DPS Registration/Access

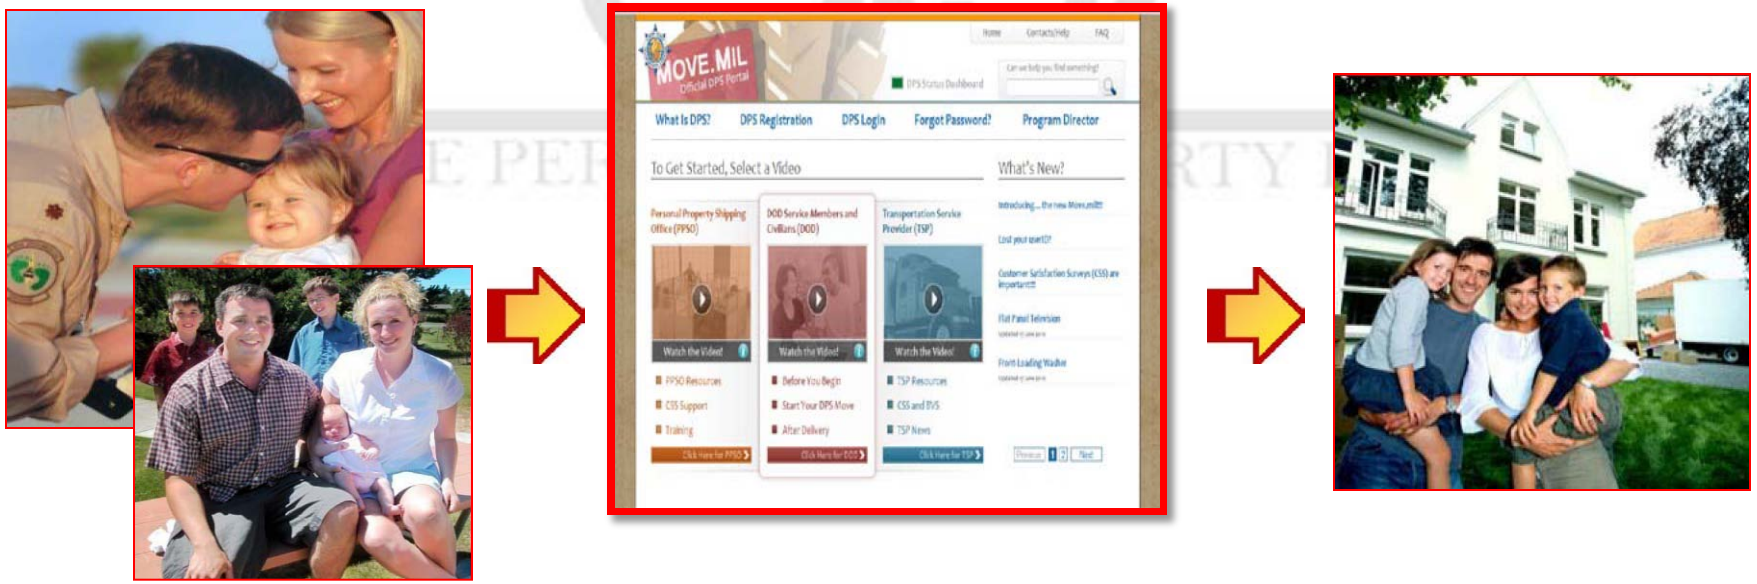
The Customer's Guide to DPS

DEFENSE PERSONAL PROPERTY PROGRAM

DPS Registration/Access

Registering for a DPS account and password is an easy process that must be accomplished to log into the system and utilize its many features. The DPS system can be accessed from any computer with internet access.

The following pages will guide you through the steps you will need to take to register for a DPS account.



DPS Registration/Access

Your first step will be to visit the DPS portal website http://www.move.mil. This is a public site and can be accessed from any computer, not just government computers.

Home: You will start on the Move.mil home page. We strongly suggest that you watch the short video before you begin!

