- None
- I am new to the surface operations program

Do you have a USCG issued mesh survival vest with knife, mirror, strobe and whistle?

- Yes
- No

Do you have a USCG issued neoprene survival hood?

- Yes
- No

Daren Lewis of Portland is the Commander of Flotilla 76. Daren has been actively involved in many aspects of the Coast Guard to include Surface Operations -- logging 90 underway hours in 2008 -- as well as leadership and management challenges.

Specifically Daren turned his technology savvy into a WEB-based tool which has allowed his division to successfully and rapidly complete an online PPE survey which produced a thorough record of the division's PPE holdings delivered in a spread-sheet format. The tool is supported by descriptive terminology and images making it easy to use and highly functional.

This innovative use of the WEB tool will ultimately assist DIRAUX account for field PPE across all 10 divisions in D13 and will be showcased across the nation as an Auxiliary best practice.
