

### **ATTENTION USCG SFO SOUTHWEST HARBOR HOUSING OCCUPANTS**

Please remember that our sewage transfer tank is operated by pumps. Should these pumps get clogged, sewage WILL back up into some of the houses. To prevent this from happening, PLEASE DO NOT FLUSH ANYTHING DOWN THE TOILETS OTHER THAN WASTE AND TOILET PAPER. This means DO NOT FLUSH baby wipes, NEW toilet cleaner wipes, Clorox wipes, paper towels, sanitary napkins, napkins, etc..

**\* PLEASE DO NOT FLUSH ANYTHING DOWN THE TOILETS OTHER THAN WASTE AND TOILET PAPER \***

If your garbage disposal is not working (after resetting), please submit a Work Request form.

The Housing Office
