RENTAL EQUIPMENT POLICY

MWR is responsible for the maintenance of all rental items and a charge is applied to most items to off-set the cost of maintenance. A current price listing is available from the MWR office.

Rental items may be reserved a maximum of 30 days in advance.

Rental equipment may be picked up Monday through Friday from 1100 to 1630. All equipment is due by 1530. All equipment turned in after 1530 WILL HAVE an additional day's rental fee assessed against it.

Under no conditions is rental equipment to be left in the parking lot when Special Services is closed. You are responsible for the equipment until such time as it is accepted back in by the Special Services clerk.

All equipment is given to you in a clean condition and as applicable, with a full oil and or fuel tank. You are required to return the equipment in the same condition as given to you. Failure to return the material in any other condition will result in the assessment of Command authorized fees. A fee list is available at the MWR desk. Subject fees will be deducted from any damage deposit refund that may be due you.

MWR makes no claim as to the applicability of any equipment to do any specific function(s). And as such, the renter is responsible for the safe use of all equipment rented from MWR. If you are unsure of how to operate any piece of equipment you obtain from MWR, you are required to ask for complete instructions in its proper use and fueling/oil techniques. You will be provided with instructions on the basic operation of any equipment from MWR. You are responsible for the safe operation of any equipment. You are responsible for the return of the rented equipment to MWR in the same condition as you obtained it. You are responsible for any damage you have caused to the equipment rented from MWR.
