

## Certificate of Class

---

### Links to applicable regulations

[46 CFR 28.720](#)

---

### Checklist for this item

	This vessel needs a Certificate of Class unless the vessel was built before 28 July 1990 as a fish processing vessel and has not undergone a major conversion since 28 July 1990.
	Ensure the certificate of Class is not expired.
	The name of the issuing organization must be on the Certificate of Class by
	<ul style="list-style-type: none"><li>• American Bureau of Shipping (ABS), or</li><li>• A similarly qualified organization, or</li></ul>
	The original is required to be kept on board.

---

### Voyage Termination Warning

Your vessels voyage can be terminated for failing to have a valid Certificate of Class.
