Guard mooring ball off Malibu Ca.

# Greetings

Friends,

I hope everyone had a wonderful holiday season this year. We had a considerably busy month of December. HALIBUT started off the month with a two week deployment down in Baja, Mexico, then had a week off for Christmas, and was back underway the final week of December to bring in the New Year. Most boaters decided to stay off the water this month due to the above average rain fall California has been experiencing lately. We conducted Non-Compliant vessel training, completed a few safety boardings, and got our administration in order for the new year. As the bad weather continues to roll in this winter, we'll be standing by to respond for Search and Rescue cases. Please have a look inside and enjoy!

Best Regards,  
LT Charles Paris  
Commanding Officer

## SN JOHN BISHOP

Hails from Orlando, Fl and comes to us as a graduate from Western Kentucky College. He entered the Coast Guard on September 2008 and reports to our unit from the Aids to Navigation Team Wanchese. He has aspirations to enter the CG Aviation Field to become an Avionics Electronics Technician and then lateral over to an Air Survival Technician (Rescue Swimmer). As a former collegiate swimmer, he should have no problem. But for now, it's time for him to get qualified on board. Oh, and he won Lakers tickets directly from Magic Johnson on his first day on board!

HALIBUT must complete an annual noncompliant Vessel Use of Force Certification down in San Diego, Ca. We passed and certified two gunners.
