

FISCAL YEAR 2014 YELLOW BOOK

**The Guide for Military Personnel in the
U.S. Coast Guard Civil Engineering Program**

Published by: Office of Civil Engineering (CG-43)

INTRODUCTION

Enclosed you will find the Fiscal Year 2014 edition of the Civil Engineering Yellow Book. The Yellow Book is published annually by the Office of Civil Engineering, COMDT (CG-43) as a professional development resource, a personnel directory, and a general guide for officers interested in the Civil Engineering (CE) program. The Yellow Book is organized in the following key sections:

Section	Topic	Page
I.	Command Cadre History	2
II.	SAME Award Winner History	5
III.	Engineer of the Year History (CE Winners)	7
IV.	Program Standards for CE Officers	8
	▪ Officer Career Ladder	12
	▪ Professional Development Matrix	13
	▪ Career Progression Map	14
V.	Personnel Directory	15
	▪ All Civil Engineers (Alphabetical)	16
	▪ In Program Civil Engineers (By Unit)	33
	▪ In Program Civil Engineers (By Rank)	42
	▪ Out of Program Civil Engineers	51

As the Coast Guard's Shore Facility Manager, the Civil Engineering program relies on experienced and well-trained officers to manage large organizations and deal with complex and wide ranging issues. Long standing program standards have consistently ensured our CE officers are prepared for the most difficult assignments. All civil and ocean engineers are encouraged to utilize this document to target professional development goals, seek mentorship opportunities, and pursue career advancement opportunities.

I. CIVIL ENGINEERING COMMAND CADRE HISTORY

CHIEF, OFFICE OF CIVIL ENGINEERING

46-50 CAPT Dwight A Chase
50-55 CAPT F.R. Bellomy
55-57 CAPT Robert T. Alexander
57-61 CAPT Verne C. Gibson
61-66 CAPT Thomas R. Sargent III
66-68 CAPT John W. Moreau
68-72 CAPT John J. O'Meara
72-75 CAPT James G. Norman
75-78 CAPT Theodore J. Wojnar
78-82 CAPT John G. Stanley
82-85 CAPT Allen J. Taylor
85-89 CAPT Robert J. Swain
89-91 CAPT Henry J. Dresch
91-95 CAPT William E. Kozak
95-99 CAPT James A. Rauch
99-03 CAPT W. Patrick Layne
03-07 CAPT Jay G. Manik
07-08 CAPT Francis Dutch
08-10 CAPT Karl Calvo
10-12 CAPT Thomas Jones
12- CAPT J. Keith Ingalsbe

CHIEF, SHORE DIVISION MAINTENANCE AND LOGISTICS COMMAND (Created 1987)

MLC ATLANTIC

87-88 CDR Henry J. Dresch
88-90 CDR James M. Sherman
90-92 CAPT Edward A. Hemstreet
92-97 CAPT Kevin L. Ray
97-02 CAPT Jeffery A. Florin
02-06 CAPT Dale E. Walker
06-08 CAPT Fred Sommer
08-09 CAPT Joanne Mccaffrey

MLC PACIFIC

87-90 CAPT John F. Milbrand
90-92 CDR Charles D. Wurster
92-93 CDR Craig L. Schnappinger
93-94 CAPT Donald H. Debok
94-97 CAPT Bruce J. Good
97-02 CAPT Robert L. Lachowsky
02-06 CAPT Michael Valerio
06-09 CAPT Virginia Holtzmanbell

Decommissioned in 2009

SHORE INFRASTRUCTURE LOGISTICS CENTER (SILC)
(Created 2009)

09-11 CAPT Mark Carmel
11- CAPT James Heinz

SHORE MAINTENANCE COMMAND (SMC)
Modernization in 2009 created Command in Seattle, WA

09-13 CAPT John Hickey
Decommissioned in 2013

FACILITY DESIGN & CONSTRUCTION CENTERS (FD&CC)