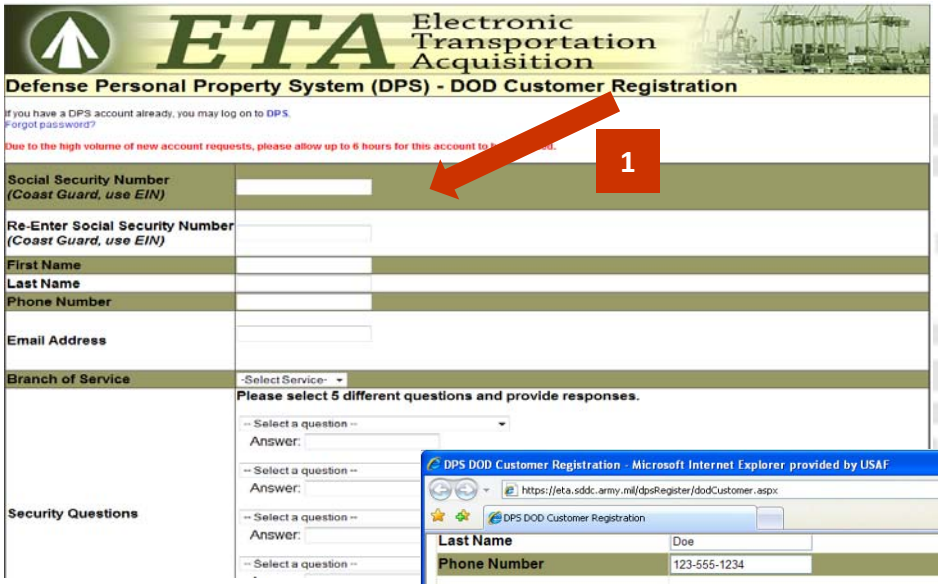
DPS Registration/Access

Step 1: Register for DPS by clicking the "DPS Registration" tab at the top of the page (1). *(This tab is available on every main Move.mil page.)*

Step 2: Click "DOD Service Member and Civilian Registration" (2) in the DPS Registration screen.

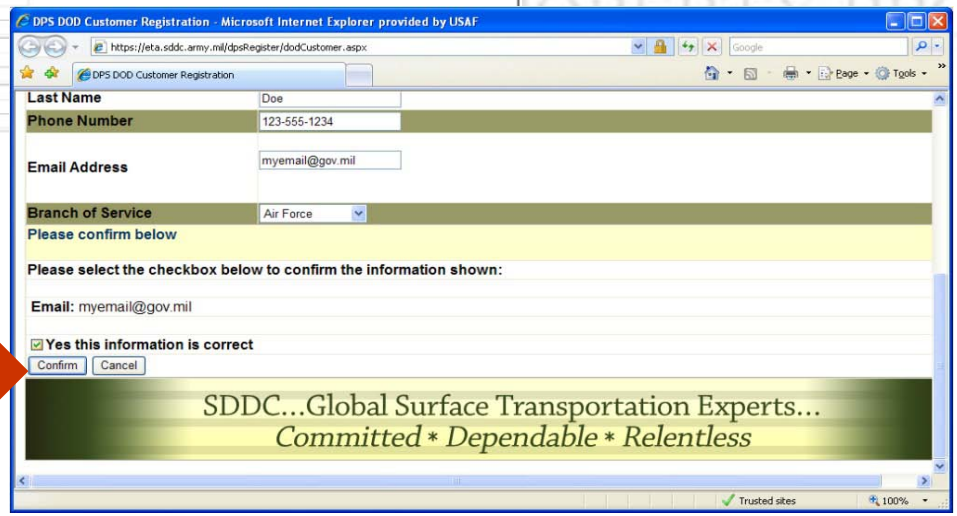
DPS Registration/Access

ETA manages the password and login process for DoD applications like DPS. This is a military secure website.



