Thank you for requesting support from the U.S. Coast Guard Institute (CGI). Whereas we serve as an activity in support of your unit Educational Services Officer (ESO), you are encouraged to seek assistance from your local ESO in your academic endeavors. The following information is provided to help you understand what is presented in this degree plan:

This document is an UNOFFICIAL Degree Plan to provide you with a preliminary assessment of how your prior learning experiences might fit into the specified degree program for this academic institution. If you choose to pursue this degree option, you must present it to a college representative, who will review it for the following:

- o Accurate representation of the college's degree program requirements, including course numbers and titles, credit hours for each course, lower- and upper-level course requirements, and the total number of credits needed for the degree.
- o Appropriate assignment of ACE Guide-recommended credit at the lower or upper level for military service schools and occupations, CLEP, DSST, and other tests, transfer credit for courses from other colleges and universities, certification programs, etc.

o Appropriate assignment of SOC Course Category Codes from the SOC Handbook Transferability Tables. The SOC Degree Program Handbooks can be obtained from the SOC web site at: [www.soc.aascu.org](http://www.soc.aascu.org) should you wish to learn more about the course transfer guarantees among SOC network institutions.

IMPORTANT NOTE: When you are ready to seek admission into this degree program, please contact the USCG Institute at 1-405-954-7241. Your advisor will send the college or university an official U.S. Coast Guard Institute transcript, a copy of the degree plan, and a ready-for-signature SOC Student Agreement which, when signed by a college official, becomes a contract for degree completion committing the college or university to supporting you in your academic endeavors.

Credit for all courses you have taken must be reflected on official transcripts sent directly to this college from the administrative offices of the colleges you previously attended. This degree plan is often used for information purposes by college counselors pending receipt of the official transcripts from the source colleges.

This degree plan is not intended to compete with your local college or university. Keep in mind, you are allowed to transfer in a significant amount of the degree requirements to this institution. As such, credit from local colleges, college level examination programs, or advanced military training may be applied to this degree. You may also complete the courses necessary from this college either in residence (on campus or possibly on a military base at a campus extension in the Education Center) or through distance delivery of the courses. If you have questions, please contact the college counselor or your advisor listed at the bottom of this Degree Plan.

#### DEGREE PLAN LEGEND:

SH = Semester hours  
 VOC = Vocational, not relative to an academic degree  
 LL = Lower Level, i.e. courses at the Freshman/Sophomore level  
 UL = Upper Level, i.e. courses at the Junior/Senior level  
 GL = Graduate Level (sometimes recommended by ACE for very complex courses)  
 [#] such as [EN024A] or [EN024B] = SOC Course Category Codes\*  
 {#} such as {DANTES Code = 01.02.03} = DANTES Academic Codes \*\*

\* SOC Course Category Codes: Service members Opportunity Colleges (SOC) is a consortium of over 1,600 accredited colleges and universities seeking to provide degree opportunities to the military. Over 170 of these institutions participate in network degree programs developed for the Army, Navy, Marine Corps, and Coast Guard. A SOC course category number beside a course from one of these institutions, such as [EN024A] or [EN024B] for English Composition, indicates that courses from other degree program institutions with the same code may be taken to satisfy the degree requirement. See the SOC Degree Programs Handbooks at <http://www.soc.aascu.org/>

\*\* DANTES Academic Codes: The Defense Activity for Non-Traditional Education Support (DANTES) publishes the DANTES Independent Study Catalog (DISC) annually, which lists more than 6,000 courses from dozens of regionally accredited colleges and universities. Because this is a degree from a SOC affiliated college, the academic residency requirements are limited, thereby allowing students to transfer

in a significant portion of the degree, as mentioned above. If the course you desire to take is not offered by this institution when you want to take it, consider the opportunities the courses in the DISC present. For more information, visit [http://www.dantes.doded.mil/dantes\\_web/distancelearning/disc/front/cont.htm](http://www.dantes.doded.mil/dantes_web/distancelearning/disc/front/cont.htm) Keep in mind, you should always check with the counselor or academic advisor at this institution before enrolling in a course listed in the DISC to ensure it will be accepted in transfer toward this degree.

#### Touro University International General Information:

Touro University International (TUI) is the international Internet university that knows no bounds. It is a worldwide university that is open 24 hours a day, 365 days a year. That means no matter where in the world a student lives, he or she can learn quickly, conveniently and easily.

Touro University International differentiates itself from other universities and colleges currently offering courses and programs through the Internet by its commitment to quality and excellence as well as the use of "state-of-the-art" technology. Students are able to complete all degree requirements in their home countries and at their own pace. TUI offers the best possible learning experience by using both synchronous learning (via Internet videoconferencing) as well as asynchronous learning (via CD-ROM). Internet teleconferencing enables (TUI) to create a complete interactive learning process with a real-time, instructor controlled environment.

TUI has created the Cyber Classroom on the Internet. This Cyber Classroom is case and applications oriented, and emphasizes a high level of interaction between professors and students and among students.

All students can interact by e-mail or in live communication with their professors. All students are encouraged to collaborate with each other on cases.

Touro University International (TUI) is accredited by the Accrediting Commission for Senior Colleges and Universities of the Western Association of Schools and Colleges, 985 Atlantic Avenue, #100, Alameda, CA 94501, 510-748-9001.

The average cost for online courses is \$250.00 per credit hour, Undergraduate Study, subject to change.

TUI is pleased to announce that under its Military Discount Program servicemen and -women may earn up to 28 semester credits per fiscal year toward a Bachelor or Master's degree at Touro University International (TUI) AT NO COST TO THEM.

TUI's Military Discount Program (MDP) is available to the following personnel under the guidelines set forth below:

- " Regular military personnel
- " Drilling and active duty reservists
- " Retired military personnel
- " Members of the National Guard and Air National Guard

1. Free courses from TUI under this program are only available for students settling their tuition at TUI by using the full amount of the \$4,500 DoD Tuition Assistance for the fiscal year.
2. The free courses must be taken within the same fiscal year in which the full amount of the \$4,500 DoD Tuition Assistance has been used.
3. The standard TUI undergraduate tuition for all programs will be \$250 per semester credit. Under the MDP, TUI will reduce undergraduate tuition so that service members who receive tuition assistance from their branch of the military will have NO TUITION COST for up to 28 semester credits per year. For these servicemembers, MDP will provide tuition reduced by 25% of total tuition for credits beyond 28 per fiscal year. This policy is effective for the TUI Bachelor of Science in Business Administration degree, the TUI Bachelor of Science in Health Sciences degree, the TUI Bachelor of Science in Computer Science degree, and the TUI Bachelor of Science in Information Technology Management degree. The following table describes the MDP for TUI Bachelor's degrees. For further details, please visit our web site at <http://www.touro.edu/cba/mtap.htm>.
