testing using the normal, Student-t, and F distributions; linear correlation and regression; and the Chi-square distribution. MATH 281 is recommended for students transferring to a four-year institution.)
{DANTES Code = 14.07.00 or 14.09.00 or 14.09.06}

Introduction to Microcomputer Business Applications (CIS 110) 3.00

(Prereq: Keyboarding proficiency of 35 wpm or better. An abbreviated version of CIS 121 designed specifically for non-CIS/DDSGN majors. Introduction to the fundamentals of a computer, including the information processing cycle. Survey of computer technology, computer nomenclature, and the use of computers as productivity tools. Lab assignments using current microcomputer-based application programs allow the student to interact with computer technology, hardware, and Internet.)
{DANTES Code = 05.03.04 or 05.03.03}

Introduction to Ethics (PHIL 150) [PL081A] 5.00

(College credit by examination may apply. Visit the PC website for a description of this course.)
{DANTES Code = 17.05.00}

Introduction to News Writing or Language Elective (JOURN 102) 5.00

(JOURN 102 Prereq: ENGL 101 or placement at ENGL 101 level. A study of the basic forms and styles of various newswriting techniques and mechanics. Writing exercises in basic newswriting, as well as work in news gathering, interview techniques, copy assimilation, copy editing, headline writing and other roles of the reporter.

or

Students planning to transfer to a four-year institution who lack two years of high school study of a single foreign language should take one quarter of foreign language as a Humanities elective. Four-year institutions may require 3 quarters.)
{DANTES Code = 11.26.00}

Human Anatomy and Physiology for Non-Science Majors (BIOL 118) [BL022A] 5.00

(A comprehensive study of the human body, its parts and how they work. A non-laboratory course appropriate for non-science majors or for students beginning study in life sciences. College credit by examination may apply.)
{DANTES Code = 16.12.05}

Wellness (HSCI 210) 5.00 4.50

(A comprehensive study of human wellness including adequate fitness, nutrition, stress management, disease prevention, sexual wellness, spirituality, smoking cessation, substance abuse, weight control, cardiovascular endurance assessment, and metabolic pathways and systems. Lab Included)
{DANTES Code = 10.05.00}

Beginning swimming	LL	1.50
Boating/seamanship	LL	1.50
Personal fitness/conditioning	LL	1.50

Natural Science Electives	5.00
(Choose at least one science course other than biology or health science that meets the AAS distribution requirement. College credit by examination may apply. Visit the PC website for a listing and description of these courses.)	
{DANTES Code = 16.13.00 or 16.99.00 or most 16.XX.XX series}	
General Psychology (PSYCH 110) [PS101A]	5.00
(Scientific study of animal behavior and experience. Both biological and social basics of behavior are covered with emphasis on heredity, neurology, motivation, emotion, perception, cognition, learning and intelligence. College credit by examination may apply.)	
{DANTES Code = 20.09.00}	
Survey of Sociology (SOC 110) [SO001A]	5.00
(Group life of humans in their environment: Culture, institutions, collective behavior and social interaction. College credit by examination may apply.)	
{DANTES Code = 20.10.00}	
State and Local Government (POLS 230)	5.00
(POLS 230 Politics and policy making at the state and local level in the United States federal system. College credit by examination may apply.)	
{DANTES Code = 20.08.01}	
Criminal Justice Requirements	
Criminal Justice in America (CJ 110) [CJ101A]	5.00
(An examination of the Criminal Justice process with specific emphasis on structures, functions and actors of U.S. state and federal courts. College credit by examination may apply.)	
{DANTES Code = 12.01.00}	
Corrections in America (CJ 140) [CJ401A]	5.00
(A broad overview of the theories, practices, and employment prospects in the correctional field in the United States.)	
{DANTES Code = 12.03.04}	
Police in America (CJ 150) [CJ202A]	5.00
(An examination of the history and roles of the police and the social, political, organizational, and legal environment within which the police perform those roles in modern United States of America.)	
Crime and Justice The Issues (CJ 200)	5.00
(An examination of the history and roles of the police and the social, political, organizational, and legal environment within which the police perform those roles in modern United States of America.)

(An examination of the history and roles of the police and the social, political, organizational, and legal environment within which the police perform those roles in modern United States of America.)	
{DANTES Code = 12.03.07}	

Criminal Justice Work Based Learning (CJ 252)	5.00	
(Prereq: Program Coordinator/Instructor Approval Required. On the job experience in a criminal justice agency that allows students to apply first hand criminal justice theories to practice.)		
Criminal Justice Electives	10.00	10.00
College credit by examination may apply. Visit the PC website for a description of courses available.)		
Criminal evidence and procedures	LL	4.50
Criminal investigations	LL	4.50
Crime scene investigation	LL	1.50
Excess or Duplicate Credit		
Field experience in management	UL	4.50
Personnel management	UL	4.50
Personnel supervision	LL	4.50
Homeland Security	UL	4.50
Investigative operations or law enforcement	LL	4.50
Law enforcement	UL	4.50
Military science	LL	3.00
Personal health and first aid	LL	1.50
TOTAL	103	14.50

Thank you for requesting support from the U.S. Coast Guard Institute (CGI). Whereas we serve as an activity in support of your unit Educational Services Officer (ESO), you are encouraged to seek assistance from your local ESO in your academic endeavors. The following information is provided to help you understand what is presented in this degree plan:

This document is an UNOFFICIAL Degree Plan to provide you with a preliminary assessment of how your prior learning experiences might fit into the specified degree program for this academic institution. If you choose to pursue this degree option, you must present it to a college representative, who will review it for the following:

- o Accurate representation of the college's degree program requirements, including course numbers and titles, credit hours for each course, lower- and upper-level course requirements, and the total number of credits needed for the degree.

