

Thomas Nelson Community  
College

**Associate of Applied Science in Accounting**

**STUDENT DATA:**

**NAME:** ROADMAP'S DEGREE

**SSN:** 000-00-0000

**Credit Potential  
Required Credit**

**College Composition (ENG 111) [EN024A] 3.00**

(Develops writing ability for study, work, and other areas of writing based on experience, observation, research, and reading of selected literature. Guides students in learning writing as a process: understanding audience and purpose, exploring ideas and information composing, revisions, and editing. Supports writing by integrating experiences in thinking, reading, listening, and speaking. College credit by examination may apply.)  
{DANTES Code = 11.07.00}

**Principles of Public Speaking (SPD 100) [CM001A] 3.00**

(Applies theory and principles of public address with emphasis on preparation and delivery. College credit by examination may apply.)  
{DANTES Code = 04.10.00}

**Humanities / Fine Arts Elective 3.00**

(College credit by examination may apply. Visit the TNCC website for a description of courses available.)  
{DANTES Code = 08.06.00 or most 08.XX.XX series}

**Intr to Psychology I or principles of Applied Psychology (PSY 201, 100) 3.00**

(College credit by examination may apply. Visit the TNCC website for a description of these courses.)  
{DANTES Code = 20.09.00}

**Principles of Economics I - Macro or Survey of Economics (ECO 201,120) 3.00**

(College credit by examination may apply. Visit the TNCC website for a description of these courses.)  
{DANTES Code = 20.05.00}

**Intro to Mathematics or Mathematics for Liberal Arts I (MATH 120,151) 3.00**

(College credit by examination may apply. Visit the TNCC website for a description of these courses.)  
{DANTES Code = 14.07.00}

**Basic Computer Literacy (ITE 115) 3.00**

(Covers computer concepts and Internet skills and uses a software suite which includes word processing, spreadsheet, database, and presentation software to demonstrate skills required for computer literacy.)  
{DANTES Code = 05.02.00}

<b>Health or Physical Education Electives HLT / PED</b>	<b>2.00</b>
(Visit the TNCC website for a description of these courses.)	
<b>College Success Skills (SDV 100)</b>	<b>1.00</b>
Encourages contacts with other students and staff. Assists students toward college success through information regarding effective study habits, career and academic planning, and other college resources available to students. (May include English and math placement testing. Strongly recommended for beginning students. Required for graduation.)	
<b>Payroll Accounting (ACC 124) [AC016A]</b>	<b>3.00</b>
(Presents accounting systems and methods used in computing and recording payroll taxes and compliance with federal and state legislation.)	
<b>Principles of Accounting I (ACC 211) [AC025A]</b>	<b>3.00</b>
(Presents accounting principles and their application to various businesses. Studies services, income determination, asset valuation, and financial reporting. Studies services, merchandising, and manufacturing operation, including internal controls, analysis of financial statements, cost accounting systems, and managerial concepts. College credit by examination may apply.)	
{DANTES Code = 03.01.00}	
<b>Principles of Accounting II (ACC 212) [AC025A]</b>	<b>3.00</b>
(Presents accounting principles and their application to various businesses. Studies services, income determination, asset valuation, and financial reporting. Studies services, merchandising, and manufacturing operation, including internal controls, analysis of financial statements, cost accounting systems, and managerial concepts. College credit by examination may apply.)	
{DANTES Code = 03.01.00}	
<b>Computerized Accounting (ACC 215) [AC020A]</b>	<b>3.00</b>
(Introduces the computer in solving accounting problems. Focuses on operation of computers. Presents the accounting cycle and financial statement preparation in a computerized system and other applications for financial and managerial accounting.)	
<b>Intermediate Accounting I (ACC 221) [AC002A]</b>	<b>3.00</b>
(Covers accounting principles and theory, including a review of the accounting cycle and accounting for current assets, current liabilities and investments. Introduces various accounting approaches and demonstrates the effect of these approaches on the financial statement users.)	
{DANTES Code = 03.01.07}	
<b>Intermediate Accounting II (ACC 222) [AC002A]</b>	<b>3.00</b>
(Covers accounting principles and theory, including a review of the accounting cycle and accounting for current assets, current liabilities and investments. Introduces various accounting approaches and demonstrates the effect of these approaches on the financial statement users.)	
{DANTES Code = 03.01.07}	

