Any applicant who has successfully completed your 96-hour Celestial Navigation (Master Level) course who presents your Certificate of Training at a Regional Exam Center WITHIN ONE YEAR of the completion of training, will satisfy the celestial navigation examination requirements of 46 CFR 10.215(c) and 10.401(d) for any deck license up to Master Not More Than 500/1600 Gross Tons.

#### **CELESTIAL NAVIGATION (MATE LEVEL)**

Any applicant who has successfully completed your 56-hour Celestial Navigation (Mate Level) course and who presents your Certificate of Training at a Regional Exam Center WITHIN ONE YEAR of the completion of training, will satisfy the celestial navigation examination requirements of 46 CFR 10.215(c) and 10.401(d) for adding an "Upon Oceans" endorsement to any deck license up to Master Not More Than 200 Gross Tons, or to a license as Master or Mate of Uninspected Fishing Industry Vessels. This course will not satisfy any training or assessment requirements of the STCW Convention or STCW Code.

## USCG Approved Celestial Navigation Courses

---

### **CELESTIAL NAVIGATION (OPERATIONAL LEVEL)**

- Any applicant who has successfully completed your 80-hour Celestial Navigation course will satisfy EITHER the Celestial Navigation training requirements for certification as Officer in Charge of a Navigational Watch on vessels of 500 or more gross tonnage (ITC); OR if presented within one year of the completion of training, the celestial navigation examination requirements of 46 CFR 10.215(c) and 10.401(d) for any deck license up to Master Not More Than 500/1600 Gross Tons. The practical assessments in this will be accepted as the equivalent of assessments OICNW-1-1E and OICNW-1-1F from the National Assessment Guidelines for Table A-II/1 of the STCW Code, applicants who have successfully completed your course need not present completed "Control Sheets" for these two assessments in application for STCW certification. In addition, any approved instructor is authorized to sign-off for a successful demonstration on the students' "Control Sheets" for assessment OICNW-1-1A from the National Assessment Guidelines for Table A-II/1 of the STCW Code.