FD&CC PAC

83-87 CAPT E.L. Crowell
87-90 CAPT J.H. Donahue
90-93 CAPT Jim Sherman
93-97 CAPT Charles D. Wurster
97-01 CAPT Jeff Peck
01-03 CAPT Richard F. Beseler
03-06 CAPT Virginia K. Holtzman-Bell
06-09 CAPT John Furman

FD&CC LANT

83-86 CAPT James Watt
86-89 CAPT John Wallace
89-92 CAPT Ronald Fritz
92-95 CAPT Ronald F. Silva
95-96 CAPT William Kozak
96-99 CAPT John Sprouse
99-02 CAPT Dale E. Walker
02-05 CAPT Chris D. Mills
05-08 CAPT Joanne McCaffrey
08-09 CAPT James Heinz

Modernization in 2009 combined the FD&CCs:
Command in Norfolk, VA and Detachment Seattle, WA

FD&CC

09-11 CAPT James Heinz
11- CAPT George Bonner

CIVIL ENGINEERING UNITS (CEUs)

CEU CLEVELAND

87-90 CDR John Malmrose
90-93 CDR Daniel Farrell
93-96 CDR Richard A. Koehler
96-99 CDR Brian S. White
99-02 CDR Robert E. Mobley
03-05 CDR Andrew P. Kimos
05-08 CDR Jeffery M. Peters
08-10 CDR John Healy
10-13 CDR John Lang
13- CDR Peter Carroll

CEU MIAMI

87-90 CDR Greg Magee
90-93 CDR Dennis Bohlayer
93-96 CDR Joe Milo
96-99 CDR Dale E. Walker
99-02 CDR Eric B. Brown
02-05 CAPT Richard K. Murphy
05-08 CDR Jerald L. Woloszynski
08-10 CDR Joel Dolbeck
10-13 CDR Benjamin Davis
13- CDR John Berry

CEU PROVIDENCE

91-93 R.E. Cox
93-95 CDR Jeffery A. Florin
95-98 CDR Geoffry L. Abbott
98-01 CDR Mark A. Frost
01-04 CDR Thomas W. Jones
04-07 CDR John Metcalf
07-10 CDR Michael Carosotto
10- CDR William Smith

CEU NEW YORK

85-88 CDR R.F. Riley
88-91 CDR R.T. Bartlett
91-95 CDR J.W. Norton
95-96 CDR S.D. Dilks
Decommissioned in 1996

CEU HONOLULU*

87-89 CDR Ronald Silva
89-91 CDR Bruce J. Goode
91-94 CAPT Jeffery T. Peck
94-97 CDR Bruce W. Black
97-99 CDR Larry E. Jaeger
99-02 CDR Matthew E. Cutts
02-05 CDR Robert M. Diehl
05-08 CDR Roger N. Wykle
08-09 CDR Patrick McMillin
09-10 LCDR Cesar Acosta
10-13 LCDR Andrew Wright
13- LCDR Clay McKinney

CEU JUNEAU*

87-89 CDR L.H. Howell
89-92 CDR L.F. Lanier
92-94 CDR J.A. Iltis
94-97 CDR Richard F. Beseler
97-00 CDR Brain J. Goettler
00-03 CDR Virginia K. Holtzman-Bell
03-05 CAPT Karl H. Calvo
05-07 CDR John J. Hickey
07-10 CDR David Savatgy
10-13 CDR Stephen Raney
13- CDR John Barresi

CEU OAKLAND

87-88 CDR D.A. Wilson
89-91 CDR Martin Egger
91-94 CDR Bruce Goode
94-97 CDR William P. Layne
97-00 CDR Francis A. Dutch
00-03 CDR Jay G. Manik
03-06 CDR James Heinz
06-08 CDR Thomas Hickey
08-10 CDR Robert Wilbur
10-13 CAPT Patrick McMillin
13- CAPT Thomas Gesele