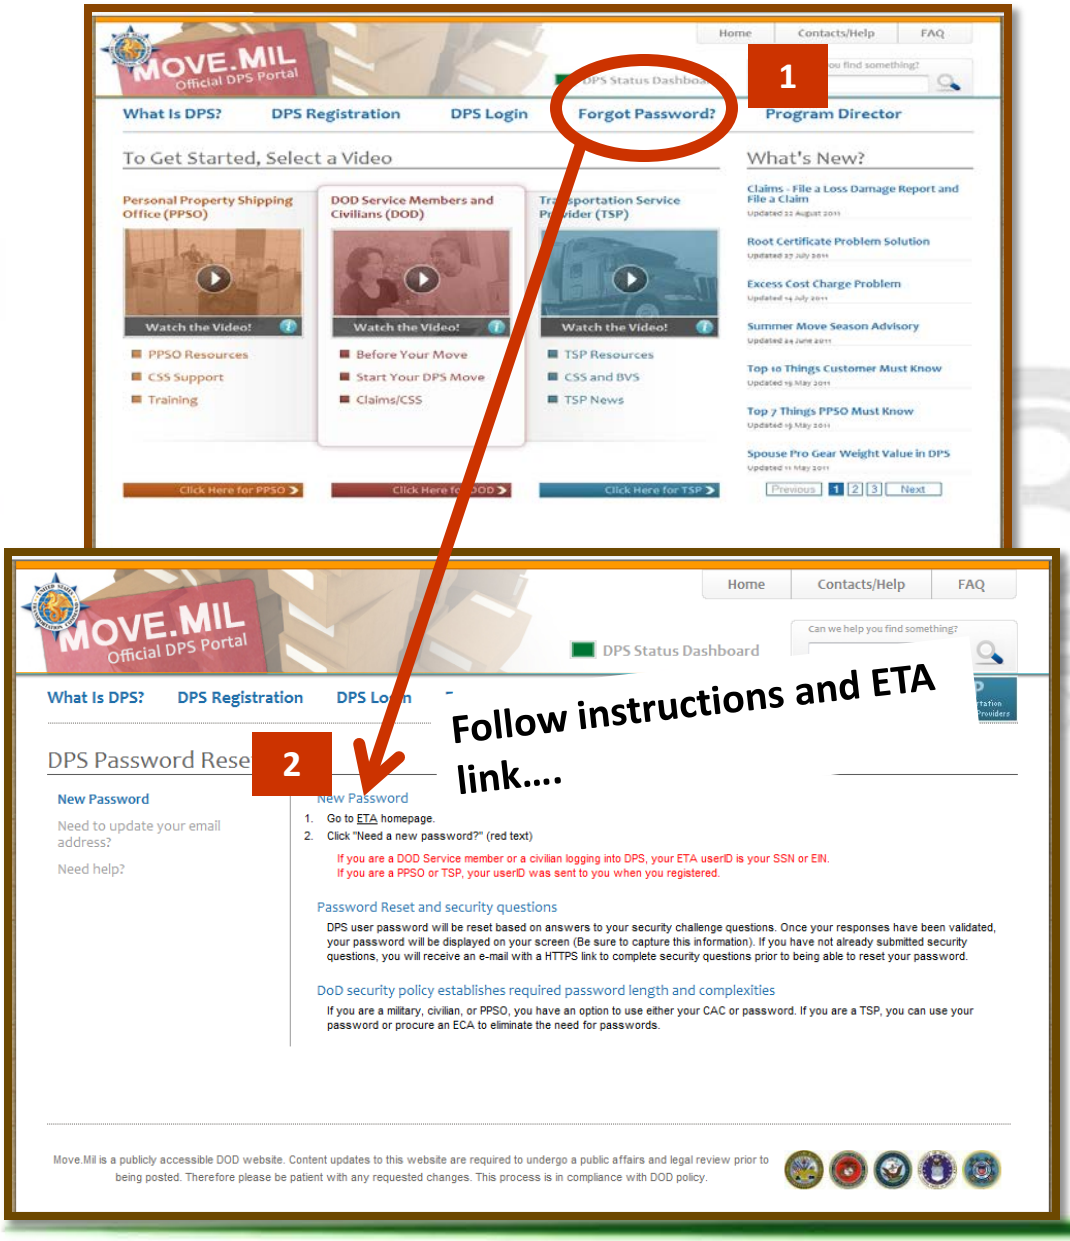
Step 1: Fill in the form, choose and answer seven security questions, then click the "Submit" button at the bottom of the page.

Step 2: The page will refresh with a final confirmation. Check the Yes block, then click the "Confirm" button.



Within 48 hours you will receive an email with an https link. Click the link, answer 2 security questions, and your password will be displayed!

