CGC HALIBUT conducting an Air Demonstration for a Sea Cadet Troop

# Greetings

Friends,

Greetings! Yet another month down in the books. We've been fairly busy. CGC HALIBUT conducted a Baja patrol down south which ended up turning into working for Sector San Diego. We had to miss out on our trip to Ensenada, MX, but no big deal San Diego is an awesome city! Also this month, we continued to stay active in the community hosting a few groups onboard HALIBUT. We happened to already be underway during the Japan Tsunami and ended up missing the craziness that went on with the tidal surges throughout the Californian ports. Lastly, the crew has been working hard to keep the ship in excellent working condition and ready to answer all operations. Please Enjoy!

Best Regards,  
LT Charles Paris  
Commanding Officer