*NOTE: As of Fiscal Year 2013, CEU Honolulu and CEU Juneau report up to CEU Oakland

II. SOCIETY OF AMERICAN MILITARY ENGINEERS
AWARDS FOR
“EXCELLENCE IN CIVIL ENGINEERING”

<u>Year</u>	<u>Oren Medal</u>	<u>Sargent Medal</u>	<u>Cowart Plaque (CE/FE)</u>
1968	Mr. Glen E. Logan		Third District
1969	Mr. Joe Muck		Eleventh District
1970	Mr. Gerald B. O'Hara		Twelfth District
1971	LCDR K. L. Reichelt		Eight District
1972	Mr. Byron J. Clark		Coast Guard Academy
1973	Mr. Robert G. Stafford		Seventeenth District
1974	CDR Walter E. Peterson		Seventh District
1975	CDR John R. Wells, Jr.		Fifth District
1976	Mr. Hisashi Imanaka		Activities Europe
1977	Mr. Ray McAllister		Eight District
1978	Dr. Robert G. Boggs		First District
1979	Mr. Martin J. Boivin		Fifth District
1980	CDR Harry W. Tiffany		Thirteenth District
1981	LCDR Gregory H. Magee	CWO3 Earle J. Madden, Jr.	First District
1982	Mr. David Lebofsky	MKCS Charles R. Shepherd	TRACEN Cape May
1983	CDR James M. Sherman	CWO3 Roger S. Lewis	Eighth District
1984	LCDR James M. Seagraves	CWO2 Douglas M. Carroll	Ninth District
1985	Mr. Bob D. Lamm	Mr. Harold Spraggins	Seventh District
1986	LT Thomas H Briggs	CWO2 Daniel Sathre	Fourteenth District
1987	CDR Richard Cox	CWO2 Paul D. Dangreau	FD&CC Pacific
1988	CDR John Malmrose	CWO4 Steve Jackson	SMD Miami
1989	LT Christopher D. Mills	Mr. Gene Cunningham	SMD Honolulu
1990	Mr. Frank Madison	CWO3 Robert W. Harley	CEU Cleveland
1991	CDR Richard Koehler	CWO2 Jon F. Runaas	FC&CC Pacific
1992	LCDR Daniel R. May	Mr. Nicholas Yaworski	FD&CC Atlantic
1993	Ms. Linda Lefkowitz	CWO2 Chris Johnson	CEU Providence
		CWO2 Tommy Mount	

<u>Year</u>	<u>Oren Medal</u>	<u>Sargent Medal</u>	<u>Cowart Plaque (CE/FE)</u>
1994	CDR John Miller	CWO2 John Baker	CEU Cleveland
1995	LCDR Pat Barnes	CWO3 Wayne Truax	FD&CC Pacific
1996	Mr. Alfred A. Jacobs, Jr.	CWO Richard Griewank	CEU Oakland
1997	LCDR Andrew P. Kimos	Mr. Gerald Ryan	CEU Cleveland
1998	CDR Brian White	Ms. Janice Mearoy	CEU Providence/ISC Kodiak
1999	LT John Slaughter	Mr. Azel Grasty	CEU Miami/ISC Alameda
2000	LT Jon Hickey	CWO4 Harvey Moore	CEU Providence/CG Yard
2001	Ms. Debra Chinn/LT Wade Gesele	CWO Charles Shaffer	FD&CC Pacific/AIRSTA Borinquen
2002	LT Michael Ennis	CWO Ronald Holzinger	CEU Miami/ISC Portsmouth
2003	LCDR J. Dempsey/David Hammond	CWO Daniel Reynolds	CEU Providence/Elizabeth City
2004	LCDR Ben Davis	CWO Stanley Wilczinski	CEU Cleveland/ISC Kodiak
2005	LCDR Harry Mautte	CWO John Holtzinger	CEU Miami/ISC Kodiak
2006	Mr. Dale Walker	CWO Scott Vorhees	CEU Cleveland/CG Yard
2007	Mr. Doug Sundstrom	CWO Jay Menze	CEU Oakland/ISC Kodiak
2008	LCDR Andy Brown	CWO Jim McClain	FD&CC LANT/CG Academy
2009	Mr. Tony vanWinden	Mr. Wayne Barnes	CEU Juneau/BSU Portsmouth
2010	LT Laura Smolinski	CWO Sean Cox	CEU Miami/CG Yard
2011	CDR Jason Beatty	CWO Jason Briggs	FD&CC/TRACEN Cape May
2012	LT John Adams	Mr. Daniel Meyers	CEU Providence/Base Elizabeth City

