Uniform To Report In:	Tropical Blue Long (First impression is a lasting impression)
If Sponsor Not Available, Recruit Should Ask For:	EPO, MKC Stephen Nicholson/ XO, LTJG Colleen Denny
Any Other Information A Newly Arriving Apprentice Needs To Know:	
<u>Additional Information:</u>	<p>PEA ISLAND is an excellent unit with a very tight crew. We are very heavily involved in the AMIO mission, interdicting both go fast vessels and rafts attempting to illegally bring migrants into the U.S. through South Florida. Our mission is fast paced and exciting, be prepared for late nights when we're underway.</p> <p>PEA ISLAND - STBD is also a multi-crewed WPB. That means that we co-own the cutter with another crew, in our case, CGC PEA ISLAND - PORT. We operate in 28 day cycles which include a 7 day maintenance period followed by a 21 day underway/high readiness period during which you can expect to be underway for about 17-18 days. Following the 21 days underway we conduct 7 days of maintenance with our counter-part crew and then commence a 21 day off-cycle. During our off-cycle you can expect to work out of an office located adjacent to our home berth. During our off-cycle we typically complete all our training, medical, and administrative requirements in addition to TAD opportunities and community service projects.</p> <p>Compared to other units, a SN or FN on a 110 WPB is given a significant amount of responsibility. You'll be challenged from the moment you step onboard. Remember, the first impression you make is the one that's going to last, come with the same enthusiasm you had at TRACEN Cape May. You've got an outstanding opportunity ahead of you and you'll have the chance to learn a great deal and gain exposure to the Coast Guard's most exciting missions.</p>
