applicants should log into Direct Access and verify their final Pre-board scores.   4. Ensure candidate receives final copy of OER.
  
- b. Due to the high volume of recommendation files (OERs and Resumes) being submitted, it is extremely difficult to accommodate the many phone calls requesting verification of receipt, therefore CG PSC-OPM-1 will maintain a spreadsheet located on the portal under <https://cglink.uscg.mil/a0478685>. Members will need to click on Promotions, Boards and Separations folder and then chose the CWO Appointment Process folder. This spreadsheet will include the date received, the date sent to PSC-PSD-MR, and the date scanned. Members should check often as the spreadsheet will be updated weekly.

## **16. CWO APPOINTMENT BOARD.**

The Board will meet on the date established by PSC-OPM-1. The Board normally takes two weeks. After the Board meets the board report package is prepared and routed through the chain of command to the Commandant and then to the Secretary of Homeland Security for final approval. The results normally take four to six weeks for approval.

## **17. WAIVERS.**

Except as noted in the OAEP, COMDTINST M1000.3(series), Art 1.D.2.a.6 and 1.D.2.a.13, waivers of any of the eligibility requirements will not normally be granted.

## **18. QUESTIONS.**