<b>Cost Accounting I (ACC 231) [AC003A]</b>	<b>3.00</b>
(Studies cost accounting methods and reporting as applied to job order, process, and standard cost accounting systems. Includes cost control, profit analysis, and other topics.)	
{DANTES Code = 03.01.02}	
<b>Auditing I (ACC241) [AC007A]</b>	<b>3.00</b>
(Presents techniques of investigating, interpreting, and appraising accounting records and assertions. Studies internal control design and evaluation, evidence-gathering techniques, and other topics.)	
{DANTES Code = 03.01.01}	
<b>Principles of Federal Taxation I (ACC 261) [AC008A]</b>	<b>3.00</b>
(Presents the study of federal taxation as it relates to individuals and entities. Includes tax planning compliance and reporting.)	
{DANTES Code = 03.01.05}	
<b>Introduction to Business (BUS 100) [BU001A]</b>	<b>3.00</b>
(Presents a broad introduction to the functioning of business enterprise within the U.S. economic framework. Introduces economic systems, essential elements of business organization, finance, marketing, production, and risk and human resource management. College credit by examination may apply.)	
{DANTES Code = 03.10.07}	
<b>Business Mathematics I (BUS 121) [MH071A]</b>	<b>3.00</b>
(Applies mathematical operations to business processes and problems. Reviews operations, equations, percents, sales and property taxes, insurance, checkbook and cash records, wage and payroll computations, depreciation, overhead, inventory turnover and valuation, financial statements, ratio analysis, commercial discounts, markup, and markdown. College credit by examination may apply.)	
{DANTES Code = 14.02.01}	
<b>Business Law (BUS 241) [BU002A]</b>	<b>3.00</b>
(Develops a basic understanding of the U.S. business legal environment. Introduces property and contract law, agency and partnership liability, and government regulatory law. Students will be able to apply these legal principles to landlord/tenant disputes, consumer rights issues, employment relationships, and other business transactions. College credit by examination may apply.)	
{DANTES Code = 12.01.00}	
<b>Spreadsheet Software (ITE 140) [OF034A]</b>	<b>3.00</b>
(Covers the use of spreadsheet software to create spreadsheets with formatted cells and cell ranges, control pages, multiple sheets, charts, and macros. Topics include typing and editing text in cells; entering data on multiple worksheets; working with formulas and functions; creating charts, pivot tables, and styles; inserting headers and footers; and filtering data. Covers MOS Excel objectives.)	

**Degree Related Electives**

3.00

(Degree-related electives may be selected from the following: ACC, BUS, IT, ECO, and MKT. Visit the TNCC website for a description of courses available.)

**Excess or Duplicate Credit**

**TOTAL** ..... 66.00 0.00

Thank you for requesting support from the U.S. Coast Guard Institute (CGI). Whereas we serve as an activity in support of your unit Educational Services Officer (ESO), you are encouraged to seek assistance from your local ESO in your academic endeavors. The following information is provided to help you understand what is presented in this degree plan:

This document is an UNOFFICIAL Degree Plan to provide you with a preliminary assessment of how your prior learning experiences might fit into the specified degree program for this academic institution. If you choose to pursue this degree option, you must present it to a college representative, who will review it for the following:

- o Accurate representation of the college's degree program requirements, including course numbers and titles, credit hours for each course, lower- and upper-level course requirements, and the total number of credits needed for the degree.
- o Appropriate assignment of ACE Guide-recommended credit at the lower or upper level for military service schools and occupations, CLEP, DSST, and other tests, transfer credit for courses from other colleges and universities, certification programs, etc.
- o Appropriate assignment of SOC Course Category Codes from the SOC Handbook Transferability Tables. The SOC Degree Program Handbooks can be obtained from the SOC web site at: [www.soc.aascu.org](http://www.soc.aascu.org) should you wish to learn more about the course transfer guarantees among SOC network institutions.

IMPORTANT NOTE: When you are ready to seek admission into this degree program, please send the completed enrollment form (found on the college's web page) to the USCG Institute. The registrar will send the college or university an official USCG transcript, a copy of the degree plan (if one was developed through the USCG Institute and was identified on your transcript request), and a ready-for-signature SOC Student Agreement (when signed by a college official, becomes a contract for degree completion).

