

U. S. Coast Guard
C4IT Service Center
OPEN HOUSE

WHEN:

Wednesday, November 14, 2012
8:00 a.m. – 12:30 p.m.
(Arrival on base begins at 7:00 a.m.)

WHERE:

Telecommunication and Information Systems Command (TISCOM)
7323 Telegraph Road
Alexandria, VA 22315

The C4IT Service Center is hosting an Open House to provide advance planning information to industry. This Open House will include a keynote address by the Coast Guard Chief Information Officer, and briefings by the Chief of Contracting Office and the Commanding Officers from the C4IT Service Center's Centers of Excellence (i.e., C3CEN, OSC, and TISCOM). There will be an open session at the end to meet with leaders and service-line managers. This event will provide a forum by which the C4IT Service Center can communicate its intentions and exchange useful information with industry.

Agenda: <http://www.uscg.mil/C4ITSC/>.

WHO SHOULD ATTEND?

- Federal contractors (large and small) in telecommunications, information technology, and engineering that are interested in C4IT Service Center business opportunities.
- Representatives from Small Disadvantaged Businesses, 8(a), HUB-Zone, Service Disabled Veteran Businesses, and Women-Owned Small Businesses.

REGISTRATION:

- Each individual must pre-register to attend this event. Please send e-mail notification of registration to: C4ITSC.Open.House@uscg.mil. Please provide full name, official title, company name, phone number, email address, and whether or not vehicle parking is required.
- There is no cost to attend this event; however, space is limited by to the first 300 registrants. There will be no refreshments and no meals served.
- Registration will be closed at noon on Friday, November 9, or when the attendance limit is reached.

Please note: To enter the base, each attendee must be on the registration list and present valid government-issued photo identification. Visitor parking is limited at Telecommunication and Information Systems Command (TISCOM); car pooling is encouraged. To drive on base, drivers without a valid government vehicle decal must possess:

- (1) valid insurance card
- (2) drivers license
- (3) vehicle registration

There is no Metro station within walking distance.
