

**Waterway Analysis & Management System
Questionnaire for
Lake Mead and Lake Mojave (between Hoover Dam & Davis Dam)
or Lake Powell**

First, I want to emphasize that the Coast Guard is not planning any increase in staffing, or considering establishing any units on Lake Mead/ Lake Powell. This study is to address the effectiveness of the current Aids to Navigation scheme. This is your official chance to make your opinions known, you can also call or e-mail Brian Aldrich anytime (510) 437-2983, baldrich@d11.uscg.mil.
