Subject: [Non-DoD Source] Deny DIBC's Permit to Build a 2nd Bridge
Date: Wednesday, February 24, 2016 9:23:46 AM

Dear Mr. Garneau,

I am absolutely against the DIBC building a 2nd span. 1. There is already too much traffic in the area which in turn creates pollution in and around my neighborhood. 2. The Moroun family have not been good neighbors. They can barely take care of what they have now.

It would be a shame to reward someone who already has a terrible track record.

Southwest says NO to the DIBC.

Thank you for your time.

Regards,
