

Western Great Lakes Coast Guard Reunion Request

Thanks for your (2009) Western Great Lakes Coast Guard reunion information, it was on the updated Master Reunion Listing I sent to the webmaster on 2 June. PLEASE CHECK YOUR LISTING OCCASIONALLY as we had some drop off in the past at unknown times. If your listing disappears please contact me so it can be put back up.

I have a request that possibly you can help me with; not many veterans are aware of the reunion listings on our web site. I'm sure many of your shipmates have been on other ships and may wonder if those ships have a reunion.

Would It be possible to put a note in any web site or published newsletters, you may have, telling your fellow Shipmates about the web site reunion listings? We need to get the word out to the veteran community. If you should add a TREA link on your web site please mention the Military Reunion Listings, near the link, as most veterans will not check it out unless they are retired from the military.

The Retired Enlisted Association (TREA) is providing the Military Reunion Listings as a FREE service to the veteran community. I search the internet looking for reunions and then send requests for the information to the listed POC. I sent 4,788 reunion organizations e-mails, in calendar years 2006 and 07, requesting information on their reunions, 61.5 % responded with information. We have 2,685 - 2006, and 07 listings in the archives. With the last listing update, we have 1,210 reunion listings for calendar years 2008, 2009, 2010, and 2011.

Please take a look at our web site, www.trea.org, scroll down the left side and click on Reunions/Buddies, and this will bring up the reunion page. As reunions are completed, they are transferred to the Completed Listing at the end of the month. There, they will remain as a reference point for someone looking for a unit contact. My intention is that each calendar year reunions will be individually listed.

I appreciate any help you can provide in getting the word out to the Veteran community.
