USCGC HARRIET LANE is a multi-mission Coast Guard cutter, responsible for a variety of Coast Guard missions, including: Search and Rescue, Enforcement of Laws and Treaties, Maritime Defense, and Protection of the Marine Environment. The versatility of the Famous class cutter makes it a very cost effective platform in carrying out national objectives.

HARRIET LANE's modern command, control, and communications capabilities, including satellite communications, make the cutter an important asset for long range offshore missions. HARRIET LANE can effectively coordinate the efforts of multiple ships and aircraft while conducting missions over large areas of ocean.

**THANKS TO ALL THOSE
WHO MADE THIS ISSUE
POSSIBLE:**

***YN3 Tyler Pepin and ET3 Kenneth
