As you review the evaluation, you may notice certain courses/schools which are not included on your final evaluation. There are a number of reasons why this happens. Some of the most frequent reasons are that the course/school:

- was not evaluated for college credit at the time of your participation.
- has not been evaluated because it does not meet the necessary criteria.
(40 contact hours, end-of-course examination, etc.)
- the course/school is conducted by an organization not recognized by the U.S. Department of Education and the the Council for Higher Education Accreditation.
