

HAMPTON ROADS EVACUATION ROUTES

Note: Maps represent all boundaries, directionals and information as accurately as possible at the size represented. However, the map scale is not sufficient to show specific address information. Please contact your local office of Emergency Management to determine your specific vulnerability to flooding in the event of a hurricane.

1

PHASE 1 EVACUATION
24-14 HRS BEFORE
START OF TROPICAL
FORCE WINDS

2

PHASE 2 EVACUATION
14-3 HRS BEFORE
START OF TROPICAL
FORCE WINDS

NOTE: The Chesapeake Bay Bridge-Tunnel is not a designated evacuation route. It will close during a hurricane due to unsafe driving conditions. The north-bound lanes of the Monitor Merrimac Bridge-Tunnel will close at Exit 8 (College Drive).

WHEN TO RETURN

It will take time for the local emergency teams to clean up power lines, trees and other debris after a destructive storm. Watch 13NEWS and log onto WVEC.COM for updates on when it is safe to return to homes in your area.

HAMPTON ROADS NORTH

PHASE ONE EVACUATION

24 to 14 hours before start of tropical storm force winds

Middle Peninsula: Residents of the Middle Peninsula should evacuate using Route 17 North.

Northern Neck: Residents of the Northern Neck should evacuate toward Fredericksburg on Route 17.

Eastern Shore: All residents of Northampton and Accomack counties should use Route 13 North as an evacuation route. The Chesapeake Bay Bridge-Tunnel is not a designated evacuation route!

Hampton: Those east of King St. (Route 278) and north of Pembroke Ave. (Route 351) should use I-64 West toward Richmond. There will be access to I-64 West from LaSalle Ave., I-664 and Mercury Blvd.

There will be no access to I-64 West at Mallory St. or Settlers Landing Rd.

Those east of King St. and south of Pembroke Ave. (including Fort Monroe) will use Mercury Blvd./Route 258 South (James River Bridge) to Route 258/32 in Isle of Wight County, or Route 143 West to Route 199 (around Williamsburg) to Route 60 West.

Those north of Mercury Blvd. will take Magruder Blvd. and use Route 17 North, crossing over the Coleman Bridge toward Fredericksburg.

Langley AFB: Langley Air Force Base will evacuate out of its west gate toward Magruder Blvd. South, to I-64 East, and will then use Route 258 South (Mercury Blvd. to the James River Bridge) to their evacuation assembly area at Fort Pickett.

York County and Poquoson: Residents should use Route 17 North toward Fredericksburg. Residents may also use Route 171 (Victory Blvd.) to I-64 West toward Richmond.

PHASE TWO EVACUATION

14 to 3 hours before start of tropical storm force winds

Hampton: Those west of King St. and south of Mercury Blvd. should use I-64 West toward Richmond. There is access to I-64 West from LaSalle Ave., I-664 and Mercury Blvd.. You can also use Route 17 North toward Fredericksburg, crossing the Coleman Bridge.

There is no access to I-64 West at Mallory St. or Settlers Landing Rd.

Those west of Armistead Ave. and north of Mercury Blvd. should use Route 17 North toward Fredericksburg, crossing over the Coleman Bridge.

Newport News: Use Route 143 West (Jefferson Ave.) to Route 199 (around Williamsburg), to Route 60 West or Route 258 South across the James River Bridge to Route 258/32 in Isle of Wight County.

HAMPTON ROADS SOUTHSIDE

PHASE ONE EVACUATION

24 to 14 hours before start of tropical storm force winds

Virginia Beach: Those north of Interstate 264 should use I-64 West toward Richmond.

Those south of I-264 should use I-64 East or I-264 West toward Suffolk.

Norfolk: Those east of I-64 should use I-64 West toward Richmond.

Those west of I-64 should use I-64 East and I-264 West toward Suffolk.

There will be no access to I-64 from Chesapeake Blvd.

PHASE TWO EVACUATION

14 to 3 hours before start of tropical storm force winds

Portsmouth: Those north of Interstate 264 should use Route 17 North to Route 258/32 South in Isle of Wight County, and routes 337 West and 664 North to Route 17 North, then to Route 10 West toward Smithfield.

Those south of I-264 should use Route 58 (Airline Blvd.) to Route 58/460 West toward Suffolk.

Chesapeake: Use I-64 East or I-264 West to Route 58/460 West toward Suffolk.

Suffolk: Those of Route 125 (Kings Hwy.) should use Route 17 North, to Route 258/32 to Route 10 West toward Smithfield.

EVACUATING TO SHELTERS

When local officials order an evacuation for your area, leave immediately. Plan now to stay with friends or relatives or at a motel. Shelters should be a last resort. Stay tuned to 13NEWS and WVEC.COM for shelter announcements. Be sure to bring:

- ◆ Pillows and blankets
- ◆ Food, water and prescription medicines
- ◆ Small toys, games and books for young children.
- ◆ Note: pets, alcohol and firearms are not allowed.
