

Vincennes University

Associate in Applied Science in General Studies (SOC)

STUDENT DATA:

NAME: ROADMAP'S DEGREE

SSN: 000-00-0000

Credit Potential
Required Credit

English Composition I (ENGL-101) [EN024A]

3.00

(Prerequisites: Successful completion of READ 009 and ENGL 009 (or ENGL 011), or recentered SAT Verbal score of (R)370 or greater, or appropriate placement test scores. ENGL 009 or 011 must be completed with a grade of C or better. English Composition I is a college level course in writing designed to help students develop their ability to think, to organize, and to express their ideas clearly and effectively. Emphasis is placed on the various forms of expository writing such as process, description, narration, comparison, analysis, persuasion, and argumentation. Numerous in-class writing assignments are required in addition to extended essays written outside of class. Required of all students. This requirement may be filled with college credit by examination.)

{DANTES Code = 11.07.00}

Mathematics Electives

3.00

(Mathematics Course List

MATH 101 Intermediate Algebra
MATH 102 College Algebra

{DANTES Code = any 14.XX.XX series}

Speech or Interpersonal Communication (SPCH 143 or 148) [CM001A,CM003A]

3.00

(Speech I - Prerequisites: Successful completion of READ 009 and ENGL 009, or recentered SAT Verbal score of (R)370 or greater, or appropriate placement test scores. Introduces fundamental concepts and skills for effective public speaking including audience analysis, outlining, research, delivery, critical listening and evaluation, and the use of visual

aids/technology. or
 Interpersonal Communication - Prerequisites: Successful completion of READ 009 and ENGL 009, or recentered SAT Verbal score of (R)370 or greater, or appropriate placement test scores. A course providing theory, actual practice, and criticism for examining and changing human interactions in work, family, and social contexts. The course will focus on perception, message encoding and decoding, feedback, listening skills, causes for communication breakdowns, and other elements affecting interpersonal communication. This requirement may be filled with college credit for military training.)
 {DANTES Code = 04.10.00}

Natural Sciences Elective**3.00**

(Recommended courses include EARTH 100 or CHEM 107, each of which render 4 credit hours.

Laboratory Sciences

CHEM/CHML 100 Elementary Chemistry
 CHEM/CHML 101 Elementary Organic Chemistry and Biochemistry
 CHEM/CHML 103 Introduction to Chemistry
 CHEM 104 Consumer Science

TOTAL **62.00** **39.00**

Thank you for requesting support from the U.S. Coast Guard Institute (CGI). Whereas we serve as an activity in support of your unit Educational Services Officer (ESO), you are encouraged to seek assistance from your local ESO in your academic endeavors. The following information is provided to help you understand what is presented in this degree plan:

This document is an UNOFFICIAL Degree Plan to provide you with a preliminary assessment of how your prior learning experiences might fit into the specified degree program for this academic institution. If you choose to pursue this degree option, you must present it to a college representative, who will review it for the following:

- o Accurate representation of the college's degree program requirements, including course numbers and titles, credit hours for each course, lower- and upper-level course requirements, and the total number of credits needed for the degree.

- o Appropriate assignment of ACE Guide-recommended credit at the lower or upper level for military service schools and occupations, CLEP, DSST, and other tests, transfer credit for courses from other colleges and universities, certification programs, etc.

- o Appropriate assignment of SOC Course Category Codes from the SOC Handbook Transferability Tables. The SOC Degree Program Handbooks can be obtained from the SOC web site at: www.soc.aascu.org should you wish to learn more about the course transfer guarantees among SOC network institutions.

IMPORTANT NOTE: When you are ready to seek admission into this degree program, please send the completed enrollment form (found on the college's web page) to the USCG Institute. The registrar will send the college or university an official USCG

transcript, a copy of the degree plan (if one was developed through the USCG Institute and was identified on your transcript request), and a ready-for-signature SOC Student Agreement (when signed by a college official, becomes a contract for degree completion).

Credit for all courses you have taken must be reflected on official transcripts sent directly to this college from the administrative offices of the colleges you previously attended. This degree plan is often used for information purposes by college counselors pending receipt of the official transcripts from the source colleges.

This degree plan is not intended to compete with your local college or university. Keep in mind, you are allowed to transfer in a significant amount of the degree requirements to this institution. As such, credit from local colleges, college level examination programs, or advanced military training may be applied to this degree. You may also complete the courses necessary from this college either in residence (on campus or possibly on a military base at a campus extension in the Education Center) or through distance delivery of the courses. If you have questions, please contact the college counselor or your advisor listed at the bottom of this Degree Plan.

