Part B: Appendix 2 Appeal Guidelines for Security Related Detentions

Any party associated with a Major Control Action that wishes to dispute the validity or their association should follow the appeal procedures outlined in Title 46, Code of Federal Regulations, Subpart 1.03. Associated parties may appeal any detention within 30 days of notification. Appeals must be submitted in written format. If submitting an RSO-related major control action appeal, forward appeal letter and mitigating evidence to CG-543-2 (address on back cover). All other major control actions must be appealed first to the cognizant OCMI/COTP who issued to the order. For unit and district addresses, please refer to list and web addresses near the back of this report. If not satisfied with an OCMI/COTP decision on appeal, appeals may be forwarded to the District Commander and finally to CG-543 for final agency action.
