

## Distress Signals (SOLAS)

---

### Links to applicable regulations

[46 CFR 28.145](#)

---

### Checklist for this item

	Check condition of the outer casing (no major dents, corrosion or leaking)
	Not expired
	Sufficient quantity as required by the checklist
	Proper Coast Guard approval numbers:
	Handheld flares 160.122
	Smoke signals 160.122
	Parachute flare 160.136
	Extra expired flares may be kept on board but must be stowed separately from the required flares and each must be marked for "drill use only".