III. CG ENGINEER OF THE YEAR CE WINNERS

Year	Name	Unit
1982	Mr. Martin Boivin	Civil Eng. Branch, 13 th District
1991	LT Dan Takasugi	Support Center Seattle FE
2003	CDR Thomas Jones	CEU Providence
2006	LCDR Peter Carroll	FD&CC Pacific
2007	LCDR Dennis Evans	AIRSTA Borinquen FE
2008	CDR John Slaughter	CG Yard
2010	LCDR John Barresi	FD&CC Atlantic
2011	CDR Scott Gesele	CG Academy FE
2012	Ms. Charlotte Armstrong	CEU Miami

IV. PROGRAM STANDARDS FOR CIVIL ENGINEERING OFFICERS

Program Standards for our civil engineering officers fall into three basic categories: (1) formal education, (2) professional development, and (3) experience. The professional development matrix summarizes these 3 categories.

1. FORMAL EDUCATION:

- a) Undergraduate Degree: Civil Engineering Officers must have a Bachelors of Science (B.S.) Degree in an engineering discipline from an accredited college or university. While the majority of civil engineering officers have a B.S. in civil engineering, the program also encourages those with other engineering degrees, such as mechanical, electrical, structural and environmental to pursue a Coast Guard civil engineering specialty.

- b) Postgraduate (PG) School: Selection criteria for PG school include the officer's performance, academic record (including off-duty education), and estimated potential for completing the program. Officers selected for civil engineering PG school should expect to attend selected preferred schools for a 18 month program convening in the fall (late August) semester. Other select universities are available with the approval of CG-43. Officers completing the program usually receive a Master of Science degree in civil engineering. Degree plans for those with other than civil engineering undergrad degrees should be tied to Civil Engineering infrastructure, including HVAC, sustainable energy, electrical, and others. A 24 month dual Civil Engineering and Masters of Business Administration degree is also available at the University of Illinois or another university with CG-43 approval. Officers selected for ocean engineering PG school attain a Master of Science in ocean engineering. Program preferred schools are Oregon State University and Texas A&M.

- c) Senior Service School (SSS): As of 2012, a PG program is available for senior officers to receive a Master of Science degree in Engineering Management. Officers who already received the CE/MBA joint degree will not be eligible for this program. This 12 month program will be available for one senior officer to attend select universities; based on program research CG-43's preferred schools are at Kellogg at Northwestern, Duke University, and MIT. Officers completing this program will be assigned to challenging leadership positions in CG-43, SILC, and Product Lines. More information will be promulgated via message traffic.

- d) Off-duty Education: Officers are encouraged to pursue education during off-duty hours. Assuming that the officer has attained an engineering graduate degree, a logical follow-on would be a degree in a managerial, financial, or project management field. The completion of individual courses in a non-

degree program is also encouraged. These individual courses (continuing education) could be used to enhance one's qualification for specific billets.

