

Defining Elements of the C4IT Service Center Logo

- The shields on the keystones represent the Civil Service holding the base of operations and the Officer and Enlisted holding the mission.
- The rope symbolizes our maritime service and binds the mission and operations firmly together.
- The 12 stars are representing the former CG elements that it took to create the C4IT SC: CG-6, HQ IT Support, MLCLant(t), MLCPac(t), TISCOM, C2Cen, OSC, ELC Lab, LSU, ESUs, ESDs, and ESDDs.
- The CG Stripe represents the U.S. Coast Guard.
- The shield with electrons circling represents everything electronic C4IT controls and supports.
- The background is blue signifying the oceans and waterways we protect.
- The World symbolizes our world-wide presence.
