

Barton County Community
College

Associate in Science in Business

STUDENT DATA:

NAME: ROADMAP'S DEGREE

SSN: 000-00-0000

Credit Potential
Required Credit

English Composition I (ENGL 1204)

3.00

(An approach to purposeful writing stressing self-expression through written communication by logical presentation of ideas with emphasis on content, organization, and mechanics. Note: Assessment testing is required to determine English readiness. College credit by examination may apply - the CLEP General Examination with Essay may be accepted at or above the 50th percentile.)

{DANTES Code = 11.07.00}

English Composition II (ENGL 1206)

3.00

(This course builds on the skills mastered in the pre-requisite course and is a study of advanced problems in composition, emphasizing rhetorical and logical tools in argument development. A series of essays on controversial issues or problems, which lead to a final documented research essay, will train students both to interpret evidence well and to argue persuasively. The course will increase the student's ability to analyze and evaluate arguments and to express ideas clearly, concisely, logically and persuasively. Note: Assessment testing is required to determine English readiness. College credit by examination may apply - the CLEP General Examination with Essay may be accepted at or above the 50th percentile.)

{DANTES Code = 11.07.00}

Communications Requirement

3.00

(Select one of the below courses:

Public Speaking (COMM 1230)

Interpersonal Communications (COMM 1200)

Organizational Communications (COMM 1220)

Visit the BCCC website for a description of these courses.)

{DANTES Code = 04.10.00 or 04.10.05}

College Algebra (MATH 1828)

3.00

(A study of equations and inequalities, systems of equations and inequalities, functions and graphs, complex numbers, and an introduction to matrices and determinants. Additional topics may include elements of theory of equations and mathematical induction. College credit by examination may apply.)

{DANTES Code = 14.01.00}

Physical Science Requirement

10.00

(Must include 5 hours with Lab. Consider taking two or three of the following courses:

PHSC1400 Physical Science with Lab
CHEM 1806 College Chemistry I
LIFE 1406 Principles of Biology
LIFE 1413 Environmental Science
LIFE 1414 Environmental Science Lab
BUSI 1609 Business Statistics
MATH 1839 Business Calculus

College credit by examination may apply. Visit the BCCC website for a description of these courses.)

Philosophy/Religion/History Elective

3.00

(Select one course from the following:

Introduction to Philosophy (PHIL 1602)
American History to 1877 (HIST 1400)
American History 1877 to Present (HIST 1402)
Western Civilization to 1500 (HIST 1408)
Wester Civilization 1500 to Present (HIST 1410)
American Military History (HIST 1416)

College credit by examination may apply. Visit the BCCC website for a description of these courses.)

Language and Fine Arts Elective

3.00

(Select one of the following courses:

Art Appreciation (ARTS 1200)
Creative Writing (ENGL 1216)
Introduction to Literature (LITR 1210)
Short Story (LITR 1212)
Introduction to Drama (LITR 1228)
Introduction to Music (MUSI 1002)
Introduction to Theater (THEA 1300)

College credit by examination may apply. Visit the BCCC website for a description of these courses.)

Social Science Elective

3.00

(Select from the below list:

World and Regional Geography (ANTH 1819)
Introduction to Sociology (SOC1 1100)
Cross Cultural Awareness (SOC1 1129)

College credit by examination may apply. Visit the BCCC website for a description of these courses.)

Behavioral Science Elective

3.00

(Select from the below list of courses:

General Psychology (PSYC 1000)
Introduction to Counseling (PSYC 1012)

Developmental Psychology (PSYC 1014)
 Social Psychology (PSYC 1016)
 Group Dynamics I (PSYC 1018)
 Death & Dying (PSYC 1130)
 College credit by examination may apply. Visit the BCCC website for a description of these courses.)

Personal and Community Health 3.00

(The purpose of this course is to provide a personal appreciation, understanding, and awareness for good health and well being by analyzing the causes and effects of major health problems in our society today.)

Principles of Macroeconomics (ECON 1610) 3.00

(An introduction to the basic history, principles, and problems of modern economics; determinants of national income, employment, resource allocation, and price level; the monetary and banking system; and economic instability. College credit by examination may apply.)

Principles of Microeconomics (ECON 1612) 3.00

(An introduction to the market mechanism, price and distribution theory, public policy, international growth, and contemporary economic issues. College credit by examination may apply.)

Accounting Requirements 6.00

(Select from one of the below options to fulfill this requirement.)

Option 1:

Accounting I (ACCT 1614)
 Accounting II (ACCT 1616)
 Managerial Accounting (ACCT 1618)

Option 2:

Accounting for Business Operations (ACCT 1640)
 Accounting for Investment & Finance (ACCT 1641)

Visit the BCCC website for a description of these courses.)

Business Electives 3.00

(Select one of the following courses:

Microcomputer Applications I (ACCT 1611)
 Microcomputer Accounting Applications (ACCT 1611)
 Total Quality Management (BSTC 1780)
 Process Management (BSTC 1783)
 Strategic Management (BSTC 1798)
 Introduction to Business (BUSI 1600)
 Small Business Management (BUSI 1604)
 Business Ethics (BUSI 1607)
 Business Law I (BUSI 1608)

Visit the BCCC website for a description of these courses.)

