Subject: Round 2 Questionnaire - Due Friday August 17th

Good day to you all,

Via this email, I am distributing the Round 2 Questionnaire, which is available on the group's website through the following link:
http://www.uscg.mil/imo/slf/docs/tonnage/TM_Conv_CG_Round_2_Questionnaire_Rev_0.pdf The questionnaire is due Friday, August 17th. Please be sure to read the "Introduction" on page 1 and 2 of this document, which hopefully will answer some of the questions you may have about how the questionnaire was developed, and how it is to be completed. As always, if you have any questions, please feel to contact me for assistance.

A preliminary version of the Questionnaire Annex has also been posted on the group's website, containing the figures, the Draft Resolution on Use of National Tonnage, and a working draft of a Resolution being prepared under Issue 11.c. I expect to have the Issue 11.c draft Resolution completed by this Wednesday, at which time the final version of the Annex will be posted.

The Round 2 Questionnaire represents the culmination of an extraordinary amount of groundwork done by participants from around the world, over this past several very busy months. I eagerly await the results in August, and certainly extend my thanks for the hard work done by so many thus far.

With my best regards to you all,
