## Notes

1 In accordance with the Guidelines on Work Methods and Organization of Work of the Legal Committee, as revised by the Committee at its ninety-seventh session (LEG.1/Circ.6):

- .1 documents should be received by the Secretariat as follows:
- (a) documents containing proposals for new and unplanned outputs, by **Friday, 10 February 2012 (9-week deadline)**;
- (b) documents, including information documents, containing more than 6 pages of text (bulky documents)\*, by **Friday, 10 February 2012 (9-week deadline)**;
- (c) non-bulky documents (6 pages or less) commenting on those referred to in subparagraphs (a) and (b) above, or on items already on the agenda, or non-bulky information documents, by **Friday, 2 March 2012 (6-week deadline)**; and
- (d) documents containing 4 pages or less, commenting on those referred to in subparagraphs (a) and (b) above, by **Friday, 9 March 2012 (5-week deadline)**. These documents should start with a paragraph clearly indicating the document on which the comments are made and stating that the document is submitted in accordance with the provisions of paragraph 6.6.5 of the Committee's Guidelines; and
- .2 for reasons of economy, documents should be submitted in single spacing, be as concise as possible, and:
- (a) all documents should include a brief summary prepared in accordance with the Guidelines;
- (b) substantive documents should conclude with a summary of the action the Committee is invited to take; and
- (c) information documents should conclude with a summary of the information contained therein.

---

\* To reduce the number of pages for meetings, documents other than information documents, which contain more than 20 pages, should not be translated into all working languages in their entirety. They should include, for translation purposes, a summary of the document not longer than 4 pages, with the technical content submitted as an annex in the language needed by Working Groups (e.g., English). However, this restriction on translation will not limit the translation of a legal text.

2 The following word-processing format should be observed in order to standardize the presentation of documents:

- font: Arial;
- font size: 11;
- justification: full;
- margins: 2 cm top, 2.5 cm bottom, left and right.

In this respect, a template is available on the IMODOCS website for use in the preparation of documents.

3 To facilitate the processing of documents, they should be accompanied by a USB flash drive, preferably in Microsoft Word, where available, or sent via e-mail, in Microsoft Word, to IMO's e-mail address [info@imo.org](mailto:info@imo.org).

4 The Legal Committee has recommended that the provisions of the above-mentioned Guidelines, which, *inter alia*, provide that the Secretariat should strictly apply the rules concerning the submission of documents and not accept late submissions from Governments or delegations, should be strictly observed.