- e) Professional Development Record (PDR) Update: Upon completion of any education accomplishments or licensing, submit a CG-4082 form with command signature to your servicing SPO to update your PDR. See the following link for the CG-4082 form:
http://cgweb.comdt.uscg.mil/CGForms/FORMS/CG_4082.pdf

2. **PROFESSIONAL DEVELOPMENT:**

- a) **Officer Specialty/Subspecialty Requirements (OSR).** All officers are expected to achieve an Officer's designation by the rank of LT. Officers in the Civil Engineering specialty should request either an ENG11 (Ocean Engineering) or ENG13 (Civil Engineering) by the time they are in zone for LCDR. These designations identify officers as meeting the minimum requirements to be considered as an Ocean and/or Civil Engineering Officer and are required to be considered for ENG13 billets at the more senior ranks. ENG11 officers may request to become an ENG13 at any time after they earn their initial designation. Requirements to meet the ENG11 or ENG13 designation can be seen in Appendix 1. These requirements will be reviewed and updated yearly by the Force Manager. Certification in these specialties expires 7 years from the date of designation unless additional competencies are achieved. Officers who meet all criteria and are currently serving in the O5/O6 ranks will not have their specialty expire. See COMDINST M5300.3 for additional information.

- b) "Professional development" refers to attaining the registration, licensing, non-degree training and education, or professional certifications. Engineering licensing entails passing the Fundamentals of Engineering (EIT/FE) exam, then (after completing State mandated experience requirements), passing the Professional Engineering (PE) exam. Achieving registration is a testimony to the officer's professional drive. Starting in AY15, PEs will be required for all CE Commanding Officers. Additionally, professional certifications such as Project Management Professional (PMP), Certified Facility Manager (CFM) are also encouraged. Accomplishments should be reported through formal training documents, including your Officer Evaluation Report (OER) and your official record via Record of Professional Development form, CG-4082. Other areas of professional development that are important for Civil Engineers are as follows:
 - 1) Energy Management
 - 2) Environmental Management
 - 3) Fire and Life Safety
 - 4) Infrastructure Security
 - 5) Historical Preservation and Natural Resources

- 6) Civilian Personnel Management
- 7) Real Property, Facility, and Asset Management
- 8) Planning and Budgeting

3. **EXPERIENCE:** To preserve the greatest opportunities for advancement, Officers should seek to progress through diverse positions of increasing responsibility. The program supports and encourages officers to pursue dual operational and mission support career tracks and to have sub-specialties in addition to the ENG11/13 specialty designations. Our program's goals are (1) to develop a cadre of experienced and trained engineers who will meet the needs of the service, and (2) develop senior officers with a rich background of critical thinking, problem solving and personnel skills suitable for their broad leadership responsibilities.

- a) Civil Engineering Program Officer Career Ladder: The chart which follows shows the distribution of billets within the civil engineering program.
- b) Assignment Policies: Certain guidelines which have become traditional in the civil engineering program regarding assignment decisions include the following:
 - 1) The career track for a civil engineering officer will start with an emphasis on "hands-on" engineering and will transition to a management emphasis as the officer progresses. Typically, officers completing PG school will be ordered to technical assignments (e.g., Civil Engineering Units, Facilities Design and Construction Centers, and Facilities Engineering offices). Officers completing the CE sponsored SSS should expect a follow-on assignment within CG-43 or the SILC.
 - 2) Out-of-specialty tours to pursue dual specialty and highly visible and challenging positions are favorably endorsed if program requirements can be satisfactorily met.
 - 3) Officers with ocean engineering backgrounds desiring to continue in the civil engineering program should serve in an ENG13 billet by their first O-4 tour.
 - 4) Standard CE tour lengths:

Commanding Officer	3 YRS
Executive Officer	3 YRS*
Commander	4 YRS
Lieutenant Commander	4 YRS**
Lieutenant	4 YRS**
Lieutenant (JG)	3 YRS**
Ensign	3 YRS**

*NOTE: SILC XO tours are 2 years.