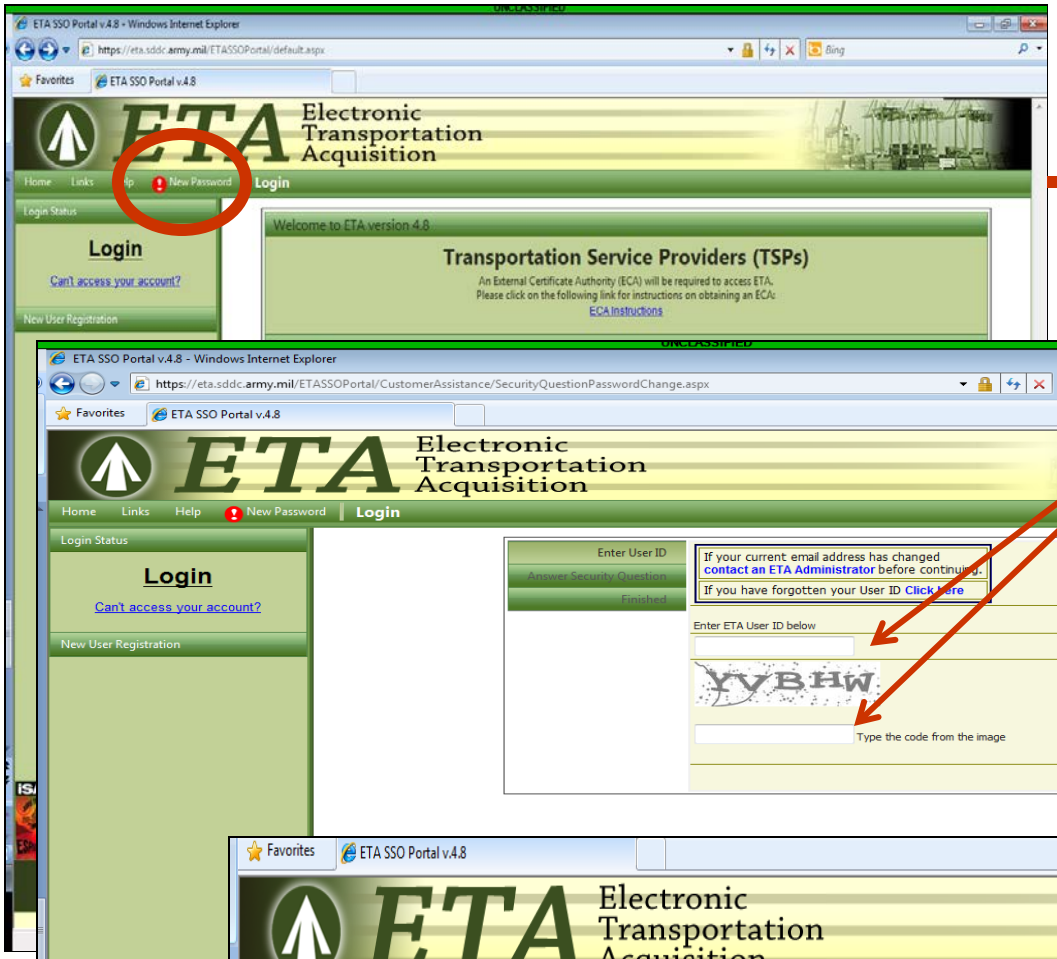
DPS New Password



Step 1: If you forget your DPS password, return to www.move.mil and click the "Forgot Password?" tab at the top of the page.

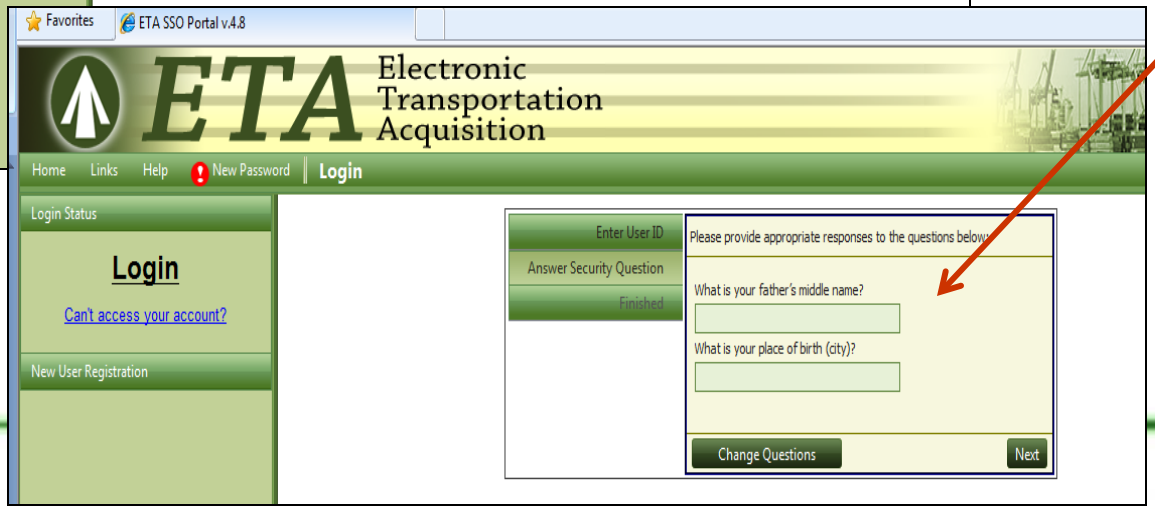
Step 2: Next, click on the ETA link. This will take you to the ETA home page (see next slide).

DPS New Password



Step 3: Click on "New Password".

Step 4: You will input your user id (SSN or EIN) and type in the displayed code.



Step 5: On the next screen, answer two of the security questions you provided when you registered. Your new password will be displayed.
