Ref: (a) 10 U.S.C. § 1052
(b) 14 U.S.C. § 514
(d) 42 U.S.C. § 673 (c)

1. PURPOSE. This Instruction implements Reference (a) and outlines the policies/procedures for the reimbursement of adoption expenses to Coast Guard active duty members. This Instruction applies to the adoption of a child under 18 years of age.

2. ACTION. All Coast Guard unit commanders, commanding officers, officers-in-charge, deputy/assistant commandants, and chiefs of headquarters staff elements shall comply with the provisions of this Instruction. Internet release is authorized.

3. DIRECTIVES AFFECTED. Reimbursement of Adoption Expenses, COMDTINST 1754.9A, is hereby cancelled.

4. DISCLAIMER. This guidance is not a substitute for applicable legal requirements, nor is it itself a rule. It is intended to provide operational guidance for Coast Guard personnel and is not intended to, nor does it impose, legally-binding requirements on any party outside the Coast Guard.

5. DEFINITIONS. Terms used in this Instruction are defined in Enclosure (1).

6. ELIGIBILITY. This Instruction applies to all Coast Guard active duty members, including members of the Selected Reserve on active duty for at least 180 consecutive days.

7. DISCUSSION.

a. On 5 December 1991, legislation was enacted to authorize subsidizing the adoption of children under 18 years of age by active duty members of the Coast Guard (see Reference (b)).
b. Under this authority, any member who finalizes an adoption proceeding on or after 5 December 1991 is eligible to apply for reimbursement expenses.

c. An active duty member must meet the criteria set forth in this Instruction. Participation in the program is designed to assist Coast Guard active duty members with offsetting the high cost of adoption expenses.

8. **POLICY.**

a. Coast Guard active duty members and reservists must be on active duty for at least 180 consecutive days before applying for adoption reimbursement. Coast Guard service members who leave active duty or move into regular drilling status before the final adoption decree is granted are not entitled to the reimbursement. No more than one service member can be reimbursed for the expenses related to the adoption of the same child.

b. In accordance with Reference (b), an active duty or reserve Coast Guard service member who adopts a child under 18 years of age may be reimbursed authorized adoption expenses up to $2,000 per adoptive child, but no more than $5,000 per calendar year. In the case of two married service members, only one member may claim expenses for each adopted child and the couple is limited to the $5,000 per calendar year maximum.

c. In accordance with Reference (c), adoptions that qualify for reimbursement include those arranged by a qualified adoption agency. For adoptions finalized after 2 November 2007, those arranged by either a qualified adoption agency or other source authorized to place children for adoption under State or local law also qualify for reimbursement.

d. Adoptions for which expenses may be reimbursed include the adoption of a child under the age of 18, an adoption by a single person, an infant adoption, an inter-country adoption, an adoption of a child with special needs as defined in Reference (d), and adoptions finalized after 2 November 2007 that involve stepchildren adopted by a military member as defined by Reference (c).

e. Benefits may be paid only after the adoption is final and only for expenses authorized by Reference (b) incurred during the adoption process. A benefit may not be paid for any expense paid to or for a member of the Coast Guard under any other adoption benefits program administered by the Federal government or under any such program administered by a State or local government.

f. The application must be submitted within 1 year of the date the adoption becomes final.

g. Disbursements of adoption reimbursement benefits shall be supported by appropriate documentation identified in Enclosure (2). The original or copy of the member’s signed reimbursement request shall be added as supporting documentation to the disbursement voucher form.

9. **PROCEDURES.**

a. The service member must submit requests for reimbursement of qualifying reimbursement expenses using, Reimbursement Registration for Adoption Expenses Form CG-1794 (Enclosure (2)). Included with this request must be a copy of the following:

1) Documentation of the Home Study;

2) Receipts or canceled checks substantiating authorized expenses; and,
A copy of the adoption certificate or court order granting adoption; or,
Proof of the agency’s involvement, where a qualified adoption agency arranged the adoption, such as a copy of the placement agreement from the adoption agency or a letter from the adoption agency stating what services it provided, must be submitted.

b. The reimbursement request must be submitted no later than 1 year after finalization of the adoption. A separate reimbursement request shall be completed for each child whose adoption has been finalized.

c. Completed forms and supporting documentation must be scanned and emailed to HQS-SMB-FamilySupportServices@uscg.mil or mailed to:

Adoption severs all legal ties between the adoptee and his or her birth parents (except in the case of stepchildren adoptions, where one biological parent is the spouse of the adopting parent and whose legal ties to the children are therefore unabridged) and establishes such ties between the adoptee and the adoptive parents. The adoptee has the same status with his or her adoptive parents as do any non-adopted siblings.

      2. A certification of citizenship has been issued for such child under Section 322 of that Act (8 U.S.C. 1433).

4. **Qualifying Adoption Expenses.** Reasonable and necessary expenses that are directly related to the legal adoption of a child under 18 years of age, but only if such adoption is arranged by a qualified adoption agency or other source authorized to place children for adoption under State or local law. Such term does not include any expense incurred –
   a. By an adopting parent for travel; or,
   b. In connection with an adoption arranged in violation of Federal, State, or local law.

5. **Reasonable and Necessary Expenses.** The term “reasonable and necessary expenses” includes:
   a. Public and private agency fees, including adoption fees charged by an agency in a foreign country;