**NOTE: OCONUS tours may have different lengths from 2-4 years.

5) Commanding Officer Eligibility Criteria:

ADPL Officer Commands	Grade	Sponsor	Eligibility Criteria
SILC	O-6	CG-4	<ol style="list-style-type: none"> 1. Served in at least 3 ENG13 billets including one of the following: <ol style="list-style-type: none"> a. O-5 or above Civil or Facilities Engineering billet b. Base CO/XO/Facilities Eng Dept Head 2. Must have PE or Architect certification
FD&CC	O-6	CG-4	<ol style="list-style-type: none"> 1. Served in at least 2 ENG13 billets including one of the following: <ol style="list-style-type: none"> a. O-5 or above Civil or Facilities Engineering billet b. O-5 Base CO/XO/Facilities Eng Dept Head c. Sector Logistics Dept Head 2. Must have PE or Architect certification
CEU	O-6	CG-4	<ol style="list-style-type: none"> 1. Served in at least 2 ENG13 billets including one of the following: <ol style="list-style-type: none"> a. O-5 or above Civil or Facilities Engineering billet b. O-5 Base CO/XO/Facilities Eng Dept Head c. Sector Logistics Dept Head 2. Must have PE or Architect certification
CEU	O-5	CG-4	<ol style="list-style-type: none"> 1. Served in one of the following at O-4 or above: <ol style="list-style-type: none"> a. Civil or Facilities Engineering billet b. Sector Logistics Dept Head c. Base XO/Facilities Branch or Section Chief 2. Must have PE or Architect certification
CEU	O-4	CG-4	<ol style="list-style-type: none"> 1. Served in one of the following at O-2 or above: <ol style="list-style-type: none"> a. Civil Engineering Unit b. Assistant Facilities Engineering billet c. Facilities Engineering billet d. COMDT (CG-43) billet 2. Must have PE or Architect certification

D = DESIRED H = HIGHLY DESIRED SR=STRONGLY RECOMMENDED R = REQUIRED

DEFINITIONS:

Required : These levels of education, professional development or experience **must** be considered prior to detailing a member for the position.

Strongly Recommended : Indicates a level of greater importance than Highly Desired. Licensed or certified individuals are preferred for these positions.

Highly Desired : Completion **will** enhance professional development to perform assigned duties and **may** improve selection for future promotion and assignment opportunities.

