

COMMISSIONING PRAYER
USCGC PENOBSCOT BAY (WTGB 107)
17 DECEMBER 1984

O LORD, I ask in thy name, bless this crew and the cutter on which they are about to serve, USCGC PENOBSCOT BAY. This new cutter and crew will forthwith perform the missions and tasks of the United States Coast Guard. Guide and protect them in their duties, for they have dedicated themselves to saving the lives of those who may be in peril upon the seas. Give courage and strength so the crew and cutter may never falter or fail to provide protection and assistance to fellow seamen in distress. Grant USCGC PENOBSCOT BAY and her crew your protection from the dangers and fury of the sea. O LORD, bless cutter PENOBSCOT BAY and all those who may serve on her that they might display the highest standards of performance in the United States Coast Guard.
