

Visibility from the Wheelhouse of the MERCURY
A similar vessel to the LINDA E

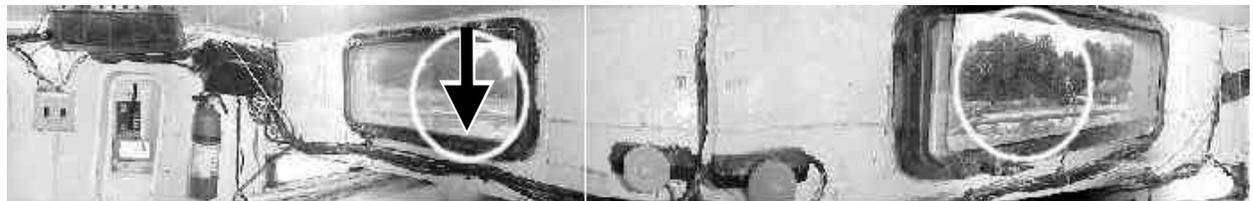

(A) View from wheelhouse seat looking forward. Note that stove exhaust stack also obscures view.

(B) View from wheelhouse seat looking to port. Note blind area aft (left) of portlight.

(C) View from wheelhouse seat looking to starboard. Note blind area aft (right) of portlight.

(D) View from wheelhouse seat looking astern. Note blind area aft of portlight. Circles indicate approximate size and location of portlights on aft bulkhead of LINDA E. Arrow indicates area of main inset on starboard quarter.
