CG FOUNDATION SPOUSE GRANT NEEDS ASSESSMENT

I appreciate all of the responses received regarding the Foundation's spouse grant needs assessment. There were close to 1500 responses and not surprisingly the overwhelming majority was in favor of such a grant. We will consider the survey closed at this point. There is a need and that will be conveyed to the Foundation. There is no timeline, however, for the establishment or implementation of this grant.

2010 ESO SYMPOSIUM

The [ESO Symposium ALCOAST 401/10](#) was released. One notable change is Mr. Vander Putten will unfortunately no longer be able to attend. See the [ESO Symposium Agenda](#) for full details.

Thanks to all of the units that submitted members for the Inspirational Student of the Year Award. The recipient will be announced along with the ESO of the Year awards at the upcoming symposium.

EDUCATION ADVISORY COUNCIL

Thank you to all who submitted applications. Just as with the ESOY, it is truly impressive to read the qualifications and experiences of our workforce. The council members have been selected. You can view the list on the CGI webpage at the CG Portal.

I am looking forward to working with this group to refine the policies and processes that affect our areas of responsibility. This group will hold its first meetings in conjunction with the ESO symposium.
