

Auxiliarist of the Week

Ginger Slavens, Div 5

Ginger became certified as a registered Emergency Medical Technician. Since earning her credential she set up and taught the entire teaching staff of the Nestucca Valley School District in CPR and AED skills. In Nov, 2007, Ginger put her skills to work in performing CPR on a neighbor's 13 year old. She revived the child after several minutes of work. She currently has qualification letters of pending to perform EMT services for Stations Tillamook Bay and Depoe Bay.

Automated External Defibrillator
