

COMMAND PHILOSOPHY

USCGC MOHAWK (WMEC 913)

Commander Mark J. Fedor

OUR MISSION: We will execute assigned missions safely and effectively while striving for success in all endeavors.

OUR VALUES: We will live the Coast Guard's Core Values of honor, respect, and devotion to duty. We will foster a positive atmosphere, encourage teamwork, and provide opportunities for professional and personal growth. Each MOHAWK crewmember will:

Be a Professional:

- We represent the MOHAWK, the Coast Guard, and the United States at all times. We will conduct ourselves with pride, integrity, and humility.
- We are cutterman and MOHAWK is our home. Know and care for your ship.
- We will work together to achieve operational and administrative success.
- Be excellent where you are. Each person, regardless of rank or seniority, has an important role which contributes to MOHAWK's success.

Be a Leader:

- Be optimistic. Acknowledge the facts and then engage enthusiastically.
- Be honest and accountable. Expect the same from your shipmates.
- We are all influential leaders through our actions, attitudes, and achievements. Each crewmember can respectfully lead up, across, and down the chain of command.
- Great leaders are also great followers. Once a decision has been made, everyone has an obligation to follow orders whether we agree or not.

Be a Shipmate:

- We will succeed together. Each shipmate is a critical link in MOHAWK's chain of success.
- Shipmates respect one another and hold others accountable to our shared values while on and off duty.
- Shipmates stand together in the face of adversity and celebrate victories as a team.
- Our loved ones are part of MOHAWK's success. Together, we are all part of the MOHAWK family.