DEGREE PLAN LEGEND:

SH = Semester hours
VOC = Vocational, not relative to an academic degree
LL = Lower Level, i.e. courses at the Freshman/Sophomore level
UL = Upper Level, i.e. courses at the Junior/Senior level
GL = Graduate Level (sometimes recommended by ACE for very complex courses)
[#] such as [EN024A] or [EN024B] = SOC Course Category Codes*
{#} such as {DANTES Code = 01.02.03} = DANTES Academic Codes **

* SOC Course Category Codes: Service members Opportunity Colleges (SOC) is a consortium of over 1,600 accredited colleges and universities seeking to provide degree opportunities to the military. Over 170 of these institutions participate in network degree programs developed for the Army, Navy, Marine Corps, and Coast Guard. A SOC course category number beside a course from one of these institutions, such as [EN024A] or [EN024B] for English Composition, indicates that courses from other degree program institutions with the same code may be taken to satisfy the degree requirement. See the SOC Degree Programs Handbooks at <http://www.soc.aascu.org/>

** DANTES Academic Codes: The Defense Activity for Non-Traditional Education Support (DANTES) publishes the DANTES Independent Study Catalog (DISC) annually, which lists more than 6,000 courses from dozens of regionally accredited colleges and universities. Because this is a degree from a SOC affiliated college, the academic residency requirements are limited, thereby allowing students to transfer in a significant portion of the degree, as mentioned above. If the course you desire to take is not offered by this institution when you want to take it, consider the opportunities the courses in the DISC present. For more information, visit http://www.dantes.doded.mil/dantes_web/distancelearning/disc/front/cont.htm Keep in mind, you should always check with the counselor or academic advisor at this institution before enrolling in a course listed in the DISC to ensure it will be accepted in transfer toward this degree.

Vincennes University (VU) General Information

Vincennes University continues to offer the lowest tuition of any residential college in Indiana, yet they've been named by Yahoo! Magazine as one of the "most-wired" colleges in the nation. They bring educational opportunity to individuals who may not have access to classes on a college campus. Their goal is to provide quality courses and services for individuals who need flexibility in meeting their educational objectives.

The Distance Education Program serves students who:

- wish to re-enter higher education in order to complete a degree or certificate
- desire to begin a college degree or certificate program
- need to complete selected courses for personal improvement or job enhancement
- are pursuing a degree, but need to complete some courses through distance delivery

- Delivery Choices:
 - C - Correspondence
 - C/V - Correspondence with video
 - I - Internet Open Enrollment
 - ISB - Internet Semester-based
 - I/V - Internet with video
 - M - Multimedia
 - TV - Satellite TV
 - TW - Two-way video

The Military Education Program provides military students with:

- Academic advising for degree completion
- Evaluation of military experience for college credit based on the American Counsel on Education's recommendations
- Evaluations are completed after students successfully complete one course through VU.
- No charge for initial military experience evaluation.
- \$30.00 charge for re-evaluation at future date unless active student.

Effective Catalog: The effective catalog (degree requirements) for a student is the current catalog for the first semester for which the student has registered for class at Vincennes University. That catalog remains effective catalog for the student unless the student doesn't register in at least one class within a period of sixteen months. The program coordinator and program director may agree to extend the sixteen-month period for a particular student in case of emergency or hardship, thereby allowing the student to keep the original effective catalog.

For those who have served in more than one service or have held multiple MOS/Rating/AFSC's, additional credit may have been earned so as to enable one to be closer to degree completion - check your assessment to ensure all have been listed. Credit for Duty or Secondary MOS may also apply to this degree. Contact your counselor for more information if this applies to you.

A SOC Contract for Degree Completion with this institution may be entered after

completing 1 course through them.

Tuition \$144.66 per credit hour: Distance Education Program (subject to change)

Tuition \$151.00 per credit hour: Military Education Program - On-site classes

To discuss your next step toward earning this degree with VU, contact:

Matt Schwartz

Director, Military Education Program

Vincennes University

1002 N. 1st Street

800-468-7480 (toll-free Military Education Program)

Fax : 812-888-5862

mschwartz@vinu.edu

www.vinu.edu

POLICY NOTES:

The maximum amount of college level testing credit accepted by VU is 47 semester hours.

Residency requirement:

- 15 semester hours of college coursework, 6 of which must be taken through VU
- VU will accept transfer credit from regionally accredited institutions with a grade of C or above.
- Non-traditional credit accepted by VU may include up to 47 semester hours of military credit or college level testing.

This institution values non-traditional learning experiences and awards credit for college level examinations, military training and experiences, corporate and government training; thereby saving students a substantial amount of time and money. In fact, we project 39 hours of college credit for your non-traditional learning may be applied to this degree, thereby saving you 741 hours of classroom time, \$7,410.00 in tuition, and approximately \$858.00 in textbook and material costs.

Evaluation completed by: Charles Morrison