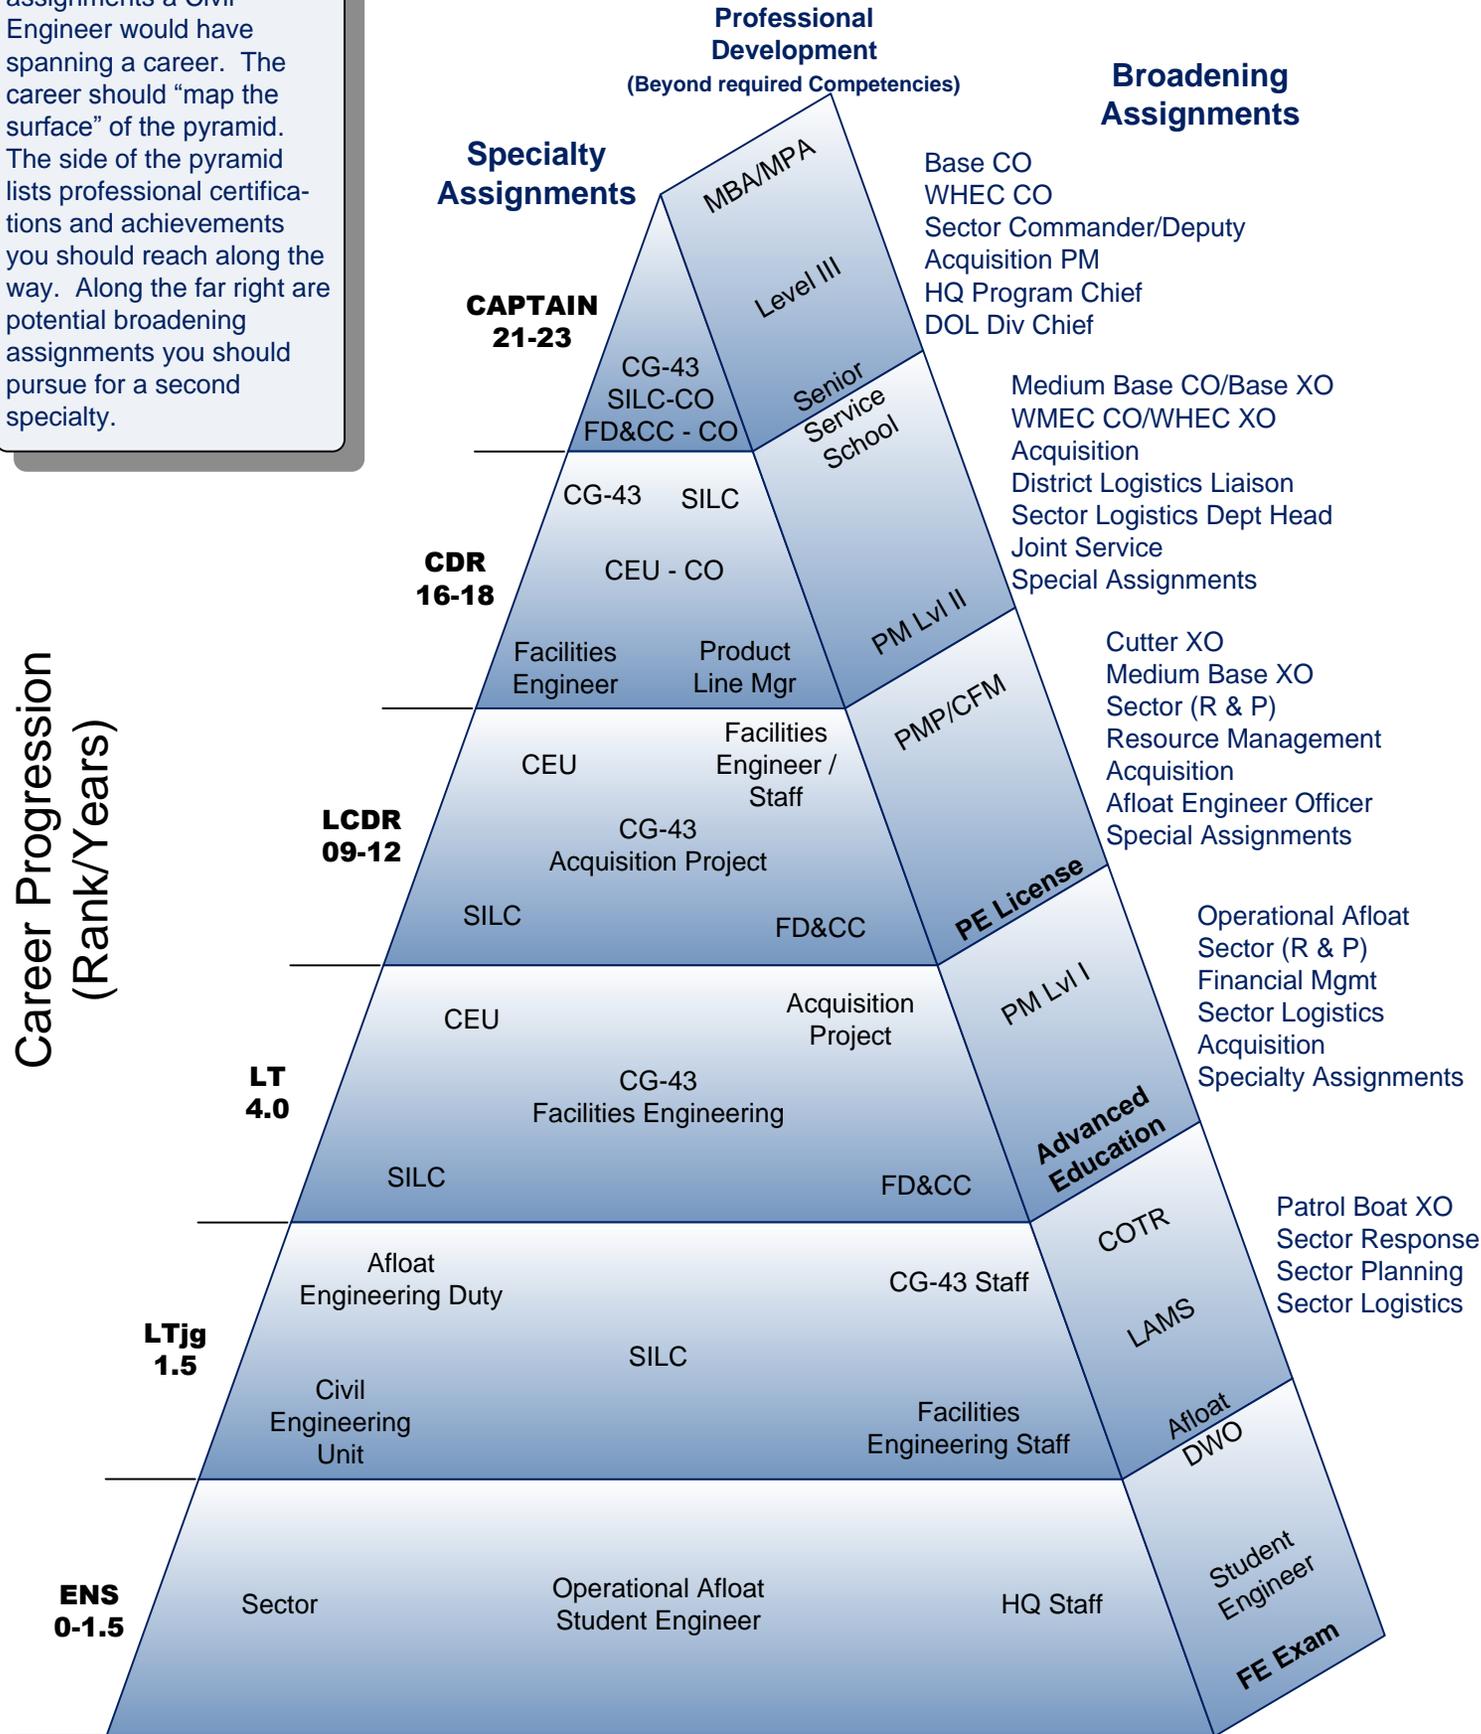

Desired : Completion **will** enhance your professional development.

Notes:

1. 40 Hrs/yr of continuing education is Highly Desired for all members in the Civil Engineering Program.

2. Position incumbents will be "Grandfathered" and therefore not required to fulfill established goal, but are encouraged to enhance their professional development.

This map represents the assignments a Civil Engineer would have spanning a career. The career should “map the surface” of the pyramid. The side of the pyramid lists professional certifications and achievements you should reach along the way. Along the far right are potential broadening assignments you should pursue for a second specialty.

CIVIL ENGINEERING (ENG-13/ENG-11)
Career Map

V. CIVIL ENGINEERING PERSONNEL DIRECTORY

The personnel data shown is extracted from Direct Access. The following lists are provided:

- All Civil Engineers (Alphabetical)
- In Program Civil Engineers (By Unit)
- In Program Civil Engineers (By Rank)
- Out of Program Civil Engineers

Abbreviations/Legend:

- COM = Commission Date
- ROT = Rotation Date

In order to update information, please send the correction form located at the end of the Yellow Book to COMDT (CG-43) POC LT Rachael Love.
