

Department of Homeland Security
United States Coast Guard

Boatswains Mate Second Class Charles A. Stewart

You have been selected as the Coast Guard ANT New York Sailor of the Quarter for the period of 01 October 2006 thru 31 December 2006.

During this period you exemplified initiative, integrity, and assertiveness while assigned to ANT New York's Deck Department as the First Lieutenant. To start the quarter, you showed great dedication to the unit's morale fund by organizing the recycling project and helping ANT NY build up its morale account by \$3473.18. Your leadership, hard work and dedication did not let up as you organized and led in the much needed Buoy Yard cleanup and ensuring all of the scrap buoys in the yard were removed and the rest of the yard was re-organized. Throughout this quarter you helped ANT NY complete its yearly ATON schedule by certifying as Buoy Deck Supervisor and TEREX crane operator, taking the burden off others. Acting as ANT NY's First Lieutenant you ensured the BUSL and TANB were fully operational and ready to complete its heavy seasonal ATON run. Your positive attitude towards hard work and high standard of work ethic has rubbed off on your shipmates and has been vital in sustaining a high degree of morale. You are a superb role model for all members of ANT New York.

Your professionalism, enthusiasm and expertise are highly commendable and reflect the Coast Guard's core values of Honor, Respect, and Devotion to Duty. On behalf of the crew at ANT New York, I extend to you my sincere appreciation for a job well done. Bravo Zulu.