Credit for all courses you have taken must be reflected on official transcripts sent directly to this college from the administrative offices of the colleges you previously attended. This degree plan is often used for information purposes by college counselors pending receipt of the official transcripts from the source colleges.

This degree plan is not intended to compete with your local college or university. Keep in mind, you are allowed to transfer in a significant amount of the degree requirements to this institution. As such, credit from local colleges, college level examination programs, or advanced military training may be applied to this

degree. You may also complete the courses necessary from this college either in residence (on campus or possibly on a military base at a campus extension in the Education Center) or through distance delivery of the courses. If you have questions, please contact the college counselor or your advisor listed at the bottom of this Degree Plan.

## DEGREE PLAN LEGEND:

SH = Semester hours  
VOC = Vocational, not relative to an academic degree  
LL = Lower Level, i.e. courses at the Freshman/Sophomore level  
UL = Upper Level, i.e. courses at the Junior/Senior level  
GL = Graduate Level (sometimes recommended by ACE for very complex courses)  
[#] such as [EN024A] or [EN024B] = SOC Course Category Codes\*  
{#} such as {DANTES Code = 01.02.03} = DANTES Academic Codes \*\*

\* SOC Course Category Codes: Service members Opportunity Colleges (SOC) is a consortium of over 1,600 accredited colleges and universities seeking to provide degree opportunities to the military. Over 170 of these institutions participate in network degree programs developed for the Army, Navy, Marine Corps, and Coast Guard. A SOC course category number beside a course from one of these institutions, such as [EN024A] or [EN024B] for English Composition, indicates that courses from other degree program institutions with the same code may be taken to satisfy the degree requirement. See the SOC Degree Programs Handbooks at <http://www.soc.aascu.org/>

\*\* DANTES Academic Codes: The Defense Activity for Non-Traditional Education Support (DANTES) publishes the DANTES Independent Study Catalog (DISC) annually, which lists more than 6,000 courses from dozens of regionally accredited colleges and universities. Because this is a degree from a SOC affiliated college, the academic residency requirements are limited, thereby allowing students to transfer in a significant portion of the degree, as mentioned above. If the course you desire to take is not offered by this institution when you want to take it, consider the opportunities the courses in the DISC present. For more information, visit [http://www.dantes.doded.mil/dantes\\_web/distancelearning/disc/front/cont.htm](http://www.dantes.doded.mil/dantes_web/distancelearning/disc/front/cont.htm) Keep in mind, you should always check with the counselor or academic advisor at this institution before enrolling in a course listed in the DISC to ensure it will be accepted in transfer toward this degree.

## Thomas Nelson Community College: General Information

The 1966 session of Virginia's General Assembly in active legislation established a statewide system of comprehensive community colleges. A local committee investigated the need for and feasibility of a community college for the region and requested the State Board for Community Colleges to approve an application to establish Thomas Nelson Community College. A site almost in the population center of the Peninsula area was selected and a local board of advisors was appointed. After the site was purchased by the City of Hampton, construction was begun on the initial phase of four buildings in August 1967, and the cornerstone was laid December 5, 1967. Construction was completed, and 1,232 students began classes on September 20, 1968. Thomas Nelson Community College graduated its first class of students with associate's degrees on June 13, 1970.

Thomas Nelson Community College is a two-year institution of higher education established as a part of a statewide system of community colleges. It primarily serves the residents of the cities of Hampton, Newport News, Poquoson, and Williamsburg, and the counties of James City and York. The college operates under policies established by the State Board for Community Colleges and with the guidance of the Thomas Nelson Community College Board.

Thomas Nelson Community College provides comprehensive arts and sciences transfer and occupational/technical programs, and workforce development that prepare students for success in the global community and workforce of the future. Through local partnerships, and by providing life-long learning opportunities, cultural activities, as well as intellectual and problem-solving resources, TNCC also enhances the quality of life for citizens in its region.

Virginia's community colleges offer a number of different ways to learn and earn academic credit. Some distance learning options do not require attendance in a traditional class on campus, while others combine the use of online learning with traditional classroom meetings. Distance learning courses provide flexibility and convenience in reaching your educational goals. However, distance learning courses are academically rigorous. They are best suited for self-motivated students who are comfortable with independent learning, students who can budget their time effectively, and students who possess good study skills.

TNCC is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools.

Tuition for in-state students \$68.00 per credit hour, for out-of-state students tuition is \$214.00 per credit hour. (subject to change)
