Subject: Round 1 Questionnaire - Due Friday 11 May 2012

Good day to you all,

Via this email, I am distributing the Round 1 Questionnaire, which is available on the group's website through the following link:
http://www.uscg.mil/imo/slf/docs/tonnage/TM_Conv_CG_Round_1_Questionnaire_Rev_0.pdf The questionnaire is due Friday, May 11th. If you feel that you need to submit sketches, photos, or other graphic images as part of your comments, please attach them separately to your email, along with the completed (filled in) questionnaire.

In consolidating participate input, I made a number changes of an editorial/stylistic nature, and regrouped some of the issues with the view toward making the questionnaire better organized, harmonized, and easier to follow and complete. If you feel that I changed the meaning of your input through such changes, or if you find other substantive errors in the questionnaire, please let me know so that I can make the necessary corrections.

I will be out of the office the week of April 2nd, returning back to the office on Monday, April 9th. If you have any urgent matters requiring the coordinator's attention during this time, please contact Mr. Marcus Akins of my office for assistance (refer to the detailed Participant List for Mr. Akins' contact information).

In closing, I wanted to note how I impressed I was with the many valuable ideas offered by the participants during the "idea gathering" phase of the group's work. I look very much forward to the workahead, as the group evaluates the many issues and solutions that have been offered.

With my best regards to you all,

Peter Eareckson