Free Electives

14.00

Excess or Duplicate Credit

TOTAL

66.00

0.00

Thank you for requesting support from the U.S. Coast Guard Institute (CGI). Whereas we serve as an activity in support of your unit Educational Services Officer (ESO), you are encouraged to seek assistance from your local ESO in your academic endeavors. The following information is provided to help you understand what is presented in this degree plan:

This document is an UNOFFICIAL Degree Plan to provide you with a preliminary assessment of how your prior learning experiences might fit into the specified degree program for this academic institution. If you choose to pursue this degree option, you must present it to a college representative, who will review it for the following:

o Accurate representation of the college's degree program requirements, including course numbers and titles, credit hours for each course, lower- and upper-level course requirements, and the total number of credits needed for the degree.

o Appropriate assignment of ACE Guide-recommended credit at the lower or upper level for military service schools and occupations, CLEP, DSST, and other tests, transfer credit for courses from other colleges and universities, certification programs, etc.

o Appropriate assignment of SOC Course Category Codes from the SOC Handbook Transferability Tables. The SOC Degree Program Handbooks can be obtained from the SOC web site at: www.soc.aascu.org should you wish to learn more about the course transfer guarantees among SOC network institutions.

IMPORTANT NOTE: When you are ready to seek admission into this degree program, please send the completed enrollment form (found on the college's web page) to the USCG Institute. The registrar will send the college or university an official USCG transcript, a copy of the degree plan (if one was developed through the USCG Institute and was identified on your transcript request), and a ready-for-signature SOC Student Agreement (when signed by a college official, becomes a contract for degree completion).

Credit for all courses you have taken must be reflected on official transcripts sent directly to this college from the administrative offices of the colleges you previously attended. This degree plan is often used for information purposes by college counselors pending receipt of the official transcripts from the source colleges.

This degree plan is not intended to compete with your local college or university. Keep in mind, you are allowed to transfer in a significant amount of the degree requirements to this institution. As such, credit from local colleges, college level examination programs, or advanced military training may be applied to this degree. You may also complete the courses necessary from this college either in residence (on campus or possibly on a military base at a campus extension in the Education Center) or through distance delivery of the courses. If you have

questions, please contact the college counselor or your advisor listed at the bottom of this Degree Plan.

DEGREE PLAN LEGEND:

SH = Semester hours
VOC = Vocational, not relative to an academic degree
LL = Lower Level, i.e. courses at the Freshman/Sophomore level
UL = Upper Level, i.e. courses at the Junior/Senior level
GL = Graduate Level (sometimes recommended by ACE for very complex courses)
[#] such as [EN024A] or [EN024B] = SOC Course Category Codes*
{#} such as {DANTES Code = 01.02.03} = DANTES Academic Codes **

* SOC Course Category Codes: Service members Opportunity Colleges (SOC) is a consortium of over 1,600 accredited colleges and universities seeking to provide degree opportunities to the military. Over 170 of these institutions participate in network degree programs developed for the Army, Navy, Marine Corps, and Coast Guard. A SOC course category number beside a course from one of these institutions, such as [EN024A] or [EN024B] for English Composition, indicates that courses from other degree program institutions with the same code may be taken to satisfy the degree requirement. See the SOC Degree Programs Handbooks at <http://www.soc.aascu.org/>

** DANTES Academic Codes: The Defense Activity for Non-Traditional Education Support (DANTES) publishes the DANTES Independent Study Catalog (DISC) annually, which lists more than 6,000 courses from dozens of regionally accredited colleges and universities. Because this is a degree from a SOC affiliated college, the academic residency requirements are limited, thereby allowing students to transfer in a significant portion of the degree, as mentioned above. If the course you desire to take is not offered by this institution when you want to take it, consider the opportunities the courses in the DISC present. For more information, visit http://www.dantes.doded.mil/dantes_web/distancelearning/disc/front/cont.htm Keep in mind, you should always check with the counselor or academic advisor at this institution before enrolling in a course listed in the DISC to ensure it will be accepted in transfer toward this degree.

Barton County Community College (BCCC) General Information:

Barton County Community College was formed July 15, 1965, through an election by the people of Barton County, Kansas. The College was created to provide students in Barton County an opportunity to obtain an education at a low cost within commuting distance. The campus of BCCC is located on a 160-acre site in the Bissells Point area of Great Bend, Kansas. In addition, it uses facilities in a number of outreach areas, including the U.S. Army post at Fort Riley, Kansas.

Bart on line was created in March 1999 to provide greater access to students. The online campus was created through assistance with the Colorado based company, eCollege.com. BARTONline.org provides you the opportunity to complete an Associate Degree online. Courses taken at other colleges and universities, plus your military and work experience, can be applied towards degree completion requirements at Barton County Community College. A minimum of 15 credit hours are required from Barton for degree completion.

How much does it cost to take an online course? BARTONline charges one flat rate of \$125 per credit hour. The only other expense is the cost of textbooks, which varies by the course.

For your next step in pursuing this degree, please contact:

Latisha Redfield

Special Assistant to the President for Planning, Organizational Development, and Military Operations

Barton County Community College
