

FROM: IT1 [REDACTED] (USCGC HEALY)
DATE: 13 OCT 2006
SUBJ: DATA VERIFICATION

PURSUANT TO THE WARRANT SERVED BY LCDR [REDACTED] AND LCDR [REDACTED] THE FOLLOWING INFORMATION WAS PROVIDED FROM THE SWIII NETWORK ON BOARD USCGC HEALY. A COPY OF THE WARRANT WAS RETAINED ON BOARD BY [REDACTED]

1. SWIII PROFILES

DRUSSELL PROFILE HEALY 13 OCT 06

JACKSON PROFILE HEALY 13 OCT 06

[REDACTED] PROFILE HEALY 13 OCT 06

A. THE ABOVE LISTED ACCOUNTS WERE COPIED FROM THE USCGC HEALY (WAGB-20) SWIII SERVER ON 13 OCT 2006 TO CD AND OR DVD USING THE FOLLOWING PROCESS.

B. I LOGGED INTO THE SWIII WORKSTATION IN THE RADIO ROOM (D13AW-CGCHL0402) AS EACH OF THE USERS. DURING THIS PROCESS THEIR PASSWORDS WERE ALTERED IN ORDER TO ALLOW MYSELF ACCESS WITHOUT CHANGING THE ACCOUNT IN ANY WAY, AS LOGGING IN AS AN ADMINISTRATOR REMOTELY MAY HAVE. THE SOLE PURPOSE OF THIS LOGON WAS TO MOVE ANY EMAIL, TASKS, CALENDAR, NOTES, DELETED ITEMS OR SENT ITEMS INTO AN ARCHIVE .PST FILE.

THE COMPLETE PROFILE WAS THEN COPIED FROM THE SERVER TO THE HARD DRIVE OF THE RADIO SWIII COMPUTER, TO PREVENT DATA CORRUPTION DURING THE BURNING PROCESS. EACH ACCOUNT WAS THEN INDIVIDUALLY COPIED TO EITHER CD OR DVD AND HANDED DIRECTLY TO LCDR [REDACTED] AND LCDR [REDACTED]

THESE STATEMENTS ARE TRUE AND ACCURATE TO THE BEST OF MY ABILITY AND KNOWLEDGE.
