Congratulations on your orders to Coast Guard Station Michigan City!

UNITS MISSIONS: Station Michigan City's primary mission is search and rescue. Secondary missions include law enforcement, homeland security, and marine environmental protection. In the winter months we are designated as an ice capabilities unit and train for rescue operations on the ice.

TYPICAL SA/SN JOB ASSIGNMENT: Newly assigned personnel will first qualify as a Communications Watchstander. Once certified as a watchstander you will be responsible for answering distress calls from boaters among many other duties. You will then begin the qualification as a boat crewmember where you will be responsible for lookout duties, acting as a helmsman, navigation, and various rescue evolutions. You may also act as a law enforcement boarding team member. Along with the qualification process to become a duty stander you will also be assigned to jobs that include building and grounds maintenance, boat maintenance, security duties, and many other duties that are necessary for the unit to maintain its' readiness.

TYPICAL FA/FN JOB ASSIGNMENT:

Assignments will be the same as those of a SA/SN and in addition will certify as a boat engineer and perform preventative maintenance. The boat engineer is the member of the boatcrew that is responsible for ensuring that the engineering systems are in proper working order to allow our response in carrying out our missions. This additional qualification requires a good working knowledge of all of the boat systems and the ability to follow procedures to repair or minimize casualties to the boat.

WATCH TYPE AND DUTY ROTATION FOR SA/SN/FA/FN: After certification as a watchstander, typical rotation is 2 days on/2 days off with sliding weekends. (i.e. M/T duty, W/Th liberty, F/S/S duty then the following week would be M/T liberty, W/Th duty, F/S/S liberty).

STATION MICHIGAN CITY

SPECIAL PROCEDURES FOR REPORTING AFTER HOURS: No special procedures are required, duty personnel are aboard 24/7, but reporting between 0800-2100 is advised. If you are flying into the area and require transportation, please advise the unit in advance to allow for a driver to meet you at the airport.

HOW MUCH PERSONAL STORAGE SPACE (IN CUBIC FEET): Very limited. 10-20 cubic feet of basement space may be temporarily available aboard the unit. One double door duty locker is also issued.

UNIFORM NORMALLY WORN DURING THE WORKING DAY:
Operational Dress Uniform

RECOMMENDED UNIFORM ITEMS IN ADDITION TO SEABAG ISSUE: The Winter Dress Blue uniform is optional.

STATION MICHIGAN CITY

AREA OF RESPONSIBILITY: Station Michigan City’s area of responsibility (AOR) is one of the smaller, but one of the busiest on Lake Michigan. Our area is a typical hotspot for Chicago commuters and residents to spend their weekends and the Indiana National Lakeshore is a vast stretch of sand dunes along the shore which attracts visitors from all over the country.

Officially, the Station Michigan City AOR is stated as follows; “encompassed by a line from the eastern Lake Michigan shoreline at 41-53’ N, thence northwesterly to 42-04’ N, 087-00’ W thence southwesterly to shore at 87-14’ W thence easterly along the shoreline to the point of origin.”

UNIFORM TO REPORT IN: Service Dress Bravo or Tropical Blue Long

IF SPONSOR NOT AVAILABLE, RECRUIT SHOULD ASK FOR: The Executive Petty Officer (XPO) or the Officer of the Day (OOD).

LOCAL ACTIVITIES: Activities such as skiing, snowboarding, deer hunting, and ice fishing are available in the winter months. During the summer there are many activities. There is a popular beach about ¼ of a mile from the station. The local community has festivals and weekend concerts in the park adjacent to the unit’s grounds. If you enjoy fishing, there are many inland lakes as well as Lake Michigan which offers excellent fishing for King Salmon, Coho, Steelhead, and Perch. Chicago has many activities available and there is a commuter train, the South Shore Line, which will take you downtown. The South Shore Line fare is free for active duty military.
