

It has come to our attention that there is some confusion regarding the current process to request a quota in the 2013 Coast Guard Advanced Foreign Passenger Vessel Course for Cruise Lines International Association member cruise lines.

If you wish to attend a course convening in 2013, please send a request directly to the Cruise Ship National Center of Expertise at csncoe@uscg.mil providing your name, contact information, position, company representing, and preferred date if known. Please ensure that Mr. Stan Deno is copied on all requests to attend the course. The three convening dates are included below.

1. January 14-18, 2013
2. February 11-15, 2013
3. March 18-22, 2013