- o Appropriate assignment of ACE Guide-recommended credit at the lower or upper level for military service schools and occupations, CLEP, DSST, and other tests, transfer credit for courses from other colleges and universities, certification programs, etc.

- o Appropriate assignment of SOC Course Category Codes from the SOC Handbook Transferability Tables. The SOC Degree Program Handbooks can be obtained from the SOC web site at: www.soc.aascu.org should you wish to learn more about the course transfer guarantees among SOC network institutions.

IMPORTANT NOTE: When you are ready to seek admission into this degree program, please send the completed enrollment form (found on the college's web page) to the USCG Institute. The registrar will send the college or university an official USCG

transcript, a copy of the degree plan (if one was developed through the USCG Institute and was identified on your transcript request), and a ready-for-signature SOC Student Agreement (when signed by a college official, becomes a contract for degree completion).

Credit for all courses you have taken must be reflected on official transcripts sent directly to this college from the administrative offices of the colleges you previously attended. This degree plan is often used for information purposes by college counselors pending receipt of the official transcripts from the source colleges.

This degree plan is not intended to compete with your local college or university. Keep in mind, you are allowed to transfer in a significant amount of the degree requirements to this institution. As such, credit from local colleges, college level examination programs, or advanced military training may be applied to this degree. You may also complete the courses necessary from this college either in residence (on campus or possibly on a military base at a campus extension in the Education Center) or through distance delivery of the courses. If you have questions, please contact the college counselor or your advisor listed at the bottom of this Degree Plan.

DEGREE PLAN LEGEND:

SH = Semester hours
VOC = Vocational, not relative to an academic degree
LL = Lower Level, i.e. courses at the Freshman/Sophomore level
UL = Upper Level, i.e. courses at the Junior/Senior level
GL = Graduate Level (sometimes recommended by ACE for very complex courses)
[#] such as [EN024A] or [EN024B] = SOC Course Category Codes*
{#} such as {DANTES Code = 01.02.03} = DANTES Academic Codes **

* SOC Course Category Codes: Service members Opportunity Colleges (SOC) is a consortium of over 1,600 accredited colleges and universities seeking to provide degree opportunities to the military. Over 170 of these institutions participate in network degree programs developed for the Army, Navy, Marine Corps, and Coast Guard. A SOC course category number beside a course from one of these institutions, such as [EN024A] or [EN024B] for English Composition, indicates that courses from other degree program institutions with the same code may be taken to satisfy the degree requirement. See the SOC Degree Programs Handbooks at <http://www.soc.aascu.org/>

** DANTES Academic Codes: The Defense Activity for Non-Traditional Education Support (DANTES) publishes the DANTES Independent Study Catalog (DISC) annually, which lists more than 6,000 courses from dozens of regionally accredited colleges and universities. Because this is a degree from a SOC affiliated college, the academic residency requirements are limited, thereby allowing students to transfer in a significant portion of the degree, as mentioned above. If the course you desire to take is not offered by this institution when you want to take it, consider the opportunities the courses in the DISC present. For more information, visit http://www.dantes.doded.mil/dantes_web/distancelearning/disc/front/cont.htm Keep in mind, you should always check with the counselor or academic advisor at this institution before enrolling in a course listed in the DISC to ensure it will be accepted in transfer toward this degree.

Pierce College General Information:

Pierce College opened in 1967 as Clover Park Community College, and its administrative offices and library were housed in an abandoned grocery store. A local school district operated the college, and instructors held classes throughout Pierce County at area high schools, military bases and hospitals.

The Pierce College District is located in Pierce County, Washington, approximately 30 miles south of Seattle. The Pierce District has colleges in Lakewood and Puyallup about 10 miles south and east of Tacoma, respectively. Both colleges command views of Mount Rainier.

The Pierce District is two community colleges and an extended learning program, serving nearly 30,000 individuals each year. Pierce is one of the largest educational providers in the state, and is nationally ranked in degrees conferred. The Pierce College District offers programs that transfer courses parallel to the first two years of university and four-year college work, and Vocational degrees and certificate programs for training or retraining in a variety of job fields. It is the goal of Pierce College to prepare students to live and work in a dynamically changing world by emphasizing whole-student development and hands-on learning. Through experiences both in and out of the classroom, you'll be given the opportunity to broaden your horizons and be challenged in ways that encourage the development of the abilities vital to succeeding in life.

Pierce College Distance Learning program. I think that you will find courses rewarding, but challenging. Online education is exciting because many people who would like to take courses have other responsibilities, like caring for young people, working, or simply having a full schedule. Online education allows you to pursue your educational goals from home, at hours that are convenient for you.

The cost for resident tuition is \$69.35 per credit hour, and \$82.55 per credit hour for non-resident.
