5. The Board shall refer to the provisions of Sections 5.A and 14.A of reference (b) and the enclosed Commandant's Guidance to PY12 Officer Selection Boards in your development of criteria for determining the officers recommended for continuation. Section 14.A.3 of reference (b) provides four factors to consider in developing your criteria: performance, professionalism, leadership, and education.

At the end of your deliberations, all members must be able to say that the officers recommended for continuation are, in the opinion of at least a majority of the Board, the best qualified to be continued.

7. The Board shall submit a report in writing signed by all members of the Board. Except for the report of this Board, the proceedings of the Board shall not be disclosed to any person not a member of the Board.
