May 25, 2011

Beaumont (Kansas City Southern) Railroad Bridge Neches River, mile 19.5 Beaumont, Texas

Due to unexpected difficulties, the closure of the Beaumont (Kansas City Southern) Railroad Bridge must be extended for approximately 36-hours. The bridge will remain in the down (closed) position until approximately 7:00 p.m. Friday, May 27, 2011 at which time it will return to normal operations.

During this period, the maximum vertical clearance of the bridge will be reduced from a lift span vertical clearance of 147 feet, to a fixed vertical clearance of 13 feet above mean low water.

This notice will be posted on the HOMEPORT website <http://homeport.uscg.mil>. If you have any questions or concerns, please call VTS Port Arthur at 409-719-5070 (24 hours).

A handwritten signature in green ink, appearing to read "Z. H. Pickett".

**Z. H. PICKETT
Commander, U. S. Coast Guard
Acting, Captain of the Port**
