5. VIOLATION(s) (Use additional sheet, if necessary)		
A. STATUTE <i>(Cite section of USC and, if necessary, CFR)</i>	B. NATURE OF VIOLATION <i>(Describe briefly)</i>	C. PENALTY <i>(Insert penalty statute, amount allowed and against whom for each violation.)</i>

NARRATIVE SUMMARY - Give a brief yet informative statement of the facts constituting the violation. Include sketches, diagrams, physical conditions, type and location of cargo, weather and sea conditions, and other related data as applicable. Include names and addresses of witnesses and persons interviewed, and list enclosures if any. Include any pertinent information which might be helpful to reviewing officers in determining the nature of the violation, the degree of culpability, the likely effect of the case on enforcement generally, and the effect which the imposition of a penalty is likely to have on the offender. This statement should also indicate whether or not the owner or person in charge was instructed as to the requirements of the law violated. It should include any pertinent comments made regarding the violation by the owner or person in charge.
